MILTON TOWN RECORDS IN THE MUNICIPAL YEAR 1978

1978 MARCH MEETING WARRANT

Commonwealth of Massachusetts)ss.
County of Norfolk)

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Milton-Hoosic Clubhouse, Central Avenue
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road,
In Precinct 5A.	Gymnasium, Pierce Junior High School, Gile Road
In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's School, Adams Street,

on Saturday, March fourth next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

Three Selectmen and Surveyors of the Highways for the term of one year.
One Town Clerk for the term of one year.
One Assessor for the term of three years.
One Town Treasurer for the term of one year.
One Member of the Regional Vocational School Committee for the term of two years.
One Member of the Regional Vocational School Committee for the term of one year.
Two members of the School Committee for the term of three years.
One Park Commissioner for the term of three years.
One Member of the Board of Health for the term of three years.
One Constable for the term of two years.
Three Trustees of the Public Library for the term of three years.
One Trustee of the Public Library for the term of one year.
One Trustee of Cemetery for the term of five years.
One Member of the Housing Authority for the term of four years.
One Moderator for the term of one year.
One Member of the Planning Board for the term of five years.
Ninety-nine Town Meeting Members as follows:

Precinct 1.	Fifteen for three years. One for one year.
Precinct 2.	Ten for three years. One for two years.
Precinct 3.	Nine for three years. Two for two years.
Precinct 4.	Nine for three years.
Precinct 5A. and 5B.	Twenty-seven for three years.
Precinct 6.	Sixteen for three years.
Precinct 7.	Nine for three years.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March eleventh next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 58 inclusive, appearing in regular type on pages 16 through 80.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the post offices of said Town seven days at least before the fourth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the town Clerk, on or before said fourth day of March, next.

Given under our hands at Milton the second day of February, Nineteen Hundred and Seventy-Eight.

(Signed) James D. Colt
Walter F. Timilty
John P. Linehan
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town on February 22, 1978 and leaving attested copies at the dwellings of the inhabitants.

(Signed) Dennis J. Doyle
Constable of Milton

The Warrant, including report of the Warrant Committee and recommendations on the Articles in the 1978 Warrant, was posted in the Post Offices at East Milton and at Milton Village on February 22, 1978. The Warrant was delivered to the homes of the inhabitants on February 22, 1978, and filed in the Town Clerk's Office February 22, 1978

For these purposes, the polls were opened at each and all of the said Precincts at eight o'clock in the forenoon and were closed at eight o'clock in the evening.

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 4:17 A.M. March 5, 1978.

The Meeting adjourned at 4:17 A.M. March 5, 1978, to meet on the following Saturday, to wit, March 11, 1978, next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the fifty-eight articles included in the Warrant.

The Absentee Ballot as it is used in Massachusetts, is available for all State and National Elections. It is also used at City and Town Elections.

At our Town Election, held Saturday, March 4, 1978, Milton had the following number of Absentee Ballots:

Precincts	**1**	**2**	**3**	**4**	**5A**	**5B**	**6**	**7**	**TOTAL**
Applications Received	11	15	22	9	10	20	29	15	131
Ballots Cast	6	15	20	6	10	16	27	14	114

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
Town Clerk

Town Clerk James G. Mullen, Jr. examining census material.

ADJOURNED TOWN MEETING
MARCH 11, 1978

The Town Meeting held at the High School Auditorium was opened at 1:03 P.M. by the Moderator, Robert K. Lamere. Those present stood while Mons. John D. Day delivered the invocation.

The Moderator read the names of the following Town Meeting Members who had died since the last Town Meeting:

S. FRANCES MARDEN
DESMOND M. COLLINS
RUSSELL S. HADLOCK
ALBERT J. MCKINNON
JOHN F. WHITE

The Town Meeting Members stood for a moment of silence.

The Town Meeting Members stood again and were sworn in by the Town Clerk, James G. Mullen, Jr.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present. (279+6=285÷2+1=144)

Twenty-one (21) Town Meeting Members were absent as follows:

PRECINCT 1.	David F. Forsyth, Gerardine M. Hefler, Norman E. Kingsbury, Joseph C. Ryan, Christopher J. Tingus.
PRECINCT 2.	Richard C. Ogar, Joseph K. Walsh
PRECINCT 3	Theodore S. Jones, Catherine L. Molloy (Ex-Officio
PRECINCT 4	Joseph G. Graziani, Jr., Lucille M. Sheehan
PRECINCT 5.	Charles F. Barrett, Harry E. Carlson, Frank A. Consolati, Edward Dyson, Thomas P. McSharry, George M. Thompson, Jr.
PRECINCT 6.	Edward F. Coughlin, Daniel E. Duggan, Jr., John F. Leahy
PRECINCT 7.	Robert E. Foster, Thomas W. Kenneally

Permission was given to certain members of Boards and Committees who were not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

The Moderator informed the Membership that three requests to tape record the proceedings had been received by him.

A motion was made to allow the taping of the meeting. The motion passed on a Standing Vote.

YES — 168 NO — 84

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect Albert W. Semer and Theodore E. Kenny, Measurers of Lumber.

UNANIMOUS VOTE

ARTICLE 2. Was deferred until after action was taken on Article 58.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1978, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: That the Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1978, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interest of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: The Town Voted "YES".

UNANIMOUS VOTE

ARTICLE 7. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1978, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

UNANIMOUS VOTE

ARTICLE 8. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything related thereto.

VOTED: The Town voted to appropriate the sum of $35,000 for the purpose set forth in this Article; that upon receipt of notice from the Town Accountant that a claim for benefits has been made by a former employee, the head of the department in which the former employee has worked shall promptly certify to the Town Accountant and to the Treasurer that such claim for benefits is proper or the reasons why such claim is or may be improper and the Treasurer shall make no reimbursement to the Commonwealth on account of such claim for benefit unless certification that such claim is proper has been received from such department head or unless Town Counsel has certified that such reimbursement must be made; that the Treasurer shall make reimbusement payments for benefits made to former employees from the salary accounts of the respective departments for whom such employees formerly worked unless the Treasurer has received written notice from the Town Accountant that said reimbursements are to be made from funds appropriated pursuant to this Article; and that the Treasurer shall report to the Selectmen monthly the name of each former Town employee on account of whom reimbursement payments have been made to the Commonwealth and the amount of such payments.

UNANIMOUS VOTE

ARTICLE 9. To see if the Town will vote to authorize the establishment of a Special Fund for Retirement Purposes, in accordance with the provisions of General Laws. Chapter 40, Section 5D in order to offset the anticipated costs for funding the contributory retirement systems for Town Employees except teachers and administrators in the school system; to establish a funding policy; to determine the appropriation to be made; to establish reporting procedures and to act on anything relating thereto.

VOTED: The Town voted to authorize the establishment of a Special Fund for Retirement Purposes as set forth in the Article, and that the sum of $40,000 be appropriated for such fund.

UNANIMOUS VOTE

ARTICLE 10. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section"Position Identification by Grade, Department, and Municipal Division" and also the section "Position Classification — Schedule of Rates" and inserting in place thereof two new sections as follows:

ARTICLE 11: To see if the Town will vote to amend Chapter 13 of The General Bylaws, known as the Personnel Bylaw, by adding a new section V.H. as follows:

H. Accumulated Sick Leave Plan

Employees who are employed for 18 or more consecutive years and who die or retire under Chapter 32 of the General Laws of Massachusetts because of disability or superannuation shall be eligible for compensation for unused sick leave. Eligible employees shall receive $15.00 per day for each day of sick leave accumulated in excess of 50 days subject to a maximum amount of $1,200. A year's written notice or notice by January 1 of the preceding fiscal year must be given to the Town in the event an eligible employee intends to voluntarily retire.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 12. To see if the Town will vote:

A. To petition the General Court to enact legislation in substantially the following form:

1. All Official Service positions as defined by Chapter 31, Section 1 and the 1977 Rules of the Civil Service Commission in the Accounting, Assessors, Cemetery, General Services, Building, Public Works and Youth Departments and all Secretarial and Clerical positions in the Fire and Police Departments, and all Clerks to Appointed and Elected Boards and Committees, in the Town of Milton shall be exempt from the provisions of the Civil Service Law and Rules.

2. No incumbents, who enjoy permanent Civil Service status, in any of the aforesaid positions on the effective date of this act shall lose any rating, seniority, retirement or pension rights or any other rights or privileges under any provisions of Civil Service Law.

3. This act shall take effect upon its passage.

B. To amend the Personnel Bylaw by establishing a grievance procedure for the benefit of the above named employees by adding a new section VII to Chapter 13 of the General Bylaws as follows:

Section VII. Grievance Procedure:

There shall be a grievance procedure available to those employees of the Town whose positions were removed from Civil Service under Article 12 of the Warrant of the 1978 Annual Town Meeting. As used in this section, the work "grievance" shall be construed to mean a dispute between an employee and his supervisor (s) concerning his discharge, removal, suspension, layoff, transfer, or reduction in compensation or rank. Only employees who have completed a six month probationary period shall be eligible to file a grievance.

Step I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within three (3) working days from the date on which the incident giving rise to the grievance has occured.

Step II. If the grievance is not settled at Step I, the employee shall within five (5) working days thereafter present his grievance in writing to his supervisor who shall hold a hearing within five (5) working days. Within five (5) working days of the hearing, the department head shall render his decision in writing to the employee.

Step III. If the grievance is not settled at Step II in those cases where the department involved is under the jurisdiction of a Board or Commission, the grievance shall be reviewed by said Board or Commission. Within ten (10) working days of the hearing, the Board or Commission shall render its decision in writing to the employee.

Step IV. If the grievance is not settled at Step III all records and facts in the case shall be referred to the Personnel Board for adjudication. If the Personnel Board finds that the action of the supervisor was justified, such action shall be affirmed, otherwise the action relating to the employee may be reversed and/or modified and the grievant may be returned to his position with or without loss of compensation. Within ten (10) working days of the hearing the employee shall be notified in writing through the department head as to the decision of the Personnel Board which shall be final.

This Bylaw shall take effect upon the enactment of the aforementioned legislation;

and to act on anything relating thereto.

Above Article submitted by the following:

Betty L. Myers, 54 Central Avenue
Ruth A. Dodd, 31 Valley Road
Catherine E. Manning, 30 Antwerp Street
Ruth A. Nutting, 807 Canton Avenue
Genevieve M. Byron, 23 Garfield Road
Elizabeth M. Taylor, 67 Oak Street
Elizabeth M. Mellen, 53 Oak Street
Ernestine A. Metzler, 34 Foster Lane
Frances Yaffee, 208 Thacher Street
Catherine I. O'Donnell, 118 Blue Hill Avenue

VOTED: The Town voted "YES".

Passed by a Standing vote of YES — 163 NO — 86

ARTICLE 13. To see if the Town will vote:

To petition the General Court to enact legislation in substantially the following form:

1. The positions of secretaries and clerks in the School Department of the Town of Milton shall be exempt from the provisions of the Civil Service Law and Rules,

2. No incumbents, who enjoy permanent Civil Service Status, in any of the aforesaid positions on the effective date of this act, shall lose any rating, seniority, retirement or pension rights or any other rights or privileges under any provisions of Civil Service Law.

3. This act shall take effect upon its passage.

and to act on anything relating thereto.

The Moderator recognized Warrant Committee Chairman Charles C. Winchester who revised the Warrant Committee's recommendation from YES to NO.

VOTED: The Town voted "NO".

Town Meeting Member Thomas W. O'Connor made a motion which was seconded to reconsider Article 12.

Motion to reconsider Article 12 was defeated by a Standing Vote.

YES — 89 NO — 162

ARTICLE 14. To see what sum of money the Town will vote to appropriate to the Board of Selectmen for the purpose of conducting a Municipal audit for the Fiscal Year ending June 30, 1978; said audit to be performed in accordance with the requirements of the Federal

General Revenue Sharing Law requirements and with the requirements of the Commonwealth of Massachusetts, Division of Corporations and Taxation, Bureau of Accounts; and to act on anything related thereto.

Town Meeting Member Thomas L. Kennedy made a motion to amend the Warrant Committee's recommendation by adding the sentence "that the Town authorize the Moderator to appoint a Committee of five citizens to study and employ the services of a Certified Public Accountant, subject to ratification of the Selectmen, and to report on their findings"

Motion was seconded. On a Voice Vote the motion to amend was passed, and the Town Meeting Members voted on the revised Recommendation.

VOTED: The sum of $15,000 to be appropriated for the purpose set forth in this Article. That the Town authorize the Moderator to appoint a Committee of five citizens to study and employ the services of a Certified Public Accountant, subject to ratification of the Selectmen, and to report on their findings. All in the name of the Town and to act on anything relating thereto.

UNANIMOUS VOTE

ARTICLE 15. To see what sum of money the Town will vote to appropriate to be added to the March 12, 1977 appropriation of $116,204 for the twelve month period for Insurance (General) and to act on anything relating thereto.

VOTED: That the sum of $21,978 be appropriated to be added to the March 12, 1977 appropriation of $116,204 for the twelve month period beginning July 1, 1977 for Insurance (General), and to meet said appropriation, the sum of $12,657 be transferred from the Anti-Recession Fiscal Assistance Account received pursuant to the provisions of Title II of the Public Works Unemployment Act of 1976, and the balance of the appropriation, $9,321, be transferred from available funds.

UNANIMOUS VOTE

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1978 for the operation of the Town departments classified as General Government; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation:

Public Works — General	$ 821,791
Water Operations & Improvements	715,305
Vehicle Maintenance & Operations	136,524
Sanitary Landfill Contract	95,000
Out-of-State Travel	300
TOTAL	$1,768,920

The Public Works Department is authorized to spend from the aggregate amounts appropriated the sum of $877,540, but not more, for salaries and wages and $62,500, but not more, for new equipment.

To meet the appropriation for the Sanitary Landfill Contract, the sum of $95,000 shall be transferred from Local Government Fiscal Assistance Fund received or to be received pursuant to the provisions of Public Law 92-512, and that the balance of $1,673,920 be raised from the tax levy of the fiscal year.

The Public Works Department is hereby authorized to sell at private or public sale, with the approval of the Board of Selectmen, equipment which is no longer required by the Department; exchange or trade-in old equipment for the same or similar type of equipment, and to sell junk, metal, cast iron and similar material and discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purchase of replacement items.

ARTICLE 25. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State for this purpose; and to act on anything relating thereto.

VOTED: That the sum of $32,976 be appropriated from available funds to meet the State's share of the cost of said work, the reimbursements from the State to be restored upon their receipt to the treasury.

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1978 for the operation of the several categories classified as Observances of Holidays, Parks, Recreation and Youth Program; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation:

	7/1/78 — 6/30/79
1. Observances of Holidays to be Administered by the Board of Selectmen	
Expenses	$ 1,500

3. Youth Department		
Salaries & Wages	$	25,735
Expenses		13,703
TOTAL	$	39,438
GRAND TOTAL	$	220,229

The Youth Department is authorized to apply for, accept and expend Federal Grants and donations of funds.

Departments are hereby authorized to sell or exchange old equipment to furnish funds for new equipment.

ARTICLE 27. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery for the year beginning July 1, 1978; and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

	7/1/78 — 6/30/79
Cemetery	
Salaries & Wages	$ 142,173
Overtime	9,000
Expenses	52,908
Equipment	16,550
Out-of-State Travel	225
Development	10,000
Trees and Tree Work	2,500
TOTAL	$ 233,356

and that to meet said appropriation, the sum of $149,849 be raised from the tax levy of the fiscal year and the balance of the appropriation, $83,507, be transferred from available fund as of June 30, 1978, as follows:

Proceeds from the sale of burial rights	$10,990
Income in cemetery perpetual care fund	$72,517

The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

ARTICLE 28. To see if the Town will vote to authorize the Board of Selectmen to accept as a gift for cemetery purposes two certain parcels of land situated off Murray Avenue and bounded and described as follows:

PARCEL ONE
Southerly by land of John M. and Mary G. Cooke, eighty and 35/100 (80.35) feet;

Westerly by land of Town of Milton, ten (10) feet;

Northerly by land of the Town of Milton, seventy-nine and 25/100 (79.25) feet; and

Easterly by land of Francis X. and Donna M. Desmond, nine and 99/100 (9.99) feet.

Containing 796 square feet of land.

PARCEL TWO
Southerly by land of Francis X. and Donna M. Desmond, forty-three and 27/100 (43.27) feet;

Westerly by land of John M. and Mary G. Cooke, nine and 99/100 (9.99) feet;

Northerly by land of Town of Milton, forty and 71/100 (40.71) feet; and

Easterly by land of Town of Milton, ten and 41/100 (10.41) feet.

Containing 419 square feet of land.

Parcel One is shown as Lot A-1 and Parcel Two is shown as Lot B-2 on a plan entitled "Plan of Land, Milton, Massachusetts", dated November, 1977 by Paul D. Kanter, Town Engineer, and Lawrence W. DeCelle, Director of Public Works.

And simultaneously with the above matter to see if the Town will also vote to authorize the Board of Selectmen in the name and on behalf of the Town to sell and convey to Francis X. Desmond and Donna M. Desmond for $1.00 a parcel of land on the northerly side of Murray Avenue, bounded and described as follows:

Beginning at a stone bound on the northerly side of Murray Avenue and running N 14°13'15"W, 128.41 feet to a point;

Thence turning and running S 87°27'48"E, 20 feet to a point:

Thence turning and running S 05° 10' 31" E, 124.19 feet to the point of beginning.

Containing 1231 square feet of land. Said parcel of land is shown as Lot B-3 on a plan entitled "Plan of Land, Milton, Massachusetts' dated November, 1977 by Paul D. Kanter, Town Engineer, and Lawrence W. DeCelle, Director of Public Works:

and to act on anyting relating thereto.

VOTED: The Town voted "YES"

ARTICLE 29. To see what sum of money the Town will vote to appropriate for the support of Schools for the twelve month period beginning July 1, 1978, and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation

	7/1/78 — 6/30/79
Schools	
Salaries & Wages	$6,518,999
General Expenses	1,183,195
Custodians	
Private Work	7,400
Out-of-State Travel	3,500
Curriculum Development	3,500
Summer Educational Development	11,000
School Lunch Program	126,968
Summer School Program	3,500
Research & Development	1,500
Vocational Education	23,282
Unpaid Bills	---
TOTAL	$7,882,844

and that to meet said appropriation the sum of $128,229 received as reimbursements from the State under General Laws, Chapter 71B, shall be applied and the sum of $14,806 shall be transferred from the Adjustment Account for Special Education for 1977 and shall be applied as required by law to the costs of programs provided under General Laws, Chapter 71B, and the balance of the appropriation $7,739,809 shall be raised from the tax levy of the fiscal year.

The Department is hereby authorized to exchange or trade-in old equipment for the same or similar type equipment.

ARTICLE 30. To see what sum of money the Town will vote to appropriate for Evening Practical Art Courses under the provisions of General Laws Chapter 74, Section 14 for the twelve month period beginning July 1, 1978; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/78 — 6/30/79
Evening Practical Art Courses	$11,000

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the transportation of pupils within the Town and to and from the Regional Vocational-Technical School, for the period beginning July 1, 1978, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/68 — 6/30/79
School Bus Transportation	$315,600

ARTICLE 32. To see what sum of money the Town will vote to appropriate for the purpose of supplying clinical services for emotionally disturbed children of Milton through the South Shore Mental Health Association, such sum of money to be administered by the School Committee; and to act on anyting relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/78 — 6/30/79
South Shore Mental Health	$ 5,000

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the support of the Regional Vocational Technical School.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/78 — 6/30/79
Regional Vocational-Technical School District	$182,884

ARTICLE 34. To see what sum of money the Town will vote to appropriate for the purposes of redistricting the precinct lines of the Town of Milton; and to act on anything relating thereto.

VOTED: The Town voted $9,300 for the purposes set forth in the Article.

Town Clerk, James G. Mullen, Jr. moved for reconsideration of Article 34. The motion was seconded and the motion passed on a Voice Vote.

The Town Clerk then made a motion to decrease $9,300 to $5,000. The motion was seconded.

VOTED: The Town voted $5,000 be appropriated for the purpose set forth in this Article.

ARTICLE 35. To see if the Town will vote to petition the Great and General Court of the Commonwealth of Massachusetts for the enactment of the special act entitled "Positioning of Candidates on the Ballot in the Town elections as Their Names are Drawn by Lot", said act being as follows:

Not withstanding the provision of the general or special law or any bylaw of the Town of Milton to the contrary, in all town elections held in said Town, the names of all candidates shall appear on the official ballot in the order in which they are drawn by lot. Each such drawing shall be conducted by the Town Clerk of said Town. Each candidate, or his duly authorized representative, shall have an opportunity to be present at such drawing. After the name of each candidate for an office who is an elected incumbent thereof shall be added the words "Candidate for Re-election".

The above Article submitted by the following:

Loyola D. Sylvan, 65 Valley Road
Mary L. McGuire, 21 Annapolis Road
Paula A. O'Malley, 56 Mingo Street
Kathleen A. Connelly, 1016 Canton Avenue
Rose Depoyan, 58 Dyer Avene
Mary F. Owens, 585 Adams Street
Charlotte C. Cleveland, 94 Centre Street
Patricia M. Schneider, 56 Grove Street
Jane Sibley, 303 Hillside Street
Joanne B. Kickham, 101 Cary Avenue

Town Meeting Member Donald P. Collins made a motion which was seconded to include the phrase "with candidates for re-election preceding other candidates".

The motion was defeated on a Voice Vote.

VOTED: The Town voted "YES" on the Article as it appeared in the Warrant on a Standing Vote of:

YES — 110 NO — 106

Twenty-five Town Meeting Members stood to request a Roll Call Vote.

The following Town Meeting Members cast a "YES" vote:

PRECINCT 1.	Robert E. Antonitis, John R. Avery, Charlotte Berkowitz, Charles S. Crowley, Maureen R. Delaney, Michael Geller, Christopher J. Trakas
PRECINCT 2.	Richard K. Conant, Jr., Edward V. Geschelin, William F. Green, Elizabeth A. Joyce, Gerard J. Joyce, Paul P. Joyce, John T. Landry, Joseph C. Mahoney, Rocco A. Mancini, Alan Miller, William S. Mullen, William A. Murdoch, Nancy O'Neil, Mary E. Palardy, William B. Palardy, Kathleen A. Tyrell.

PRECINCT 7. John J. Boles, Jr., Robert E. Foster, Thomas W. Kenneally.

ARTICLE 36. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town of Milton (known as the Zoning Bylaw) in order that on June 30, 1978, the Milton Zoning Bylaw will conform to the provisions of General Laws Chapter 40A as amended to and including said date, and in order to make perfecting changes, and also to see if the Town will vote to fix the date on which any amendments adopted at the 1978 Annual Town Meeting shall become effective, the amendments proposed being those set forth below:

Amend Section I. A. Paragraph 2., by changing the word "Inspector" to "Commissioner" in the fourth line and by deleting Paragraph 8.

Amend Section III. A. by rewriting subparagraphs 1, 2, 3, and 4 to read:

1. Detached one-family dwelling.

2. Religious purposes.

3. Educational purposes on land owned or leased by the Commonwealth or any of its agencies, subdivisions or bodies politic or by a religious sect or denomination, or by a nonprofit educational corporation.

4. (a) Agricultural, horticultural or floricultural use on a parcel of more than five acres if such use is the primary one, selling only produce raised on the premises; but the term "agricultural use" shall not include maintenance of a piggery or fur farm.

(b) On a parcel of five acres or less, agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 (b) shall not be deemed or construed to permit or authorize the maintenance of any building or structure;

Amend Section III. A. 7 (d) by inserting before the first word the words "On a parcel of five acres or less a" and writing the next word which is "Greenhouse" with a small "g".

Amend Section III.A. 7(j) by deleting this subparagraph.

Amend Section III.B.1 by rewriting subparagraphs (a), (c), and (d) to read:

(a) Except with respect to a parcel of more than five acres primarily used for agricultural, horticultural or floricultural, the garaging or maintaining on any lot of a total of more than three registered automobiles at any time, or the maintaining of any unregistered automobile whether assembled or disassembled unless such unregistered automobile is stored within an enclosed building, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section IX.C. hereof.

(c) The garaging or maintaining on any lot of less than five acres used for agricultural of more than four commercial vehicles.

(d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse maintained on any lot of less than five acres established and doing a non-conforming business, a special permit is granted by the Board of Appeals pursuant to the provisions of Section IX hereof.

Amend Section III.C. in subparagraph 4 by inserting the work "special" in line 7 before the word "permit", and by changing "Section VIII.C." in the last line to "Section IX.C.".

Amend subparagraph 2 of Section III.D. (as most recently amended at the 1977 Town Meeting) by inserting the words "subsection D.1. above" after the words "For the purpose of" and deleting the words "of this Section".

Amend Section IV. Non-Conforming Uses of Buildings and Land, by deleting "IV.A" and rewriting it as follows:

Continuation of Non-Conforming Uses of Building and Land

Any building or use of a building or use of land or part thereof lawful and existing upon the adoption of this bylaw on February 10, 1938, or upon the effective date of any amendment of this bylaw may be continued unless and until abandoned, although such building or use does not conform to the provisions hereof; but in any event, non-use of such land or building for a period of two years shall constitute abandonment thereof. No increase in the extent of the non-conforming use of the building or land may be made except that any such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original buildings may lawfully be used if authorized by a special permit from the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part thereof, provided that construction or operations under a building or special permit shall conform to any subsequent amendment of the bylaw unless the use or constructionis commenced within a period of not less than six months after the issuance of the permit and in cases involving construction, unless such construction is continued through to completion as continuously and expeditiously as is reasonable. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

Amend Section IV.A. Earth Materials Removal, by rewriting Paragraph 1 as follows:

The removal of sod, loam, soil, clay, sand, gravel, or stone from any land in the Town of Milton not in public use to any locations outside of said Town is hereby prohibited, and any such removal within said Town if hereby prohibited except as may be authorized in any zoning district by a special permit issued by the Board of Appeals and except such removal as is permitted by paragraph 3 of this Section. No such permit shall be issued except upon written application therefor to the Board of Appeals and after a public hearing on such application by the Board of Appeals. Such application shall include a diagram to scale of the land concerned, indicating existing and proposed elevations in the area to be excavated and stating the ownership and boundaries of the land for which such permit is sought, the names of all adjoining owners as found in the most recent tax list and the approximate locations of existing public and private ways nearest such land. A copy of the said application shall be sent to the Planning Board forthwith for its review and recommendations which the Planning Board shall file with the Board of Appeals and a copy thereof shall be sent to the applicant. Failure of the Planning Board to make recommendations within thirty-five days of receipt by it of the copy of the application shall be deemed to be lack of opposition thereto.

Amend Section IV.A.2. (after h) by adding "permit" after "or a copy of the denial by the Board of Appeals of any applicaion for such" and changing the word "Inspector" to "Commissioner".

Amend Section IV.B.3. by substituting "or" for "of"in the second line.

Amend Section V.B. by inserting "special" before "permit" in the sixth line.

Amend V.D. as most recently amended by the Town Meeting in 1977 by inserting "special" before "permit" in the third line and changing Section VIII.C. to Section IX.C.

Amend Sections VI.A.1, VI.A.2, VI.A.3, VI.A.4 and VI.C.4 as follows:

In each subsection substitute for the words "after this bylaw is adopted" or the words "at the time of the adoption of this bylaw" the words "on February 10, 1938"; and wherever the word "permit" appears, precede it with the word "special"

Amend Section VI.J. Paragraph 2 by substituting "Section IX, C." for "Section VIII.C." on the last line.

Amend Section VI.J. Paragraph 14. (f) by substituting "of" for "or" in the first line.

Amend Section VI.J. Paragraph 17 by rewriting as follows:

A copy of the application under this subsection J, including copies of all papers and plans filed therewith shall be sent to the Planning Board forthwith for its review and recommendations which the Planning Board shall file with the Board of Appeals, and a copy thereof shall be sent to the applicant. Failure of the Planning Board to make recommendations within thirty-five days of receipt by it of the copy of the application shall be deemed to be lack of opposition thereto.

Amend Section VI.J. Paragraph 18 by substituting "Section IX.C." for "Section VIII.C." in the first line.

Amend Section VII.A. Paragraph 2(b) by adding "or Handicapped" after "Elderly" in the first line.

Amend Section VII.B. Paragraph 2 by substituting "Section IX.C." for Section VIII.C." in the seventh line.

Amend Section VII.C. by striking in the third line the words "this Section" and substituting the words "Paragraphs A and B of this Section" and inserting "not" after "shall" in the fourth line.

Amend Section VII.D. by striking in line 2 the words "this Section is adopted" and substituting the words "of the adoption of this Section VII."

Amend Section VII.E. by substituting "Section VII." for "Bylaw" in the second line.

Amend Section VIII.A. Paragraph 1 by changing "Inspector of Buildings" to "Building Commissioner" in the first and second lines.

Amend Section VIII.A. Paragraph 3 by changing "Inspector of Buildings" to "Building Commissioner" in the fourth line.

Amend Section VIII.B. by substituting "Commissioner" for "Inspector" in the fifth and seventh lines and inserting "or for the Elderly or Handicapped" after the word "Elderly", in the tenth line.

Amend Section VIII.C. by substituting "Commissioner" for "Inspector" in the fourth and seventh lines.

Amend Section IX.A. by rewriting it to read:

"Unless provision for a Board of Appeals is made under a special statute applicable to the Town of Milton, there shall be a Board of Appeals of three members, together with Associate Members, appointed under the provisions of General Laws Chapter 40A as amended, all of whom shall be residents of the Town of Milton and one of whom shall be an attorney at law who at the time of his appointment shall have been a member of the Massachusetts Bar for not less than five years, and one of whom shall be an architect, civil engineer or master builder who at the time of his appointment shall have had not less than five years experience, appointments to be for terms of such length and so arranged that the term of one member shall expire each year. The associate Members of the Board, who also shall each be a resident of the Town need not be an attorney, architect, civil engineer or master builder. No member or associate member shall act in any case in which there is a conflict of interest, and if these is a vacancy or a member is disqualified or for any reason is unable to act, his place shall be taken by an associate member designated by the Chairman of the Board and the associate member so designated shall serve until the completion of any case in which such associate member participates. Every decision of the Board shall be in writing and shall be a matter of public record. Vacancies shall be filled for unexpired terms in the same manner as in the case of original appointments.

Amend Section IX.B. Notice by rewriting as follows:

When an appeal, application or petition for a Special Permit or other permit if filed with the Board of Appeals or other permit granting authority pursuant to any of the provisions of this bylaw, the Board or other permit granting authority shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Commissioner shall be entitled to receive notice in all cases involving the issuance of a building permit.

Amend the title of Section IX.C. to read: 'Special Permits or Other Permits'' and rewrite ''C'' as follows:

"Where a special permit or other permit is required pursuant to the provisions of this bylaw, the applicant shall make written application and shall show to the satisfaction of the Board involved, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this bylaw. The said Board may make apropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit. Special permits shall only be issued following public hearings held within sixty-five days after filing an application therefor with the appropriate special permit granting authority, a copy of which shall forthwith be filed by the applicant with the Town Clerk. Special permits shall lapse within a period of two years of the final effective date thereof if substantial use of the same has not sooner commenced, except for good cause; or in the case of a permit for construction, if construction has not begun by such date, except for good cause.

Amend Section IX.E. by striking in the first line the words "pursuant to" and substituting the word "from", and in the second line by adding after the word "Board" the words "of Appeals".

Amend Section XIII. by rewriting it as follows:

"These bylaws, including the zoning map, may be changed from time to time by amendment, addition or repeal, but only in the manner provided by General Laws Chapter 40A".

Town Meeting Member Roger L. Gregg made a motion which was seconded to remove the wording in Paragraph 4 "but the term agricultural use shall not include maintenance of a piggery or fur farm".

Motion was defeated on a Voice Vote.

Town Meeting Member J. William Dolan made a motion which was seconded to change "two years to three years" in the paragraph "Continuation of Non-Conforming Uses of Buildings and Land" — seventh line.

Motion was defeated on a Voice Vote.

VOTED: The Town voted "YES" as the Article was presented with the amendments to be effective on June 30, 1978 as required by Chapter 808 of the Acts of 1975.

The Article passed requiring a 2/3's vote.

YES — 216 NO — 10

Town Meeting Member Patricia V. Hurley made a motion which was seconded to reconsider Article 35.

Motion was defeated on a Voice Vote.

ARTICLE 37. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town of Milton known as the Zoning Bylaw as follows:

Amend Section III.D.2. (as most recently amended at the 1977 Town Meeting) by inserting the words "Subsection D.1. above" after the words "For the Purposes of" and deleting the words "of this Section"; and further amending said Section III.D.2. by inserting a period (.) after the words "federal laws" in line 4 and deleting the balance of the paragraph.
and to act on anything relating thereto.

VOTED: The Town Voted "YES". The Article required a 2/3's Vote.

YES — 214 NO — 9

The Moderator Robert K. Lamere then called for a ten minute recess.

ARTICLE 38. To see if the Town will vote:

A. To petition the General Court to enact a special statute applicable to the Town of Milton to provide, notwithstanding any general or special law or other law or regulation to the contrary:

(1) For a single Board of Appeals to be appointed by the Moderator and to have jurisdiction of appeals under Chapter 10 of the General Bylaws of the Town (the Zoning Bylaw); under General Laws Chapter 40A; under that part of General Laws Chapter 41 pertaining to the subdivision control law; under Section 23 of General Laws Chapter 23B; and under any and all other matters where by law or the Bylaws of the Town a Board of Appeals is required;

(2) That such Board shall consist of three members, one of whom by designation of the Moderator shall be the Chairman, all of whom shall be residents of the Town of Milton and one of whom shall be an attorney at law who at the time of his appointment shall have been a member of the Massachusetts Bar for not less than five years, and one of whom shall be an architect, civil engineer or master builder who at the time of his appointment shall have had not less than five years experience, appointments to be for terms of such length and so arranged that the term of one member shall expire each year;

(3) That associate members of the Board, who shall each be a resident of the Town but need not be an attorney, architect, civil engineer or master builder, may be appointed by the Moderator for three year terms;

(4) That no member or associate member shall act in any case in which there is a conflict of interest, and if there is a vacancy or a member is disqualified or for any reason is unable to act, his place shall be taken by an associate member designated by the Chairman of the Board and the associate member so designated shall serve until the completion of any case in which such associate member participates;

(5) That every decision of the Board shall be in writing and shall be a matter of public record;

(6) That vacancies shall be filled for unexpired terms by the Moderator in the same manner as in the case of original appointments; and

(7) That the existing Board of Appeals, including associate members, notwithstanding appointments made under said special law, shall continue to have authority to complete all cases in which the petition or application to the Board was filed prior to the effective date of the special legislation enacted pursuant to this petition to the General Court; and if during said completions, terms of members or associate members involved in completing cases shall expire or there shall be vacancies, the Moderator shall make such interim appointments or reappointments as are necessary.

B. Upon the enactment of a special statute in substantially the foregoing form and on the effective date thereof, and without further notice or action by a Town Meeting, that Section 2 of Chapter 11 of the General Bylaws of the Town shall stand repealed;

and to act on anything relating thereto.

VOTED: The Town voted "YES" on a Voice Vote.

ARTICLE 39. To see if the Town will vote to amend Chapter 10 of the General Bylaws (the Zoning Bylaw) by inserting therein a new section reading as follows:

Section IV.C. Flood Plain District Regulations.

1. Flood Plain District

The Flood Plain District is herein established as an overlay district and includes all special flood hazard areas designated as Flood Zone A, A1-30 on the Town of Milton Flood Insurance Rate Maps, FIRM dated March 7, 1977, on file with the Town Clerk, Planning Board and Building Commissioner. These maps as well as the accompanying Town of Milton Flood Insurance Study are incorporated herein by reference.

2. Development Regulations

The following requirements apply in the Flood Plain District:

a. Within Zones A1-30, all new construction and substantial improvements (the cost of which equals or exceed 50 percent of the market value of the structure) of residential and non-residential structures shall have the lowest floor, including basement, elevated to or above the base flood elevation (the 100-year flood elevation designated on the FIRM) or in the case of non-residential structures be floodproofed watertight to the base flood level.

b. Within Zone A. where the base flood elevation is not provided on the FIRM, the Building Commissioner shall obtain and review any already existing base flood elevation data. If the data is reasonable, it shall be used to require compliance with 2.a above.

c. Where watertight floodproofing of a structure is permitted, a registered professional engineer or architect shall certify that the methods used are adequate to withstand the flood depths, pressures and velocities, impact and uplift forces and other factors associated with the 100-year flood level.

d. Within Zones A1-30, no new construction, substantial improvement or other land development shall be permitted unless it is demonstrated to the Building Commissioner that the cumulative effect of the proposed development, when combined with all other existing and anticipated development, will not increase the water surface elevation of the base flood level more than one foot at any point within the Town.

and to act on anything relating thereto.

VOTED: The Town voted "YES"

UNANIMOUS VOTE

A motion was made and seconded that the Town Meeting be adjourned until Tuesday night, March 14, 1978, at 7:00 P.M. The Moderator, Robert K. Lamere adjourned the meeting at 10:48 P.M.

The Moderator called the Meeting to order at 7:08 P.M. on Tuesday, March 14, 1978, and announced a quorum was present.

Sixty-one (61) Town Meeting Members were absent as follows:

PRECINCT 1.	John J. Cummings, J. David Fine, David F. Forsyth, Gerardine M. Hefler, Mary Lee Evans Kimball, Norman E. Kingsbury, Robert F. O'Meara, Joseph C. Ryan, Christopher J. Trakas, John O. Woods.
PRECINCT 2.	Newton S. Baker, Jean M. Creedon, Joseph S. Creedon, John C. Crowley, Elizabeth A. Joyce, Albert J. Kelley, Richard C. Ogar, Joseph K. Walsh.
PRECINCT 3.	Thomas E. Cronin, Robert H. Culver, Clifton L. Fasch, Theodore S. Jones, Catherine L. Molloy, (Ex-Officio)
PRECINCT 4.	Joseph G. Graziani, Jr., Robert K. Lamere, Jr., John B. Martinelli, Carroll P. Sheehan, Lucille M. Sheehan.
PRECINCT 5.	Bruce B. Alexander, Charles F. Barrett, Susan B. Cabot, Harry E. Carlson, Richard B. Chapman, Webster A. Collins, Thomas P. Connolly, Donald T. Devine, James F. Dinneen, Edward Dyson, Ralph M. Forbes, Paul F. Harrington, Thomas A. Likos, Thomas P. McSharry, George M. Thompson, Jr., Chester Vincent Vappi, Edward E. Wendell, Samuel H. Wolcott, Jr.
PRECINCT 6.	John F. Callahan, Edward F. Coughlin, Daniel E. Duggan, Jr., Walter C. Kennedy, Paul J. Kingston, John F. Leahy, John D. MacVarish, Charles P. Manning, Jr., Daniel F. Marr, Joseph G. Sullivan.
PRECINCT 7.	Edward M. Coghlan, Robert E. Foster, Thomas W. Kenneally, Virginia F. Wells, Donald J. White.

Town Meeting Member Frank W. Knowlton, Jr., made a motion which was seconded to establish a study committee of five persons to be appointed by the Moderator to study Article 40 Site Plan Approval and report back to the next regular or special Town Meeting.

Motion was defeated on a Voice Vote.

ARTICLE 40. Recommended that the Town vote to amend Chapter 10 of the General Bylaws of the Town by inserting a new Section, as follows:

VIII.D. SITE PLAN APPROVAL

1. Requirement for Site Plan.

No multi-family building, excluding two family residences but including attached single family residences, shall be constructed or externally enlarged, and no area for parking, loading or vehicular service, including driveways giving access thereto, associated with such buildings or residences shall be established or substantially changed, except in conformity with a site plan bearing an endorsement of approval by the Planning Board.

2. Procedure for Approval.

Any person desiring approval of a site plan under this Section shall submit said plan in duplicate, with application for approval thereof, directly to the Planning Board. The site plan shall show, among other things, zoning boundaries existing and proposed topography, all existing and proposed buildings, their uses, elevations, parking areas, loading areas, driveway openings, service areas and all other open space areas, all facilities for sewage, refuse and other waste disposal, and for surface and subsurface water drainage and all landscape features (such as walks, planting areas with size and type of stock, trees and fences), lighting fixtures and patterns and signs on the lot.

The Board shall hold a public hearing within sixty-five (65) days after the application is filed and shall render its decision within thirty-five (35) days following the date of the public hearing.

3. General Conditions for Approval.

In considering a site plan under this Section the Planning Board shall assure, to a degree consistent with a reasonable use of the site for the purposes permitted or permissible by the regulations of the district in which located:

a. Protection of adjoining premises against detrimental or offensive uses on the site.

b. Convenience and safety of vehicular and pedestrian movement within the site, and in relation to adjacent streets, property or improvements.

c. Adequacy of the methods of disposal for sewage, refuse and other wastes resulting from the uses permitted or permissible on the site, and the methods of drainage for surface water.

d. Adequacy of space for the off-street loading and unloading of vehicles, goods, products, materials and equipment incidental to the normal operation of the establishment.

e. Proper use of the site with respect to unit density and proximity of adjacent buildings to each other.

4. Authority of the Board.

The Planning Board may reject any plan which fails to meet standards for health, safety, welfare and amenities appropriate to the special needs of the persons by whom such buildings are intended to be occupied and appropriate to the maintenance and preservation of health, safety, welfare and amenities in relation to adjacent and other properties in the neighborhood.

The Planning Board shall have the power to modify or amend its approval of a site plan on application of the owner, lessee, or mortgagee of the premises, or upon its own motion if such power is reserved by the Board in its original approval. All of the provisions of this Section applicable to approval shall, where apt, be applicable to such modification or amendment.

And further recommended that the Town vote that this Article become effective on the same date as Article 36 which is June 30, 1978.

VOTED: The Town Voted "YES" on a Standing Vote of

YES — 172 NO — 29

ARTICLE 41. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaws by modifying the Zoning Map referred to in Section II.B. so as to change the zoning district of the land hereinafter described which is presently zoned Residence C to Residence A district; the certain parcels of land located in the town, being bounded and described as follows:

Beginning at a point that is the intersection of the easterly sideline of Canton Avenue with the westerly sideline of Voses Lane;

Thence running in a southeasterly direction along said westerly sideline of Voses Lane 833± feet to a point;

Thence running along a curve that represents the end of said westerly sideline of Voses Lane and the beginning of the westerly sideline of Centre Street 106.50 ± feet to a point;

Thence running in a southwesterly direction along said westerly sideline of Centre Street 362 ± feet to a point;

Thence turning and running in a northwesterly direction by land of others 485 ± feet to a point on the easterly sideline of Canton Avenue;

Thence turning and running in a northeasterly direction said easterly sideline of Canton Avenue 621 ± feet to the point of beginning;

Said parcel contains approximately 7.3 acres with structures located thereon and is shown as the area outlined in red on Assessors Plan Section D, Block 51 on file with the Milton Engineering Department to which reference is hereby expressly made and to act on anything related thereto.

The above Article was submitted by the following:

Louise C. Lintz, 79 Voses, Lane
Edward M. Lintz, 79 Voses Lane
Eleanor L. Carey, 381 Canton Avenue
Frances P. Field, 378 Canton Avenue
Arthur J. Kinnealey, 396 Canton Avenue
Eleanor W. Kinnealey, 396 Canton Avenue
Philip Andres, 75 Voses Lane
Thomas F. Kinnealey, 56 Centre Street
John M. Kinnealey, 56 Centre Street
Joan M. Kennealey, 56 Centre Street

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 42. To see if the Town will vote to amend its Zoning Bylaws and Zoning Map dated January 7, 1938, as most recently amended, by further amending it to provide that a parcel of land located, having a structure thereon at 2 Granite Ave., Milton, Massachusetts, belonging to Neponset Coal Company, Date June, 1911, W.W. Churchill, Surveyor, which plan is recorded with Norfolk Deeds, Plan Book 68, Plan #3290 and more particularly described as

Block #56, Lot #13, on Assessors Plan No. "G" and in a deed on file in the Norfolk County Registry of Deeds, Book No. 1719, Page No. 161, containing 4.11 acres, more or less, be changed from "Zone C" to "Business District"

The above Article submitted by the following:

Louis A. Cassis, 42 Curtis Road
Eugene P. O'Brien, 11 Standish Road
William C. Eastman, 30 Vinewood Road
James W. Rollins, 196 School Street
George F.Murphy, 44 Bradford Road
Janet A. Brown, 36 Vinewood Road
Eileen A. Brown, 36 Vinewood Road
Margaret M. Day, 31 Vinewood Road
William J. Day, 31 Vinewood Road
George W. Sanderson, 24 Vinewood Road

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 43. This Article has been omitted at the request of the petitioners, received February 3, 1978, for whom this Article number had been reserved. This Article had been proposed to rezone the 33 acres of the Lamb Property from Residence A to the Residence D-1 District for the HOME, Inc. Elderly Housing Development.

ARTICLE 44. To see if the Town will vote to amend Chapter 10 of the Bylaws of the Town known as the Zoning bylaws as follows:

Amend Section II, subsection A by inserting at the end thereof;

7. Residence E districts;

Amend Section II, subsection B by deleting line 2 and adding a new line 2 as follows:

"The boundaries of Residence A district, Residence B districts, Residence C districts, Residence D districts, Residence D-1 districts, and Residence E Districts shall be as shown on the Zoning Map which is part of this Bylaw."

Amend Section III by adding a new subsection E as follows:

"E. Residence E. use. In a Residence E. district, except as herein provided, no building or land shall be used and no building shall be erected or converted except for the following purposes:

1. For any use permitted in a Residence A District. Such uses shall be subject to all regulations of this bylaw applicable in a Residence A District.

2. For Attached Cluster Development pursuant to a special permit issued by the Planning board pursuant to Section VI, subsection K of this bylaw."

Amend Section VI by adding a new subsection K as follows:

"K. Attached Cluster Development

The purpose of this subsection relating to Attached Cluster Development is to provide an alternative pattern of land development to that permitted in the present residential zones. Specifically, it is intended to encourage the conservation of more usable open space than is normally possible in conventional developments while at the same time providing for a greater mixture of housing types at somewhat greater dwelling unit densities than allowed in the present residential zones without a significant increase in population density or requirements for public services. An Attached Cluster Development should result in:

i. conservation of significant tracts of open space;

ii. efficient allocation, distribution and maintenance of common and open spaces;

iii. economic and efficient street, utility and public facility installation, construction and maintenance;

iv. a variety of housing types and characteristics;

v. housing and land development harmonious with natural features;

vi. the development and maintenance of real property values consistent with the needs of the Town.

(1) An Attached Cluster Development is a complex of attached single family unit, each unit separated by party walls from the other, located on a parcel of land having an area of not less than 25 acres and the development shall be so laid out that there should be groups of dwellings within the complex with suitable common and open space adjacent to and surrounding it (herein, called ATTACHED CLUSTER DEVELOPMENT).

(2) No Attached Cluster Development shall be established except under a special permit issued by the Planning Board as provided in the Subsection K.

(3) An Attached Cluster Development may be located only in a Residence E District.

(4) Lot Area — In an Attached Cluster Development the area for lots or units shall be in accordance with an approved site plan submitted in accordance with Section K, paragraph 2.

(5) Every Attached Cluster Development may include "common land" which for purposes of this Section K means land within the development available for common use for streets and immediate and essential access to the residential dwelling units and accessory building and facilities within the development. Common land shall not include land which in the opinion of the Planning Board is unsuitable for use as common land because it is wet, swampy, dangerous, or otherwise unsuitable for the construction of a dwelling or unit, or subject to rights or easements inconsistent with purposes of common land in a Cluster Development in the Town.

(6) Every Attached Cluster Development shall include "open land" which for the purpose of this Subsection K, means lands within the development available for open space, recreation, flower gardens, landscaping and land left in its natural state, and, if approved by the Planning Board, for other similar purposes consistent with the development and the character of the neighborhood. No land shall be counted as open land which is included in an area on which the erection or maintenance of a dwelling or accessory structures is permissible. (Such lots or land are hereinafter called "buildable lots or land.") No common land shall constitute open land, nor, for purposes of section 7, 8, 9 and 14 of this Section K, shall be land which in the opinion of the Planning Board is unsuitable for use as open land because it is wet, swampy, dangerous, or otherwise unsuitable for the construction of a dwelling or unit, or subject to rights or easements inconsistent with purposes or open land in an Attached Cluster Development in the Town.

(7) As hereinafter used the term "qualifying land" shall mean the aggregate of all land within the Attached Cluster Development which qualifies as buildable land, common land and open land.

(8) Layout of open land — In an Attached Cluster Development, at least seventy (70%) of the qualifying land of the development shall be open land and used for no other purpose except for

underground utility services necessary for the development, and each dwelling unit or lot within such a development shall be so laid out that each dwelling or dwelling unit shall have reasonable access to open land although individual dwellings or dwelling units need not fron directly on such open land.

(9) Density — In an Attached Cluster Development, the number of dwelling units to be constructed in the development may not exceed one unit for each 25,000 square feet of qualifying land area and the average number of bedrooms per dwelling unit may be no greater than two and one-half (2.5) bedrooms per dwelling unit.

(10) Height regulation — In Attached Cluster Developments no building shall exceed two and one-half stories in height above mean finished grade measured at the foundation.

(11) Yard regulations — In accordance with an approved site plan submitted pursuant to Section K, Paragraph 2.

(12) Miscellaneous dimensional regulations — Matters relating to appurtenant open space, projections and corner clearances at intersecting streets shall be in accordance with an approved site plan submitted pursuant to Section K, paragraph 2.

(13) All utilities, including wiring for lights on open spaces, paths and driveways shall be placed underground.

(14) On open land only structures such as lamp posts, small sheds for tools or sports equipment, fences, including the kind enclosing a tennis court or swimming pool, bath houses and other structures for accessory uses incidental to open land in an Attached Cluster Development, shall be permitted and the number of such accessory structures and their locations, uses and sizes shall be subject to approval by the Planning Board, provided however that all such uses shall not involve the use of more than 10% of all the open land in the Cluster Development.

(15) The Developer shall include in his overall plans for the Development:

(A) provisions whereby the title to all open land shall be always and only vested in a non-profit corporation, the memnbers of which shall be all and only those having title from time to time in fee simple to the buildable lots within the Development;

(B) provisions whereby the said corporation under its charter and bylaws shall have the exclusive right to manage and maintain the open land, determine the uses thereof and the construction, use and maintenance of facilities thereon, all as permitted under the Zoning Bylaw;

(C) provisions whereby all open land in the Attached Cluster Development shall be always open to use at least by every regular occupant of any of the dwellings located in the development, except that use of special facilities such as a swimming pool, tennis court or the like may be restricted to those who have and are contributing to the cost and maintenance thereof;

(D) provisions for owners of buildable lots or dwelling units to bear equitably the costs of said corporation and provisions for the imposition of real estate liens on the buildable lots or dwelling units of owners who fail to meet their said obligations.

(E) provisions in the corporate charter that the open land shall be permanently dedicated and restricted to the open land uses incident to Attached Cluster Developments and that any mortgage or other security arrangement with respect to such land expressly provide that the mortgage or beneficiary of such security arrangement to be subject to such restrictions;

(F) provisions that should common land, open land or the corporation be subjected involuntarily to any lien or the corporation be subject to dissolution or bankruptcy or receivership, the members of the corporation shall use all reasonable means to secure the discharge of any such lien and to arrange for the payment of any debt of the corporation; and provisions that each such member shall hold the corporation harmless and indemnify the corporation from all loss, cost or damage resulting from the use of the open land by that member or the members of his household; and

(G) additional provisions whereby the said corporation when it acquires Title to common and open land shall be bound to establish an Easement or Covenant running to the Town but vesting in the Town only if, notwithstanding provisions in (F) above, the corporation is dissolved. The terms of the Easement or Covenant shall be such as to assure that the open and common uses of such land shall not be violated.

The rights and obligations set forth in the foregoing paragraphs number (A) through (G) shall be duly set forth in one or more legally binding and enforceable instruments prepared by the Developer and, when appropriate, shall be drawn so as to insure to the benefit or and be binding upon successors in title and the heirs, executors, administrators, successors and assigns of the parties; and in said instruments and the charter and bylaws of the corporation, provision shall be made foreclosing any right of amendment to or diminution of the rights and obligations described in said paragraphs (A) through (G), unless for cause shown the same shall be permitted by a court of competent jurisdiction.

(16) Every application for an Attached Cluster Development permit shall be filed with the Planning Board. The application and all required plans, drawings and documents shall be filed in duplicate and shall include samples of all instruments on which the Developer intends to rely to assure compliance with paragraph 15 of the Subsection K. Plans and drawing shall be prepared by or under the direction of a Registered Professional Engineer or Registered Land Surveyor, stamped or sealed accordingly, and shall comply with all applicable rules of the Subdivision Control Law and the Rules and Regulations of the Planning Board pertaining to subdivisions and streets. The plans shall show all land immediately adjacent to the proposed Development, including nearby buildings and structures.

No special permit pursuant to this section K shall be issued until a public hearing has been held as provided in Mass. General Law Chap. 40A, Section 9.

(17) The Planning Board shall take into account that every Attached Cluster Development involves long term planning with respect to open land requirements relating to Cluster Development, and the Board shall issue a permit for such a Development only if it is satisfied that the plan presented for approval is financially practical and will in reasonable probability be completed. The Board may set time limits for completion of parts of and the whole of an Attached Cluster Development, determine the order of construction and set other conditions and limitations on such Development as are consistent with this Section K.

A special permit issued under this section K shall lapse if, within two (2) years from the grant thereof, construction has not begun unless such construction has been delayed beyond the two year period for good cause as provided in Mass. General Law Chap. 40A, Section 9.

(18) After an Attached Cluster Development permit has been issued, lines of buildable lots and dwelling units, the uses of open and common land and the uses and locations of structures thereon may be changed upon petition to the Planning Board and a public hearing, (with the provisions of paragraph 16 applying) provided that the proposed change or changes do not substantially derogate from the intent and purpose of this subsection K.

(19) The provisions of this subsection K shall be construed as being additional to and in substitution for all provisions of Section VI except subsections E, F and G. Otherwise Attached Cluster Developments shall be subject to all other provisions of this bylaw where the intent and context permits."

and to act on anything relating thereto.

VOTED: The Town voted "YES" with this Article becoming effective on the same date as Article 36 — June 30, 1978.

Passed by a Standing Vote: YES — 164 NO — 51

ARTICLE 45. To see if the Town will vote to amend Chapter 10 of General Bylaws of the Town known as the Zoning Bylaw, as follows:

Amend said Zoning Bylaws by modifying the Zoning Map referred to in Section IIB so as to change the zoning district of the land hereinafter described which is presently zoned Residence A to Residence E. District: The certain parcel of land situated in the Town of Milton, Norfolk County, Commonwealth of Massachusetts, shown as an area outlined in red on a plan on file with the Town of Milton Planning Board entitled "Lamb Property, Condominium Development — Governor Stoughton Lane", by Steffian, Bradley Associates, Inc., bounded and described as follows:

NORTHWESTERLY	by Canton Avenue, Five Hundred Sixty-Seven and 90/100 (567.90) feet, more or less;
NORTHEASTERLY	by Governor Stoughton Lane, One Thousand Five Hundred Thirty Eight and 80/100 (1,538.80) feet, more or less;
SOUTHEASTERLY	by land of the Town of Milton (Town Farm) One Thousand Three Hundred Ninety and 54/100 (1,390.54) feet;
SOUTHWESTERLY	by Blue Hills Parkway M.D.C. along curves and lines as shown on said Plan, One Thousand Seven Hundred Twenty-One and 40/100 (1,721.40) feet.

Containing 32.683 acres, according to said plan.

VOTED: The Town voted "YES" with this Article becoming effective on the same date as Article 36 — June 30, 1978.

UNANIMOUS VOTE

Town Meeting Member Gerard J. Joyce made a motion that was seconded to establish a study committee esentially as voted in Article 37 of the 1977 Annual Town Meeting but to add that said committee should have one member from the Conservation Commission. Motion to read as follows:

That the Town vote to authorize the Moderator to appoint a Committee of five citizens, one to be a member of the Conservation Commission to; 1) study the use of those portions of the said parcel of land not required by the Committee appointed under Article 36 of the 1977 Annual Town Meeting for the purpose of a recreational facility; 2) recommend boundaries and assignments in entire or lesser interests for the use or uses proposed within such boundaries; and 3) consult with appropriate Town Boards and Committees in the course of the study; said Committee to report in writing to the Selectmen no later than September 15, 1978.

Motion was defeated on a Voice Vote.

ARTICLE 46. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for recreational, conservation, and other municipal purposes a parcel of land containing 55 acres, more or less, shown on a plan entitled "Plan of Land at Blue Hills Parkway - Canton Avenue -Gile Road, Milton, Massachsuetts" which plan is on file at the office of the Town

Engineer, or such lesser portion of said parcel as the Town may determine; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and, if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provisions of law; and to act on anything relating thereto.

VOTED: A. That the Town vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town by purchase or gift or take by eminent domain for recreational, conservation, and other municipal purposes, the entire parcel of land referred to in this Article; that the sum of $486,000 be appropriated to meet the cost of acquiring said parcel of land; that to meet said appropriation, the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow up to the sum of $450,000 under and pursuant to the provisions of General Laws, Chapter 44, Section 7, Clauses 3 and/or 25 as amended or under any other applicable provisions of law; that the sum of $20,000 be expended from available funds in the Purchase of Land — Lamb Property Account that the sum of $2,560.49 be transferred from the High School Industrial Arts Construction Account and that the balance of $13,439.51 be raised from the tax levy of the fiscal year.

B. That the Town vote to authorize its Boards and Committees, as appropriate, to make appllications for state and federal funds to assist and/or reimburse the Town in connection with the acquisition of this land.

Defeated on a Standing Vote

YES — 80 NO — 117

ARTICLE 46A. To see if the Town will vote to authorize the Board of Selectmen to purchase or acquire by eminent domain for the preservation of open space a certain parcel of land at the intersection of Blue Hill Avenue and Blue Hills Parkway containing 4,032 square feet of land more or less, and being shown as parcel No. 13 in Block 5, Section C of the Assessors Plans; to see what sum of money the Town will vote to acquire the same and to act on anything relating thereto.

VOTED: The Town voted "NO".

ARTICLE 47. To see if the Town will vote to authorize the Committee authorized under Article 38 of the 1977 Town Meeting to prepare detailed plans, specifications and working drawings for the construction of a recreational facility on a portion of land, presently a part of Park Department Land, lying easterly of present Lamb field, and consisting of an approximate area of 2.5 acres and as shown on plan entitled "Recreational Facility Location Plan" which plan is on file at the office of the Town Engineer; to see if the Town will authorize the Committee to employ the services of professional consultants as it shall deem necessary and advisable; to see if the Town will authorize said Committee to see firm bids and award contracts for the construction thereof and to supervise said project in the name and behalf of the Town and to take any other action required to carry out and complete said project, to see if the Town will authorize said Committee to seek and expend state and/or federal funds on said project, and to see what sum of money the Town will vote to appropriate for the foregoing purposes; and to act on anything relating to the foregoing.

VOTED: The Town voted "YES", that the sum of $30,000 be appropriated for the use of said Committee, and that no part of said Recreational Facility, when completed, shall be constructed within 208 feet of the southwest side line of Gulliver Street.

ARTICLE 48. To see what sum the Town will vote for the use of the Committee appointed under Article 39 of the 1977 Town Meeting for the purposes contained therein; and to act on anything relating thereto.

VOTED: That the sum of $74,950 be appropriated.

ARTICLE 49. To see if the Town will vote to continue the existence of the Skating Rink Study Committee created under Article 35 of the 1977 Town Meeting Warrant until 1980 Town Meeting; said Committee to report in writing annually to the Board of Selectmen no later than November 1st and to act on anything related thereto.

VOTED: The Town voted "YES".

ARTICLE 50. To see if the Town will vote to establish a committee of five citizens to be known as the Data Processing Committee as a successor to the Computer Study Committee established under Article 20 of the Warrant of the 1975 Annual Town Meeting. The Committee shall consist of five citizens to be appointed annually and to serve until the succeeding Town Meeting. The Committee shall be appointed as follows: One member by the School Committee, one member by the Board of Selectmen, and the remaining three members, who shall be proficient in the field of data processing, by the Moderator. Their duties shall be to assist Town departments and committees in evaluating the Town's data processing needs and to review and submit a recommendation on all systems and equipment to meet those needs and to provide guidance with respect to priorities for computer application and equitable arrangements for cost sharing among Town departments.

To see what sum of money the Town will vote to appropriate for the purposes of said Committee, and to act on anything relating thereto.

VOTED: The Town voted to establish a committee of five citizens to be known as the Data Processing Committee as a successor to the Computer Study Committee established under Article 20 of the Warrant of the 1975 Annual Town Meeting. The Committee shall consist of five citizens to be appointed annually and to serve until the succeeding Town Meeting. The Committee shall be appointed as follows: One member by the School Committee, one member by the Board of Selectmen, and the remaining three members by the Moderator. The members appointed by the School Committee and the Board of Selectmen and one member appointed by the Moderator shall be proficient in the field of data processing. The duties of the Committee shall be to assist Town departments and committees in evaluating the Town's data processing needs and to review and submit a recommendation on all systems and equipment to meet those needs and to provide guidance with respect to priorities for computer application and equitable arrangements for cost sharing among Town departments; and that the sum of $5,000 be appropriated for the use of said Committee.

ARTICLE 51. To see if the Town will vote to authorize its Selectmen to submit one or more applications for the construction, renovation, repair or other improvements of local projects under the Public Works Employment Act of 1976 (P.L. 94-369) and/or the Community Development Block Grant Program and, subject to the approval of any annual or special Town Meeting, expend any monies received in accordance with said applications; and to act on anything relating thereto.

VOTED: The Town voted "YES".

A motion was made and seconded that the Town Meeting be adjourned until Wednesday night, March 15, 1978, at 7:00 P.M. The Moderator adjourned the meeting at 11:50 P.M.

The Moderator called the Meeting to order at 7:10 P.M. on Wednesday, March 15, 1978, and announced a quorum was present at 7:10 P.M.

Seventy-eight (78) Town Meeting Members were absent as follows:

PRECINCT 1.	Alvan G. Block, Murray D. Cole, John J. Cummings, Charles H. DeSt. Croix, John B. Dunphy, David F. Forsyth, Gerardine M. Hefler, Mary Lee Evans Kimball, Norman Kingsbury, Marshall J. Levy, Robert F. O'Meara, Russell E. Peverly, J. Murray Regan, Jr., Maureen A. Rugo, Joseph C. Ryan, Arthur L. Timmins, Christopher J. Trakas, John O. Woods.

PRECINCT 2. Richard K. Conant, Jr., Jean M. Creedon, Joseph S. Creedon, John C. Crowley, Albert J. Kelley, William S. Mullen, Richard C. Ogar, Joseph K. Walsh.

PRECINCT 3. Robert J. Fallon, Theodore S. Jones, Catherine L. Molloy (Ex-Officio).

PRECINCT 4. Leo C. Desmond, Jr., Leo F. Dunphy, Leo F. Dunphy, Jr. Joseph G. Graziani, Jr., John W. Kenney, William L. Klehm, Robert K. Lamere, Jr., James K. Lynch, John B. Martinelli, Leo P. O'Keefe, Walter F. Peterson, Lucille M. Sheehan.

PRECINCT 5. Charles F. Barrett, George M. Bartol, Harry E. Carlson, Richard B. Chapman, Webster A. Collins, Thomas P. Connolly, Donald T. Devine, Edward Dyson, Barclay Feather, Ralph M. Forbes, Terrence A. McGovern, Thomas P. McSharry, Ambrose B. Nangeroni, George M. Thompson, Jr., Chester Vincent Vappi, Robert G. White, Howard S. Whiteside, Samuel H. Wolcott, Jr.

PRECINCT 6. John V. Callahan, Edward F. Coughlin, Charles W. Duffy, Daniel E. Duggan, Jr., Michael F. Farrington, Edward J. Flaherty, Carolyn A. Kelliher, Myles A. Kelly, Bernard J. Lynch, Jr., Daniel F. Marr, Joseph G. Sullivan.

PRECINCT 7. Paul J. Casey, Kevin F. Donoghue, Arthur J. Duffy, Robert E. Foster, Annamay Marie Gioiosa, Thomas W. Kenneally, Joseph J. Mullen, Donald J. White.

Town Meeting Member Joseph C. Mahoney made a motion which was seconded to amend Article 52 by adding the wording: "but shall not be kept for longer than 20 days".

Motion defeated on a Voice Vote.

ARTICLE 52. To see if the Town will vote to amend Section 22C of Chapter 6 of the General Bylaws by striking out the last sentence in said section and inserting in place thereof a new sentence reading as follows:

"Dogs impounded and unclaimed by the owner or keeper after 10 days may be disposed of by the Dog Officer after 15 days. Healthy dogs may be sold as pets to individuals or may be kept for more than 15 days for sale as pets.

VOTED: The Town voted "NO". Defeated on a Voice Vote.

ARTICLE 53. To see if the Town will vote to amend Section 22C of Chapter 6 of the General Bylaws, known as Police Regulations, as follows:

(1) By deleting the last sentence of Section 22C and inserting in place thereof the following:

"Dogs impounded and unclaimed by the owner or keeper after ten (10) days shall be put up for adoption by the Dog Officer. Impounded dogs that are unclaimed and not adopted after twenty (20) days shall be disposed of by the Dog Officer on the Monday or Tuesday after the expiration of the twenty (20) day period from the date of impounding".

ARTICLE 58. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED: The Town voted to appropriate the sum of $192,616 from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in acordance with provisions of General Laws, Chapter 59, Section 23.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

VOTED: To hear and act on the Report of the Town Accountant as printed on pages 158 through 197 of the 1977 Town Report.

The meeting was dissolved at 8:36 P.M.

James G. Mullen, Jr.
Town Clerk

SPECIAL TOWN MEETING WARRANT

JUNE 13,1978

Commonwealth of Massachusetts) ss.
County of Norfolk)

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Milton High School Auditorium on Brook Road in said Milton on Tuesday, the thirteenth day of June next, at 7:30 o'clock in the evening, then and there to act upon the following ARTICLES, to wit:

Articles 1 through 10 inclusive appearing in regular type on pages 4 through 7.

And you are directed to warn said inhabitants qualified aforesaid to meet at the time and place and for the purposes herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town fourteen days before said thirteenth day of June and leaving printed copies thereof at the dwelling houses in said Town at least fourteen days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon, to the Town Clerk, on or before said thirteenth day of June next.

Given under our hands at Milton the Eleventh day of May, Nineteen Hundred and Seventy-eight.

(Signed) Walter F. Timilty
John P. Linehan
James D. Colt
Board of Selectmen

Commonwealth of Massachusetts) ss.
County of Norfolk)

Pursuant to the within Warrant, I have notified the inhabitants of the town of Milton as herein directed to meet at the time and place and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on May 26, 1978 and leaving attested copies at the dwellings of the inhabitants.

(Signed) Dennis J. Doyle
Constable of Milton

The Warrant was posted in the Post Offices of East Milton and Milton Village on May 26, 1978, and was filed in the Town Clerk's Office May 26, 1978. The Warrant was delivered to the homes of the inhabitants on May 26, 1978.

SPECIAL TOWN MEETING

JUNE 13, 1978

The Special Town Meeting held at the Milton High School Auditorium was opened at 7:35 P.M. by the Moderator, Robert K. Lamere. Those present stood while Rev. Robert B. Appleyard, Jr., from St. Michael's Episcopal Church delivered the invocation.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present. Forty Town Meeting Members were absent as follows:

Precint 1.	Charlotte R. Berkowitz, Murray D. Cole, John J. Cummings, Charles H. DeSt. Croix, Kevin C. Donahue, David F. Forsyth, Norman E. Kingsbury, Robert F. O'Meara.
Precinct 2.	John C. Crowley, Albert J. Kelley, Alan Miller William S. Mullen, William A. Murdoch, Richard C. Ogar.
Precinct 3.	Francis F. Brooks, Seth C. Crocker, Robert H. Culver, Richard B. DeWolfe.
Precinct 4.	John W. Kenney, William L. Klehm, Robert K. Lamere, Jr., Lucille M. Sheehan.
Precinct 5.	Harry E. Carlson, Edward Dyson, Terrence A. McGovern, George M. Thompson.
Precinct 6.	John V. Callahan, Eileen F. Chamberlain, Charles F. Collins, John T. Day, Myles A. Kelly, Daniel F. Marr, Francis P. McDermott.
Precinct 7.	Paul J. Casey, Edward M. Coghlan, Arthur J. Duffy, David E. Hollidge, Thomas W. Kenneally, Joseph J. Mullen, Hugo W. Sorgi.

Permission was given to certain members of Boards and Committees who were not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

ARTICLE 1. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town of Milton (known as the Zoning Bylaw) as follows:

Amend Section III by adding at the end thereof a new subsection E as follows:

E. In any District, uses, whether or not on the same parcel as activities permitted as a matter of right, which activities are necessary in connection with scientific research or scientific development or related production, may be permitted upon the issuance of a special permit by the Board of Appeals provided the Board of Appeals finds that the proposed accessory use does not substantially derogate from the public good.

Amend Section IX.C. by inserting in the first line, before the first word the number "1", and inserting at the end of Section IX.C. a new subsection as follows:

2. Applicants for special permits pertaining to accessory uses involving scientific research or scientific development or related production shall make written application to the Board of Appeals as provided in subsection 1 above but the rights of the applicant and the powers of the Board of Appeals shall be governed by Section III.E.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 2. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaws by striking out the present Section IX.D. and inserting a new section IX.D. as follows:

D. Variances and Appeals

Appeals from an order or decision of an administrative officer an appeals of petitions involving variances from the terms of the bylaw including use variances shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws (Ter. Ed.), Chapter 40A. as amended. The Board of Appeals shall have the authority to grant use variances.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 3. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaw by adding at the end of Section III A.7. a new subsection:

(k) The parking on Town owned land of buses used for the transportation of children to schools in the Town of Milton.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to set aside a parcel of land at the Town Disposal Area, containing approximately 30,000 square feet and shown on a plan entitled "Sanitary Landfill Site Plan, Milton, Massachusetts", which plan is on file at the office of the Town Engineer, for the purpose of parking buses used for the transportation of children to schools in the Town of Milton; to construct a strong wire fence around the land so set aside and to prepare the area for use as a parking area; to raise and appropriate the sum of $20,000 to accomplish the above; to authorize the Board of Selectmen to lease the aforesaid premises for the duration of each busing contract at an annual rate of not less than $10,000 and upon such other terms as may seem expedient to the Selectmen; after conferring with the School Committee; and to act on anyting relating thereto.

Town Meeting Member Howard S. Whiteside made a motion and it was seconded to strike out the wording "after conferring with the School Committee". The motion was defeated on a Voice Vote.

VOTED: The Town voted "YES" on the Warrant Committees revised recommendation and that no sums appropriated be expended until the issuance of a special permit by the Board of Appeals for such parking.

UNANIMOUS VOTE

ARTICLE 5. To see what sum of money the Town will vote to appropriate, to be added to the March 12, 1977 appropriation of $215,000 for the twelve month period beginning July 1, 1977, for Street Lighting, and to act on anything relating thereto.

VOTED: On the Warrant Committee's revised recommendation the sum of $9,739.65 was appropriated to be added to the March 12, 1977 appropriation of $215,000 for the twelve month period beginning July 1, 1977, for Street Lighting, and that to meet said appropriation the sum of $9,739.65 be transferred from available funds.

ARTICLE 6. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaws as follows:

Amend said Zoning Bylaws by amending the Zoning Map referred to in Section 2B so as to change the zoning district of the land here and after described which is presently zoned Residence A to the Residence D-1 District:

The certain parcel of land located in the Town of Milton, Norfolk County, Commonwealth of Massachusetts being bounded and described as follows:

Northerly by land of Aimee and Rosamond Lamb 680.00 feet more or less;

Northwesterly by Blue Hills Parkway 1,690.00 feet more or less;

Southwesterly by a radius of Blue Hills Parkway and Canton Avenue 58.21 feet;

Southeasterly by Canton Avenue 768.84 feet;

Norteasterly by land now or formerly of Anne Vagnani Trustee 282.76 feet;

Southeasterly by land now or formerly of Anne Vagnani Trustee and Howard G. Nutting, Jr., et al 330.39 Feet;

Southwesterly by land of Howard G. Nutting, Jr., et al 290.46 feet;

Southeasterly by Canton Avenue 597.35 feet;

Northeasterly by land of Alexander E. Manning 595.87 feet;

Southeasterly by land of Alexander E. Manning 344.98 feet;

Northeasterly by Gile Road 90.00 feet more or less;

Northerly by land of Aimee and Rosamond Lamb 550.00 feet more or less;

Northeasterly by land of Aimee and Rosamond Lamb 280.00 feet more or less.

Containing thirty three acres more or less; and to act on anything related thereto.

The above Article was submitted by the following:

Thomas G. Joseph, 1055 Hillside Street
Roger M. Foley, 35 Garden Street
Mary T. Sheffield, 372 Blue Hills Parkway
Galen E. Wifholm, 1421 Canton Avenue

VOTED: The Town voted "YES" on a Standing Vote.

YES — 212 NO — 20

ARTICLE 7. To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase or eminent domain for recreation and conservation purposes in the name and on behalf of the Town. all or a portion of a parcel of land containing 22 acres, more or less, shown on the plan entitled "Plan of Land at Blue Hills Parkway — Canton Avenue — Gile Road, Milton, Massachusetts", which plan is on file at the office of the Town Engineer; to see what sum of money shall be appropriated therefor and determine whether such sum shall be raised by transfer from available funds or by borrowing under the applicable provisions of law, or otherwise; and to act on anything relating thereto.

VOTED: On the Warrant Committee's Revised Recommendation the Town voted to authorize the Board of Selectmen to acquire by gift or purchase for recreation and conservation purposes the entire parcel of land described in this Article; that the portion of said parcel comprising 15.0± acres, more or less, and labeled "Active Recreation Land," shown on the plan entitled "Plan of Land in Milton, Mass. showing proposed Land Acquisition (Lamb Property)", which plan is on file at the office of the Town Engineer, be acquired for recreation purposes; that the portions of said parcel comprising 7.5± acres, more or less, and labeled "Conservation Land", shown on the plan entitled "Plan of Land in Milton, Mass. showing proposed Land Acquisiton (Lamb Property)", which plan is on file at the office of the Town Engineer, be acquired for conservation purposes; that the sum of $170,000 be appropriated therefor; that to meet said appropriation the sum of $20,000 be applied from the Purchase of Land — Lamb Property Account, the sum of $40,000 be transferred from the Conservation Fund, and the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow up to the sum of $110,000, under the applicable provisions of law; and that Town Boards and Committees, as appropriated, be authorized to make applications for state and federal funds to assist and/or reimburse the Town in connection with the acquisition of the land referred to in this Article.

Passed on a Standing Vote

YES — 166 NO — 61

ARTICLE 8. To see if the Town will vote to amend Section 3 of Chapter 2 of the General Bylaws of the Town by striking out the "1:00 o'clock in the afternoon" and substituting therefore the words "10:00 o'clock in the morning"; and to act on anything relating thereto.

VOTED. On the Warrant Committee's Revised Recommendation the Town voted "NO" on a Voice Vote.

ARTICLE 9. To see if the Town will vote to revoke the authorization to expend money, other than for expenses already incurred and/or necessary repairs to renovate, remodel, or reconstruct the present dog shelter until the Selectmen have received a report on the need for a new dog shelter, and question of the need for a new dog shelter has been voted on at the 1979 Annual Town Meeting.

The absentee Ballot as it is used in Massachusetts, is available for all State and National Elections. It is also used at City and Town Elections.

At the State Primary, held Tuesday, September 19, 1978, Milton had the following number of Absentee Ballots:

Precinct	**1**	**2**	**3**	**4**	**5A**	**5B**	**6**	**7**	**TOTAL**
Applications Received	28	34	28	27	32	39	47	23	258
Ballots Cast	25	29	26	27	27	37	43	21	235

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
Town Clerk

1978
WARRANT
NOVEMBER MEETING

Commonwealth of Massachusetts) ss.
County of Norfolk)

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Milton Hoosic Clubhouse, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road,
In Precinct 5A.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's School, Adams Street.

On Tuesday, November 7, 1978, at eight o'clock in the forenoon, then and there to bring in to the Precinct Officers their ballots for

SENATOR IN CONGRESS for this Commonwealth
GOVERNOR for this Commonwealth and
LT. GOVERNOR for this Commonwealth
ATTORNEY GENERAL for this Commonwealth
SECRETARY for this Commonwealth
TREASURER for this Commonwealth
AUDITOR for this Commonwealth
REPRESENTATIVE IN CONGRESS for the 11th Congressional District
COUNCILLOR for the 4th Councillor District
SENATOR IN GENERAL COURT for the 2nd Norfolk and Suffolk Senatorial District
REPRESENTATIVE IN GENERAL COURT for the 7th Norfolk Representative District
DISTRICT ATTORNEY for the Norfolk County
REGISTER OF PROBATE AND INSOLVENCY for Norfolk County
COUNTY COMMISSIONER for Norfolk County
COUNTY TREASURER for Norfolk County

also to vote on the acceptance of the following Questions:

QUESTION 1
PROPOSED AMENDMENT TO THE CONSTITUTION
(PROPERTY CLASSIFICATION FOR TAX PURPOSES)

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 28, 1975, by a vote of 220-53, and on September 7, 1977, by a vote of 243-20?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would permit the legislature to establish as many as four different classes of real property for tax purposes. Property in any one class would be required to be assessed, rated and taxed proporionately but property in different classes could be assessed, rated and taxed differently. The legislature could grant reasonable exemptions. The constitution presently requires all property (other than wild lands, forest lands, and certain agricultural and horticultural lands) to be assessed and rated equally at full value for tax purposes.

QUESTION NO 2

PROPOSED AMENDMENT TO THE CONSTITUTION
(STATE BUDGET DEADLINE)

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 28, 1975, by vote of 267-3, and on August 10, 1977, by a vote of 250-1?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would allow a governor who had not served in the preceding year as governor to submit a proposed budget to the legislature within eight weeks of the beginning of the legislative session. A governor who had served in the preceding year would still be required to submit a proposed budget within three weeks of the beginning of a legislative session.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION
(DISTRIBUTING INFORMATION FOR VOTERS)

Do you approve of the adoption of an amendment to the Constitution summarizd below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on June 26, 1976, by a vote of 244-6, and on August 10, 1977, by a vote of 253-1?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would require the Secretary of the Commonwealth to send information about questions that will appear on the state election ballot to each person eligible to vote in the Commonwealth, or to every residence in the Comonwealth where one or more eligible voters live. Presently, the Constitution requires the Secretary to send this information to each registered voter in the Commonwealth.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION (RESIDENCE STANDARDS FOR STATE CENSUS)

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 26, 1976, by a vote of 266-0, and on August 10, 1977, by a vote of 258-0?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would require that in the taking of the state census, residence be determined in accordance with the standards used by the United States when taking the federal census. Under the federal standards, residence is based upon where a person spends most of his or her time whereas under present state standards residence is based upon legal domicile. The standards would be subject to any exceptions which the legislature might enact.

QUESTION 5

PROPOSED AMENDMENT TO THE CONSTITUTION (CHARTER COMMISSION DEADLINE)

Do you approve of the adoption of an amendment to the Constitution summarized below, which was appproved by the General Court in joint sessions of the House of Representatives and Senate on May 26, 1976, by a vote of 260-1, and on August 10, 1977, by a vote of 255-0?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would allow a local charter commission 18 months after its election to prepare a charter or charter revision for submission to the voters of a city or town. Presently, the constitution provides that the charter or charter revision be prepared within 10 months of the election of the charter commission.

QUESTION 6

PROPOSED AMENDMENT TO THE CONSTITUTION (STUDENT ASSIGNMENTS TO PUBLIC SCHOOLS

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on June 11, 1975, by a vote of 175-73, and on September 7, 1977, by a vote of 173-90?

YES__________ NO_________

SUMMARY

The proposed constitutional amendment would provide that a student could neither be assigned to nor denied admittance to a public school on the basis of race, color, national origin or creed.

QUESTION 7

PROPOSED AMENDMENT TO THE CONSTITUTION (TAXATION OF LAND USED FOR RECREATION OR LEFT IN NATURAL STATE)

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on August 11, 1976, by a vote of 248-5, and on May 24, 1978, by a vote of 257-0?

YES__________ NO__________

SUMMARY

The proposed constitutional amendment would give the legislature the power to establish a different method of property taxation for land which is used for recreational purposes and for land preserved in its natural state. It would add these two categories to the existing constitutional provision which allows the legislature to tax wild and forest land differently. The amendment's stated purpose is to develop and conserve natural resources and the environmental benefits of recreational land.

QUESTION 8

Shall licenses be granted in the Town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises to nonprofit golf clubs having a dining room capacity at the club house of not less than ninety-nine persons?

YES__________ NO__________

QUESTION 9
(THIS QUESTION IS NOT BINDING)

Shall the Senator from this District be instructed to vote to approve the passage of a bill requiring the reduction and limitation of local property taxes by substituting revenue from state taxes, and providing that all state and local taxes combined shall not take a larger percentage of the total personal income in Massachusetts than the average percentage taken in the three year period immediately preceding approval?

YES__________ NO__________

For these pruposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve the Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of the Warrant with your doings thereon to the Town Clerk on or before the seventh day of November, next.

Given under our hands at Milton this twenty-eight day of September, Nineteen Hundred and Seventy-eight.

(Signed) WALTER F. TIMILTY
John P. Linehan
James D. Colt
Board of Selectmen

A true copy. Attest:
Dennis J. Doyle
Constable of Milton

REPORT OF THE WARRANT COMMITTEE

NOVEMBER ELECTION — NOVEMBER 7, 1978

To the Voters of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General Bylaws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of your Committee:

STATISTICS NOVEMBER 7, 1978 STATE ELECTION

PRECINCT	1	2	3	4	5A	5B	6	7	TOTAL
Registered Voters	2560	1995	1490	1795	2347	2226	2872	1948	17,233
Total Vote Cast	1902	1531	1204	1397	1810	1774	2322	1593	13,533
Time Returned	2:00 A.M.	2:06 A.M.	12:37 A.M.	2:24 A.M.	12:45 A.M.	2:32 A.M.	4:15 A.M.	3:16 A.M.	
Percentage	74.2	76.7	80.8	77.8	77.1	79.6	80.8	81.7	78.5

The Town Clerk upon receipt of the returns from the several precincts forthwith canvassed the same and announced the results at 4:50 A.M. November 8, 1978.

James G. Mullen, Jr.
Town Clerk

Statistics on Absentee Ballots see page 105

STATISTICS ABSENTEE BALLOTS NOVEMBER 7, 1978

At the State Election November 7, 1978, Milton had the following number of Absentee Ballots:

PRECINCT	**1**	**2**	**3**	**4**	**5A**	**5B**	**6**	**7**	**TOTAL**
Applications Received	38	65	40	33	45	68	58	32	379
Ballots Cast	36	51	35	30	38	60	54	31	335

Of the total ballots cast 199 were cast in person by the voter in the Town Clerk's Office and 136 were cast by mail.

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
Town Clerk

APPOINTMENTS MADE BY THE MODERATOR IN 1978

The Moderator, Robert K. Lamere made the following appointments to the various Boards and Committees in the Town of Milton. All appointments are filed with the Town Clerk, James G. Mullen, Jr. and all appointees are notified by the Town Clerk of their apointment.

April 20, 1978: The following persons authorized under Article 6 of the Warrant of the March 1978 Annual Town Meeting:

LEGISLATIVE COMMITTEE

Robert D. O'Leary, Chairman	45 Spruce Street
Walter J. Connelly	40 Clifton Road
James F. Dinneen	21 Hilltop Street
Roland Gray, III	702 Brush Hill Road
Eugene G. Panarese	53 Cushing Road

April 20, 1978: Michael B. O'Toole, 87 Cary Ave., was appointed as a member of the Permanent Insurance Committee for a period of three years.

April 20, 1978: John L. Woods, 72 Reservation Rd., was appointed as a member of the Standing Committee on Housing for a period of three years.

April 20, 1978: Susan B. Cabot, 325 Hillside St., was appointed as a member of the Standing Committee on Housing for a period of three years.

April 26, 1978: Leon P. Piatelli, 28 Whittier Rd., was appointed as a member of the Physical Education Committee authorized under Article 38 of the Warrant of the March 1977 Town Meeting to fill the vacancy caused by the resignation of Marvin A. Gordon.

April 28, 1978: The following people were appointed to the Committee authorized under Article 14 of the March 1978 Annual Town Meeting.

MUNICIPAL AUDIT COMMITTEE

John J. Coleman, Chairman	144 Hilltop Street
John L. Bremer, 2nd	107 School Street
Eugene J. Durgin	5 Cheryl Drive
Frank T. Noonan	106 Hillside Street
Eric Pierce	216 Randolph Avenue

May 12, 1978: The following persons were appointed to the Committee authorized under Article 50 of the March 1978 Annual Town Meeting:

DATA PROCESSING COMMITTEE

Francis F. Brooks, Chairman	134 Adams Street
John T. Lucey	69 Belcher Circle
Robert J. Sheffield	372 Blue Hills Parkway

June 19, 1978: Francis P. McDermott, 3 Wyndmere Road, was appointed as a member of the Personnel Board for a period of five years.

June 19, 1978: The Moderator appointed the following persons to the Warrant Committee of the Town of Milton for the term of one year:

APPOINTMENTS MADE BY THE MODERATOR IN 1978

Russell G. Simpson, Chairman	76 Brook Hill Road
Maria DeMello, Secretary	15 Norman Street
Joseph S. Collins	390 Adams Street
W. Gleason Condon	756 Canton Avenue
Robert W. Corson	1091 Brush Hill Road
David F. Gallery	7 McKinnon Avenue
Mary Dianne Wixted Hayes	630 Adams Street
Thomas L. Kennedy	19 Westvale Road
Joseph F. Kinnealey	77 Churchills Lane
Herbert Lemelman	32 Frothingham Street
John G. McManus	65 Green Street
John J. Mulvaney	25 Rustlewood Road
Arthur T. Wallace	48 Collamore Road
Joseph K. Walsh	43 Hinckley Road

July 7, 1978: The following persons were appointed to the Board of Appeals:

Daniel Gans, Jr. (for a period of one year)	79 Governors Road
Charles F. Barrett, Chairman (for a period of two years)	114 Woodland Road
Carroll P. Sheehan (for a period of three years)	97 Wendell Park
Dean M. Boylan, Associate Member (for a period of one year)	1063 Metropolitan Avenue
John G. Storey, Associate Member (for a period of two years)	1383 Brush Hill Road
Roderick M. Connelly, Assoc. Memb. (for a period of three years)	480 Brook Road

August 11, 1978: The following persons were appointed to the Town Government Study Committee:

George T. Ryan (for a period of three years)	12 Kenilworth Road
Anne M. Richardson (for a period of three years)	157 School Street
Ambrose B. Nangeroni (for a period of two years)	939 Brush Hill Road
C. Mitchell Draper, Jr. (for a period of two years)	621 Harland Street

August 11, 1978: Maralin Manning, 57 Huntington Road, was appointed as a member of the Article 38 & 39 Committees of the Warrant of the March 1977 Annual Town Meeting to fill the vacancy caused by the resignation of Virginia Hannigan.

RESIGNATIONS AND APPOINTMENTS

On May 11, 1978 John L. Bremer 2nd resigned as a Town Meeting Member in Precinct Three.

On May 30, 1978 a petition in accordance with Section 6 of the Milton Town Charter was filed with the Town Clerk. The petition requested that a Special Precinct Three Meeting be held to replace Mr. Bremer.

The Special Meeting was called for June 5, 1978 at 7:30 P.M. Notices of the meeting were hand delivered to each of the Precinct 3 Town Meeting Members.

APPOINTMENTS MADE BY THE MODERATOR IN 1978

On June 5, 1978 the following Precinct 3 Town Meeting Members attended the meeting:

William E. Albers
Francis F. Brooks
Mary E. Carroll
Thomas E. Cronin
Thompson W. Crosby
Richard B. DeWolfe
Clifton L. Fasch
Joseph W. Horak
Theodore S. Jones
Robert J. Kelley
Frank W. Knowlton, Jr.
Helen F. Ladd
Nathaniel B. Lord
W. Paul Needham
Eric Pierce
Catherine E. Swift
Edward E. Wendell, Jr.
Charles C. Winchester

Town Clerk, James G. Mullen, Jr. opened the meeting and entertained nominations for Chairman and Clerk. Charles C. Winchester was unanimously elected Chairman and Catherine E. Swift was unanimously elected Clerk.

The name of Alexander C. Northrop of 291 Adams Street was placed in nomination. There were no other nominations. Eighteen votes were cast. Mr Northrop received Seventeen Votes with one abstention.

Mr. Northrop was elected and shall serve as a Town Meeting Member until the March 1979 Town Election.

On September 15, 1978 Robert A. Curley, 393 Adams St., resigned as a member of the Housing Authority.

On November 1, 1978 Thomas P. McSharry, 21 Artwill St., resigned as a member of the Housing Authority.

On November 2, 1978 at a joint meeting of the Housing Authority and the Board of Selectmen the following people were appointed to fill the vacancies caused by the resignations of Robert A. Curley and Thomas P. McSharry.

Bernard J. Lynch III	224 Adams Street
Richard W. Renehan	18 Carlson Road

They will serve until the Annual Town Election March 3, 1979.

AMENDMENTS TO THE GENERAL BYLAWS

Amendments to the General Bylaws passed at the Annual Town Meeting held March 11, 13, 14 and 15, 1978 were sent to the Attorney General on March 30, 1978. The amendments to the General Bylaws voted under Articles 11, 20 and 53 and the amendments to the Zoning Bylaws voted under Articles 39, 41, 42, 44 and 45 were approved by the Attorney General on May 19, 1978 and received by the Town Clerk, James G. Mullen, Jr. on May 22, 1978.

These amendments to the General and Zoning Bylaws with the approval of the Attorney General were posted in the following public places on May 24, 1978 and 10:00 A.M.

Milton Food Mart
Kidder Branch Public Library
Milton Village Post Office
Town Clerk's Office
Central Public Library
East Milton Branch Public Library
East Milton Post Office

The amendments voted under Articles 36, 37 and 40 were approved by the Attorney General on June 2, 1978 and were received by the Town Clerk, James G. Mullen, Jr. on June 6, 1978.

These amendments to the Zoning Bylaws were posted with the approval of the Attorney General in the following public places on June 7, 1978 at 10:00 A.M.

Milton Food Mart
Kidder Branch Public Library
Milton Village Post Office
Town Clerk's Office
Central Public Library
East Milton Branch Public Library
East Milton Post Office

Amendments to the Zoning Bylaws passed under Articles 1, 2, 3 and 6 of the Warrant for the Special Town Meeting held June 13, 1978 were approved by the Attorney General on September 25, 1978 and received by the Town Clerk, James G. Mullen, Jr. on September 27, 1978.

These amendments to the Zoning Bylaws were posted with the approval of the Attorney General in the following public places on September 27, 1978 at 2:00 P.M.

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

The Warrant Committee is pleased to report to the Town its recommendations for action by Town Meeting Members on the 59 Articles to be considered at the 1978 Annual Town Meeting. Warrant Committee Recommendations appear after each of the Articles and many, where appropriate, are followed by Comments. Significant tables and plates, illustrating land affected by many of the Articles, follow the Articles.

This Report discusses Articles of major interest and significance to the Town and the causes of the tax rate increase of 5.4% which we anticipate for the next fiscal year.

EMPLOYEE WAGES AND BENEFITS

A. *Wages and Benefits*

Article 10 includes requested wage adjustments for the next fiscal year for Town employees other than the Police, who are engaged in collective bargaining, and School Department employees. Article 29 includes an estimated increase for the School Department employees, who are also engaged in collective bargaining. Total requested personnel increases in Article 10 amount to $179,762. The Selectmen advise that a collective bargaining settlement with the Police might cost from $75,000 to $95,000; we regard the latter figure as unduly high.

The increases in Article 10 for Firefighters are based on a new, two year contract, just negotiated, which includes a 5% increase on July 1, 1978, a 1% increase on January 1, 1979, a 5% increase on July 1, 1979, and a further 1% increase on January 1, 1980. The requested increase for other employees, including Public Works and other W and C category employees, is 5.5%.

Included in the newly negotiated Firefighters contract are the following benefit changes: an increase in the night differential from $2.80 per week to $4.20 next year and $5.60 the following year; a change in longevity pay to provide a new step of $300 for employees with thirty years of service in the first year of the contract, and in the second year, to provide a change in longevity pay calculations to provide annual $10 increases after the tenth year and through the thirtieth year rather than the existing $50 increases each five years after the tenth year until the twenty-fifth year; an increase from $1,000 to $1,200 in the maximum compensation for sick leave unused at retirement; an increase in educational incentive pay from $10 per course credit hour to $13 next year and $15 the following year with the maximum, increasing from $1,000 to $1,200 in the first year and $1,400 in the second year; and a recalculation of vacation entitlement to equalize the vacation times of men having less than an average of 42 hours per vacation week in the cumulative.

Article 10 also includes the reclassification of two General, S-10, positions to Administrative, A-1, positions. Other changes are under consideration.

Article 11 extends to non-union employees compensation upon retirement for unused sick leave, a type of benefit now found in union contracts.

The Warrant Committee recommends approval of the requested wages and benefits adjustments including the extension to non-union employees of the unused sick leave compensation similar to that now enjoyed by union employees.

B. *Unemployment Compensation*

A newly mandated cost of local government is unemployment compensation for municipal employees. As part of its anti-recession program, Congress, at Federal expense, expanded unemployment compensation coverage to include state and municipal employees. Last year Congress enacted legislation requiring that the costs of this program be assumed by local governments and the Massachusetts legislature acted to implement the program pursuant to the Congressional mandate. Article 8 provides the funds estimated to be necessary for this program which will be of benefit primarily to seasonal and temporary employees. Employment practices are being reviewed in order to minimize the cost of this new program.

C. *Pensions*

One of the major policy questions facing the Town this year is whether and to what extent the Town's pension obligations should be funded. Contributory pension costs have been increasing at a rapid rate, as indicated in Article 7, in major part due to the fact that the Town's liability is unfunded, i.e., the appropriation for pensions each year is to pay the pension cost for employees already retired, not to set aside funds for future retirements. The Town's unfunded pension liability for employees, other than teachers and school administrators who are covered by a State plan, is estimated to be $12,16,000,000, depending upon the actuarial and other assumptions made in calculating the liability.

Permissive legislation enacted in 1977, now allows towns to fund pension liabilities. The Town Government Study Committee has proposed and the Warrant Committee recommends that funding of the pension liability be commenced this year, pursuant to Article 9, with a modest initial funding contribution of $40,000. Contributions in future years will have to be increased. Following the recommendations of the Massachusetts Retirement Law Commission, a 40 year amortization of liability would require future payments, as follows:

1979-80	$ 88,028
1980-81	244,298
1981-82	481,111
1982-83	456,789
1983-84	437,750
1984-85	420,420
1985-86	407,409
1986-87	399,331

Whether the Town chooses to follow this exact schedule may be left for future determination.

Arguments have been made that we should not fund this liability because the return on investments made with the funds will not match the rate of inflation. This may be true, though it is speculative as to both the investment return and the inflation rate. We conclude, however, that we should not pass on to future generations the burden of costs truly incurred in our time. Further, we believe pension funding will better advise the Town as to the true costs of employee services and may serve as a restraint against forces seeking to expand the municipal work force.

MUNICIPAL LIABILITY

A word is in order about the erosion of the common law doctrine of sovereign immunity. Under that doctrine, a municipality enjoyed immunity from suit even when an employee, acting for the municipality, negligently injured another person. The only recourse of the injured person was to sue the employee and trust that the municipality would indemnify the employee with respect to any resulting judgment.

Two developments occurred in 1977 which will drastically alter this situation. First, the Supreme Judicial Court announced that it will no longer apply the doctrine of sovereign immunity, except to such limited extent as the legislature may prescribe; legislative action is expected this year which will probably greatly expand potential municipal liability. Second, even before acting on comprehensive legislation, the legislature on the last day of 1977 enacted legislation, Ch. 880, which appears to create unlimited liability for municipalities on account of the operation of motor vehicles by Police Officers or Firefighters.

Under consideration at this time is whether the Insurance (General) budget, Article 16, should be increased to provide personal injury and property damage insurance. Such insurance may cost in the order of $50,000 per year. Additional funds for such insurance may be requested at the time of Town Meeting.

LAND USE

Again this year the major land use issues confronting the Town concern the Lamb property, comprising two large tracts, illustrated in Plates 4 and 5, pages 96 and 97, on opposite sides of Canton Avenue.

At last year's Town Meeting, $170,000 was appropriated to acquire 22 acres of the 55 acre parcel of land adjacent to Pierce School, shown in Plate 4, page 96, on which to develop the playing fields recommended by the Physical Education Study Committee. It had been hoped that the Lambs would sell the Town that portion of the land particularly desired for the playing fields, although it had been indicated that they wished to dispose of the entire parcel at one time.

The Lambs have declined to sell the 22 acres to the Town unconditionally. Rather, they have offered to sell the desired land to the Town for the appropriated $170,000, on the condition that the 33 acre balance of the parcel be acquired by HOME, Inc. (Housing Opportunities For Milton Elderly, Inc.), for the erection of 70 to 120 units of non-subsidized housing for the elderly in Milton, the unit cost of the housing not to exceed $45,000. This offer is further conditioned on the Town's and HOME, Inc.'s agreement to preserve for conservation purposes and to maintain in reasonably good condition the open areas indicated in Plate 4, page , the open conservation portion of the land to be acquired by the Town, amounting to approximately 7 acres.

The Lambs have also indicated their willingness to sell privately the 32 acre parcel of land, shown in Plate 5, page 97, for "condominium" development if the Town is willing to rezone the land.

Thus, Article 43 has been submitted for HOME, Inc., to rezone the 33 acre portion of the 55 acre parcel for elderly housing, pursuant to the Town's Residence D-1 zoning established last year. Articles 44 and 45 have been submitted to establish new Residence E zoning and to apply this new zoning to the 32 acre parcel. In addition, Article 46 has been submitted to the Recreation Facility Committee, established pursuant to Article 38 at the 1977 Town Meeting, to acquire the entire 55 acre parcel in the event that the Town does not approve Article 43.

A. *HOME, Inc. – Residence D-1 Zoning – Article 43*

(Article 43 has been omitted from the Warrant)

The HOME, Inc., interest in the 55 acre parcel of land owned by the Lambs is not new. Interest in developing housing for the elderly of "moderate" means was expressed on an informal basis by the organizers of HOME, Inc., more than one year ago. When the Town voted to acquire only 22 of the 55 acres, HOME, Inc. became active, organized formally and proceeded with planning.

In the Fall, presentations of plans were made to the Warrant Committee with the indication that a Special Town Meeting might be requested to rezone the 33 acres to the Residence D-1 District. The Warrant Committee at that time was concerned: as to the feasibility of the plan which called for self-financing of the project by the tenants; as to the accuracy of the estimated costs, then estimated at a maximum unit cost of $35,000 with tax and maintenance costs, estimated to be as low as $150-200 per month; and as to the wisdom of an elderly person's investing $35,000 in a form, a proposed non-negotiable bond, which could not be used as collateral for a loan if a financial crisis developed.

More recently, HOME, Inc., presented to the Warrant Committee a revised plan. The recent version of the development calls for the construction of 120 units of elderly housing of 700-1100 square feet each. The expected price is $42 per square foot or from $29,000 to $46,200. Tax and maintenance costs are expected to be $230-250 per month. As conceived, residents would own their own units, as "condominiums", and thus would have a mortgageable asset. Convention construction financing is envisioned.

The Warrant Committee has recommended a "NO" vote on HOME, Inc.'s Article 43 for several reasons. The concept as recently presented is too incomplete to permit a favorable recommendation. The condominium concept appears to be in conflict with our Zoning By-law which requires that housing in a D-1 District be owned and operated by a non-profit organization or a housing authority. The maximum unit price already exceeds the $45,000 maximum stipulated by the Lambs and inflation is likely to further increase the maximum price. Financial planning is incomplete; at the presentation to the Warrant Committee it was indicated that it would not be until six months after Town Meeting that a financing commitment could be obtained. The Town, thus, has no assurance the project would be completed even if we rezone the land. Further, given the semi-rural nature of the surrounding area and the potential change in its character resulting from this project, we question the proposed density of three units per acre; we would prefer to see a lower density on the order of two units per acre. We also question whether the Town should not first absorb the Winter Valley housing for the elderly before it encourages further development.

The Town deserves and must have more complete information before it makes a decision on a project of this magnitude. The Town must have reasonable assurance that it will not face the monumental task of picking-up the pieces of an unsuccessful venture. For these reasons our recommendation is negative at this time; we are open to reconsideration, however, should HOME, Inc.'s plans progress and our concerns be addressed.

B. *Residence E Zoning – Articles 44 and 45*

The proposed Residence E zoning for the 32 acre parcel of property, shown in Plate 5, page 97, is somewhat unique in concept. It would permit the construction of attached single family dwellings, connected by party walls. Residence E zoning could be applied only to land parcels of more than 25 acres and 70% of the buildable land area must be maintained as open land. The density permitted would be a maximum of one dwelling unit per 20,000 square feet of land area and the average number of bedrooms per dwelling unit would not exceed 2.5. A development could only be commenced after issuance of a special permit by the Planning Board following a public hearing. The Planning Board would be permitted to set conditions and limitations in the special permit which are consistent with the proposed by-law, Article 44.

The specific proposal contemplates the application of this zoning, Article 45, to the 32 acre parcel of the Lamb property bordered by Governor Stoughton Lane, Canton Avenue, MDC land along Unquity Road, opposite the Ulin Skating Rink area, and the Town Farm. The housing would be relatively expensive, ranging from $72,500-$95,000 per unit, plus service fees. Although as many as 75 units were originally contemplated, revisions in the plan now call for the construction of 66 units.

Assuming a total sales value of $5,000,000 and assuming an assessed valuation of $1,250,000, at next year's projected tax rate the development, when completed, would generate gross tax revenues in excess of $240,000. Given the nature of the project, its price and limited number of bedrooms, it is estimated that the number of school age children residing in the housing would not exceed 10, which is consistent with the experience of similar developments elsewhere. Assuming, however, 20 school age children, the estimate of both school and non-school costs which the Town would incur from the project, when completed, is about $100,000. Thus, the Town would have a net tax benefit from the project of about $140,000, equal to about $1.78 on the tax rate.

The Warrant Committee's negative recommendation is largely based on its concern for the proposed density of the development. Bearing in mind that the land could be developed conventionally, in any event, for about 30 homes, we are nevertheless concerned that the objections of abutters to the proposed density, on the doorstep of the Blue Hills Reservation, have a measure of validity. Other concerns are traffic in the area, possible future development of the adjacent Town Farm for elderly housing and the proximity of Winter Valley, one mile away on Canton Avenue.

We expect to consider this proposal and our recommendation again before Town Meeting.

C. *Acquisition and Development of Lamb Property – Article 46*

The Physical Education Study Committee last year documented the need for additional indoor and outdoor physical education facilities at the High School. This is the remaining area criticized in the High School accreditation report which remains to be addressed by the Town. As indicated above, last year the Town voted to acquire 22 acres of the 55 acre Lamb property, Plate 4, page 96, on which to develop the outdoor facilities. Due to the unwillingness of the Lambs to sever this land for separate sale to the Town, however, it has not been possible to complete the acquisition. Article 46 proposes the purchase of the entire parcel at its estimated market value of $486,000.

The Warrant Committee supports Article 46. It appears that the only way in which the Town can acquire the needed land, other than by eminent domain proceedings, is to purchase the entire parcel. As indicated, HOME, Inc.'s plans are incomplete and we are uncertain when the plans will be completed. Continued delay by the Town will only result in increased land acquisition and construction costs.

If the parcel is purchased, as recommended, $450,000 of the purchase price would be bonded. Assuming a 15-year bond and an interest rate of 4.0%, the tax rate impact of the bond would range from $0.67 in the first year to $0.40 in the fifteenth year, having an average impact over the life of the bond of $0.53. If construction is approved at a subsequent Town Meeting, an additional $700,000 may be required; if $650,000 of the construction costs is bonded for 15 years at an interest rate of 5.0%, the tax rate impact over the bond life will range from $0.98 in the first year to $0.53 in the last year, for an average impact of $0.76.

We recommend that the Town proceed now with the land acquisition.

HIGH SCHOOL GYMNASIUM ADDITION

As above noted, the Physical Education Study Committee, in addition to recommending expanded outdoor facilities, also recommended an addition to the High School gymnasium and renovation of some existing areas. Last year, the Town Meeting voted to establish a Committee and to provide initial funding of $3,000. The Committee has now, in Article 48, requested $74,950 to proceed with detailed planning. The total project cost is now estimated at $995,000, down from last year's preliminary estimate of $1,138,000.

As in the case of the outdoor facilities, we recommend that the Town proceed at this time with the initial step, appropriation of planning funds. Assuming that the indoor and outdoor facilities both proceed to completion, we do not anticipate the need for further expansion of school facilities for many years.

THE TAX RATE

Table 1 shows the detail of the tax rate estimate for 1978-79. The estimate is based on the recommended appropriations, which, as noted in the Warrant, may be revised by the time of Town Meeting. The estimate is also based on a number of assumptions, which are subject to change, as to assessments and reimbursements. The tax rate for next year is estimated at $194, an increase of $10 or 5.4% over the current rate of $184.

As indicated in Table 1, increased spending explains only part of the increased tax rate. The total increase of Appropriations and Non-Appropriation Items, in fact, is estimated at $576,000, accounting for about $7.00 of the estimated tax rate increase. The $3.00 balance of the estimated tax rate increase results from a decrease of $293,000 in estimated funds available from Non-Tax Levy Sources.

Employee wages and benefits increases (Articles 7, 8, 9, 10, 16 and 19) amounting to $750,000 account for the major portion of the increase in appropriations. Other significant changes in appropriations include the $158,884 increase for the Regional Vocational-Technical School first year operating costs; $15,000 for a required audit of Town financial records; and a supplemental appropriation of $21,978 for the Town's multi-peril insurance policy. Appropriation increases in various budgets are significantly offset by decreases elsewhere.

The decrease in funds from Non-Tax Levy Sources to offset appropriations was in large measure anticipated. Certified free cash and other available funds to offset the tax rate declined $262,000.

In summary then, higher appropriations account for an increase of $7.00 or 3.8% and anticipated decreases in Non-Tax Levy Sources account for a further increase of $3.00 or 1.6% from the current tax rate of $184 to the projected rate of $194.

CONCLUSION

The Warrant Committee expresses its thanks to the various Departments, Boards and Committees of the Town for their assistance and cooperation. Particular thanks are due personnel of the Selectmen's, Town Accountant's and Board of Assessors' Offices for their assistance in preparing this Warrant.

The Warrant Committee's work this year was marked by the number, variety and complexity of the Articles presented for consideration. The Chairman wishes to express his gratitude to the members and clerk of the Warrant Committee for their long hours in addressing the issues presented to the Committee and for their dedication and commitment to the Town. We all thank our families for their understanding and support while we worked.

Discussing the Budgets for 1980 are Warrant Committee members Maria DeMello, Russell G. Simpson, Chairman and Harriet Nelson, Clerk.

REPORT OF THE WARRANT COMMITTEE

INTRODUCTION

The Warrant Committee is pleased to report to the Town its recommendations for action by Town Meeting Members on the 10 Articles to be considered at the Special Town Meeting on June 13, 1978. Recommendations appear after each of the Articles and, where appropriate, are followed by Comments. Plates, illustrating the land affected by Articles 4, 6 and 7 follow the Articles.

This Report discusses Articles 6 and 7, the specific Articles for which this Special Town Meeting was called.

ARTICLE 6 – REZONING LAMB PROPERTY*

Article 6 proposes to rezone 33 acres of the Lamb property, shown in Plate 2, page 9, to the Residence D1 District to enable HOME, Inc. (Housing Opportunities For Milton Elderly, Inc.) to construct 100 garden type apartments for the elderly.

The project would be non-subsidized and is intended to meet the needs of those of moderate income, not served in sufficient numbers by Unquity House or the soon to be constructed Winter Valley. Occupants would purchase bonds in amounts approximately equal to the cost of the units, estimated at $38,000 - $45,000, which they will occupy. Most occupants, presumably, will have sufficient equity in their existing homes to finance the bond purchase; up to 40% of the purchase price, however, can be financed through HOME, Inc. Monthly fees of about $250 will be charged to cover taxes and other expenses. The value of the bonds will change in proportion to changes in the appraised market value of the apartment units. HOME, Inc. will redeem the bonds at the changed value on the death or incapacity of the occupant or, after a short period, if an occupant desires to move and the occupant's bond remains unsold.

The Warrant Committee's doubts, expressed in the Warrant for the 1978 Annual Town Meeting, have now been dispelled. Conventional construction financing will be employed; one bank has offered a financing commitment and others have indicated an interest in financial participation; a portion of the bond value can be financed; occupants will not "own" their units and, hence, the plan appears to comply with Residence D1 zoning requirements; and density has been reduced from the original proposal for 122 units.

Thus, we believe that HOME, Inc.'s proposal is viable and will help meet an existing need in the Town for alternative housing options for the elderly. Though some might prefer to have the Town acquire the entirety of the Lamb property to preserve its open character, this appears to be unrealistic. The Town has twice rejected purchase of the entire tract. The Town's being unlikely to acquire the tract, a majority of the Warrant Committee regard HOME's proposal to be the most desirable use of the land; particularly when possible alternative uses are contemplated.

We estimate gross tax revenues from this development will amount to $194,000, based on a total sales value of the project of $4,000,000 and an assessment of $1,000,000, and using next year's projected tax rate. Costs resulting to the Town from the project are more difficult to estimate. Assuming, consistent with experience following the opening of Unquity House, a net increase of 40 children entering the public schools, following the sale of homes by those moving to the HOME, INC. development, and further, allocating non-school costs according to a formula suggested by the Metropolitan Area Planning Council, the estimated total school and non-school costs resulting to the Town from this development would be about $150,000 (the MAPC formula probably overstates non-school costs, incremental costs in all likelihood being significantly lower than the formula would indicate). Thus, the Town would have a net tax benefit from the project of at least $44,000, equal to about $0.56 on the tax rate.

Accordingly, the majority of the Warrant Committee recommends approval of Article 6.

ARTICLE 7 – ACQUISITION OF LAMB PROPERTY

The 1977 Annual Town Meeting voted, pursuant to Article 37, to acquire 22 acres of the Lamb property for recreation and conservation purposes, shown in Plate 2, page 9. The Lambs have since agreed to sell that land to the Town for the $170,000 appropriated, but only on the conditions that seven acres, indicated in Plate 2, be maintained for conservation purposes and, further, that the remainder of the land be rezoned for HOME, Inc., as now proposed by Article 6, to permit sale of the entire parcel of land at one time.

Article 7 seeks to reauthorize the acquisition of the 22 acres for recreation and conservation purposes. Reauthorization appears to be needed in view of the negative vote on Article 46 at the 1978 Annual Town Meeting which sought to acquire the 55 acres of the Lamb property or a "lesser portion". Reauthorization is desirable, in any event, in view of the passage of time since the approval of the acquisition by the 1977 Annual Town Meeting and in view of the conservation restrictions imposed by the Lambs after that approval was voted.

The need for the recreation facilities proposed for the Lamb property, first noted in the High School's accreditation report, was documented last year by the Physical Education Study Committee. The Study Committee found outdoor physical education facilities to be inadequate due to the intensive use of the fields behind the High School for both physical education and after school sports programs. Facilities were also found to suffer from space limitations both at the High School and at adjacent Kelly Field which is also used by the High School. The solution proposed by the Study Committee, basically, was to remove team sports from the High School field and Kelly Field and to dedicate their use to physical education classes and intramural programs. This solution requires additional space, however, for the development of necessary additional fields. The Study Committee recommended that the Town acquire the necessary space at the Lamb property on which to develop the additional field facilities.

If the parcel is purchased, as recommended, $20,000 of the purchase price would be applied from available funds appropriated for this purpose in 1977, and $30,000 will be transferred from the Conservation Fund. The $120,000 balance of the purchase price would be bonded. Assuming a 4-year bond and an interest rate of 5%, the tax rate impact of the bond would range from $0.45, in the first year, to $0.39, in the fourth year. If construction is approved at a subsequent Town Meeting, an additional $700,000 may be required; if $650,000 of the construction costs is bonded for 15 years at an interest rate of 5.0%, the tax rate impact over the bond life will range from $0.98 in the first year to $0.53 in the last year, for an average impact of $0.76.

As it has before, in light of the established need, the Warrant Committee strongly supports the acquisition of land at the Lamb property for the development of the needed recreation facilities. The Warrant Committee recommends approval of Article 7.

ESTIMATE OF TAX RATE AND COMPARISON WITH PRIOR YEARS

	Fiscal Year 1976-77 Actual	1977-78 Actual	1978-79 Estimate
Total Appropriations	$15,233	$16,760	$17,367
Plus Non-Appropriation Items:			
State and County Assessments (Less MDC Water)	$ 2,588	$ 2,086	$ 2,086
Overlay	640	648	675
Other	57	58	–
Total	$ 3,285	$ 2,792	$ 2,761
Total Appropriations and Non-Appropriation Items	$18,518	$19,552	$20,128
Less Non-Tax Levy Sources:			
Available Funds (Including Water Revenue)	$(1,431)	$(1,841)	$(1,095)
Free Cash	(256)	(237)	(247)
Revenue Sharing	(280)	(468)	(520)
Motor Vehicle Excise	(1,000)	(1,000)	(1,050)
State Tax Distribution	(1,992)	(1,314)	(1,706)
Town Receipts	(185)	(215)	(215)
Other	–	(51)	–
Total	$(5,144)	$(5,126)	$(4,833)
Estimated Tax Levy	$13,374	$14,426	$15,295
Net Taxable Property	$77,400	$78,400	$78,850
Estimated Tax Rate	$172.80	$ 184	$ 194

Notes:
1) All amounts in thousands of dollars with exception of tax rates which are in dollar amounts.
2) Amounts funded by bond issues not included in total appropriations above.

REPORT OF THE WARRANT COMMITTEE

November Election – November 7, 1978

To the Voters of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General By-laws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of the Committee:

QUESTION NO. 1
PROPOSED AMENDMENT TO THE CONSTITUTION
(PROPERTY CLASSIFICATION FOR TAX PURPOSES)
We recommend that the Town vote **"NO"**.

QUESTION NO. 2
PROPOSED AMENDMENT TO THE CONSTITUTION
(STATE BUDGET DEADLINE)
We recommend that the Town vote **"YES"**.

QUESTION NO. 3
PROPOSED AMENDMENT TO THE CONSTITUTION
(DISTRIBUTING INFORMATION FOR VOTERS)
We recommend that the Town vote **"YES"**.

QUESTION NO. 4
PROPOSED AMENDMENT TO THE CONSTITUTION
(RESIDENCE STANDARDS FOR STATE CENSUS)
We recommend that the Town vote **"YES"**.

QUESTION NO. 5
PROPOSED AMENDMENT TO THE CONSTITUTION
(CHARTER COMMISSION DEADLINE)
We recommend that the Town vote **"YES"**.

QUESTION NO. 6
PROPOSED AMENDMENT TO THE CONSTITUTION
(STUDENT ASSIGNMENT TO PUBLIC SCHOOLS)
We recommend that the Town vote **"NO"**.

QUESTION NO. 7
PROPOSED AMENDMENT TO THE CONSTITUTION
(TAXATION OF LAND USED FOR RECREATION OR LEFT IN NATURAL STATE)
We recommend that the Town vote **"NO"**.

QUESTION NO. 8
THIS QUESTION IS NOT BINDING
PROPERTY TAX – PUBLIC POLICY
We recommend that the Town vote **"YES"**.

QUESTION NO. 9

(SALE OF LIQUOR)

G. We recommend that the Town vote **"YES"**.

REPORT OF PERMANENT INSURANCE ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

We are pleased to submit our Annual Report which is the twenty-first since the formation of the Committee by Town Meeting in the year 1958. The Committee has met several times this past year and can report that the Property Program is favorably priced and reasonably stable. The Casualty Program is somewhat different and will break down into two headings: Workers' Compensation and General Liability.

Workers' Compensation coverage accounts for 50% of the total insurance budget and, due to inflation and escalating hospital costs, premiums have risen over the past years and the Town payrolls have increased and we have had unfavorable loss experience for the Town. The Insurance Committee in the year 1972 made a study of alternative insurance and concluded that, at that time, another method was not favorable. The Committee intends, in 1979, to take another look at a self insurance program.

In the Liability area, the Committee in cooperation with the Town Insurance Agent asked for and received quotations for coverage broader than the present, including Automobile Liability. These quotations have been forwarded to the Secretary of the Board of Selectmen under separate cover. We are particularly concerned in this area because of the case of Whitney vs. the City of Worcester which appears to undermine the common-law doctrine of governmental immunity. We feel this should be looked into.

During the past year the Town Insurance Agent had his staff revalue the Town buildings and those values have been increased accordingly.

Respectfully submitted,

J. Barry Driscoll, Chairman
Stephen Mattaliano, Jr.
Michael B. O'Toole

REPORT OF THE COMMITTEE ON ELDERLY AFFAIRS

January 2, 1979

To the Honorable Board of Selectmen:

The Committee on Elderly Affairs is pleased to submit its seventh report:

The Committee held four meetings during 1978, as well as attending the following meetings; 16 times with the South Shore Home Care Services, 5 times each with the Executive Board of the Milton Senior Citizens Club and the Town Transportation Committee, twice each with the Meals on Wheels, the Milton Visiting Nurse, and the Board of Health Committees, and once each with the Youth Committee, the RSVP, and the Milton Residences for the Elderly.

The South Shore Home Care Services delivered 5900 hours of Homemaker Services, 148 hours of Chore Services, 36 transportation hours, and 62 hours of snow removal to Milton Senior Citizens from 7/1/77 to 9/30/78.

The Committee is still working on updating its Information Guide.

Transportation remains a very real problem for Milton Senior Citizens. However, through a donation to the Committee together with other donations there will be transportation during the winter months.

Doris Davidson was appointed Chairman of the Committee 10/16/78.

As of June 1978, there were 6578 persons 60 years of age or older listed in our files. The distributions were as follows:

60-61	997	62-64	1003	65-69	1491	70-74	1162
75-79	945	80-84	600	85-89	265	90-94	91
95-99	22	100-102	2				

Respectfully submitted,

Alice E. Coghlan, Chairman
Doris Davidson, Member
Charles J. Hackley, Member
Hilda LaRocca, Member
Charles M. McGowan, Member

REPORT OF THE PERMANENT COMMITTEE ON HOUSING

January 9, 1979

To the Honorable Board of Selectmen:

The year 1978 may prove to have been the most productive one, in historical perspective, insofar as housing for elderly Milton citizens is concerned.

"Winter Valley", a federally funded complex of 125 units of mixed income families, had been approved by a previous Town Meeting. After many delays due to both Federal and local problems, Winter Valley had its ground-breaking ceremonies the latter part of November, 1978. Occupancy is expected in late fall of 1979.

At the March Town Meeting, a proposal by Mr. Richard Fitzgerald, a local builder, to construct 55 luxury condominiums on the Lamb Estate on the south side of Canton Avenue and Unquity Road was approved by an overwhelming margin. It is hoped that construction will begin sometime in 1979.

At a Special Town Meeting held in June, 1978 the long debated proposal by HOME, Inc., was finally passed, again by an overwhelming vote. HOME is a non-profit organization of local residents, banded together to offer apartments to local citizens 62 years of age or over at a less than market cost. The plan has been well received. The land on the north side of Canton Avenue and Blue Hills Parkway, part of the Lamb Estate, has been purchased by HOME, Inc., and it is hoped that occupancy will begin by early summer.

Unfortunately, the Milton Housing Authority has been unable to make any progress towards the construction of any units for low income elderly residents of the Town. Although the State did have some funds for these programs, Milton was not among those chosen to participate. The Committee still supports the Authority in its attempts to take advantage of Federal and State programs to help needy, local people. However, due to the great emphasis on tax reduction, it is doubtful that the Commonwealth will offer programs for new construction.

On September 8, 1978, Mrs. Susan B. Cabot resigned from the Committee for personal reasons. Mrs. Cabot has been a member of the Committee for six years. She has served faithfully and with great devotion and intelligence. The Committee will miss her and is greatly indebted to her.

Sincerely yours,

David S. Goldman, Chairman
Charlotte C. Cleveland
Charles H. Keenan
John Woods

REPORT OF THE MILTON TOWN GOVERNMENT STUDY COMMITTEE

December 27, 1978

To the Honorable Board of Selectmen:

Herbert Lemelman resigned from the Town Government Study Committee.

Ann Richardson, Ambrose Nangeroni and C. Mitchell Draper were appointed to the Town Government Study Committee.

After several meetings and discussions relative to a change in the starting time of the Town Meeting, the Committee recommended that no change be made because of a conflict with religious services.

The Town Government Study Committee is continuing its study of the Cemetery Department, the Treasurer's Office, and the Municipal Garage.

A study is also to be made of Town Planning, the Youth and Park Departments, and the Schools.

The Committee extends its thanks to Mr. Lemelman for the excellent services rendered by him while serving on the Town Government Study Committee.

Respectfully submitted,

Thomas A. Norris, Chairman
M. Natalie Fultz
Ann Richardson
Martha Wiswell
Ambrose Nangeroni
C. Mitchell Draper
George T. Ryan

REPORT OF THE DATA PROCESSING STUDY COMMITTEE

January 5, 1979

To the Honorable Board of Selectmen:

As indicated in Article 50 of the 1978 Town Meeting, the primary objective of this committee was to develop a plan for automation of the Water Billing System. The committee felt that there were several options availble to the Town to accomplish that objective and explored each of them in the following sequence:

1. *Utilize the PDP-8 computer currently owned by the School Department and installed in the High School.*
   This option was rejected basically because we could not find any operational software which would accomplish our objectives and also run on this machine. The possibility of having such a system developed was not considered because the price for such development would be far too high, and the incidence of the Water Department becoming a user of that machine would raise serious issues concerning scheduling, computing capacity, and security.

2. *Utilization of a service bureau to perform the Water Billing.*
   This option was rejected strictly on a cost basis. The lowest price we received from any service organization was $12,000 per year and that would only provide the barest minimum of services.

3. *Utilization of another municipality's programs at a Time Sharing Company.*
   This option was immediately rejected because of the incredibly high cost for computer time in a time-shared environment.

The final solution involves the implementation of a currently operational set of programs to be processed on another municipality's computer utilizing an intelligent terminal to be located at the Town Office Building for transmitting data over the telephone lines.

It is the combined opinion of the members of the committee that this approach to implementation is the one that best serves the interests of the Town. We do not offer it as a panacea to all of the informational processing needs of the Town, but do feel that it is an economical means of attaining our immediate objectives, while at the same time providing a basis for growth in the field of automation, a growth that this committee feels is fast becoming a necessity.

This committee wishes to express its thanks to those members of the Water Department, the School Department, and the Department of Public Works for their assistance during the year. A note of appreciation to all members of Town Government for their cooperation.

Respectfully submitted,

Francis F. Brooks
John R. Avery
John T. Lucey
John R. Mitiguy
Robert J. Sheffield

REPORT OF THE MILTON HOUSING AUTHORITY

The year 1978 began with high hopes and ended with disappointment. In 1977, the state legislature authorized a $100 million bond issue for Chapter 667 housing for the elderly and handicapped. In April, the Milton Housing Authority submitted a detailed request for funding to the Massachusetts Department of Community Affairs. In the fall, we resubmitted a revised proposal which complied with all state requirements. However, we were again unsuccessful in obtaining this funding.

There is an acute shortage of subsidized housing for the elderly in Massachusetts. Qualified applicants must wait for an average of three years. Milton, with its high percentage of elderly residents and a five-year wait for occupancy at Unquity House, has a greater than average need. Even Winter Valley, whose progress we note with great pleasure, will be able to serve only a small number of low income Milton elderly who most need an attractive, affordable place to live.

The state elderly housing allocations are made on a regional basis. Unfortunately for Milton, the region southeast of Boston is considered by the state to be proportionately more favored with elderly housing than the remainder of the state. Under Governor Dukakis, the D.C.A. has also favored the rehabilitation of existing buildings such as vacant schools or abandoned mills in central cities. These policies have defeated the Milton Housing Authority's program to serve the needs of the Town's elderly citizens.

The Milton Housing Authority has applied for Section 8 federal funding to provide rental supplements for low and moderate income families and elderly persons in existing rental housing, such as two-family homes. We will continue to seek new construction funding for low-income elderly housing when additional funds become available.

Since our last report, Gerald Joyce decided not to seek re-election, and was replaced by Katherine Haynes Dunphy in the March town election. Following the resignations of Robert A. Curley and Thomas McSharry, Richard Renehan and Bernard Lynch, III were appointed by the Selectmen to serve until the next election. Bernice Ahearn continues as Secretary and Elizabeth Atkins, state-appointed member to serve until 1983, was elected Chairman.

We wish to thank the Board of Selectmen and Representative M. Joseph Manning for their cooperation and support. Joseph Ingoldsby, assistant planning engineer for the Town, gave invaluable service in the preparation of our applications. Our special thanks and appreciation go to Robert A. Curley who served as chairman of the Housing Authority since it was established in 1975.

Respectfully submitted,

Elizabeth Atkins, Chairman

REPORT OF THE COMMITTEE APPOINTED PURSUANT TO ARTICLE 10 OF THE 1978 SPECIAL TOWN MEETING

INTRODUCTION

At the Special Town Meeting in June 1978, the Moderator was authorized to appoint a committee of five citizens charged with the following mandate:

> " . . . to study the adequacy of existing facilities, including proposed improvements of such facilities, for the retention of dogs by the Town and to make recommendations concerning such facilities or the need for alternative arrangements for the retention of dogs by the Town . . . " (Recommendation of the Warrant Committee under Article 10)

The members of the committee approached their task with few preconceived opinions. Facts concerning the operation of the Pound, and its expenses and revenues, were solicited from Police Chief Doyle, Dog Officer Robert Lank, and the Friends of the Milton Dog Pound. Recommendations for structural, fire prevention, and operational improvements and cost estimates therefor were obtained with the assistance of Fire Chief John Grant, Building Commissioner Albert Semer, and Director of Public Works Lawrence DeCelle. Officer Robert Dawes of the Braintree Police graciously provided information about the Braintree Pound which enabled the committee to compare the respective facilities. In addition, members of the committee conducted on-site personal visits to the pounds in Milton, Braintree, and Canton to acquire first-hand knowledge of the prevailing conditions in each facility. Finally, the expertise of several committee members in the fields of veterinary medicine, animal care, and building construction contributed significantly to the findings and recommendations of the committee.

All recommendations of this report – including improvements to the Pound, the need for a new building, and the operations of the Pound – are founded on the belief of the committee that the Milton Dog Pound should perform several functions. First, it should have sufficient facilities to detain all dogs found in violation of the leash law. Otherwise, a sporadically invoked leash law would not implement an effective animal control program and the resulting situation would be inimical to the health, safety and general welfare of all residents of the Town.

Second, the Pound should be equipped to retain dogs under standard, reasonable, and humane conditions. Abuse of animals in detention is not only adverse to the health and safety of the animals, but it is also adverse to the legitimate interests of persons wishing to claim their dogs or adopt an impounded dog.

Third, the Pound should have sufficient facilities, and be operated in such a manner, that dogs are quickly and efficiently picked up, claimed, adopted, and destroyed.

Finally, all aspects of improving, rebuilding, and operating the Pound should be as inexpensive as possible in order that the taxpayers receive the maximum amount of service for their tax dollars. The Committee believes that the Milton Dog Pound can and should perform these functions, and if done properly, the Pound can inexpensively accommodate the best interests of dog owners, stray dogs, detained dogs, and all of the residents of the Town in general.

Part I of this report sets forth the committee's findings as to the inadequacies of the present Pound. A discussion of the rationale for not recommending that improvements be made to the existing facility follows in Part II. In Part III, the committee presents its recommendations for the location and construction of a new Pound. The addendum to this report concerns recommendations for improving the Pound's daily operations.

REPORT OF THE ARTICLE 10 COMMITTEE

I
INADEQUACIES OF THE PRESENT POUND

A. *Background*

The present Pound suffers from many inadequacies which stem chiefly from the original conception of the Pound. In 1972 the Town adopted a leash law (General By-laws, Chapt. 6, sec. 22) providing for the temporary impoundment of dogs found in violation of the by-law. The primary impact of the leash law as originally enacted was expected to be that dog owners would keep their pets on a leash; the necessity of a retention center to enforce the law was only a secondary consideration.

At that time it was not envisioned that a substantial facility was required for a dog pound because (1) a large number of dogs was not expected to be impounded at any one time, and (2) the leash law provided for only a minimum 10-day retention period at the end of which an animal would be destroyed if not adopted or claimed by its owner. As a result, it was thought that a pound was needed only to provide a temporary retention center for the enforcement of the leash law.

The site selected was probably adequate to meet the initial expectations of what the Pound should be. It is located in the basement of a barn on the Governor Stoughton "Town Farm" Trust property, and measures 20' x 42' x 7' with 16 cages, no inside runs, and 3 inadequate and inaccessible outside runs. Relatively low rent – $300 per year – is paid by the Town to the Trustees of the Governor Stoughton Trust and all capital outlays and improvements are paid for by the Town. In short, the makeshift Pound was placed in its present location because it was available, inexpensive, relatively secluded, and appeared that it would be adequate for the temporary (i.e., 10 days or less) impoundment of a small number of dogs.

However, the Pound has become a significantly larger and more active operation than originally expected. The budget has increased 28% from 1973 (the first full year of operation) to 1977. Nearly 159 dogs were processed in the fiscal year beginning July 1, 1977 and ending June 30, 1978. These figures are far in excess of those originally contemplated. Moreover, unclaimed dogs are now impounded for a minimum 20-day period in order to facilitate adoption. Not only do more people in Milton own dogs as pets since 1972, but the number of strays and pets from neighboring towns and cities has added to the burden of enforcing the Town's leash law. These numbers will continue to increase due to the expanding population of pets and small animals in general. Even at present the limitations of the Pound prevent the Dog Officer from picking up all strays and dogs reported in violation of the leash law.

In view of these unforeseen circumstances, it is inescapable that the need for a Dog Pound can no longer be perceived as merely an incidental tool in the enforcement of a leash law. Rather, an adequately equipped and properly functioning Dog Pound is necessary to provide the foundation for a successful animal control program in the Town of Milton. The facilities of the present Pound are wholly inadequate to meet the needs of the Town.

B. *Inadequacies of the Pound Facility.*

In its present condition, the Pound does not satisfy minimum standards for the humane detention of animals even for ten days, whereas some are kept for nearly 15 and a few for 20 days. The deficiencies of the present facility are as follows:

(1) *Floor drainage is inadequate to maintain sanitary conditions.* The cement floor of the Pound must be hosed daily and the lack of any pitch to the floor results in a damp floor for too long a period of time. This situation can cause respiratory infections, lowered animal resistance, and predispose viral and bacterial diseases. The problem is compounded by the fact that presently there is no place to put the animals while the cages are being hosed. The pitch should be increased to 1/4" per foot so the water will run into the drain. Estimated cost – $600.

(2) *The drain pipe and related system is ineffective.* Animal waste is hosed off the floor and runs into a drain which carries the waste by the force of gravity to a leaching field. However, the drain does not empty propery and the pipe backs up. This results in a haven for disease and at times a powerful stench. A pump should be installed to keep the waste flowing and clear the pipe. In addition. a grate should be placed over the open drain in the floor and a cover should be purchased to restrain airborne bacteria and foul odors. Estimated cost – $200.

(3) *Ventilation is poor.* The need for adequate ventilation in preventing the spread of disease is obvious. A boarded-up window on the southeast side of the building should be replaced with grating and sliding glass windows. Also, a large exhaust fan should be installed in the ceiling to improve the flow of fresh air. Estimated cost – $500.

(4) *There are no adequate outside runs.* Dogs confined for a period of days need exercise to maintain their health. Outside runs are also useful in the summer to place the dogs while their cages are being hosed down; it is the present practice to hose the cage down while the dog is inside thus creating the possibility of spraying the animal or having it lie on a wet (later damp) floor. This practice poses a serious health hazard especially during the winter when the Pound is cool and the floor is cold. The present facility has only three inadequate outside runs. They are not accessible (40-50 feet away), the dog must be walked on a leash to the area, and the area is not covered to protect the dog from wind and the sun. It has been reported that occassionally dogs are chained outside unprotected by a fence or other barrier. On one such occasion, a dog was reportedly attacked by other dogs not from the Pound, and being unable to defend itself due to the chain, it was critically injured and had to be destroyed. At a minimum at least five outside runs with direct access from the interior of the Pound and a protective fence and fiberglass overhang must be constructed. Estimated cost – $4,000.

(5) *There are no inside runs.* The need and importance of runs is discussed above. The Pound should have inside runs in addition to outside runs to provide an exercise area during inclement weather and to as a temporary cage when the Pound is being hosed down or when there is a shortage of cages. At least three to five inside runs with sliding trap doors for access should be constructed. Estimated cost – $3,000.

(6) *The heating system must be altered.* The system for heating the Pound is simply ineffective. The Town pays $580 per year for heat (an unusually large sum) and the floor of the Pound is not sufficiently warm (not to mention that it is usually damp too). The floor of a Pound is the most important measure of temperature in a pound because the dogs lie on it and it can thus be a source of loss of body heat which, in turn, lowers an animal's resistance to disease. The problem is most acute in the winter. The heating ducts should be relocated from the ceiling to the floor, the thermostat should be relocated to more accurately reflect floor temperature as well as room air temperature, and an air circulation device should be installed. Estimated cost – $500.

(7) *There are no facilities for puppies, small dogs, or toy breeds.* Puppies have special needs apart from mature dogs. They require more attention to insure their health and are in general more susceptible to disease. Small dogs and toy breeds, as well as puppies, need specially designed cages to protect them from injury due to getting caught in or under the bars of a cage. The Pound needs a cage specially suited for these dogs. Estimated cost – $300.

(8) *There is no on-premise office adequate for conducting the Pound business and dealing with the public.* The present office has insufficient storage space and inadequate sound barriers so that conversation is often impossible. The Dog Officer on duty must have an area to store supplies, do paperwork, and discuss adoption or an owner's claim with persons visiting the Pound. Estimated cost of office, size 12' x 12' – $2,000.

The above list delineates those improvements to the facilities of the Pound which, in the opinion of the committee, are necessary to meet the bare minimum standards of a Pound in Milton. The estimated cost of these improvements totals – $11,200, not an insignificant sum. However, it must be emphasized that the improvements listed above reflect a band-aid approach to the problems facing the Pound.

There are many other, though less urgent, improvements that should be made if the Pound is to continue functioning at its present location. For example, rain leaking through the roof of the barn has buckled one ceiling which was replaced, and has again ruined the present ceiling which must soon be replaced. The lighting inside the Pound is weak and the wiring is old. Rain water seeping through the ceiling and walls raises the spectre of short circuits and the attendant fire potential. Heating costs could be reduced, and cold drafts eliminated, by the installation of insulation. The committee has noted that although these improvements lack the urgency of those listed earlier, they should be incorporated into the Pound – wherever situated – in the near future.

C. *Repairs and Maintenance of the Pound Structure.*

The structure which houses the Pound also requires certain repairs. Building Commissioner Semer inspected the barn and assured the committee that it is structurally sound. While this means that the building will not collapse, there are a number of serious deficiencies. Mr. Semer recommended the following structural repairs:

1. replace rotted corner post near the entrance to the Pound;

2. re-point fieldstone foundation;

3. repair/replace deteriorated corner post in the loft;

4. repair leak in barn roof.

The estimated cost of these repairs is from $600 to $1,000.

In addition to structural repairs, the committee found that a barn maintenance program will be necessary to preserve the value of any investment made by the Town in the Pound facility. For example, the present leak in the roof is caused by deteriorating metal flashing; leakage in other sections of the roof will appear in the near future. The clapborad siding is curling and splitting from the ravages of the sun and rain. Cement mortar is falling out of the joints in the foundation walls and will continue to do so. Structural wooden beams, although still sound, show evidence of drying out. The wood plank floor is wearing thin from the continuing activity of horses. In short, the barn is old, deteriorating all over, and "wearing out".

The cost of such a maintenance program is virtually limitless. In essence, the barn would have to be rebuilt because any patchwork repairs would, in a few years, be repeated. For example, the present ceiling needs to be replaced again, and in a few years, it will be replaced a third time, and so on. Leaks in the roof will not stop, regardless of the number of patches, until the entire roof is re-shingled. Moreover, the mortar in the foundation will continue to decay and fall out, and the Town will be engaged in a continual process of re-pointing the foundation. It is apparent that the Town can spend thousands of dollars trying to maintain the barn only to discover that the repairs will have no lasting effect, and that equivalent sums of money will have to be appropriated again and again.

II

RATIONALE FOR RECOMMENDATION THAT NO IMPROVEMENTS TO THE PRESENT POUND BE AUTHORIZED

The recommendation of the committee is that no further improvements to the Pound should be undertaken at its present location. Any money spent on the present facility would amount to, in the opinion of the committee, "throwing good money after bad". In other words, the committee believes that the Town would make a much wiser investment by constructing a new facility at a not-much-greater cost rather than attempting to rejuvenate the existing one.

The first reason for rejecting further improvements involves the extent and cost of the improvements which the committee believes are necessary. As discussed in Part I of this report, the estimated cost of the necessary improvements is at least $10,000. The futility of attempting to restore the present facility is amply illustrated by the fact that even after injecting $10,000 into the existing Pound, the Town still has a substandard Pound which will require substantial appropriations in the near future for maintenance of the barn. The Town has already invested at least $10,000* in the Pound during the last six years of operation, and this money has had little lasting impact in improving the overall condition of the Pound.

Not only would the improvements be a waste of the Town's money, but the yearly appropriation for the operation of the Pound is poorly spent. The current budget for the Pound is approximately $16,100 per year, and estimated revenue is approximately $7500** per year. The cost to the Town of operating the Pound, exclusive of necessary improvements, is therefore approximately $8600 per year. Should the Town allocate $8600 per year for the operation of a substandard Pound? The committee believes it should not.

The second reason for recommending that no further improvements be made is that the Town does not own the property under consideration. The barn and the land at the location of the Pound is owned by the Governor Stoughton Trust and managed by the Trustees who are, under the terms of the trust, the Milton Board of Selectmen. Any improvements in the structure housing the Pound would become the property of the Governor Stoughton Trust and not the Town which is merely a lessee of the property. The committee inquired of the Trustees as to whether they would be willing to make the necessary improvements to the Pound and the barn. The Trustees, understandably, would not undertake this expenditure. Hence, the committee has taken a very dim view toward the continual investment of thousands of dollars yearly in the improvement and repair of property which is not even owned by the town.

Also worthy of note is the possibility that the Governor Stoughton property may soon become an unacceptable location for the Pound. Plans are presently underway for transforming the open land adjacent to the Pound into a low-income elderly housing development. Since the Pound would be either incorporated into or situated next to the new housing, it could become a nuisance to the elderly residents and the Town may be obligated to vacate the present site and obtain another. Substantial investments should not be made in a building which may soon be abandoned.

In summary, the committee believes that the Town should not make a $10,000 capital investment in the Pound facility, a several thousand dollar yearly appropriation for the maintenance of the barn which houses the Pound, plus continue allocating $8600 for the yearly operation of a Pound where the Town does not even own the property involved and the final product of all these expenditures is a substandard Pound.

*According to the 1977 Annual Report of the Board of Selectmen, the Town built the Pound in 1972 at a cost of $7,952, and expended $2,320 in improvements in 1977.

**This figure includes $3,060 collected from the dog licensing fee which does not go to the Pound, but is credited to the Library account.

REPORT OF THE ARTICLE 10 COMMITTEE

III
RECOMMENDATION FOR A NEW POUND FACILITY

The committee believes that a new Pound can and should be built using a simplified version of the Braintree facility as a model. The cost of constructing the proposed building is estimated to be $26,000, a figure roughly equivalent to the cost of improving and operating the present Pound, and maintaining the barn. The new facility, built on concrete blocks and asphalt shingle roof would measure 20' x 42', and contain a relatively soundproof office and storage area, 16 cages (eight on each side) with each cage connecting directly to a 10' outside run via a drop door controlled from the main aisle.

The building, as proposed herein, is little more than a shell, but if it is properly constructed it will be a vast improvement over our present situation. For example, yearly maintenance costs would be drastically reduced because a concrete block building weathers well. Leaking and subsequent rotting problems would be virtually non-existent, and if the building is designed as a Pound, adequate floor drainage and ventilation can be provided. But most important, this new Pound would enable the Town to meet its obligation to provide a healthy environment for the impounded dogs while they await adoption or re-claim by their owners.

There are several possibilities of further reducing the expense of constructing a new building. The project might be undertaken by the Department of Public Works, creating substantial savings if Town equipment, material, and labor is used for operations such as excavation, backfilling, paving, etc., and it is done in conjunction with a vocational training and/or volunteer program of Milton High School or the Regional Vocational-Technical School District to which Milton belongs. The use of C.E.T.A. workers is also a potential source of subsidy. In addition, federal funds may be available if the project is conducted by the Town Department of Public Works.

Regarding the location of a new Pound, the committee believes that the western boundary of the Town's DPW yard on Randolph Avenue is the best location. Two other possible sites are the Disposal Area and a piece of land lying between the Police Station and the Milton Hospital. The former has no utilities (water, sewer, electricity) and lacks security in the evening; the latter is too close to residential areas and the hospital. An exhaustive list of Town-owned property was considered, but all other prospective sites were disqualified because they lacked one or more of the following requirements:

a) sufficient area

b) distance from residential neighborhoods, schools, and the hospital

c) public accessibility

d) availability for building

e) security in the evening or when left unattended

f) access to utilities

The location which meets these criteria is the Town's DPW yard. Therefore, the committee believes that it is the ideal site.

SUMMARY

The Milton Dog Pound can and should be an efficient, effective, and relatively inexpensive tool in the Town's animal control program. Unfortunately, the present Pound is inadequate to meet the needs of dog owners, dogs, and all the residents of the Town. Yet, the most compelling argument for building a new Pound is the economic argument, that is, in the long run it would be cheaper to build and operate a new Pound than to improve, maintain, and operate the existing one. Moreover, thousands of dollars invested in the existing Pound building would constitute a wasted investment in property that the Town does not own. A new Pound should be built according to the specifications contained herein.

REPORT OF THE ARTICLE 10 COMMITTEE

ADDENDUM

SUGGESTIONS FOR IMPROVING THE OPERATION OF THE POUND

During the course of the committee's investigation and research, it became apparent that the operation of the Pound could be improved to provide better care of the dogs and more efficient service to the public. The committee would like to recommend that the following changes be instituted:

1. *The Pound should be open from 9:00 A.M. to 5:00 P.M. Monday through Saturday and staffed with a full-time employee plus Sunday coverage.* There should be a Dog Officer, or perhaps more desirable, a C.E.T.A. worker on site at all times to care for the animals and deal with the public. At present it is very difficult to find the Dog Officer since they do not work full-time and have other police responsibilities. Better access to the animals and officials of the Pound will result in a reduction of detention time for claimed pets, a greater turnover in adoptions, and in general a shorter and healthier stay in the Pound for most of the animals. Presently, adoptions are practical only on Saturday from 10:00 A.M. to 12:00 Noon (it should be extended to at least 2:00 P.M.) and the absence of anyone at the Pound during the week causes unnecessary delay in adoptions and owner's claims. Also, an increased turnover is healthier for the dogs and reduces the operating cost of the Pound.

2. *A telephone recording device should be installed.* If a Dog Officer is out of the Pound on business, it is difficult to leave a message for him. A telephone recording device would allow a caller to leave a message for the Dog Officer while he is out.

3. *An improved record keeping system should be instituted.* Records on the Pound's operation are difficult to obtain and they are not always complete. Meticulous records should be kept on a daily (e.g., a daily log book) and an annual basis for the number of dogs picked up, and those adopted, claimed by owners, or destroyed. Moreover, an itemized list of all revenues and expenses should be maintained on the basis of the Town's fiscal year to enable the Selectmen, Warrant Committee, and the residents of the Town to review the annual fiscal operation of the Pound. This data should also be published in the Annual Town Report. A full-time employee, as opposed to the present arrangement of two part-time employees, would be better able to maintain complete up-to-date records.

4. *Heat and light bills are much too high and should be re-examined.* It cost $744.67 to heat the Pound in 1976-77 and $580.29 in 1977-78. This is more than many people spend to heat their homes for a year. The Town has either been overcharged or the heating bill includes the cost of heating another building. The source of these high figures should be examined and corrected. The two rows of fluorescent lights cost $622.37 in 1977-78; this figure also appears excessive and the meter should be checked to see if other devices are drawing off the meter which measures the use of light in the Pound.

5. *The Pound should have night-time procedures to pick up strays and injured animals.* At present, the leash law is a defacto daytime law. Dogs are rarely picked up at night. This can be a serious problem when a stray or lost dog is injured. Arrangements should be made with the Police Department to pick up and impound these dogs during the night.

6. *A Dog Pound advisory committee should be appointed to supervise the operations of the Pound and implement the recommendations of this report.* An advisory committee of 3 to 5 citizens should be appointed to assist the Board of Selectmen and the Police Department in implementing the operational recommendations in this report. Such committee would relieve the Board and the Police from monitoring the daily operations of the Pound and would also be able to implement improved accounting and record keeping procedures. Further, the committee could study additional methods of improving the Pound and reducing its operating costs.

REPORT OF THE ARTICLE 10 COMMITTEE

DOG POUND EXPENSES

	1975-76	1976-77	1977-78
Custodial Supplies	198.23	237.39	531.23
Medical Supplies	87.90		47.00
Salaries	10,311.00	10,768.50	11,724.75
Heat	525.45	744.67	580.29
Light		497.27	622.36
Water	12.00	24.60	24.00
Telephone	187.87	213.70	229.99
Rent	150.00	300.00	300.00
Repairs to Heater	51.30		34.00
Gasoline	450.00	510.00	550.00
Car Expense-Repair (lettering)	70.00		
Food	275.85	291.34	475.00
Repairs to Car Radio	190.33		
Repairs to Pound Area*		231.25	990.00
Medical Services	30.00		
TOTAL	12,539.93	13,818.72	16,109.12

*The amounts listed for repairs to the Pound are for paint in 1976-77 and dog runs in 1977-78.

DOG POUND REVENUES

	1975-76	1976-77	1977-78
Court Citations	850.00	1,632.00	830.00
Sale of Dogs @ $3.00*	159.00	153.00	339.00
Officer's Fee @ $7.00 and Board Fee paid by owners of claimed dogs	534.50	546.00	553.00
Payment by County @ $20.00** for each dog adopted or destroyed	1,764.00	1,862.00	2,500.00
License Fee returned to Town to be applied to Library Budget		3,214.00	

*The money received for the Sale of Dogs is not really income because it is returned to the County every six months.

**The County payments for dogs destroyed or adopted was increased from $14.00 to $20.00 effective January 1977.

DOGS ADOPTED, DESTROYED, AND CLAIMED BY OWNERS

	1975-76	1976-77	1977-78
Number of dogs picked up	178	158	159
Number of dogs adopted (sold)	53	51	113
Number of dogs claimed by owners	52	44	29
Number of dogs destroyed	73	63	17

REPORT OF THE ARTICLE 38 COMMITTEE

December 29, 1978

To the Honorable Board of Selectmen:

Authorization to purchase the Lamb Property at the intersection of Canton Avenue and Blue Hills Parkway for the purpose of recreation facilities, conservation land, and elderly housing having been granted at the June Special Town Meeting, the Article 38 Committee proceeded on the first phase of its program to fulfill the recreational needs of the Town.

The Committee met on numerous occasions in open meeting with abutters and neighbors to review and finalize plans for a combination Practice Field/Little League Field/ Softball Field to be located on approximately 1.5 acres of Town owned land adjacent to the existing Lamb Little League Field. Bids were received and awarded for the clearing, grading, and construction of the facility. The work began in July and was ultimately completed in October much to the satisfaction of the Committee and within the Town Meeting appropriation of $30,000. The finished facility includes a watering system for maximum maintenance and dust control as well as proper fencing for Little League or Softball games. It is graded in a manner to eliminate the water problem that formerly existed at the location. When the grass matures the administration of the facility will be turned over to the Park Department.

The major facility, to be located on the recently purchased Lamb Property, is now in the final planning stage. Our application for reimbursement under the Federal Land and Water Conservation Act is still under active consideration and we are hopeful of a favorable outcome. In the meantime we are continuing our efforts to establish this much needed facility which of course remains subject to Town Meeting approval for construction funds.

Our Committee is pleased with the progress that has thus far been made but much is yet to be done. We are grateful to all who have assisted and provided counsel, especially the Engineering Department and Town Counsel. We are appreciative of the cooperation and assistance received from the respective Boards and Committees with whom we have dealt over the past year and with whom we have endeavored to work closely.

We look forward to a productive 1979 so that our efforts may be rewarding to the Town.

Respectfully,

Charles Burnes, Chairman
Edward Guzovsky
Leon Piatelli
Maralin Manning
Neil Keller

REPORT OF THE ARTICLE 39 COMMITTEE

The 1978 Annual Town Meeting voted $74,950 to enable the Committee to prepare final plans and specifications, and secure bids for rehabilitating and adding to the indoor physical education facilities at the High School. In addition, the Town Meeting was apprised of the Committee's intention of including in the plans such repairs, alterations, and rehabilitation of other portions of Milton High School, necessary to bring the building into minimum compliance with the regulations of the state's Handicapped Board.

The need for additional space for and rehabilitation of the indoor physical education facilities has been endorsed by several votes of the Town Meeting in response to the program outlined by the Physical Education Needs Committee appointed by the 1976 Town Meeting. It should also be remembered that Physical Education was the last of the three tiered program advanced as a solution to the accreditation problems which the High School suffered in the early seventies; the first two – the Library and Industrial Arts – being accomplished without state aid (as was the Tucker School project).

The Committee is extremely pleased that through its close cooperation with the Massachusetts Department of Education, the State Board has endorsed the eligibility of this project for reimbursement of 50% of the principal and 25% of interest. The inclusion of repairs and modifications to bring the remainder of the building in conformance with handicapped codes was a necessary "quid pro quo" to secure this aid, and would have been necessary to preserve existing federal funding within a few years in any case. If the expenditure were delayed to the future, no state aid would have been available.

Also, in cooperation with the School Committee and the Superintendent of Schools, the Committee has instructed its architects and engineers to study the heating control system at the High School and the feasibility of replacing the highly deteriorated windows in the old building. In view of the ever-increasing emphasis on energy conservation, the Committee feels that good judgement dictates the inclusion of these substantial items in the overall projects *if* our economic study indicates a substantial savings return on the Town's investment. Again this would be an opportunity, not available otherwise, to have the state participate in these capital expenditures. The answers will be available before Town Meeting.

In summary, the Committee plans to ask the 1979 Town Meeting to bring to final fruition plans and recommendations that have been carefully evaluated, improved and refined over a three year period. Although certainly the largest capital expenditure the Town has faced in recent times, the Committee feels it is one which will pay enormous dividends for many years to come.

During 1978, the Committee regretfully accepted the resignation of members Virginia Hannigan and Charles Burnes, Jr., who had served as Secretary. New appointments by the Moderator were Ms. Maralin Manning and Mr. Leon Piatelli. Ms. Hannigan and Mr. Burnes will be sorely missed. They have labored long and hard for the welfare of the Town, for which the Committee extends its gratitude.

The Committee also wishes to extend its thanks for the close cooperation extended to it by the School Committee; the Superintendents (both past and present); Mr. Roger Conner, the High School principal; and the Board of Selectmen and all the Boards and agencies under their jurisdiction.

Respectfully submitted,

Marvin A. Gordon, Chairman
Maralin Manning, Secretary
Edward Guzovsky
Neil Keller

REPORT OF THE MILTON HISTORICAL COMMISSION

January 5, 1979

1978 was an active year for the Historical Commission, perhaps its most productive in terms of enlarging our image of the Town's historical background. Contractual arrangements were made to conduct a town-wide inventory and survey of historic places under regulations laid down by the Mass. Historical Commission, which body provided a matching grant to help fund the project.

Joseph C. Burley, Chairman, organized general guideline procedures, made the selection of properties to be investigated, visited properties with the survey team, and personally handled the photographic requirements of the survey.

William J. Loughran, a retired business man, whose serious avocation over many years had been research into the colonial history of Boston and the Mass. Bay Colony, was engaged as researcher-historian. A Harvard alumnus, Mr. Loughran is a member and director of the Milton Historical Society, member of the Milton Art Association, and was general coordinator of the Milton Bicentennial Observances Program in 1975-76. His article, "The Battle for Boston", a magazine feature about the siege of Boston and the Battle of Bunker Hill in 1775 appeared in the official Massachusetts Bicentennial Guide in 1975-76.

Kathleen FitzGerald, a graduate of the Rhode Island School of Design and master's degree holder from the Harvard Graduate School of Architectural Design teamed with Mr. Burley and Mr. Loughran in a nine-month's field survey wherein 65 properties were researched for historical, genealogical and architectural significance.

Eunice Loughran was engaged as secretary-recorder to prepare and file with the Mass. Historical Commission the form reports required for all properties surveyed.

During the survey's progress, the Commission published several articles in the Milton Record-Transcript asking occupants of previously unrecognized historic houses to bring them to the Commission's attention. Several complied, thus enlarging the survey. The current survey does not claim to encompass all of the Town's historic properties. Milton, an old community, sitting astride Adams St., originally the "Countree Heigh Waye to Plymouth" and the State's oldest major highway, has a wealth of antique houses, some of which undoubtedly remain uncovered. The Commission, under limitations of time and funding, restricted its survey to properties 150 years of age or older. Buildings of later historical or architectural significance remain for future documentation. The Town's sturdy first settlers, who played a role in the foundation of our free society and pluralistic political system, bequeathed us an historical legacy in which we may take pride.

The Commission is pleased to report that it was informed by the Mass. Historical Commission on November 20 that reports on all 65 dwelling houses and certain other properties had been accepted and approved by the State Commission, and the properties officially listed as historic places. A summary of Milton historic registrations follows:

National Register of Historic Places	6
Mass. Register of Historic Places (1967 survey)	11
Mass. Register of Historic Dwellings, 1977-78 survey	65
Mass. Register of Historic Structures	3
Mass. Register of Historic Cemeteries	1
Mass. Register of Historic Areas	3
Mass. Register of Historic Monuments	1

For the coming year the Commission has formulated three objectives:

(1) To prepare suitable plaques for those dwellings officially accepted by the Mass. Historical Commission as historic places. This project has been initiated and is presently in progress.

(2) Production of an approximate 3½ foot enlargement of Dr. Arthur K. Teele's 1886 map of Milton, incorporated as a page of his History of Milton, published in 1887. In the dozen-odd circulating copies of Teele's History, stocked by the Milton Library System, the map has virtually disintegrated. Teele's map plotted all dwelling houses, public and commercial properties extant in 1887 with a complete record of the succession of ownership of each. It is one of the Town's most informatively valuable historical documents. The Commission's aim is to salvage and preserve this exemplary document for posterity. The map will be available to the public at cost when produced.

(3) To edit into book form the substantial mass of material compiled in the 65 reports filed with the State Commission, so as to make this vital and interesting record available to Milton townspeople. Publication of such a volume would add substantially to the Town's present meagre literature of its colonial and early federal history. Mr. Loughran has the manuscript in preparation but will need additional time and funding to complete it. A preliminary cost estimate for publication has been received from the Christopher Publishing House of Quincy.

In 1980, Boston will celebrate, with elaborate ceremony, the 350th anniversary of its founding. It is expected that towns in the Metropolitan orbit will be asked to make a contribution to observances. Since Milton, from 1640 to 1662, was part of Boston and drew its first settlers from that community, the Commission feels that publication of a 175-page volume entitled "Milton's Historic Dwelling Houses and Other Places" would be an appropriate and solidly enduring contribution to the Sesqui-tercentenary observance.

To conclude, the Commission's 1977-78 survey culminated in production of an enlargement, suitable for framing, of Henry Fosdick's 1849 map of Milton on which the Commission plotted and identified by an alpha-numerical code the 65 properties surveyed, plus previously surveyed sites and those listed on the National Register of Historic Places. This map is available at cost in two sizes. A tabulation of the properties plotted and identified on the maps four quadrants follows:

Quadrant 1, North

Historic Name	Date	Address
Capt. Robert Forbes	1833	215 Adams Street

REPORT OF THE DEDHAM, MILTON, NATICK, WELLESLEY REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT

Town	Member	Length of Term	Term Expires
Dedham	Edward J. Hughes	2 years	1980
	Arthur C. King, Jr.	1 year	1979
Milton	Edward J. Flaherty	1 year	1979
	Paul F. Harrington	2 years	1980
Natick	Joseph M. Connolly	2 years	1980
	Arthur B. Fair, Jr.	1 year	1979
Wellesley	Duane R. Batista	1 year	1979
	Robert L. DiSchino	2 years	1980

At its April 1978 meeting, the Dedham, Milton, Natick, Wellesley Regional Vocational-Technical School District Committee elected Paul F. Harrington of Milton as its Chairman, and Joseph M. Connolly of Natick as its Vice-Chairman. It also reappointed Warren J. Himmelberger as its Executive Secretary and later appointed Mr. Himmelberger District Treasurer.

On June 21, 1978, the Regional School District signed an agreement with the State College System Board of Trustees to lease four buildings as interim facilities in which to start vocational programs.

The firm of Korslund, LeNormand & Quann of Norwood was retained as architects to renovate and update these facilities for the purpose of meeting the public safety standards for school use. Renovations were performed by the low bidder, Waynrich, Inc. of Framingham, and proceeded at such a rate so as to allow the school to open on time on September 6, 1978.

A student recruitment program provided the District its initial 334 students.

In December of 1978, legislation drafted by the State College System was filed which will enable permanent facilities to be constructed by the State for lease to the District.

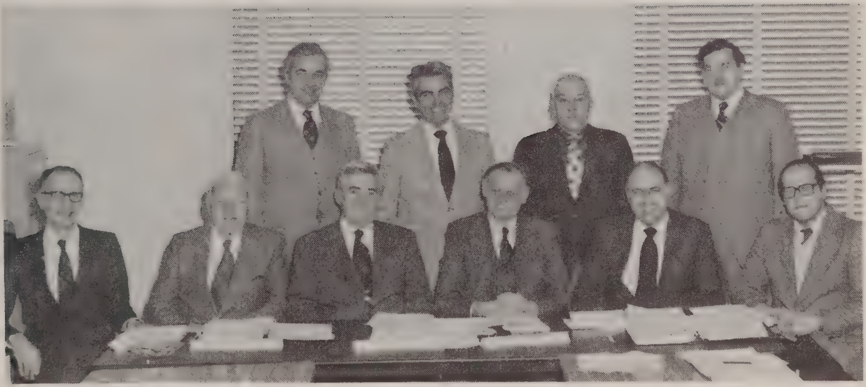
Throughout the year, we have been supported and ably served by our Senators and Representatives of the four towns. We wish to acknowledge the individuals who have filled these positions:

Dedham	Senator Arthur J. Lewis, Jr. Representative Robert F. X. Casey Representative Michael J. Connolly
Milton	Senator Joseph B. Walsh Representative M. Joseph Manning
Natick	Senator Edward L. Burke Representative Walter T. Burke Representative Louis R. Nickinello
Wellesley	Senator David H. Locke Representative Royall H. Switzler

The initial budget for the Fiscal Year 1978-1979 was $1,406,800.00. Due to the interim facilities which the District was able to lease, we expect to be able to return approximately $250,000.00 to the four towns at the end of the fiscal year. Preliminary budget deliberations indicate that, again, due to interim facilities, our next fiscal year budget will be in the vicinity of $900,000.00. This low budget is a result of being able to use the interim facilities for an additional year prior to occupying larger, and therefore more costly permanent facilities for the 1980-1981 school year.

Respectfully submitted,

Albert G. Chouinard
Superintendent-Director



REGIONAL VOCATIONAL-TECHNICAL SCHOOL COMMITTEE – Front row left to right: Secretary-Treasurer Warren J. Himmelberger of Wellesley; Edward J. Flaherty and Chairman Paul F. Harrington, both of Milton; Duane Batista and Robert L. DiSchino, both of Wellesley; Superintendent-Director Albert G. Chouinard. Back row left to right: Arthur B. Fair, Jr. and Vice-Chairman Joseph M. Connolly, both of Natick; Arthur C. King, Jr. and Edward J. Hughes, both of Dedham.

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Milton:

The Board of Selectmen was organized following the election on March 4, 1978, with Walter F. Timilty as Chairman, John P. Linehan as Secretary and James D. Colt as the third member of the Board.

HIGHLIGHTS OF 1978

This has been an eventful year in Milton. The February blizzard taxed our resources but once again the various Town Departments met the challenge. In the spring, a blight was removed when we razed the Parkway Building and constructed a small park on its site. With Town Meeting approval, we have undertaken the first precinct redistricting since 1936 and our report will be considered by the 1979 Town Meeting. Twenty-two acres of land were purchased from the Lamb sisters this fall for conservation and athletic field purposes. Milton Residences for the Elderly (M.R.E.) broke ground for their Winter Valley development and construction is well underway. Rezoning was authorized and land was purchased from the Lamb's by H.O.M.E., Inc., and Richard Fitzgerald for two substantial housing developments. In July, the Public Works Department took over management of the disposal area and the sanitary landfill contract from the Board of Health. Again this year the crime rate has declined.

Much was accomplished this year and your Board of Selectmen looks forward to 1979 with optimism.

TAX RATE

The Town of Milton has a declining population and virtually a no growth tax base. The Town budget has increased at a slower rate than the cost of living. The Town has not initiated any new programs or taken on any large special projects since the Police Station was built six years ago.

The Selectmen, School Committee and all of the elected officials have been making every effort to cut expenses, to reduce the number of persons employed and to keep the budgets tight – while maintaining the high quality of public service that the residents of Milton have a right to expect.

The Tax Rate this year rose by 3.5% which was less than half the rise in the consumer price index, commonly referred to as the inflation rate or cost of living index.

THE GREAT STORM OF 1978

For many citizens, 1978 will be remembered as the year of the Great Storm. Yet it should be noted that there were not one but two record breaking winter storms.

The first occurred on January 20 when a nineteen inch snowfall established a new record for a twenty-four hour period. The Town had nearly completed the clean-up operation when the "Storm of the Century" struck on February 6 and 7. Thirty inches of snow and winds up to sixty-seven miles per hour were reported at the Observatory. Daily emergency coordinating sessions were conducted by the Selectmen with the Fire, Police, Civilian Defense, Public Works and other Town Departments. While the Department of Public Works labored around the clock to remove the snow, the Police Department along with the Civilian Defense and Auxiliary Police transported numerous medical personnel, prescriptions and critical supplies. Conventional emergency vehicles were often blocked by eight to ten foot snow drifts, but snowmobiles manned by the Fire Department pushed through.

On February 10 it became apparent that many citizens could not reach markets for basic food supplies because of the driving ban imposed by the Governor. The Board instituted a temporary bus service on February 11 using school buses traveling in a route resembling four large loops reaching out to all sections of the Town. The buses enabled thousands of Milton residents to do their shopping that weekend and return home safely. The following week the plan was altered to transport Milton commuters to an express bus service between Legion Hall on Granite Avenue and South Station. Milton's blizzard bus service earned praise from the Governor and received recognition from the Boston Globe, the Boston Herald American, and the Quincy Patriot Ledger. We are grateful to John Fuller, manager of the school bus fleet, Lawrence Anzuoni of the Brush Hill Bus Company, Milton Legion Post 114, the courteous and skillful bus drivers, and all of the volunteers whose efforts contributed to the success of the bus system.

The Board believes that the spirit of cooperation demonstrated during and after the blizzard is one of Milton's greatest assets and a major factor in overcoming the Great Storm of 1978.

PRECINCT REDISTRICTING

Pursuant to Article 34 of the March Meeting, the Board prepared a new precinct map for approval at the 1979 Annual Meeting. At present the Town has seven precincts ranging in size from 2,327 residents (Precinct 3) to 7,074 residents (Precinct 5). The proposed precinct plan divides the Town into nine precincts of approximately 3,000 residents each.

Under the new plan, most of the present precincts have been altered to some extent, although Precincts 1, 2, 3 and 7 remain relatively intact, and Precinct 4 is unchanged. The Board has tried to keep identifiable neighborhoods in one precinct while complying with the statutory requirements.

The Board would like to thank the Town Clerk, James E. Mullen, Jr. and Public Works Department Engineer Edward F. Calabro for assisting us in preparing what we believe is the most fair and evenly apportioned precinct plan possible.

EAST MILTON ENVIRONS

Parking, traffic flow and overall appearance are three continuing problems in the East Milton area. Although we call the business district a "square", it is actually the truncated crossing of Granite Avenue and Adams Street. This intersection was originally bisected by the grade level railroad crossing and subsequently by the Southeast Expressway. Faced with the loss of a great deal of off-street parking when the expressway was built, the Board of Selectmen pleaded with State DPW Commissioner John A. Volpe for more parking to compensate for the loss but obtained only the small amount which presently exists. Twice in the sixties the Town Meeting turned down proposals by the Selectmen and Planning Board to purchase the Warshaw property, now the Falconi Professional Building, for municipal off-street parking. Efforts to have the state and federal government build parking decks over the expressway have been rejected because of the feeling that the cost per parking space far exceeds the cost of purchasing adjacent residential property.

This year the Board has agreed to sponsor Article 42 in the 1979 Town Meeting Warrant to establish an East Milton Environs Study Committee. This Committee is charged with a multi-faceted study of the entire East Milton area and is empowered to make immediate recommendations. Its first report is due on December 1, 1979. The idea for this Committee was advanced by Precinct 7 Town Meeting Members Philip E. Casey, Edward L. Duffy and Representative M. Joseph Manning. Clearly there is strong sentiment for such a study. We are optimistic that improvements can be made in the East Milton section of our Town.

CRIME RATE

We are pleased to report that the crime rate decreased in Milton for the second year in a row. Auto thefts declined by twenty percent, representing a fifty percent decrease during the past two years. Larcenies, including bicycles, amounted to 372 this year, 183 less than in 1977. Breaking and Entering crimes decreased twenty-four percent during the past year. The Board commends the Police for their successful effort in lowering the crime rate, as shown by these statistics. Milton residents are urged to continue to contact the Police relative to any suspicious activities in their neighborhoods. It is the Selectmen's belief that the increased level of awareness by the Townspeople to suspicious activities, combined with the diligent work of the Police, has reduced criminal activity in the Town.

RETIREMENTS

This year the Town has lost, through retirement or resignation, the services of many dedicated Town employees.

Retiring from Town service this year were Police Detective Paul F. Higgins, Firefighter Robert E. McLeod and Lt. John W. Kenney of the Fire Department, Secretary to the Board of Selectmen Eleanor C. Bradshaw, Esther S. MacWilliam of the Accounting Department, Health Agent James Finneran, Traffic Supervisor Mary V. Murray, Deputy Collector Mary M. Herlihy, Children's Librarian Sallie P. Talbot and part-time Adult Assistant Mary E. Burns of the Milton Public Library and Evelyn E. McCusker, Thomas F. Morris and Dorothea A. Lane of the School Department.

On behalf of the Townspeople of Milton, we extend to all of the above our sincere appreciation for their many years of devoted service to the Town.

LAND USE DECISIONS

1978 was an unusually active year in determining the use of large tracts of property in the Town. On the whole the Board believes the Town made well-considered and wise decisions on the questions that came before it.

Site plan approval was granted by the Planning Board this fall and shortly thereafter ground was broken for Winter Valley. This 128-unit elderly housing facility is being financed by a H.U.D. loan and will be owned and operated by Milton Residences for the Elderly. The idyllic site is the former Whitney Estate at the corner of Canton Avenue and Highland Street. The main entrance will be on Canton Avenue opposite Elm Street.

The March Town Meeting approved the creation of a condominium zone and applied it to a 35-acre tract owned by the Lamb sisters. This property was purchased by Richard Fitzgerald of Milton and is bounded by Governor Stoughton Lane, Canton Avenue and Unquity Road. We have supported the developer's request to the MDC for an access road from Unquity Road. However, at years end the MDC had twice denied the request and a Canton Avenue entrance may be required.

HOME, Inc., finally acquired 33 of the 55 acre Lamb Estate located on Blue Hills Parkway, Canton Avenue and Gile Road. A Special Town Meeting in June rezoned this tract to D-1 Zoning which allows non-profit elderly apartments. HOME proposes to build 100 moderate income, non-subsidized apartments which will be marketed in a cooperative-condominium form.

The Board of Selectmen this year accepted a gift of a conservation easement for an 80-acre tract. The donors were two conservation-minded Town residents, Frederick Eustis II and David Jeffries. The gift consisted of land behind their residences which is also adjacent to the Blue Hills Reservation. This property is located off the upper section of Canton Avenue. The Board, in accepting this gift, believed that the low density development of this section of Town, which is unsewered, was consistent with the best interests of the community.

HOCHMAN PARK

We were proud to honor the memory of Rabbi Jacob Hochman, Milton's first rabbi, with the establishment of a park in his name at the intersection of Blue Hills Parkway and Blue Hill Avenue. Rabbi Hochman was a leader of Temple Shalom and the Jewish community in Milton.

The park is located on the site of the old Parkway Building which the Town razed last spring after the owner refused to eliminate it as a nuisance. Formally dedicated on May 28, Hochman Park is a memorial to Jewish war veterans and members of the Ladies Auxiliary who have died since World War II. We would like to express our appreciation to Milton Post No. 114 of the American Legion, Milton Post No. 696 of the Jewish War Veterans, the Public Works Department, the Fire Department, the Park Department, and all others who assisted in making the memorial park possible.

PERSONNEL BY-LAWS

The Board is supporting two amendments to the Personnel By-law listed as Articles 11 and 12 in the 1979 Warrant.

Article 11, "residential preference", would require the various appointing authorities to give preference to Town residents when reviewing applicants for employment in the Town. The Personnel Board would not be authorized to approve non-resident appointments unless the appointing authority supplied a sufficient reason in writing. Our support of this Article reaffirms our belief that the Town's employees should be residents of the Town because they have a deeper understanding of the Town's needs and a greater commitment to providing Milton with the best municipal services.

The second Article amends the provisions on eligibility for longevity pay and the buy-back of sick leave in Section V of the Personnel By-law. Under the proposed amendments, employees would receive their longevity compensation in the pay period in which their employment anniversary occurs rather than June 15 of the anniversary year. The buy-back of sick leave amendment is designed to eliminate the eligibility requirement of giving one-year written notice if an employee voluntarily retires. The new version would allow an employee to give prior notice in order to receive sick-leave compensation during the fiscal year in which the employee retires.

The Board also supports two other by-laws to be presented to the Annual Meeting concerning the public consumption of alcohol. These are discussed below in the section on the Task Force on Vandalism.

EQUAL EMPLOYMENT OPPORTUNITY

In September of this year, the Board began work on an equal employment opportunity – affirmative action plan for employees of the Town. Prepared in accordance with guidelines published by the Mass. Commission Against Discrimination, the affirmative action plan will enable the Town to remain eligible to receive monetary grants (such as the recently approved $28,000 grant to purchase a conservation strip on the Lamb property) and other fiscal assistance from federal and state agencies.

Although at the year's end the plan was still in a draft stage, the essence of the plan would be the recruitment of qualified minorities and women to fill employment vacancies in compliance with the regulations published by the various governmental agencies. All boards and committees of the Town, except the School Committee, which have full-time employees are required by law to participate. Accordingly, the Selectmen will give all boards and committees an opportunity to review the plan and make comments prior to its adoption and implementation.

AIRPLANE NOISE

During the spring and summer many Milton residents experienced a dramatic increase in airplane noise. With the assistance of Representative Manning, our inquiries revealed that planes departing from Logan Airport's Runway 22 had been temporarily transferred to another runway to allow for the reconstruction of Runway 22. In addition, Massport announced that in the fall, it intended to study alternate departure flight patterns from Runway 22 to reduce the environmental impact of flights on Boston's South Shore.

At Massport's invitation, the Board joined a group of communities which has met regularly with Massport and FAA officials to discuss the alternate departure patterns currently being studied. Five patterns have been proposed and only one pattern would, we believe, have an adverse impact on Milton. Although the study is not scheduled to be completed until March 1979, we will join with surrounding communities to prevent Massport from subjecting the residents of Milton to any further increase in airplane noise pollution.

TASK FORCE ON VANDALISM

The disturbing increase in incidents of vandalism during the last few years prompted the Board to appoint an ad hoc Task Force on Vandalism. Chaired by Philip Murray, the Task Force was charged with examining three main aspects of the vandalism problem: community education, youth education, and enforcement of existing laws. Since it was appointed in December of this year, the Task Force's work has only just begun.

Its first interim report contains comments on the relationship between vandalism, teenage public consumption of alcohol, and the problems which the police face in attempting to enforce our present by-laws on drinking in public. Articles 40 and 41 in the 1979 Warrant grew out of this report. The Board supports the Task Force's recommendation to adopt a by-law which sets forth in plain English the prohibitions against the public consumption of alcohol in the Town. In addition to imposing a mandatory $100 fine, the proposed by-law amendments enable police officers to arrest persons who violate the Town's prohibitions against drinking. If enacted by the Town Meeting, this by-law will be widely publicized and strictly enforced.

Enforcement of existing laws is but one step in our fight against vandalism. We believe that vandalism can be effectively controlled, but it requires the cooperation of everyone including police, parents, school teachers and administrators, church leaders, and Town officials. During the coming year, we will bring together all segments of the community and implement a comprehensive program designed to eliminate vandalism in Milton.

ELDERLY BUS PROGRAM

For some time the Board of Selectmen has been aware of deficiencies in the transportation facilities within the Town. The Board realizes that the elderly are especially affected by this lack of adequate mass transportation.

The Selectmen, however, do not seek a solution to this problem from the M.B.T.A. In 1979 the Town's M.B.T.A. assessment amounted to $883,000 and any expansion of service would increase this figure sharply.

The Town has been working with the Elderly Affairs Committee to find an economically acceptable solution that would supply transportation for the basic needs of the elderly.

In 1978 the Selectmen applied for two federal grants for an elderly bus program through South Shore Home Care Services. One grant was specifically designed to establish an emergency bus program for the Winter months and the other would set up a permanent program. The Board was dismayed when the emergency application was denied and this has cast doubts on the other application.

As the year was ending the Selectmen were considering a different approach to the problem that would not require any federal monies. We have been studying a program that has been successful in the Town of Hingham for several years. This system utilizes volunteer drivers and a leased van. Several citizens have come forward to volunteer as drivers and several donations have been received towards the cost of leasing a vehicle.

By the time of Town Meeting we hope to have a bus program in operation and a permanent solution may become apparent by this experience.

CONCLUSION

This has been an active and satisfying year for your Board. We have seen several long-range land use projects get underway, and we are making progress in meeting the needs of the Town in other areas. Milton continues to be a beautiful town with a solid financial foundation and a bright future.

We thank all of the various officers and employees of the Town for their dedication and cooperation during 1978. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

Walter F. Timilty, Chairman
John P. Linehan, Secretary
James D. Colt

TOWN OF MILTON

Milton Selectmen John P. Linehan, Walter F. Timilty and James D. Colt congratulate Essay Contest winners: Maura Foley, Grade 5 – Cheri Ayres, Grade 4 – Lou Hoffmann, Grade 6.

REPORT OF THE EXECUTIVE SECRETARY

To the Honorable Board of Selectmen:

I am pleased to submit my eleventh Annual Report. Your assignment to assist Department Heads and Committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and directing the activities of its departments.

STAFFING LEVELS CUT TEN PERCENT IN LAST DECADE

The Board of Selectmen over the past decade has worked diligently to reduce the number of full-time employees. Twenty-two positions have been eliminated since 1969 in the Public Works, Fire, Wire and Selectmen's Office. This year the Public Works Department absorbed the Health Department disposal area custodian position.

These figures should not be construed as indicating a decrease in services. The demands on local government increase yearly. The Town has endeavored to maintain the delivery of high quality municipal services while simultaneously reducing personnel by implementing modern techniques and by wise investment in labor saving machinery.

The following table illustrates the number of permanent full-time employees under the jurisdiction of the Board of Selectmen for the ten year period 1969 through fiscal year 1979.

PERMANENT FULL TIME EMPLOYEES UNDER SELECTMEN'S JURISDICTION

Fiscal Year	1969	1970	1971	1977	1978	1979

P.T. = Part Time

TOWN GOVERNMENT IS BIG BUSINESS

Milton's government is a big business. For the current 1979 fiscal year (July 1, 1978 to June 30, 1979) the gross amount to be raised was $20,334,329. The figure represents the total of Town Meeting appropriations, state assessments, county assessments and the overlay for tax abatements. It is reduced by the total of Estimated Receipts and Available Funds, which amounts to $5,234,263 for FY 1979, to obtain the property tax levy for this year of $15,100,065.

COMPARATIVE MUNICIPAL FISCAL DATA* - 1979

	Population	Tax Levy 1979	Actual Tax Rate 1979	Full Value Tax Rate 1979	Per Capita Tax
Arlington	50,223	30,544,000	84.60	49.95	808.17
Belmont	27,760	17,566,000	67.00	37.61	632.78
Braintree	36,822	24,565,000	44.50	42.56	667.13
Brookline	51,071	45,402,000	100.00	61.83	889.00
Dedham	28,233	15,166,000	57.20	38.18	537.17

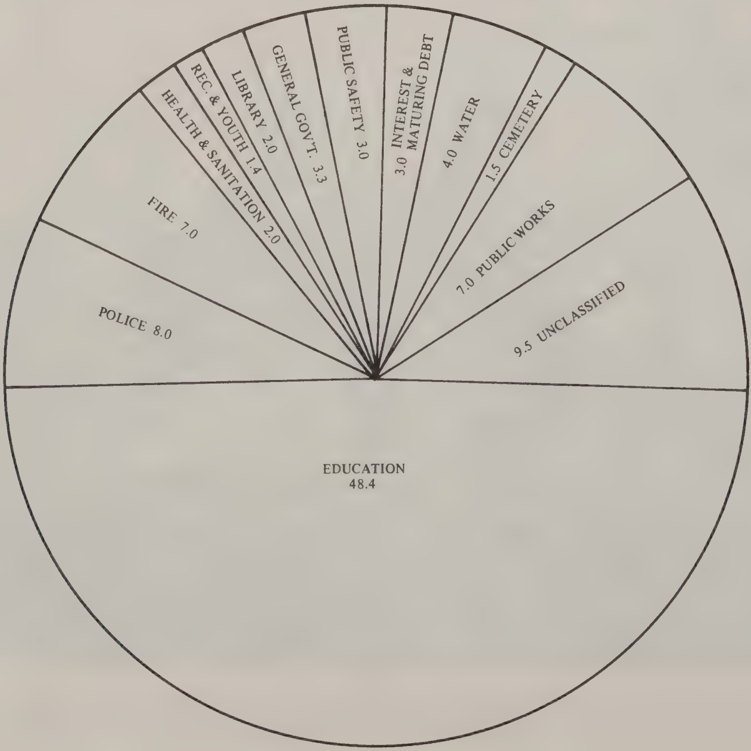
FULL VALUE TAX RATE – The 1979 estimates of the full value tax rate are based on the December 1, 1978 equalized valuations of the State Tax Commission.

TOWN APPROPRIATIONS

The "Recapitulation of Departmental Expenditures", prepared by the Town Accountant and printed in the Annual Report, reveals that the Town's total expenditures in fiscal year 1978 amounted to $16,711,311.15. They were divided approximately as follows:



STATE AID

This year Milton benefited, as did all municipalities, by having the state assume the full cost of the county court system.

However, Milton and most suburban Towns received little increase in local aid under the new educational assistance law, known as the Collins – Boverini Act. This program aids principally cities and low-income communities but has little net impact on other communities.

Local aid is distributed by the state on the "Cherry Sheet" under a myriad of different formulas. On balance, the formulas favor communities with a low income per capita, a low equalized valuation per capita and a high ratio of school age children per capita. Unfortunately Milton has none of these characteristics. Even among other suburban towns, Milton fares poorly in Cherry Sheet aid as illustrated in the following table:*

	Population	State Aid	State Aid Per Capita
Arlington	50,223	$3,750,000	$ 74
Belmont	27,760	2,471,000	89
Braintree	36,822	3,761,000	102
Brookline	51,071	5,112,000	100
Dedham	28,233	3,045,000	107
Lexington	31,628	4,013,000	125
Needham	29,737	2,422,000	81
Wellesley	28,951	2,222,000	76
Weymouth	56,325	8,638,000	153
Winchester	23,107	2,668,000	115
Milton	26,959	1,314,000	48

TAX LEVY CAP

Proposition 13, Tax Limitation, Proposition 2½ and Tax Levy Caps are terms coined in 1978 to describe various proposals to limit property taxes through statutory municipal budget appropriation limitations.

Milton's tax rate over a dozen years has risen more slowly than the rate of inflation for the same period. This is illustrated in the first table in the Selectmen's report. However, many other municipal tax rates have skyrocketed and the tax bills for similar properties are much higher in other towns than in Milton.

Proposition 13 in California limited property taxation to 1% of each municipality's Fair Market Value. Proposition 2½ is a tax limitation proposal by a group of conservative Massachusetts legislators which would limit taxation to 2.5% of Equalized Valuation by yearly rollbacks in spending of 15% per year until that goal was achieved.

Equalized valuation is set by the Commonwealth and is their opinion of what a municipality's fair market value would be if recently revalued. Milton's assessed valuation is $79,224,000 and its equalized valuation is $379,970,000. With a fiscal year tax levy of $15,100,000 our ratio is 3.97%. To reach 2.5%, it is obvious that a huge cut would be required. In Cambridge, Somerville, Quincy and all of the larger cities, 2.5% of equalized valuation would not be half enough to finance current operations. In contrast, small towns with low year-round populations have ratios of taxation to valuation which are well under 2.5%.

Governor-elect Edward J. King has promised a state-wide property tax reduction of $500 million in the next fiscal year. It appears now that this objective will be met by absolute caps on the amount to be budgeted by municipalities during their appropriation process which begins in March 1979. The details are unclear at year's end. However, some form of "cap" or property tax limitation will be enacted by the Massachusetts legislature during the coming year. As indicated above, any such legislation will probably require a cutback in municipal services for Milton residents. Regrettably the expected proposal will hit harder those communities that already have fairly efficient operations; those communities with fairly plush programs will find a "cap" easier to absorb.

The better objective for the Governor and legislature would be to reduce real estate taxes by shifting more of the burden towards state taxes that are more broadly based and more equitably applied across the whole state. Tax reform, not tax cap, is the real answer.

AUDIT

The Town's first Audit by an independent Certified Public Accounting firm was conducted this year. The period audited was Fiscal Year 1978 (July 1, 1977 through June 30, 1978).

After the advertisements and bid invitations were sent to dozens of firms, the Board of Selectmen chose Arthur Andersen & Co. of Boston. A contract in the amount of $7,800, authorized by the appropriation under Article 14 of the Warrant for the 1978 Annual Meeting, was awarded by the Selectmen upon the recommendation of the Audit Committee. Previously the Town's audits have been conducted by the Commonwealth of Massachusetts, Bureau of Accounts.

The staff of Arthur Andersen & Co. praised the quality of the work and records of the Town Accountant and Town Treasurer/Collector, as well as the cooperation received by departments throughout the Town. The Audit report, published elsewhere in this Annual Report, criticizes areas of municipal fiscal practice common to all municipalities in Massachusetts, namely, the unfunded pension system, no fixed asset cost records and water accounting on a cash instead of an accrual basis.

The Auditors also provided a "Management Letter" containing suggestions for the various Boards, Committees and Officers to consider and adopt in order to improve the controls and operation of the various departments. The letter is on file in the Selectmen's Office and Town Accountant's Office and is available for public inspection.

The Selectmen and Audit Committee have decided to conduct an audit annually and an appropriation for the present fiscal year is included in the 1979 Annual Town Meeting Warrant.

COOPERATIVE PURCHASING

During 1978 vehicle bids were prepared cooperatively by the Public Works, Cemetery, Park and Building Departments. This type of bulk purchasing has brought the Town low per vehicle prices due to large volume purchasing.

With the consent of the Board of Selectmen, the Police Department purchased six cruisers this year in a cooperative bid project organized by the Greater Boston Police Council. Since Milton's cars were part of a 127 cruiser order, the savings were substantial.

The Town continues to buy items that are available through the State Collective Purchasing Bureau and the federal General Services Administration at large cost savings. Examples of these items include energy saving light bulbs, anti-freeze, flashlights and batteries, ball point pens and typewriters.

Milton participates along with sixteen other nearby towns in the annual Medfield Cooperative Road Salt joint bid.

Increased use of cooperative and joint purchasing techniques are being pursued to help the town extend its purchasing dollar.

INSURANCE GENERAL

The problem areas outlined in my last report were studied by the Permanent Insurance Advisory Committee this year. They recommended that the Town obtain Automotive Liability Insurance for all Town-owned vehicles and a Broad Form Liability Insurance for the Town as a whole.

The Selectmen and Warrant Committee are recommending the former for fiscal year 1980 at a cost of $24,823. They have postponed action on Broad Form Liability Insurance for further study.

The Insurance budget is increasing more rapidly than any other Town budget because of the loss of municipal immunity and the tremendous increase in the workmen's compensation policy. Our insurance costs continue to rise in spite of efforts to reduce employee accidental injuries through safety programs, foreman training, state safety inspections and the purchase of hard hats, safety shoes, trench ladders, and OSHA standard equipment. The Town's insurance agent has pointed out that the factors which contribute to our increased cost are state mandated benefit rates, correspondingly high insurance rates (approved by the state) and the Town's experience which includes, on the average, three serious injuries per year among over 700 insured employees. In 1977 two serious accidents occurred involving fractured legs – one to a cemetery employee and one to a water employee; their expenses exceeded $50,000.

The Permanent Insurance Advisory Committee will be studying the option of self-insuring for Workmen's Compensation next year. In addition, the Selectmen will be giving further consideration to Public Official Liability coverage (commonly referred to as "errors and omissions" insurance) which the auditors have recommended.

COLLECTIVE BARGAINING

Early in 1978 negotiations were completed with Local 1116 IAFF, the Milton Firefighters, for a two-year contract beginning July 1, 1978, and ending June 30, 1980. A similar agreement was reached a few weeks later with the Milton Police Social Club for a contract for the same period. The terms of settlements are described in the 1978 and 1979 Warrant Committee reports.

Local 1395 AFSCME, AFL-CIO which represents the "W" and "C" classification employees entered the last year of their three-year contract in July. Efforts were started by the Town in December to begin contract renewal negotiations so that the 1979 Town Meeting might be able to fund an agreement for Fiscal Year 1980.

STUDENT WORK STUDY PROGRAM

The federally-funded Student Work Study Program has been very successful for both the Town and the students. Every eligible Milton student who applied was employed by the Town during the summer, fall and winter.

The college program enables Town Departments to employ four students for the cost of one. The federal government supplies the colleges with between 70% and 80% of the student's wage and the Town contributes from 20% to 30% of the remaining cost.

This summer twenty-three students were employed from fourteen different colleges for a total of 6,106 work hours. By the end of the fiscal year, students from more than five colleges will have worked part-time in various departments during the school year for approximately 2,200 hours.

REPORT OF THE EXECUTIVE SECRETARY

The following colleges have Work Study contracts with the Board of Selectmen:

Aquinas Junior College
Boston College
Boston State College
Boston University
Bridgewater State College
Emmanuel State College
Framingham State College
Harvard College
Massachusetts College of Art
North Adams State College
Springfield State College
Suffolk University
Tufts University
University of Massachusetts
University of Pennsylvania

C.E.T.A. PROGRAM

This year Milton residents benefited by $142,612 in services under the Comprehensive Employment and Training Act ("CETA"). Many departments of the Town employ CETA workers as do various non-profit service organizations which serve the residents of the Town.

The Town also participates in the Youth Work Experience program under CETA. During the school year, fifteen students were employed by various Town Departments and Milton organizations for twenty hours per week. In the summer forty-five students worked thirty hours per week in various Town Departments and non-profit agencies.

The federal budget beginning October 1978 was cut back substantially in funds for the CETA program and we therefore expect to qualify for fewer CETA positions in future months. Further cutbacks beginning in October 1979 are being discussed in Congress and a much greater emphasis on training is expected to be incorporated into future programs.

It has been the policy of the Board of Selectmen to employ CETA persons in positions which are not critical to the Town's operations. Therefore, if no CETA funds are available next year, it will have no effect on basic services. However, extra projects would be curtailed.

Any Milton resident who would like more information on the CETA program in Milton is urged to inquire at the Selectmen's Office or at the Massachusetts Division of Employment Security, 1433 Hancock Street in Quincy.

GOVERNOR STOUGHTON FUND

In 1701 the will of Governor William Stoughton bequeathed a forty acre wooded lot to be held in trust by the Town. The Board of Selectmen was named as the Trustees of the property, located at the end of Governor Stoughton Lane, and they were instructed to manage the property for the benefit of the poor in Milton. For the first 150 years the Selectmen allowed needy residents to obtain their firewood from the property. Subsequently it was used as the Town Farm or "Poor House" operated by the Board of Public Welfare until after World War II.

Presently the Town Farm has three houses and one barn. For many years it was leased to one tenant responsible for the entire property at a rent of $1200 per year. The Selectmen created a fund, known as the Governor Stoughton Fund, into which the rental proceeds were deposited to be used for the benefit of the poor in the Town.

Four years ago the Board of Selectmen, acting as Trustees, voted to rent the properties separately following some renovations and building code compliance improvements.

The annual income in 1978, including rental payments for the barn space leased by the Police Department for the Dog Pound, amounted to $9483. Expenditures for property maintenance and improvements totaled $2022. Payments to needy Milton residents and related expenses equaled $2089. On January 1, 1978, the balance in the Trust Fund was $25,991 and the balance on December 30, 1978, was $31,363.

Any citizen who refers a case, or who requests assistance, will be given prompt attention and the case will be investigated. All payments made from the fund are supervised by a professional social worker who is familiar with welfare laws and other available resources which assist the needy.

An additional use of the property is being considered for the benefit of Milton's low income elderly. The Selectmen have advised the Milton Housing Authority of their willingness to permit the construction of low income Elderly Housing on part of the property. Town Counsel has filed a "cy pres" petition in the probate court on behalf of the Selectmen to allow such a use under the terms of Governor Stoughton's will. At years end, the petition is pending.

DISASTER RELIEF FUNDS

Clean-up operations in the wake of the February blizzard were of enormous proportions. With men and machines working around the clock, the cost of the operation was staggering.

Fortunately, Milton was eligible to receive nearly $130,000 in aid from the Federal Disaster Assistance Administration. The Town was directly reimbursed a total of $35,993. Of this amount, $28,988 offset the cost of plowing, $4918 went to sewer and cable clearance, and $2087 was charged against the cost of snow removal around public buildings. The largest portion of our disaster aid was paid directly to private snow removal contractors by the Army Corps of Engineers. This figure amounted to approximately $93,000 which otherwise would have been borne by the property tax payers.

GRANTS APPLIED FOR AND PENDING

The Planning Director reports that applications for the following grants have been submitted by the Town and are being reviewed by various Federal and State agencies:

$28,333	State	State of Mass. Self Help Program – Acquisition of 7.5 acres of conservation land at the Lamb Property. Funded as a reimbursement for acquisition only of conservation lands.
$430,000	Federal	Federal Land and Water Program – The Land and Water application for the acquisition and recreational development of the 15+ acres of the Lamb Property and the development of the Lower Pierce Practice Field allows the Town to receive 50% of the proposed construction cost of $660,000 and 50% of the proposed acquisition price of $170,000 and 50% of the $30,000 construction cost of the Lower Pierce Practice Field.
$27,862	Federal	South Shore Home Care Services, Inc. – Busing for the elderly.
$455,336	Federal	Community Development Block Grant – East Milton Square Revitalization Project: a. Commercial Revitalization – Coordinated storefront renovations funded with 50% incentive grants. b. Low and Moderate Income Housing Renovations – Coordinated low and moderate income housing renovations. Direct grants to needy applicants up to a $1500 ceiling under a carefully regulated program of renovation. c. Commercial Area Public Improvements – Traffic signalization, roadway improvements and parking lot acquisition and construction. d. Administration and Planning

$27,863	Federal	Community Development Block Grant – Milton Elderly Transportation Program: Transportation to elderly residents for essential needs such as food shopping, medical services and nutritional services.

WATER OPERATIONS

This year we recommended that the Warrant Committee use $69,029 from the Water Surplus account to fund the fiscal year 1980 appropriations for the pensions of retired Water Department employees. This represents an elimination of almost one dollar from the tax levy. Next year we have proposed that group insurance costs of those Public Works employees and pensioners whose time has been or will be charged to Water Operations also be funded from the Water Income or Surplus accounts to further reduce the property tax rate. Heretofore, the property tax has borne both these costs which should more appropriately be charged to the water system users.

The water system services schools, academies, colleges, churches, the M.D.C. Parks and Reservations and many other non-profit properties which are exempt from real estate taxes.

SEWER FACILITIES STUDY

A sewer facilities study has been contemplated for several years but for various reasons it will not begin until next year. The 1977 Annual Meeting authorized a limited study of the Town's sewer system to determine where major improvements were necessary. This study was to have cost $30,000. The net cost to the Town was estimated at $7500 if the Town had received approval of their application to the federal government for 75% reimbursement.

The limited study was not undertaken because the Town was advised that the M.D.C. had begun a study of their sewer trunk line a part of which runs through and services Milton. The M.D.C. study revealed valuable information about the condition of the Town's sewer system. It points to the need for a more rigorous study on sections of the Town's existing sewer system that are in apparent need of repair.

The Town was also advised that the M.D.C. has proposed to change its trunk line use assessment from a per capita formula to a new method based on the actual quantity of sewerage which flows into the M.D.C. lines from local sewer mains. Therefore, it will be advantageous to eliminate all sources of extraneous ground water which leaks into the Town's sewer system. In addition, new federal regulations require that the six pumping stations have an emergency power system.

In view of these developments, plans have been made for a more comprehensive analysis of our sewer system. The new study will identify all sources of extraneous ground water, evaluate alternate methods of sewerage disposal for unsewered areas, and propose an emergency power system for the pumping stations. If approved at the 1979 Annual Meeting, the study will cost $80,000 but the net cost to the Town will be only $20,000 as the federal government is expected to fund the remaining 75%.

M.B.T.A.

Legislation filed in 1977 for a comprehensive investigation of the M.B.T.A. failed to receive a favorable report this year. In December the Selectmen refiled the measure for the 1979 legislative session.

In 1978, as the Town's M.B.T.A. Advisory Board member, I cast a vote against the revised "Program for Mass Transportation" which is the master plan for M.B.T.A. extensions, expansions and improvements. The reason for the negative vote was the Selectmen's philosophy that the existing system should first be modernized and made reliable prior to consideration of extensions. The Selectmen believe that the residents of Milton are fed up with unreliable service to Boston on the Readville rail connection, the Mattapan-Ashmont trolley and the Red Line from Ashmont and Quincy.

RAILROAD PROBLEM

The tranquility of the west side of Milton was threatened this summer when the Boston and Maine Railroad revealed its plan to truck 1.1 million concrete railroad ties through Milton. The ties were to be manufactured by Sanvel in Littleton and trucked via Route 128 to Canton Avenue, Blue Hill Avenue and Neponset Valley Parkway to Readville over Paul's Bridge. Some of the railroad ties were to be routed through Dedham. Protests were made by the Selectmen of Milton and Dedham to state and federal authorities and we credit Massachusetts Public Works Commissioner John Carroll, a Milton resident, and Peter Metz, State Assistant Transportation Secretary, for the successful resolution of the dispute which resulted in a rail siding being installed at the Sanvel plant and the abandonment of the trucking plan.

PAUL WILLIAMS' INVENTION

This year Plumbing Inspector Paul D. Williams invented a new method for replacing underground water service pipes. In the past, the practice of pulling water service lines through the ground often caused the old service pipe couplings to break. Locating the broken end of the pipe required extensive excavation possibly involving the removal of walls, fences, sidewalks, driveways, trees, bushes, etc. – work that might extend the job for as much as two or more days.

To eliminate these complications, Mr. Williams designed a "water relay cable adaptor" which attaches to both the old service pipe and the new copper pipe. The Board of Selectmen approved the underwirting of the material and fabrication expenses. It operates on the principal of pushing the old pipe through the ground while at the same time pulling the new copper pipe into place. Thus, even if the old couplings break, the "pushing" force will remove the old pipe without the need for excavation under the lawn, walkways and retaining walls.

The cable adaptor has been a tremendous success. Since last February it has been used 76 times to remove a total of 2,528 lineal feet of old pipe, saving approximately 10,112 square feet of lawn, trees, bushes, walls, streets, etc. The longest continual pipe replacement to date has been 90 feet.

Mr. Williams receives our commendation for inventing a pipe replacement process which not only spares Town residents the inconvenience often associated with water pipe replacement, but also saves the taxpayer's money and the Public Works Department's time. His ingenuity is a significant example of the dedication of our employees to improving the quality and efficiency of Milton's municipal services. Mr. Williams has a patent application pending.

CONCLUSION

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of the Boards and Commissions and to the citizens of Milton who have assisted me throughout the year. My gratitude is extended to Mrs. Eleanor Bradshaw who retired this year after ten years of service. A special note of appreciation is extended to the staff in the Selectmen's Office who have helped me to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

REPORT OF TOWN COUNSEL

January 9, 1979

To the Honorable Board of Selectmen:

I submit herewith my report as Town Counsel for the year 1978.

One of the most interesting aspects of the position of Town Counsel in Milton is the variety of legal matters with which the holder of the position must deal. The year 1978 proved no exception to this truism.

At the beginning of the year I filed a cy pres petition in the Suffolk County Probate Court seeking permission to use the land devised to the Town under the will of Governor William Stoughton as the site for low income housing for the elderly under the control of the Milton Housing Authority. The Attorney General has requested the court to require the Town to prove that the proposed gift of the land to the housing authority most closely conforms to the testator's intent and would be the most beneficial use of the land for the benefit of the poor in Milton. No trial date has been assigned for this matter.

In June, Milton Residences for the Elderly filed suit against the Town and the Board of Assessors seeking a declaratory judgment that the real estate at 30 Curtis Road is entitled to tax exemption with MRE having a right to make payments to the Town in lieu of taxes. As the Town's position is that the real estate is taxable, we are contesting MRE's claim.

Residents of Governors Road filed suit seeking a preliminary injunction restraining the Board of Selectmen from removing the rocks at the intersection of Edge Hill Road and Governors Road. In October the Superior Court ordered the suit dismissed.

During the year I appeared before the Civil Service Commission on two cases involving appeals by Town employees following their discharges. In one case a worker in the Public Works Department was discharged because of a horrendous work record. After a hearing, the Civil Service hearing officer recommended that the discharge action be affirmed. The Civil Service Commission, by a 3-1 vote, modified the discharge to a 12-month suspension after determining that the Town "constructively encouraged the conduct of the employee by continuing to pay him for the time he was absent or late." The employee has now appealed the 12-month suspension penalty to the District Court. A trial is expected shortly.

A second case at Civil Service involved a school department employee who was discharged for using obscenities, leaving his job without permission, and refusing to obey a lawful order of his supervisor. The hearing officer found that as the obscene language was used by other employees, and as the employee eventually obeyed the lawful order of his supervisor, and as he eventually returned to his job after leaving it, the employee should be suspended for three months and not discharged. The Civil Service Commission, upon further review, modified the disciplinary action to a six-month suspension. These two cases are vivid examples of the difficulties encountered by the Town if attempts are made to discipline recalcitrant employees.

In May the contractor who defaulted on the Tucker School Renovation Project filed suit against the Town, the Tucker School Building Committee and the project architect seeking to recover some $750,000. The complaint alleges that the defendants were responsible for the delays in the construction work and wrongfully refused to grant the contractor an extension of time. In December the individual committee members were dismissed from the suit as parties defendant. The suit is pending against the Town and the architect.

The U. S. Coast Guard has attempted to assess a civil penalty on the Town because of a violation of the Federal Water Pollution Control Act which occurred when oil was discharged into Gullivers Creek from the Town's storm drainage system. The civil penalty is a prelude to an assessment of approximately $2,500 for costs incurred by the federal government for containing, cleaning up and disposing of the pollutants. The Town was not responsible for this pollution incident even though the oil was in our storm drain. I am cautiously optimistic that the Town will not have to pay any money in this matter.

In December the Town took title to the 22-acre parcel of land on Gile Road and Blue Hills Parkway following an affirmative vote on Article 7 of the warrant for the June Special Town Meeting. This conveyance followed months of interesting and involved negotiations with various Town committees, the officials of HOME, Inc. and the grantors.

Two suits have been filed against the Town by plaintiffs seeking damages as a result of falling on sidewalk defects. Three suits were filed against the Board of Appeals by persons dissatisfied with the Board's decisions. An employee has appealed to the Contributory Retirement Board a decision of the Town Retirement Board denying the employee's application for accidental retirement benefits. The Town filed an action against a bonding company to recover damages sustained when a developer defaulted on the street construction work required by the Planning Board.

Twelve cases were filed against the Board of Assessors at the Appellate Tax Board, and six cases were tried. One appellant received an abatement, and the decisions in the other five cases were for the Assessors. The remaining six cases are pending. Two of these cases were filed by utility companies and involve rather substantial sums of money.

The number and size of the claims against the Town increased significantly in the past year. Twenty claims were settled for the total sum of $4,264.20. This figure is double the amount paid in 1977 and triple the amount paid in 1976. However many of the claims arose from the extreme snow storms that occurred during the year. Twenty-seven claims for damage to Town property totaling $10,118.30 were collected by me.

As always, I counseled the various departments and furnished legal opinions whenever requested. I should like to publicly thank the Board of Selectmen and the various department heads, boards and committees for the unfailing support and assistance that was afforded me throughout the year.

Respectfully submitted,

Robert D. O'Leary
Town Counsel

REPORT OF THE LEGISLATIVE COUNSEL

January 9, 1979

To the Board of Selectmen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the year 1978.

Pursuant to Article 6 of the Warrant for the 1978 Annual Town Meeting, the Legislative Committee was appointed by the Moderator to consider those general laws and special legislative acts which might affect the Town's interest. The committee appointees were Walter F. Connelly, James F. Dineen, Roland Gray, III, Eugene G. Panarese and myself. These attorneys assisted me in reviewing over five hundred acts passed by the State Legislature in 1978.

During the year I appeared before the Committee on Local Affairs in favor of a bill to authorize the Moderator in Milton to appoint the members of the Board of Appeals. Representative M. Joseph Manning had filed the bill as a result of the vote taken on Article 38 in the warrant. The bill was subsequently enacted into law as Chapter 310 of the Acts of 1978.

Following the vote on Article 12 in the warrant, a bill was filed and enacted as Chapter 242 of the Acts of 1978 exempting those positions set out in the warrant article from the provisions of the Civil Service law.

Other legislative enactments of interest to the Town are:

Chapter 128 authorizing a school site for the Dedham, Milton, Natick and Wellesley Regional Vocational-Technical School outside the boundaries of the four Towns.

Chapter 136 which is an emasculated form of a bill filed to have Town meeting members designated as candidates for re-election when they file for election in a redistricted precinct.

The proposed bill would have been important to Milton Town Meeting Members seeking re-election after the Town's precincts are revised. The enacted bill appears to fall short of accomplishing this end.

I have enjoyed the fullest cooperation from Senator Joseph Walsh and Representative Manning. Mr. Manning was particularly helpful in keeping me informed of the progress of pertinent legislation.

Respectfully submitted,

Robert D. O'Leary
Legislative Counsel

REPORT OF THE MILTON PERSONNEL BOARD

January 19, 1978

In the spring of 1978, a number of Town employees, then covered by Civil Service, filed a petition to withdraw their positions from the Civil Service system. The Personnel Board gave its passive support to this petition, and the Town Meeting voted in favor of the petition. We are pleased that job security and grievance procedures as they existed under the Civil Service system, are equal to or greater under the revised procedures.

The Personnel Board voted to recommend to the Town Meeting an amendment to the Personnel By-law to provide for sick leave buy-back for non-union employees, similar to that negotiated with the Police, Fire and Labor Unions. We are pleased that Town Meeting saw fit to support the Personnel Board and vote favorably in this regard.

The Board engaged C. M. Evans to review the clerical classifications. This is always the subject of some controversy as some employees feel that their position merits reclassification rather than the usual annual step raise based upon merit. In very rare instances does the Board fail to follow the recommendations of the consultant. Failure to do so would result in chaos under our Personnel By-law. We regret that we lost some extremely valuable employees as a result of this policy.

As we reported in our prior report to the Town, the new Unemployment Security Law for public employees has been the subject of much discussion and the need for maintaining a minimum personnel record system to meet the requirements under the Mass. Unemployment Security Law. There is a need for one person to serve as Unemployment Compensation Administrator for all Departments of the Town. The Personnel Board is cooperating with the School Department in this regard in order that the issues which may be presented under this law will be fairly and efficiently administered.

A review of the Department of Public Works organization is an on-going matter and we have some hope that the review will be completed prior to the 1979 Town Meeting.

It is with extreme regret that we advise of the extended illness of our Fire Chief, John Grant. The Board approved the appointment of John T. O'Neill, the Senior Deputy Chief as Acting Chief, effective September 11, 1978. It is our sincere hope that Chief Grant will be able to resume his duties in the near future.

During the past fiscal year, a number of long-term employees have retired because of age or disability. The Personnel Board wishes to express its appreciation to them for their devoted service to the Town.

The Board has noted with some regret, a lessening of the conscientious attitude with which Town employees were known in their use of sick leave. Because the Town is now a large employer, it has become necessary to direct Departmental Heads to exercise greater supervision with regard to absences due to illness.

The Board continues to consider the need for the employment of a Town Personnel Manager, however, this decision is being delayed as long as possible because of the cost involved.

The Personnel Board has reviewed, approved, and amended each proposed department budget as it pertains to personnel. We feel that all Department Managers are cooperating with the Personnel Board and Town management in an effort to hold down costs.

REPORT OF THE PERSONNEL BOARD

The Board wishes to express its thanks and appreciation to the various department heads, governing boards and employees for their cooperation and assistance. John Cronin has been most helpful to the Board. We also wish to thank Josephine M. McAteer, our Clerk, for the many hours that she has expended in assisting us in performing our work.

Respectfully submitted,

James D. Fitzgerald, Chairman
Francis P. McDermott
Manuel S. Lato
John P. Connolly
Richard B. O'Meara

Linda O'Connor, Receptionist and Switchboard Operator, Town Office Building.

REPORT OF THE SANITARY LANDFILL

The disposal area of the Town of Milton is located off Randolph Avenue in the east central part of town. Access to the site is by means of a paved roadway. The site, consisting of about 130 acres is town owned and is bordered on the east by the Milton-Quincy line, on the south by the M.D.C. Blue Hills Reservation, and on the north and west by privately owned land. Operation of the landfill is by a private contractor under the supervision of the Milton Public Works Department. Prior to July 1, 1978 the supervising agency was the Milton Board of Health. Private vehicles unload into large containers in a designated location along the access road. When these containers are filled, they are hauled to the active working area. Trucks and commercial vehicles unload directly at the working area. Bulky wastes and demolition wastes are disposed of separately and metal scrap and tires are stored for salvage. There also is a recycling program for glass, cans, and newspapers. The recycling area is located on the left side of the access road traveling from Randolph Avenue. A leaf composting program is an ongoing program located east of the recycling area. The resulting product is re-used on other D.P.W. projects.

Over the next two years the population of Milton is expected to average about 27,200 people. The Town has very little commercial and industrial activity and does not accept refuse from outside the Town.

Based on daily observation and statistics compiled from towns of a similar residential character, approximately 71 tons of refuse per day is brought to the Landfill and covered. Land is being filled at a rate of 60 acre-feet per year. The cost to the Town to operate the Landfill the past six months was approximately $5.00 per ton.

The Town is a participating planning member of the 128 West Resource Recovery Council which is now examining proposals for a regional waste disposal system that will use Resource Recovery as a means of partially defraying the cost to dispose of refuse. Current knowledge points to the continued use of the present Randolph Avenue site to dispose of the towns refuse. There is a potential life of ten to fifteen years at this site if carefully managed and barring undue pressure from State and Federal landfill regulatory agencies. The cost to the Town could rise significantly if complex improvement measures are dictated by the aforementioned agencies. The present cost to landfill to the Town is less than half of the current estimates emanating from the 128 West Council to participate in a regional system with a possible 1981 or 1982 starting date.

Respectfully submitted,

Paul D. Kanter, P.E.
Town Engineer

REPORT OF THE PUBLIC WORKS DEPARTMENT

To the Honorable Board of Selectmen:

Submitted herewith is the sixth report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

Lawrence W. DeCelle, Jr., Director of Public Works.

REPORT OF THE PUBLIC WORKS DEPARTMENT

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

Final plans, specifications and contracts have been prepared for resurfacing Pleasant Street (Edge Hill Road to Randolph Avenue) in early 1979 under the Chapter 90 Program.

The department issued 19 street numbers and 89 street opening permits.

Plans and specifications filed with the Department of Environmental Quality Engineering for the immediate work area at the Milton Sanitary Landfill. These plans are continually being modified and updated.

Long range plans for sewer, water, street, sidewalk programs are being updated to present conditions.

All traffic studies, counts, sketches prepared for Traffic Commission as requested.

Engineering services rendered to Article 39 Committee for recreational studies.

Engineering survey rendered for detailed elevation and utilities for proposed addition to High School Gym.

An interconnected system of signal lights was installed along with accompanying paving and curbing improvements at three locations on Brook Road (at St. Mary's Road, at St. Mary of the Hills School and at Standish Road) after the department reviewed and modified the plans and specifications.

Milton DPW crew cleaning East Milton Square after the Blizzard of '78.

REPORT OF THE PUBLIC WORKS DEPARTMENT

HIGHWAY

The big story was the "BLIZZARD OF 78". Every piece of equipment was put into action. Every piece of private equipment available was hired. All people involved, both the Department of Public Works personnel and private employees, worked long hard hours.

Because of the severity of the "BLIZZARD OF 78", most people forgot the 12" storm of January 20, 1978.

Fortunately December of 1978 had light snowfall but we had several snow and ice storms that required extensive sanding and salting operations.

The continuing drainage improvement program resulted in the installation of 1,488 linear feet of various size drains, 6 catch basins, and 6 manholes.

Permanent construction for the year 1978 included installation of 498 linear feet of curbing and resurfacing of several streets. A list of locations are included in a detailed Department of Public Works report on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

The engineers have prepared a list of sidewalks resurfaced and repaired. A list of locations are included in detailed Department of Public Works report on file in the Engineering Office.

New equipment purchased during 1978 included two dump trucks, one pickup truck, one sander body and one leaf vacuum.

Heavy equipment clearing up snow from "BLIZZARD 78."

FORESTRY AND SHADE TREE MAINTENANCE

The 1978 Arbor Day program included planting of 125 ornamental and shade trees throughout the Town as part of a park planting project. An additional 55 shade trees were planted along Milton's roadways.

The Rabbi Hochman Memorial Park was completed in cooperation with the Jewish War Veterans. Ornamental and evergreen trees were planted, a flagpole installed and a monument set.

After a successful fundraising effort, Andrews Field, the Collicot, Glover and Milton High School yards were prepared and planted with ornamental and shade trees to screen and beautify the grounds. The following organizations are to be commended for their continued generosity: The Amateur Garden Club, the Collicot P.T.A., the Conservation Commission, the Glover P.T.A., the Milton Garden Club, the Milton Kiwanis Club, the Rotary Club, the School Department and the Town Club of Milton.

Twenty shade trees were damaged by snow and ice during the Blizzard of 1978.

WATER OPERATIONS

6 service connections were made to supply new buildings. 6 services were laid from sideline of street to the buildings and 11 services were laid for main to sideline of street.

1 new hydrant was added to our system. The inspection, repairing, gating and painting of hydrants have been continued. 7 additional gates were added to the system.

940 linear feet of 16" water main was installed on Randolph Avenue (School Street to Brook Road).

400 linear feet of 16" water main was installed at Blue Hill Parkway under Pine Tree Brook to Sumner Street.

95 linear feet of 8" water main was installed in Hollis Street from Adams Street to beyond the first house.

105 services were relaid. 76 of these services were relaid using a service pulling invention deisgned by Paul Williams. This eliminates replacement of walks, lawns, shrubs, etc.

57 service relays are signed up for 1979 as of this writing.

The Computer Study Committee has spent considerable time and effort during 1978 in studying and developing a proposal to update the present water billing system. Implementation of a modernized billing system is scheduled to begin during mid 1979.

The Water Division employees and I are pleased with the committee's proposal and thankful for use of their time and expertise in updating this Town function.

All the Metropolitan Water District Commission meetings were attended during the year.

New equipment purchased in 1978 was one 65 series dump truck and two pickup trucks.

Gravel backfill being dumped on water relay.

CENTRAL MAINTENANCE GARAGE

The "Blizzard of 78" really did a job on the equipment. Several pieces of heavy equipment had to be torn apart and rebuilt. Most of the overhauling was done "in house". Only specialty services were sent out.

Preventative maintenance and ordinary repairs were provided to 120 pieces of equipment.

A four-wheel drive, weapon carrier was added to the fleet. This vehicle was obtained through the efforts of Mr. Robert Cunningham, State Civil Defense Director and Arthur Southall, Milton Civil Defense Director.

Repairing Loader-Backhoe – Central Maintenance Garage.

REPORT OF THE PUBLIC WORKS DEPARTMENT

SANITARY LANDFILL

Landfill operation is progressing smoothly. The existing area has been filled and graded in accordance with filed plans.

Numerous meetings have been held with representatives of the D.E.Q.E. regarding plans, specifications for existing areas, and future cells to be prepared for landfill. Meetings were held to discuss problems and possible solutions to leachate treatment.

Entrance to disposal area being leveled, loamed (using catch basin cleanings) and seeded. Should be completed in 1979.

Split roadway and island divider under construction to provide safer egress and access.

Leaf recycling program continues. Leaf products of four years to be used on future Department of Public Works projects.

OBJECTIVES

To continue with Water System Improvements
To continue Improved Drainage Programs
To continue to seek Federal Aid for Sewer System
To re-activate the TOPICS Program
To continue Stream Clearance Program

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works Employees for their cooperation and assistance in compiling a very successful construction and maintenance year.

I wish to thank the Board of Selectmen, Executive Secretary and all Town Departments for their cooperation and assistance during 1978.

Respectfully submitted,

Lawrence W. DeCelle, Jr.
Director of Public Works

REPORT OF THE TRUSTEES OF MILTON CEMETERY

January 4, 1979

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the year 1978.

There were 286 interments for the year. During the year 290 graves were sold. These were assigned as follows: 1 eight grave lot, 5 six grave lots, 24 four grave lots, 10 three grave lots, 60 two grave lots and 6 single graves.

Through the efforts of the Milton Historical Commission, Milton Cemetery is now recognized as an Historical Site by the Commonwealth of Massachusetts.

We have reduced vandalism a little by eliminating access to the Cemetery by car after posted hours. Vandalism has not been eliminated entirely as access by foot is still available.

A screen of evergreen trees has been planted inside the new fence on Murray Avenue. The newly developed area inside this screen has been seeded and one of the proposed roadways has been paved. Part of the area made accessible by the roadway will be laid out in two grave lots and will be ready for interments this summer.

A new section for 4, 6 and 8 grave lots has been laid out and will be opened in the spring.

The Trustees wish to express their appreciation to the other Town Departments for their assistance and cooperation during the past year.

Respectfully submitted,

Hugo W. Sorgi, Chairman
John H. McCue, Secretary
Spencer Field
Paul F. Dolan
J. Joseph Donovan

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit my report on the Fire Department activities for the year ending December 31, 1978.

ALARMS

During the year the Fire Department responded to 1828 calls; 342 Bell Alarms, 1,441 Still Alarms and 45 Mutual Aid Alarms.

ALARMS EACH MONTH

January	318	May	122	September	108
February	209	June	89	October	141
March	105	July	137	November	156
April	179	August	97	December	167

MUTUAL AID DISPATCHED

Milton to Boston	19	Milton to Canton	1
Milton to Randolph	1	Milton to Quincy	24

MUTUAL AID RECEIVED

Quincy to Milton	21	Canton to Milton	1
Boston to Milton	5		

FIRE ALARMS AND/OR CALLS

Residential	147
Non-residential	41
Brush, grass, woods, rubbish, debris, etc.	355
Public assistance, first aid, complaints, drills, investigations, details, etc.	495
Vehicles	134
Automobile accidents	127
Inhalator calls	18
Pumping assignments	120
Wires (fallen or arcing)	13
Lockins/lockouts	65
False Alarms	129
Auxiliary alarms	98
Mutual aid	45
Ski Mobile (blizzard)	17
Other (miscellaneous)	24
TOTAL	1828

Three of the residential fires were two alarm fires and one was a three alarm fire.

WORK PERFORMED

Feet of hose laid (1-1/8"):	3,050	Gallons of water: (Booster tanks)	166,400
Feet of hose laid (1-1/2"):	13,085		
Feet of hose laid (2-1/2"):	3,220	Hose lines laid:	378
Feet of hose laid (3"):	485	Feet of ladder raised:	2,209
		Salvage covers:	4

	3000 gallon	2	2
	5000 gallon	1	1
Blasting		9	9
Propane gases		13	13
Model Rockets		10	10

In late August Chief John J. Grant was stricken with illness and was hospitalized for several weeks. The Board of Selectmen appointed Deputy John T. O'Neill as Acting Chief during the absence of Chief Grant. By the years end Chief Grant was making excellent progress in his recuperation.

The report of the Fire Department activities for the year ending December 31, 1978 is herewith submitted.

During the year all schools, public halls and the hospital were inspected as required by law. Routine inspections of buildings, mercantile, churches and private halls – as well as many residences – were checked upon request for various reasons.

The New Engine #1 – Mack Pumper was delivered and put into line duty. An excellent choice of vehicle by all parties included. A new prototype of Scott Mask (4.5 air pac) purchased for a year's evaluation and three radios purchased and delivered to update communications.

On April 10, Firefighter Robert E. McLeod was granted an accidental disability retirement. Firefighter McLeod had contributed 20 years service and the Department will miss his ability and efforts.

On May 20, Lieutenant John W. Kenney was granted an accidental disability retirement. Lieutenant Kenney had contributed 25 years service and the Department will miss his experience and leadership.

On July 3, John J. Fasano and Kevin M. Mawn were appointed as Firefighters to fill two vacancies. Both men appear to be excellent choices and will improve the fire protection to the citizens of Milton.

Firefighter Jean M. Callahan was promoted to Lieutenant on July 31, 1978. Firefighter John M. Noris, Jr. was promoted to Lieutenant on December 4, 1978. Both promotions made in accordance with Civil Service Rules and Regulations.

On November 6, Firefighter David E. Clasby resigned to seek private employment. The Department acknowledges Firefighter Clasby's contributions during his 10 years service and wish him well in his new endeavors.

To thank all for enabling me to sign this report would require more than the allotted space. Special recognition to Miss Josephine E. McAteer (Town Accountant), John A. Cronin (Executive Secretary), Mrs. Grace L. Kibbee (Fire Department Secretary) without whose help and cooperation I could never have administered the position of Acting Chief during Chief John Grant's illness.

To the Board of Selectmen, the members of the Fire Department and all Town Department heads and employees, sincere thanks for your support and cooperation during the past year.

Respectfully submitted,

John T. O'Neill
Acting Fire Chief

Milton Fire Department extinguishing a house fire on Blue Hill Avenue.

REPORT OF THE BUILDING DEPARTMENT

January 4, 1979

To the Honorable Board of Selectmen:

I herewith submit my report of the Building Department for the year ending December 31, 1978:

Month	Number of Permits	Permits For New Dwellings	Permits For New Garages	New All Other	Permits for Alterations	Valuation	Fees Received
January	4	0	0	0	4	$ 11,845.00	$ 36.00
February	6	-	-	0	6	26,800.00	74.00
March	36	5	5	0	26	229,400.00	569.00
April	60	3	4	2	51	256,860.00	758.00
May	65	2	3	1	59	335,690.00	905.00
June	63	2	2	4	55	303,605.00	875.00
July	54	2	2	5	45	277,632.00	849.00
August	42	2	2	2	36	3,138,359.00	6,436.00
September	58	1	0	1	56	129,145.00	482.00
October	46	-	0	1	45	92,390.00	359.00
November	48	2	3	1	42	225,018.00	643.00
December	15	0	0	2	13	98,375.00	253.00
	497	19	21	19	438	$5,125,119.00	$12,239.00

Fees for the above permits amounting to Twleve Thousand Two Hundred Thirty Nine ($12,239.00) have been collected and paid to Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their cooperation. May I also express my appreciation to all Town Officials, Boards and Committees for their assistance.

Respectfully submitted,

Albert W. Semer
Building Commissioner

Ernestine Metzler, Secretary to the Building Commissioner, studying plans for the proposed Housing for the Elderly at Winter Valley at the intersection of Canton Avenue and Highland Street.

REPORT OF BOARD OF EXAMINERS, BUILDING DEPARTMENT

January 4, 1979

To the Honorable Board of Selectmen:

The following is the Annual Report of the Board of Examiners of the Building Department for the year ending December 31, 1978.

The Board was created under section XX of Chapter 7 of the General By-Laws of the Town of Milton.

Seventy-five licenses were renewed during the year.

Fees received $222.00.

The Board wishes to acknowledge the cooperation of the Building Department.

Respectfully submitted,

William J. Edwards, Chairman
Edmund J. Connolly, Secretary
John F. Delaney, Jr.

REPORT OF THE WIRE DEPARTMENT

January 4, 1979

To the Honorable Board of Selectmen:

I herewith submit my report of the Wire Department for the year ending December 31, 1978.

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
January	27	4	23	$ 163.75
February	11	0	11	24.00
March	23	2	21	114.50
April	24	0	24	64.50
May	27	2	25	139.50
June	38	4	34	172.00
July	35	2	33	134.00
August	26	2	24	129.50
September	27	0	27	111.50
October	31	1	30	145.00
November	30	1	29	127.50
December	21	2	19	114.50
	320	20	300	$1,440.25

Fees received for the above permits amounting to One Thousand Four Hundred Forty Dollars and Twenty Five Cents ($1,440.25) have been collected and paid to the Town Treasurer.

Number of Certificates Issued	167
Total Horsepower Wired	729
Total Kilowatts Wired	1,794

FIRE AND POLICE ALARM SIGNALS

New Fire Alarm Boxes have been installed at the following locations:

#19 Eliot Street and Hawthorn Road	(Replacement)
#69 Washington Street and Howard Street	(Replacement)
#3461 Dean Road and Clay Street	(New Installation)

A new Fire Alarm Transmitter was installed at Central Fire Headquarters replacing the defective one.

WIRE AND CABLE

New wire and cable was installed at the following locations:

Truro Lane and Sumner Street	600 feet
Brook Road from Blue Hill Ave. to Kerrigan's Corner	5,000 feet
Atherton Street from Engine #4 to Canton Avenue	1,000 feet
Hillside Street at Randolph Avenue	300 feet

Fire and Police Boxes were tested and repaired and transfers from old to new poles have been completed as required.

REPORT OF THE WIRE DEPARTMENT

Electrical repairs and installations were made at the following locations:

D.P.W.
Park Department
Town Office Building
Fire and Police Stations
Town Farm
Pierce Field
Thacher Building

TRAFFIC SIGNALS

Traffic signal equipment was repaired and/or replaced at the following locations due to motor vehicle accidents:

Adams Street and Mechanic Street
Adams Street and Wood Street (2)
Adams Street and Squantum Street (3)
Brook Road and Centre Street
Brook Road and Randolph Avenue
Reedsdale Road, Canton Avenue & Centre Street
Milton Village

A new Traffic Controller was installed at Brook Road and Randolph Avenue replacing the old one demolished by a motor vehicle accident.

The Traffic Signals at Brook Road and St. Mary's Road and Brook Road and Standish Road were completely revamped and updated and new pedestrian signals were installed at Brook Road at St. Mary's School under a Federal Aid Safety Program.

All Traffic Signals were relamped, painted, cleaned and controllers and equipment cleaned, oiled and repaired as needed.

VANDALISM

Equipment was repaired or replaced at the following locations due to vandalism:

Adams Street and Wood Street
Adams Street and Bryant Avenue
Brook Road and Standish Road (3)
Brook Road and St. Mary's School (6)
Brook Road and Pleasant Street (2)
Brook Road, Reedsdale Road and Central Avenue (3)
Brook Road and Centre Street (2)
Edge Hill Road at Collicot School (5)
Granite Avenue at Carleton Ford
Gile Road – Pierce Playground (4)

In conclusion let me express my thanks to the Board of Selectmen for their cooperation and assistance during the past year. May I also extend my thanks to all Town Departments for their assistance and to the members of the Wire Department for their continued fine work.

Respectfully submitted,

Lewis E. Park
Inspector of Wires

REPORT OF INSPECTOR OF PLUMBING AND GAS

January 5, 1979

To the Honorable Board of Selectmen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the year 1978.

Month	No. of Permits	Plumbing	Gas	Old	New	Fees Received
January	25	13	17	24	1	$ 121.00
February	9	5	6	8	1	39.00
March	28	24	19	25	3	170.00
April	23	18	13	23	–	200.00
May	34	26	27	31	3	212.00
June	19	9	15	18	1	104.00
July	31	21	16	24	7	228.00
August	30	26	14	28	2	175.00
September	21	10	16	20	1	105.00
October	20	16	13	19	1	117.00
November	43	31	23	4	39	865.00
December	31	22	16	28	3	173.00
Totals	314	221	195	252	62	$2,509.00

Fees amounting to Two Thousand Five Hundred Nine Dollars ($2,509.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who assisted me in 1978.

Respectfully submitted,

Paul D. Williams
Inspector of Plumbing & Gas

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

January 5, 1979

To the Honorable Board of Selectmen:

I herewith submit a summary of the operations of the Weights and Measures Department for the year 1978:

Scales Sealed	19
Scales Not Sealed	1
Weights Sealed - Avoirdupois	4
Weights Sealed - Apothecary	64
Weights Sealed - Metric	69
Automatic Measuring Devices Sealed	44
Automatic Measuring Devices Adjusted	2
Capacity Measures Sealed 1 Gallon and Under	8

During the year 1978, $317.60 in fees were collected and turned over to the Town Treasurer.

Reweighing of 385 food items was made at the various markets; number correct 377, number overweight 5, and number underweight 3.

I wish to thank your Honorable Board and all Town Departments who assisted me in 1978.

Respectfully submitted,

Paul D. Williams
Sealer of Weights and Measures

REPORT OF THE FENCE VIEWERS

December 31, 1978

To the Board of Selectmen:

We have had a few informal requests for information but no official requests for our services for the year ending December 31, 1978.

Respectfully submitted,

Teresa Shaughnessy
Nathaniel C. Lord
Fence Viewers

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

December 31, 1978

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work. Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	6,150 feet
Brush obstructing drainage cut	2,710 feet
Culverts cleaned and opened	17
Drainage constructed or improved by machine	635 feet

Larviciding. Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Aerial applied larvicide	350 acres
Larvicide by backpack and mistblowers	225 acres

Adulticiding. The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Aerial U.L.V. adulticide application	1,000 acres
Adulticide mistblowing from trucks	8,470 acres
Adulticide U.L.V. from trucks	7,728 acres
Catch basin application. Adulticide and larvicide	3,238

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 61 calls from residents for information and assistance.

Respectfully submitted,

Albert W. Heuser, Superintendent

REPORT OF THE PARK COMMISSIONERS

December 29, 1978

To the Citizens of Milton:

The following is the Annual Report of the Board of Park Commissioners for the year ending 1978.

Mr. Donal J. Fahey was elected as the new member of the Board and the Commission was organized with John S. Shields, Chairman; Paul P. Joyce, Secretary; and Donal J. Fahey, Member.

The Board thanked John T. Landry for his dedicated services as Park Commissioner since 1972.

Improvements in the 1978 facilities were as follows:

Reconditioned ballfields at Andrews Playground, Kelley Field Softball Diamond, Kelly Field Regulation Diamond and Pierce Field.

Installed fence enclosures for player's benches at Eliot Playground and Kelly Field Softball Field.

Installed chain link fence at Andrews Playground.

Resurfaced and painted the three tennis courts at Andrews Playground.

Repaired steps at the Town Landing.

Recreation Programs offered by the Park Department are as follows:

- Basketball
- Gymnastics
- Street Hockey
- Ballet
- Acrobatic Dancing
- Volleyball
- Girls' Softball
- Baton Twirling
- Women's Slimnastics
- Ski Instructions
- Men's Softball
- Women's Softball

Several new Recreation Programs were started, which include Sunday Boys' Basketball League, Friday evening Girls' Basketball League. Also added was an afternoon Adult Line Dancing Program. The Sunday Boys' and Girls' Gymnastic Program was expanded.

The Skiing Program, held on Saturday mornings at the Blue Hill Ski area, had over 600 participants.

The Board thanked Mr. Donald J. Fitzpatrick for his many years as Director of the Handicapped Program. Mr. Fitzpatrick resigned from this position. Miss Mary Ellen Garrity was Director of the Summer Handicapped Program.

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The Board of Park Commissioners are pleased to report that the Park Department received $22,338.18 from the Bureau of Outdoor Recreation. This represents a 50% reimbursement for the erection of lights at the Pierce Complex.

The problem of litter continues to increase each year requiring the grounds crew to spend more time cleaning up this litter.

The Board reluctantly comments that vandalism, and other related problems continue to plague the Department.

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards and Commissions who have helped and assisted the Park Department this past year.

Respectfully submitted,

John S. Shields, Chairman
Paul P. Joyce, Secretary
Donal J. Fahey

I herewith submit my report for the year ending December 31, 1978.

Patrick H. Shanahan, a dedicated member of this department from 1928 to 1950 died on June 28, 1978.

Detective Paul F. Higgins, appointed to the department on April 26, 1951 retired on September 1, 1978. Paul has been an outstanding police officer throughout his career.

Paul J. Lynch was appointed to the department on September 11, 1978 and graduated from the Massachusetts State Police Academy in December, 1978.

The promotion of William F. Ferry to the rank of Sergeant on January 17, 1977 was inadvertently omitted in our 1977 report.

The Police Department radio communication became fully operational on the BAPERN net (Boston Area Police Emergency Radio Net) early this year. This has been a three-year project directed by Lieutenant David E. Macdonald, Department Communications Officer. The bulk of the funding on this project was arranged through the Greater Boston Police Council.

An application for a federal grant prepared by Lieutenant Richard G. Wells assisted by James Sgroi has been approved by LEAA and funds for setting up a crime analysis program will become available in January, 1979.

The Blizzard of '78 demonstrated clearly the need for the Police Department to obtain an emergency vehicle with off-road and heavy snow capabilities. I am pleased to report, through the efforts of the Office of Civil Defense, the department has obtained a U.S. Army Field Type Ambulance. Patrolman S. Leo Judge with the assistance from other members of the department has made this vehicle fully operational and is presently awaiting the issuance of a Class V Ambulance License from the Department of Public Health.

Twenty-three officers have been certified as Emergency Medical Technicians and nine others are awaiting certification.

Sergeant Thomas F. Murphy attended Crime Prevention Officers School for 80 hours. Sergeant George F. Dillon attended a Hostage Taking Workshop for 40 hours. Other officers attended courses in Radar Training, Photography and Fingerprinting.

The Auxiliary Police Officers under the direction of Lieutenant David E. Macdonald provided their usual valuable service to the Town.

To the officers and men of this department I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the

Justices, Clerks and Probation Officers of the Courts and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted,

Dennis J. Doyle
Chief of Police

REPORT OF TRAFFIC COMMISSION

I herewith submit the Annual Report of the Town Traffic Commission for 1978.

Six meetings were held during the year. They were all properly posted by the Town Clerk as required by law. The following requests from town departments and citizens were acted upon:

One request for a Keep Right sign was recommended.

Three requests for Stop signs were recommended, movement arrows were recommended with one of the signs.

Four requests for No Parking signs were considered and three were recommended.

Two requests for Watch Children signs were recommended.

Two requests for School Bus Stop and School Bus Stop Ahead signs were considered and both were recommended.

Three requests for Slow Children signs were recommended.

One request for a No Parking Here to Corner sign was recommended.

The Commission was asked to provide relief from the town by-law which prohibits overnight parking. Having no jurisdiction over this matter the petitioner was advised to contact the Board of Appeals.

A great deal of time was spent studying traffic congestion in the East Milton Square area with particular emphasis on the traffic using Governors Road, Plymouth Avenue and Grafton Avenue as a method of circumventing the square. We were successful in convincing the Quincy Traffic Commission to erect signs that would restrict traffic on these streets during certain hours.

The question of Right Turn on Red at the 15 intersections that the town controls was considered and it was recommended that right turns on red should not be implemented in the Town of Milton.

During the year many problem areas in the town were studied, especially those at dangerous intersections. Unfortunately the large sums of money involved to make corrections (channelization, signalization, traffic lights, curbing, etc.) and eliminate the dangers at these intersections would necessitate grants from the state and federal government. We will continue to pursue this state and federal money in the hopes of funding this needed construction.

The Commission wishes to take this opportunity to thank the non-voting members, Supt. Department of Public Works, Lawrence W. DeCelle, Jr., Inspector of Wires, Lewis E. Park and Traffic Officer, Ernest W. Rau for their assistance during the year.

Respectfully submitted,

Dennis J. Doyle, Chairman, Chief of Police
John J. Grant, Fire Chief
John T. O'Neill, Acting Fire Chief
Albert P. Zaniboni, Supt. of Streets
Paul Kanter, Town Engineer
Gino M. Fiore, Director,
Driver Education, School Department

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its Annual Report for the year ending December 31, 1978.

ORGANIZATION

John S. Coldiron, M.D., was elected by the voters for a three-year term on March 4, 1978. On March 7, 1978 the Board met and elected Morton Wolf, D.V.M., as Chairman and Virginia A. Gaffey, R.N., Secretary. The Board appointed Michael J. Sullivan, R.S., as Agent to the Board to fill the vacancy created by James F. Finneran who retired on March 2, 1978; Alice A. Driscoll, Principal Clerk; Mary A. Whitney, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of the infants and children and counseling for the parents. Immunizations against diphtheria, tetanus, pertussis, measles and polio were provided and tine tests for detection of tuberculosis infection were administered.

SCHOOL HEALTH SERVICES

Physical examinations of pupils in the third, fifth, eighth, and eleventh grades in parochial and private schools were provided at the individual request of a parent or guardian.

A screening program to detect Scoliosis was conducted on all students at St. Agatha's and St. Mary's Schools in cooperation with the Milton public schools' physical education department. Fifty-five pupils showing postural deviations were re-screened. Eleven of these showed definite possibilities of the disease and were referred to their family physician for further evaluation. Fifteen pupils who may be in the early stages of Scoliosis will be re-screened in 1979 to ascertain whether a problem exists.

The Massachusetts Vision Test and the Pure Tone Audiometer Test for hearing were administered to all enrolled parochial school pupils.

Tine tests for evidence of tuberculosis infection were made on 189 children newly transferred into parochial and public schools.

Clinics held in public and parochial schools provided the following immunizations: Measles: 111; Mumps-Measles-Rubella: 193; Diphtheria & Tetanus: 686; and Sabin Oral Polio: 284.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested 54 residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Mass. General Laws governing persons in contact with school and college-age persons. TB tests for residents and school personnel are available on a year-round basis by appointment through the Board of Health office. Tuberculosis casework during the year included ten contact referrals, 15 home visits, and 50 follow-up contacts of persons on chemotherapy or out-patient care.

Follow-up of two cases of hepatitis, four cases of salmonellosis, two cases of meningitis, and two cases of tuberculosis was carried out.

REPORT OF THE BOARD OF HEALTH

The State Law requires that children be immunized against diphtheria, tetanus, pertussis, measles, and polio before attending school. Vaccines for diphtheria, tetanus, and pertussis (DPT); for measles, mumps, and rubella (MMR); and for polio (Sabin), were distributed from the Board of Health office to community physicians for immunization of children. The immunization of infants and children by physicians was supplemented through the well-child clinics, and school clinics for booster doses. There were no reported cases of diphtheria, tetanus, pertussis, measles or polio in 1978. Twenty-nine cases of chicken pox, four cases of scarlet fever, eleven cases of positive strep throat, and one case of mumps were reported during the year. There is no vaccine available for immunization against chicken pox.

PUBLIC HEALTH CLINICS

The Board of Health, in cooperation with the Diabetes Society, conducted diabetes screening on August 23 and August 24, 1978. A total of 168 residents took advantage of the screening, of which seven had elevated levels and were referred to their physician for a follow-up examination.

The Board of Health conducted three influenza clinics on November 8, November 14, and November 20, 1978. 809 Milton residents took advantage of these clinics and received immunization against the three strains of flu that were expected to be most prevalent during this year's flu season.

The hypertension screening conducted for Town employees revealed that of the 188 employees screened 20 had elevated readings and were instructed to contact their family physician for a complete examination.

INSPECTION OF ANIMALS

A total 106 dog bites were reported to the Board of Health in 1978. Animal bites other than dogs reported were three squirrels and three cats. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M., examined 118 horses, 3 cows, and inspected 23 stables.

ENVIRONMENTAL HEALTH

Twenty applications for individual sewage disposal systems were submitted in 1978. Twelve were requested for new dwellings of which six were disapproved because the lot inspection revealed they were unsuitable for the subsurface disposal of sewage. Eight applications were submitted and reviewed for the alteration and repair of existing systems.

There were 72 nuisance complaints that required investigation; 9 lead paint analyses; 14 housing inspections; 9 water analyses; 14 milk samples were collected and tested for butterfat, total solids, antibiotics, standard plate count, and coliform count; and 34 miscellaneous calls that required field investigation.

Monthly educational articles were published in the Milton Record Transcript covering such topics as Alcohol Abuse, Flu Vaccine, Hypertension, Food Poisoning, Fluoridation and Diabetes.

Licenses to deliver milk in the Town from vehicles were issued to four dealers. Fifteen licenses were issued for sale of milk in retail stores. Eight oleomargarine registrations were issued. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage and three permits for commercial stables were issued in accordance with the General Laws of the Commonwealth. Four licenses to purchase syringes, two licenses to deal in methyl alcohol and one license to manufacture frozen desserts were issued in 1978. Three licenses to operate recreational camps were issued, two permits for public swimming pools, five permits for removal and transportation of the contents of privies, and two to remove and transport garbage and offal.

REPORT OF THE BOARD OF HEALTH

REFUSE COLLECTIONS AND DISPOSAL AREA

The weekly curbside collection of refuse was provided by Stanley Roketenetz, Inc., of Woburn, Mass. until their contract expired on June 30, 1978.

A three year contract was signed with South Shore Disposal, Inc., of Abington, Mass. who will be responsible for the collections until June 30, 1981.

As recommended by the Town Government Study Committee, the supervision of the sanitary landfill was transferred from the Board of Health to the Department of Public Works on July 1, 1978.

FINANCIAL SUMMARY

Income from various sources to the Board of Health during 1978 was as follows: Disposal Area – $3,208.00, licenses and permits issued by the Board of Health – $275.50, sale of Specifications – $300.00

Respectfully submitted,

MILTON BOARD OF HEALTH

Morton Wolf, D.V.M., Chairman
Virginia A. Gaffey, R.N., Secretary
John S. Coldiron, M.D., Member

REPORT OF THE BOARD OF RETIREMENT
MILTON, MASSACHUSETTS

February 13, 1979

To the Honorable Board of Selectmen:

The Financial report of the Board of Retirement for the year ending December 31, 1978 is submitted herewith.

As of December 31, 1978 we have 411 employee members and 187 pensioners and survivors receiving benefits under the Milton Contributory Retirement System.

BOARD OF RETIREMENT

REPORT OF THE BOARD OF ASSESSORS

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit the following reports:

Annual Report of Activities: January 1, 1978 - December 31, 1978.

Report of Receipts (Estimated) and Expenses for Fiscal Period:
July 1, 1978 - June 30, 1979.

At the Annual Town Meeting of March 4, 1978, M. Joseph Manning was re-elected for a term of three years. The Board organized as follows:

Thomas S. Gunning, Jr., Chairman
Daniel E. Duggan, Jr., Secretary
M. Joseph Manning

The program of revaluation of all real and personal property undertaken in Februarey, 1977 is progressing very satisfactorily. Chief Appraiser Philip J. Waterman, CMA has advised the Board that the listing of all properties, both commercial and residential, will be complete by June, 1979. (A report of the Chief Appraiser is attached.)

As a result of the affirmative vote of the citizens of Massachusetts at the November, 1978 election, amendment to the Constitution calling for classification of properties for assessment purposes was adopted. This matter is presently being studied by the Department of Revenue as to both its legality as well as the manner in which it is to be carried out by the Assessors throughout the Commonwealth. The Board feels that this matter will be resolved before the implementation of the completed revaluation program for Milton.

The Board would like to take this opportunity to express its sincere thanks to the citizens of Milton for the assistance, cooperation and understanding they have shown to our Revaluation Office and its personnel.

Another year has passed and again we express our gratitude to the dedicated personnel for their excellent performance during the year. To those Departments and Boards that render assistance to us, we thank you. As in past years, the Board wishes to express its sincere thanks to Town Counsel Robert D. O'Leary for his valued assistance and counsel. His services have been most beneficial to the Town and the Board of Assessors.

The detailed statement of Receipts and Expenses follows:

JULY 1, 1978 - JUNE 30, 1979
EXPENSES FOR 1979 FISCAL YEAR

	Estimated State & County Assessments (Commissioner's Estimates)	Actual Amounts Assessed by State & County

MASSACHUSETTS

Philip Waterman, Chief Appraiser for the Assessors' revaluation plan, checking the progress of the residences completed.

REPORT OF THE CHIEF APPRAISER BOARD OF ASSESSORS

To the Board of Assessors:

As of December 31, 1978, approximately 5,500 of the 8,000 properties have been measured and listed, and Data Confirmation Letters have been mailed to each property owner.

Photographs have been taken of all residential and commercial properties within the Town and have been catalogued for subsequent inclusion in the property record files.

Work is currently underway to develop an equitable system of land valuations, to assure uniform and equal treatment of all land in the Town.

All sales within the past year have been reviewed and verified from the purchasers. Each sale is recorded on office records and maps and forwarded to the computer. The comparative sales approach will be the primary valuation method employed in estimating residential values and the collection and verification of this data is progressing well.

The replacement cost, less depreciation, method will also be used as a check on the comparative sales approach mentioned above, and for properties where sales data is scarce. We will shortly be gathering data on local construction costs from local builders and building suppliers in order that we can develop construction costs for the Town.

We have also undertaken a program of reviewing the various types of permits for construction and remodelling, issued by the Town, to keep our records up-dated as the program continues. Additions and remodelling to properties since the properties were originally listed have been noted on our records.

Property owners continue to be extremely cooperative and supportive of our efforts and we are very appreciative.

I would like to take this opportunity to thank the personnel of the Revaluation Office as well as the Board of Assessors and their staff for the assistance rendered to me. I would also like to thank the many Town Departments who have been most helpful.

Respectfully submitted,

Philip J. Waterman, CMA
Chief Appraiser

REPORT OF THE MILTON PLANNING BOARD

January 3, 1979

At the organizational meeting of the Milton Planning Board on March 30, 1978, Patrick H. Donahue was elected Chairman and Suzanne C. Collins was elected secretary of the Planning Board, as well as the Planning Board member of the Conservation Commission.

Regular meetings of the Planning Board were scheduled for Thursdays throughout the year and additional meetings were held when necessary. During calendar year 1978, the Board held thirty regular meetings and numerous public hearings.

The Planning Board's proposed duties were expanded by a 1978 Town meeting vote to include review of all multi-family, residential developments (Site Plan Review). Long hours were spent by the Board in reviewing site plans of the Winter Valley Housing for the elderly complex off Canton Avenue behind the Whitney Estate, now under construction, and the proposed Quisset Brook condominium project planned on the former Lamb property opposite the MDC Skating Rink. The Board has also given preliminary consideration to the Housing for the Elderly project proposed by H.O.M.E. Incorporated on the former Lamb Property on Blue Hills Parkway.

A new extension to Indian Cliff Estates of forty house lots south of the Town Farm was approved by the Board. Numerous smaller divisions of land were reviewed and also approved.

The Board revised their Rules and Regulations to reflect new preferred design concepts for residential development.

The Board wishes to extend its thanks and appreciation to Mr. Paul D. Kanter, Town Planning Engineer, for his dedication and outstanding professional assistance which made the work of the Board easier.

We also wish to express our gratitude to Mrs. Genevieve M. Byron, our loyal secretary, for her patience, understanding and untiring efforts in assisting the Board.

Respectfully submitted,

Patrick H. Donahue, Chairman
Suzanne C. Collins, Secretary
J. William Dolan, M.D.
James G. Hannon
Robert J. Kelly

Discussing Planning issues are three members of the Milton Planning Board – Patrick H. Donahue, Suzanne C. Collins and James G. Hannon, Jr.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

Another year has passed – a time of increased activity and change, but nevertheless, a good year at our Milton Public Library. Our new Director, Edward Locke, is now firmly established, eager for change and the pursuit of new ideas, but above all, in his words, "to continue the tradition of excellence and to keep the Milton Public Library a library of which the community can be proud."

The Trustees were sorry to lose Dr. Joseph L. Kennedy, Jr. who decided to retire due to the pressures of his profession. Dr. Kennedy joined the Library Trustees in 1973. We'll miss his easy, genial manner as well as his high quality of judgment and his broad cultural knowledge. His interests in the Library are deep seated and we hope that at some future date he will again favor us with his presence. However, time does not stand still and we are proud to have Maritta Manning Cronin as our new Trustee. Mrs. Cronin has always been interested in library affairs and town affairs as well. She has contributed a great deal to our meetings. We are delighted to have her on the Board of Trustees.

During the past twelve months, two valued staff members have retired – namely Mrs. Mary Burns, Secretary to the Director, who came to us in February 1966, and Mrs. Sallie Talbot, our Children's Librarian, who has been with us since October 1963. Mrs. Burns who left us in January was a very competent secretary. She had a pleasant manner and was well liked by everyone. Mrs. Thelma Cluett, our own Junior Library Assistant, has replaced Mrs. Burns. Mrs. Cluett, at one time a secretary with the Boston Gas Company, has fitted in very nicely and brings to us some of the efficiencies of big business. We have indeed benefited by her exchange in titles. Mrs. Talbot was well loved by the chidren and adults through the years. A teacher before she became a librarian she knew just how to please her young patrons. She will be sadly missed. Mrs. Barbra Katz has come to Milton to be our new Children's Librarian. Besides a wealth of experience she has recently received her Master's Degree in Library Science and comes to us full of brand new ideas for Milton's younger set. Mrs. Katz is a welcome addition to our staff.

We feel honored to have received two Library Services and Construction Act grants – namely, $250.00 for law books (and we purchased a whole series which has proved very popular) as well as $18,600.00 to work with children with learning disabilities – called the LEAD Program (Learning by Example and Doing). On the latter grant the staff is working closely with the PAL Program people at Curry College. It also involves the parents of the children and other youngsters who have already benefited from help with learning disabilities. We feel it is a feather in our cap to have received this grant as well as the satisfaction of having our library help children with learning disabilities.

We are also using a CETA (Comprehensive Employment and Training Act) grant obtained through the Milton Youth Department by having a "Saturday Job Information Center" at the Central Library. It is very popular and we have helped many people.

Acting upon the suggestion of our Trustee, Mr. James Kickham, a small attractive play area has been installed in the stairwell adjacent to the Children's Room. It contains a log cabin, toys, dolls and a slide to keep younger children occupied while a parent helps an older child with book selection. It has become very popular. Mrs. Eileen Piazza, our Reference Librarian, planned the furnishings for the room. To her we offer our thanks and congratulations for a job well done.

Early in the year a Friends of the Milton Public Library group was formed, headed by President William Flavin. It is an interested group and we are looking forward to having them do great things for the Library and enjoy doing it. In June they held a wonderful book and craft sale on the terrace in front of the Central Library. It was very successful and our patrons are anxious to have another sale. We are glad to have the Friends become associated with the Library.

REPORT OF THE MILTON PUBLIC LIBRARY

As usual, we have many projects to keep our libraries in top physical condition. This year our major undertaking was a roof on the Central Library building. It is finally completed in spite of some delays. Storm windows were added to the Kidder Branch and the trim was painted at Kidder and East Milton. The bathroom was tiled at East Milton as well. We keep doing things as they are needed which we feel keeps the property in good repair and sparkling clean.

We are grateful for the many gifts and kindnesses received this year from people interested in the Library. Gifts of money, which are always welcome, are used to purchase books or sets of books or something unusual or too expensive to be within our budget.

We wish to thank the Milton Garden Club for keeping our rooms so cheerful throughout the year with their beautiful and unusual flower arrangements. They have been very faithful to the Library through the years.

Many thanks to our good friend Mr. Petersen, Editor of the Milton Record-Transcript, who has been so kind to publish our weekly column and to give us various news items of events concerning the Library.

The Junior Woman's Club well deserves a "thank you" for the splendid "Library School" they conduct in the three libraries – a series in the Spring and in the Fall. We are justly proud of these little pre-school sessions. We doubt if any other town or city in Massachusetts has such a fine course for pre-schoolers. The work these fine young women are doing is sincerely appreciated.

We wish to thank as well the exhibitors in our Gallery. Our shows are a source of pleasure and beauty for the people of Milton.

At this point we wish to thank our Director, Mr. Edward Locke, for the various programs he has instituted in the Library for the pleasure or instruction of the people of Milton. The series of films at East Milton, complete with coffee and doughnuts, has been enjoyed by many Miltonians – particularly the Fred Astaire series; the reading clubs for youngsters which fostered a desire to read books, to be helped by the staff and to be quizzed on what they had read; parties for the children and recognition of the ones completing the series; a series on gardening; a talk on income tax by Mr. Piazza, husband of our own Reference Librarian, Eileen Piazza, which we hope will be repeated; talks by the Boston Family Services Agency for mothers – geared to help them keep their sanity while bringing up their children and, of course, one of the most popular, a visit to our gallery by Tasha Tudor, popular illustrator and author of children's books. We thank you, Mr. Locke, for the people of Milton for all these things and for all the things to come next year and the year after and on and on.

In conclusion, the Trustees would like to express thanks to our dedicated and competent staff and in particular to our Director, Mr. Edward Locke, for fully maintaining the high standard of quality service which has always been associated with the Milton Public Library.

Respectfully submitted,

Trustees of Milton Public Library

REPORT OF THE MILTON PUBLIC LIBRARY

January 1979

To the Board of Trustees of the Milton Public Library I have the honor of presenting the Annual Report for the year ending December 31, 1978. This is the one hundred and seventh Annual Report.

Expanding services was the keynote for 1978, and the library took every advantage it could of resources, free or from grants, to bring to the citizens of Milton the best in modern library service. Before citing some of the innovations, it should be noted that:

1. The willingness of the Board of Trustees and staff to stretch themselves to the limit is a condition for making new services possible.

2. Efficiencies are a way of saving money and time, and some of the advances resulted from these. Internal changes are not seen by the public, but we do study procedures and streamline them.

3. Innovations are created, not helter-skelter, but under unifying principles, a belief in the library as a community center serving the cultural needs of the residents.

4. The library is not unique, and does what the best, modern small libraries are doing.

5. Innovations are not the heart and soul of a library. We remain, basically, what we always were – a library which offers good books for reading and research. Innovations are the heart of this report simply because the report is a good way to bring the community an overall view of what has been happening, and, like a newspaper, we do not spend much time saying, "We continue to do what we did yesterday."

What new rules did we make to aid the average reader? First, the borrowing period for most books was prolonged to three weeks, so you could have a book six weeks with only one renewal. Recordings and cassettes were also made three-week loans. Everyone realized that this increased borrowing period might mean a decrease in the number of items circulated, but people are more important than statistics. Patrons could also take two seven-day books on a card instead of one.

Space being at a premium, we had to be ingenious about putting books and other items on the shelves. We had to create space, so to speak. Thus, new photographic art prints, which show how good an art form photography can be, were placed on window sills near the 700's. Other prints of paintings, so crowded in the Reading Room, were placed on sills near the 900's. A rotating rack was added for housing paperbacks. On the third floor, little-used books were withdrawn, which allowed room for more books on the second and third floors. A rotating magazine rack was added, and the space formerly used for these magazines now holds art prints. The area for adult records and the children's room office now house multi-media materials.

This leads us to new materials, and our grants. Under the Library Services and Construction Act, and awarded by the Massachusetts Board of Library Commissioners, were two grants: $250 for law books, and $18,600 for work with children with learning disabilities. The latter is called LEAD (learning by example and doing) and is being accomplished with the cooperation of representatives from the public school, Curry College, and the Massachusetts Association for Children with Learning Disabilities. The one-year grant has enabled the library to conduct workshops, sponsor activity groups, and purchase materials and equipment available to all the community, though of special interest to those who have learning difficulties. We added greatly to our filmstrip and cassette collections. We began collections of games, puzzles, filmstrips-with-books-and-cassettes, and Super 8mm films. A special collection of paperbacks appealing to young adults (high-interest, low-vocabulary) has been added. As for equipment, some of which circulates, we have cassette players, variable speed cassette players, a reel-to-reel tape recorder, filmstrip viewers and projectors, a speed reading machine, and Super 8mm film projectors.

Another grant, one which enables us to purchase more materials regarding job training and obtaining employment, is for the Saturday Job Information Center. Obtained as part of a CETA Youth Department grant, this grant has enabled the library to hire someone for one year to help patrons on Saturdays obtain information on writing resumes, applying for jobs, success in the interview, where the jobs are, and other matters of interest to the person unemployed or changing his career.

One cannot mention everything the library has done, but let us spend a moment on work with children. The Central children's library was carpeted, and a play area made with a cabin and slide for those under six. The room opened mornings to serve mothers with preschool children. Story hour and the Junior Women's Club pre-school story hour continued. Our second annual Halloween party was held, with prizes to the best costumed, and we also showed films during the Christmas holidays. Of special interest was our summer craft program, and the summer Monster Reading Club. A word about the latter, an innovation which should be completely understood. Under this program, children would read a book, be interviewed by a staff member, and get a bookmark, pin, and, for each book read, a bat on a chart. Eight bats were needed to graduate. Some children received twenty bats. A few never made eight. Sixty-three children graduated, and we estimate over 600 books were read. There are two significant points: children were encouraged to read during nonschool time; the interview showed that reading was significant and it was important to consider matters like what makes a book good, whether characters are true, and other matters of, to use a grand term, literary criticism.

As for programs for adults, we had many types: the visit of Tasha Tudor; talks on gardening, Hawaii, raising children, income tax, learning disabilities, property tax classification, Christmas tree ornaments; films ranging from how to play football to Chaplin's masterpiece, "City Lights."

Then there are the "quiet" innovations, small but telling, and impossible to list definitively. For example, we have put on permanent display the two-volume Bicentennial Knitting Project, made in Milton and showing many kinds of patterns. We have displayed a box where patrons can bring and take out freely sewing and knitting patterns. We have added a public phone, an additional bulletin board, brought in displays from various organizations, a calendar for public use whereby dates of events are listed so organizations need not overlap events, new signs making services and directions clearer, and a typewriter (donated) was added for public use.

The branches continue to serve their clientele. Kidder opened a phonograph record collection; East Milton began morning film programs – a Fred Astaire festival and a series of musicals – programmed with senior citizens in mind.

We welcomed the formation of a Friends of the Library group, and their book sale and craft fair proved a huge success.

As the statistics indicate, we continue our regular services. We are putting greater and greater emphasis on helping people get the information they want. This year we answered 7,161 reference questions.

None of these things could have been accomplished without our excellent Board of Trustees. They are the ones with vision, the ones who examine and decide upon our policies. Fortunately, the town which elected them backs them. As far as the library staff is concerned, their understanding of our goals, andt their dedicated work to reach those goals, is as much as any library director, trustee, or town resident could hope for. Nor do I wish to forget those people who work for the town in other departments and who have been so gracious and helpful, and those town residents and groups who voluntarily aid us when we need them. As for Mrs. Burns and Mrs. Talbot, both of whom retired, they have done their share and more, and we wish them the best.

Respectfully submitted,

Edward Locke, Director

LIBRARY STATISTICS – 1978

Name of Library	Milton Public Library
Date of Founding	1871
Population Served	27,283

REPORT OF THE LIBRARY TREASURER

To the Trustees of the Milton Public Library:

The funds in the care of the Trustees were invested as summarized in the following tables of December 31, 1978:

	BOOK VALUE	INCOME FOR 1978
Common Stock	$22,428.53	$2,428.17
U. S. Treasury Bonds	3,990.00	140.00
Savings Bank Deposits	23,088.54	1,147.02
	$49,507.07	$3,715.19

The Trustees wish to express their deep gratitude to those generous-spirited citizens who made gifts to the library during 1978. We hope to merit their continued support.

Two statements pertaining to funds in our control are appended as part of this report.

(a) A list of the various funds by name and the investments in each.

(b) A statement of the total investment income for 1978 and the disbursements from that income.

The Library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund, which is in the custody of a Boston bank with the income therefrom remitted quarterly to the Town Treasurer.

The Oakland Hall Fund in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. In 1978 we spent from that income as follows:

	EXPENDITURES FROM N. T. KIDDER FUND 1978
Harvard Business Review	$ 860.00
Moody's Investor's Service	595.00
Standard & Poor's Services	574.46
Microfilming Milton Record-Transcript	57.09
Creative Library Services (Posters)	36.00
Encyclopedia Brittanica (3 sets)	1,630.50
West Publishing Company (General Laws Annotated & Rules of Court)	245.50
Worldbook-Childcraft (5 sets of encyclopedias)	900.00
Eclipse Film Products (super-8mm films)	774.09
EXPENDITURES FROM OAKLAND HALL FUND 1978	$5,672.64

Books	$ 491.71

REPORT OF THE OFFICE OF CIVIL DEFENSE

December 31, 1978

To the Honorable Board of Selectmen:

AUXILIARY POLICE DIVISION

This Unit is pleased to report over 5290 hours of volunteer service during 1978. Nearly 1126 of these hours occurred during February, primarily during several days of continuous duty during the Great Storm. The remaining hours were given in performance of our usual tasks, the nightly patrol of the schools, covering special events and other Milton activities.

The cooperation of the officers of the regular Police Department was outstanding and most helpful to our members and it is very much appreciated. Special thanks to Chief Dennis J. Doyle who has maintained an active interest in our affairs and to our Director, Lt. David E. Macdonald who has continued to train our Unit and to coordinate our efforts with the Milton Police Department.

But most of all thanks must be given to the patrol officers of the Unit who faithfully find the many hours to personally involve themselves in a positive way towards helping their community.

AUXILIARY FIRE DIVISION

The primary purpose of the Milton Auxiliary Fire Department is to serve the residents of the Town of Milton and to provide support service to the Milton Fire Department.

All auxiliary members receive training in basic fire fighting techniques under the direction of the Auxiliary Training Officer, a retired Lieutenant of the Boston Fire Department. Currently two members are certified, registered, EMTs who are professionally involved in Emergency Medical Service and we have a certified CPR instructor on our roles.

The total volunteer manhours provided to the Town by this group in 1978 is in excess of 2,000 hours. Regularly scheduled meetings are held year round. The auxiliary represented the Town in parades in Milton, Randolph, Sharon, Stoughton, Somerville and Franklin. A trophy was awarded to the auxiliary at the parade in Franklin. Assistance was given to the Fire Department at five major fires during the past year and on three other occasions the auxiliary provided special emergency service to the Town. During the February Blizzard we were utilized as a unit of the Civil Defense on a round-the-clock basis during the height of the recovery period. The auxiliary Jeep was operated continually by auxiliary members who logged over 200 manhours and nearly 600 road miles transporting critical personnel within the Town. In addition to maintaining the Jeep, the group also is responsible for the upkeep of Engine 5 and Combination 1.

THE COMMUNICATIONS DIVISION

The communications group has maintained their state of readiness and this fact helped immensely to combat the efforts of the February storm and to insure communication to the field workers, both auxiliary police and fire, in their efforts to assist the citizens in the many and diverse calls for aid that were received. We hope this year to improve our emergency operating center at the police station and to undertake several small projects that do not involve any costs to the citizens. We would like to coordinate our monitoring of channel 9 over CB radio, perhaps with a Milton REACT group, and thereby make emergency services quickly available to our many citizens who have mobile units.

REPORT OF THE OFFICE OF CIVIL DEFENSE

CIVIL DEFENSE DIRECTOR

Certainly the Great Storm of February 1978 acted to test our readiness and our resources to the limit, as it did all the operations of Milton's Town Government and her citizens. And in more ways than not we in Civil Defense, as well as Milton's various departments and you – the citizen – achieved success. We could not see it the first day, but in each succeeding day it was hinted at and it grew more evident thereafter until we knew we had won the fight.

I congratulate the auxiliary police and the auxiliary fire members who unselfishly combined into an efficient and dedicated civil defense force for the Town. I am indebted to all the units and personnel of our local government who helped us, cooperated with our efforts and joined us to defeat this overwhelming disaster.

Particular thanks go to the members of the American Red Cross, the many callers who came forward with offers of assistance and aid, and to you, the residents, who patiently and cheerfully waited things out so we could get the job done. Thank you.

Respectfully submitted,

Arthur Southall
Civil Defense Director

REPORT OF THE YOUTH DEPARTMENT

The Milton Youth Department received a CETA Federal Grant this year for $84,030. Two pilot projects of the department were funded, The Children's Activity Group and The Milton Youth Recycling Foundation, Inc. Each project is offered as a demonstration program for CETA eligible youth in Career Exploration. Each project now has a full-time Project Director.

By obtaining the grant the department and Youth Committee were able to establish some specific directions for the staff. These directions began with the authorization by the Selectmen and Youth Committee to send the Coordinator to attend a National Youth Workers Conference in Washington, D.C. The experience and information gathered from the conference resulted in the submission of a proposal to CETA. This led to funding of two projects of the department that had successfully operated for two years.

An employment training and organization conference conducted by Today Not Tomorrow (T.N.T.) was attended by the staff of the department in order to plan the department's activities prior to the coordinator's attending the Youth Conference in Washington. These workshops assisted the staff in developing three areas of concentration: alcohol awareness education, social health curriculum study; vandalism prevention, and Youth Service projects in recycling and child care.

At the years end, the School Committee appointed a special study group to examine the present curriculum for 4th, 5th, and 6th grade students. A study committee on vandalism, appointed by the Board of Selectmen, was established to issue a report and positive solutions within 90 days.

Other developments in the Youth Department programs consisted of the following:

– The Recycling Foundation elected new directors and expanded its youth board members. The Corporation is responsible for the implementation of an expanded recycling program in town and to teach the function of a non-profit corporation to CETA participants and youth members.

– A fund raising campaign was started to obtain money for the purchase of a pickup truck to help implement the grant. Dave Dinger Ford provided the vehicle along with the numerous gifts and donations from civic groups and organizations throughout town.

The Children's Activity Group

With the help of Federal funding the Children's Activity Group has become an On-the-Job training program and has enlisted the services of Curry College to provide 12 credit hours of college in Early Childhood Education for the CETA participants.

In conjunction with the child care services licensed by the Office of Children, the Children's Activity Group has branched out into offering workshops for parents of kindergarten children. Project Impact of Norton, Mass., trained Barbara Allan and Ginger Evans from Tucker School; Mary Jo Keaney, H. S. Child Development instructor, Ann Palmer, Motor Specialist M.P.S., and Marian Linnehan (CAG) to hold workshops for parents. Two sessions were held and because of their success it is hoped all schools will hold these workshops for kindergarten parents.

Health Center

The department's Health Center program offered a variety of services which included being a site for C.P.R. leadership training, ballet classes, boxing, karate, disco dance lessons, dancercize course and workshops in alcohol awareness.

REPORT OF THE YOUTH DEPARTMENT

Staff of the department coordinated placement of 50 summer CETA employees and 15 in-school employees. Job placement was in most town departments, non-profit agencies, and civic groups. The Rent-A-Kid program provided 415 jobs to some 110 different youth.

Other services of the department included coordinating a Thanksgiving dinner with the Senior class at Milton High, working with the Art Council, and acting as a liaison with the Quincy District Court Work Restitution program.

The Counseling services of the department, funded by the Department of Mental Health, expanded to include vocational counseling, High School G.E.D. education, and crises intervention for families. The Youth Counselor, Mrs. Veronica McCarthy, co-authored the proposal for federal funds and designed an important component of the grant. This component is a Career Exploration service provided by contract with the Milton Public Library. Anita Kane, as director, has access to relevant materials in vocational areas and available job opportunities. This service is available on Saturdays at the Main branch for 8 hours.

REPORT OF THE DOG CONTROL UNIT

To the Honorable Board of Selectmen:

In compliance with the Dog Officer's Warrant we are pleased to submit our report for the period ending December 31, 1978.

Number of stray dogs picked up	164
Stray dogs sold	135
Stray dogs put to sleep	9
Pound fees collected	$ 438.00
County reimbursement	$2,560.00

110 Dog Citations were issued totaling $1,650.00. The town was reimbursed by the court for their share of this revenue.

In cooperation with the "Friends of the Pound" we, throughout the year, found homes for many of our stray dogs.

A program has been set up with Dr. Morton Wolf for the Dog Officers to give all stray puppies distemper shots at the pound as they arrive.

The Dog Officers report a decrease in stray dog complaints. All dog complaints are answered as best and quickly as possible.

The Dog Officers also see an increase in court complaints with citizens asking for appeals. We are working most successfully with Quincy District Court on most matters.

Respectfully submitted,

John E. Lank
Gary D. Nunley

TOWN OF MILTON

FINANCIAL STATEMENTS

December 31, 1978

FINANCIAL STATEMENTS AS OF JUNE 30, 1978 TOGETHER WITH AUDITORS' REPORT

To the Honorable Board of Selectmen:

We have examined the financial statements of the various funds and account groups of the TOWN OF MILTON, MASSACHUSETTS as of June 30, 1978. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the Commonwealth of Massachusetts, the Town has not maintained historical cost records of its fixed assets, and accordingly a statement of general fixed assets is not included in the accompanying financial statements.

The Town follows accounting policies prescribed by the Commonwealth of Massachusetts which vary in certain respects from generally accepted accounting principles. The most significant differences relate to the use of: (1) the cash basis method of recording pension expenses for employees and (2) the modified cash basis for recording the operations of the Town's water department. In our opinion, pension costs should be determined by actuarial methods instead of the cash or pay-as-you-go basis as described in Note 2 to the accompanying financial statements. Information is not available to quantify the cumulative liability for pension benefits which would be reflected in the financial statements as of June 30, 1978 had the Town followed an actuarial method of accounting for pension costs. The water department activities should be accounted for as an enterprise fund on an accrual basis.

In our opinion, except for the effect of: (1) not providing for pension costs on an actuarial basis and (2) not presenting the water department as an enterprise fund on an accrual basis, the accompanying financial statements present fairly the assets, other than fixed assets, and liabilities of the various funds and groups of accounts of the Town of Milton, Massachusetts as of June 30, 1978, and their respective changes in fund balances, and revenues and expenditures for the year ended June 30, 1978, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

Arthur Andersen & Co.

To the Honorable Board of Selectmen:

We have examined the financial statements of the various funds and account groups of the TOWN OF MILTON, MASSACHUSETTS for the year ended June 30, 1978, and have issued our report thereon dated October 3, 1978. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required by Sections II.C.3, and III.C.3 of the Audit Guide and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients (Guide) issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-9 with the unaudited records of the Town of Milton, Massachusetts as required by Sections II.C.4. of the "Guide".

Based on these procedures, we noted no instance of noncompliance with the regulations and no material differences between the data on Bureau of Census Form RS-9 and the records of the Town of Milton, Massachusetts for the year ended June 30, 1978.

Arthur Andersen & Co.

TOWN OF MILTON, MASSACHUSETTS

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1978

(1) Summary of Significant Accounting Policies

Accounting policies and financial reporting practices for municipalities in Massachusetts are prescribed by the Uniform Municipal Accounting System promulgated by the Commonwealth of Massachusetts Department of Corporations and Taxation. The significant accounting policies followed by the Town are as follows:

(a) Basis of Presentation

The accompanying financial statements include the financial transactions of the Town of Milton, Massachusetts, except for those transactions involving the Milton Contributory Retirement System which is independent of the Town.

(b) Fund Accounting

Financial transactions of the Town are recorded in the following funds or groups of accounts:

(1) The General Fund reflects the financial transactions related to general governmental activities which are not otherwise accounted for in another fund.

Included within the General Fund are surplus revenue, designated and restricted funds and overlay surplus.

- Surplus revenue is the amount by which unrestricted cash, accounts receivable and other assets exceed liabilities and reserves.
- Designated funds (also referred to as revolving funds) are used to account for financial transactions related to specific activities such as school lunch and athletic programs, adult education programs, etc. These funds are available to fund future operations as prescribed by the Town.
- Restricted funds are used to account for gifts and grants from outside sources. Funds must be expended in accordance with the provisions of these grants.
- Overlay surplus represents the unused portion of funds appropriated for tax abatements in prior years. Overlay surplus is available to fund extraordinary or unforeseen expenses upon vote at the Town Meeting.

(2) The Special Assessment Funds are used to account for the amounts levied against individual property owners for street and sewer betterments payable over future periods through 1992.

The General Fund balance sheet includes the current portion of unpaid assessments due.

(3) The General Long-Term Debt and Interest Group of Accounts reflects the liabilities for long-term debt and retirements thereof. The balance payable on long-term debt is offset by resources to be provided through taxation in future years for the retirement of the unmatured bonds.

Under the terms of state law, the Town is reimbursed for a portion of the debt service requirements which was incurred to finance school construction. The state reimburses the Town over the period of the debt service. These reimbursements are included in General Fund revenue when received from the state.

(4) The Trust Funds provide an accounting for money and property received and held by the Town as trustee or custodian for individuals, private organizations and other governmental agencies.

(5) The Federal Revenue Fund reflects the receipt of funds by the Town under the Federal Revenue Sharing and the Federal Antirecession Fiscal Assistance Programs and the disbursements of such funds in accordance with Federal guidelines.

(c) Accounting for Revenues

(1) Real estate and personal property tax levies are recorded as revenue in amounts equal to the total taxes levied for the period less a reserve for abatements.

(2) Motor vehicle excise taxes are billed at various times during the year when billing information is received from the State Registry of Motor Vehicles. Revenue is recorded when cash is received.

(3) Water revenue, state grants, departmental fees and charges, interest and other revenue are recognized when the related cash is collected.

(4) Receipts from activities or sources such as Federal grants (except for Federal revenue sharing), school lunch, restricted state grant programs, and other restricted activities, are recorded as restricted or designated fund receipts when received and are not included in Town revenue until appropriated and expended.

(d) Accounting for Expenditures

Disbursements for material and supply inventories are considered expenditures rather than assets at the time of purchase. Prepayments are recorded as expenditures at the time of payment and are not deferred and amortized. Interest cost is recognized when due and is not accrued over time. The repayment of long-term debt principal is recorded as an expenditure of the General Fund.

(e) Investments

Investments are stated at cost, which approximates market value.

(f) Accounting for Fixed Assets

The Town does not record fixed assets in an asset account at the time of acquisition. Fixed asset acquisitions are recorded as expenditures at the time purchases are made.

(2) Pension Plans

The teachers and certain administrative and other professional employees of the Town's school department participate individually in a contributory retirement plan administered by the Massachusetts Teachers' Retirement Board. The Town does not contribute to this plan.

Substantially all of the other employees of the Town are participants in the Town of Milton Contributory Retirement System. Under the provisions of this system, employees contribute certain percentages of their pay and are eligible for retirement benefits after meeting the prescribed age and/or period of service criteria. In addition, the Town contributes to this system an annual amount determined by the Commonwealth of Massachusetts Department of Banking and Insurance primarily on the basis of projected annual benefit payments for the year ("Pay-as-you-go").

Town contributions for the year ended June 30, 1978 amounted to $675,000 (exclusive of $8,000 contributed for the Retirement System's administrative costs).

As of January 1, 1976, the date of the latest actuarial evaluation, the total estimated actuarial liability of the plan was $15,750,000 and its assets were $3,285,000, leaving an unfunded actuarial liability of $12,465,000. No estimate is available on the actuarial value of vested benefits. As of June 30, 1978 the Town has appropriated additional funds of $40,000.

Generally accepted accounting principles require that the minimum cost charged each year for pension expense should be the normal cost (determined on an actuarial basis) plus interest on the unfunded past service cost. If the Town had recognized pension expense using this method (with interest at 7-1/2%), then pension expense would have increased in 1978 by approximately $761,000.

(3) Surplus Revenue

In order to prepare the accompanying financial statements in accordance with generally accepted accounting principles, certain budgetary surpluses and deficits, which would otherwise be reflected on the balance sheet under the Massachusetts Statutory System, have been included in surplus revenue as follows:

Surplus Revenue	$ 853,058
Surplus Revenue included in 1979 appropriations	353,821
State and county overestimates, net	78,905
Emergency appropriation	(25,906)
	$1,259,878

Overestimates of state and county assessments result from an excess of appropriations over the amounts of actual expenditures by the Town during the current year for such purposes. The overestimates will be used in determining the 1979 tax levy.

Emergency appropriations represent the amount expended on additional fire department salaries in excess of the amount budgeted. This deficit will also be funded as part of the 1979 tax levy and has been approved by the Town Meeting.

(4) Loans Authorized and Unissued

Loans authorized and unissued consisted of the following:

	Year	*Amount*
Purchase of land for flood control purposes	1968	$ 70,000
Purchase of recreation and conservation land	1977	150,000
Purchase of recreation and conservation land	1978	110,000
		$330,000

(5) 1979 Budget

The Town has authorized a fiscal 1979 operating budget totaling $16,911,703 which will be financed from the following sources:

1979 Tax Levies, State Grants, Departmental Receipts, etc.	$16,405,461
Surplus Revenue	192,616
Chapter 766 Funds	128,229
Chapter 90 Funds	32,976
Overlay Surplus	57,314
Restricted Funds	22,700
Designated Funds	98,313
Emergency Appropriations	(25,906)
	$16,911,703

In addition, the Town has carried forward appropriations totaling $146,598, for projects authorized by the Town Meeting but not complete as of June 30, 1978.

(6) Contingency

Under the terms of the various agreements between the Town and its employees, sick leave benefits are accumulated and the Town is required to pay unused sick leave benefits at the date of employee retirement. The agreements provide, among other things, that employees must declare their intention to have the Town pay their vested sick leave one year prior to their retirement. At June 30, 1978, accumulated vested sick leave benefits approximated $120,000. As of that date, only one employee has declared his intention to have the Town pay his vested sick leave benefit during 1979.

(7) Litigation

The Town has been named as defendant in a number of lawsuits at June 30, 1978. One plaintiff is seeking $500,000 in damages in a civil rights action. Two other claims of $50,000 each relating to imjuries sustained by the plaintiffs in two separate accidents in the town are pending. In the opinion of Town counsel, the resulting losses to the Town, should the plaintiffs' positions be upheld in court, will not result in a material loss to the Town.

AUDITORS' REPORT ON EXHIBITS

To the Honorable Board of Selectmen:

Our examination has been made primarily for the purpose of forming the opinion stated on page of this report. The data contained in pages and , although not considered necessary for a fair presentation of financial position, revenues and expenditures, receipts and reimbursements, and changes in fund balances, are presented as supplementary information and have been subjected to the tests and other auditing procedures applied in the examination of the basic financial statements. In our opinion, these data are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

REPORT OF THE TOWN ACCOUNTANT

February 5, 1979

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1978 arranged as follows:

1. Detailed listing of all receipts of the Town.
2. Detailed listing of all expenditures of the Town.
3. Summary of all departmental accounts, showing appropriations, expenditures and balances.
4. Recapitulation of departmental expenditures.
5. Balance Sheet as of June 30, 1978.

All original bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bills reported to me as unpaid:

Selectmen – Student Work Study		
St. Michael's College		$ 118.32
Planning Board		
Tribune Publishing Co.		24.00

Town Treasurer, Harry J. Scanlon, Jr. examining Health Benefits for Town employees.

REPORT OF THE TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1978 . . . . $1,001,577.30

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Fund

Amount held December 31, 1978 . . . . $5,572.24

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1978 . . . . $6,946.01

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of . . . . , the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1978 . . . . $2,626.67

Sarah G. Vose Fund

Amount held December 31, 1978 . . . . $1,170.53

E. G.Tucker Fund

Amount held December 31, 1978 . . . . $1,168.48

Herrick Fund

Amount held December 31, 1978 . . . . $8,000.00

Bannin Family Fund

Amount held December 31, 1978 . . . . $500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of $500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held December 31, 1978 . . . . $1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of Georgie A. Briggs are buried."

George F. Duffy Fund

Amount held December 31, 1978 . . . . $1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of $1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held December 31, 1978 . . . . $1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held December 31, 1978 . . . . $1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of $1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held December 31, 1978 . . . . $1,000.00

Mary L. Peabody Cemetery Care Fund

Amount held December 31, 1978 . . . . $1,746.54

Ewen MacSwain Fund

Amount held December 31, 1978 . . . . $500.00

Helena B. Schayer Fund

Amount held December 31, 1978 . . . . $1,000.00

Oakland Hall Fund

Amount held December 31, 1978	$12,812.87

The income from this Fund is paid out under the direction of the Trustees of the Public Library for the purposes of the Mattapan Branch Library.

Tuell-Hallowell Good Citizenship Prize Fund

Amount held December 31, 1978	$2,199.44

Amount held December 31, 1978	$1,000.00

Charles P. Edwards Fund

Amount held December 31, 1978	$500.00

Selina M. Gibbons Scholarship Fund

Amount held December 31, 1978	$11,380.65

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars ($1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

Percy E. Sheldon
President, Tuell Alumni Association

June 2, 1923

For additional gifts to the fund, see report of 1947.

Nathaniel T. Kidder Fund

Amount held December 31, 1978 . . . . $74,756.08

The following is an extract from the Will of Nathaniel T. Kidder.

Eighteenth:

> "I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars ($25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

Special Retirement Fund

Amount held December 31, 1978 . . . . $40,769.93

This fund is held by the Town Treasurer in accordance with Chapter 40, Section 5D of the General Laws.

Governor Stoughton Trust Fund

Amount held December 31, 1978 . . . . $30,199.63

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton's Will.

Helen D. McHardy Fund

IN APPRECIATION

1978

The School Committee Members of
Milton express their appreciation
for the dedicated service of:

Harry B. McCormick - Superintendent
of Schools - Retired October 31, 1978

of the following teachers
who retired in 1978:

Marion G. Crane - Collicot School
Margaret Q. Doyle - Psychologist
Gertrude Lucey - Tucker School
John Mathews - Cunningham Junior High School
Elizabeth A. Roland - High School
Norman G. Tardiff - High School

and the following custodians and secretary

Adolph A. Chebator - Custodian
Evelyn E. McCusker - Secretary
Thomas F. Morris - Custodian

SCHOOL COMMITTEE

William A. Edwards, Chairman

	Term Expires
Leo F. Dunphy, Jr. 57 Winthrop Street	1979
Robert C. Sweeney 65 Governors Road	1979
Mary R. Fitzgerald 575 Canton Avenue	1980
David Jeffries 1268 Canton Avenue	1980
William A. Edwards 44 Holmes Lane	1981

Mary R. Fitzgerald, Secretary

Regular meetings of the Committee usually shall be held on the first and third Tuesdays of each month, at the hour designated by the Committee. Other meetings shall be held whenever the Committee deems necessary and at times appointed by them.

SUPERINTENDENT OF SCHOOLS

Frank J. Giuliano, Jr.

ASSISTANT SUPERINTENDENT OF SCHOOLS

John M. Haskell

ASSISTANT SUPERINTENDENT FOR BUSINESS AFFAIRS

Robert F. Cooke

REPORT OF THE SCHOOL COMMITTEE

The School Committee herewith submits its Annual Report for the year 1978.

After eight years as Superintendent of Schools, Mr. Harry B. McCormick retired as of the end of October 1978. Mr. McCormick also had spent four years as Assistant Superintendent and sixteen years as a teacher-coach in the public school system. We were fortunate to have had the benefit of his leadership, we will remember him with appreciation, and we wish him well in retirement.

The Committee is grateful to the many citizens, faculty and students who gave so freely of their time and expertise in the search for a replacement. Dr. Frank J. Giuliano, Jr. was elected Superintendent of Schools effective November 1, 1978. The Committee is extremely pleased with having obtained the services of such a fine educator and looks forward with enthusiasm to a future under his direction.

The Committee is pleased with the new programmed approach to the fiscal 1980 budget introduced by Dr. Giuliano and included an additional open meeting at the beginning of the budget discussions to insure citizen input to the process.

With the declining enrollment, staff positions are being eliminated and close consideration will be given to possible future reductions. Substantial effort was made to ensure that the administration set fiscally responsible policies in order to implement this reduction.

The new Regional Vocational Skill Center opened this fall and interest among Milton students was much greater than expected. We are sending fifty-two students this year with about eighty-two scheduled to attend next year.

Emphasis this year was placed on improving reading levels for our children. Workshops for teachers were developed on a kindergarten to grade twelve basis to improve teacher technique in the area of reading development.

The homework policy is in its second year and a new procedure on mid-term and final examinations for secondary schools is being implemented in the 1978-1979 school year. These policies, coupled with more emphasis on the systemwide achievement examinations now being studied, should help in developing a policy on competency testing, which is now required by the state. The policy must be submitted by the School Committee to the State Department of Education by September 1, 1980.

Negotiations with the Milton Educators Association were lengthy, but agreement was reached on a new three-year contract. The School Committee also has signed a new two-year contract with the custodians, maintenance men and cafeteria workers. Negotiations are still in progress with Unit B of the Milton Educators Association which represents principals, directors and secondary assistant principals.

We have closely followed the activities of the Article 39 Committee which has been working to provide a solution to the problem of overcrowding in the locker and physical education facilities at the High School. We hope their efforts are successful and are confident that a proposal acceptable to the town can be developed.

The Committee wishes to express its appreciation to the staff of the Milton Public Schools, to the Board of Selectmen, to the Warrant Committee and to all town officials for their cooperation and assistance during the past year.

Respectfully submitted,

William A. Edwards, Chairman
Mary R. Fitzgerald, Secretary
Leo F. Dunphy, Jr.
David Jeffries
James G. Mullen, Jr.
Robert C. Sweeney

MEMBERS OF MILTON SCHOOL COMMITTEE – Standing left to right: David Jeffries, James G. Mullen, Jr. Seated left to right: William A. Edwards, Mary R. Fitzgerald, Leo F. Dunphy and Robert C. Sweeney.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens:

This Annual Report is my first report to the town as Superintendent of Schools for the Town of Milton.

Mr. Harry B. McCormick retired as of October 31, 1978 as Superintendent of Schools in Milton and, therefore, this report covers ten months of Mr. McCormick's superintendency in 1978.

The pupil enrollment declined again from a total of 3905 in October 1977 to 3751 in October 1978. The projection for October 1, 1979 has been made at 3632 children in grades kindergarten - twelve. To accommodate this changing population, a small redistricting plan went into effect between Collicot and Glover Schools for September 1978. All indications are that this project was successful. A few minor school line changes will also be necessary for the 1979-1980 school year.

Parent-Teacher Organizations have been very active this year with many worthwhile and interesting projects to benefit our children. Parent representation was also included in the search for a new Superintendent of Schools. It is expected that the PTO activity will continue at a high level and that parental involvement will be extended to Parent Communication Councils at each school and at the Central Office.

A number of curriculum areas have been addressed this year. Emphasis was placed on the reading curriculum on a kindergarten - grade twelve basis. Teacher workshops under the direction of Mr. Von Orton, Elementary Language Arts Co-ordinator, were centered around the theme of reading improvement. The interest in gifted and talented programs by staff members such as Mrs. Betsy Buchbinder, Ms. Terry Deutsch, Mr. Paul Scopa, Mr. Leo Tyrrell, Mr. Von Orton and Miss Eleanor Blaine prepared our schools to work cooperatively with Milton Academy in a Saturday Morning Program for our fourth graders. A committee has been formed to implement a modest gifted and talented program for grades four and five in our schools by early spring and it will be expanded to include grade six by next fall. In addition, a committee of interested parents, Youth Service and professional staff members, headed by Mr. Richard Ryan, has begun work on studying our Health Education Program, especially the topics of drugs, tobacco and alcohol abuse.

To help evaluate our teaching efforts, a commiteee of teachers and administrators headed by Mr. Robert Archibald, is studying various testing programs for the elementary and junior high schools as well as making recommendations on the effective use of final examinations at the secondary level. The charge to the committee has four objectives. First, to ascertain the achievement level of our students relative to national, state and regional norms. Secondly, to evaluate the achievement level of the individual child relative to his/her own potential. The third objective is to provide teachers information relative to the child's academic strengths and weaknesses so that the teacher can properly diagnose and prescribe educational activities for the child. The fourth objective of the testing program is to provide administrators and teachers information relative to meeting systemwide and grade curriculum goals and objectives. An early recommendation from the committee is expected in order to implement some of the recommendations by the spring of 1979.

The budget procedure for fiscal year 1980 was developed around the concept of Programming, Planning, Budgeting Evaluation System (PPBES). The budget requests from staff members were closely associated with school and curriculum activities. As this budget procedure matures in our system, monetary input will be related to objectives to be accomplished followed up by an evaluation system to determine if the objectives were achieved. The intention of PPBES is to provide quality education in an effective and efficient manner.

The School Committee members have worked hard to provide our children with the best possible education that the taxpayers can afford. They have established school policies and direction for the school staff and I look forward to working in the Town of Milton, given these conditions.

On a final note, I want to take this opportunity to thank the many organizations, such as the Rotary Club, Kiwanis, School PTO Groups, Student Council and the Milton Educators Association for making my wife and me feel so welcome to the town. My gratitude also goes out to the principals and staff members who went far beyond the call of duty in working with me as the new Superintendent of Schools in Milton.

Respectfully submitted,

Frank J. Giuliano, Jr.
Superintendent of Schools

SENIOR CLASS OFFICERS – Milton High School.

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

This is my ninth Annual Report as the Assistant Superintendent of Schools.

The careful screening, interviewing and recommending of teacher candidates continue to be vital functions. Despite the increasing number of qualified candidates, the importance of selection cannot be overemphasized as, clearly, the effectiveness of this school system is in direct relationship to the quality of instruction. We have also continued during this past year to provide the means and motivation for improved instruction. Along with Principals and Department Heads, I visit classrooms; evaluate teacher effectiveness; discuss evaluation results with teachers and suggest direction for improvement. As a means of helping new teachers to hasten their assimilation into our system, a series of orientation meetings were conducted throughout the year. This office also screens and selects substitute teachers and coordinates with area colleges and universities a student teacher placement program.

Nineteen new instructional personnel were hired for the 1978-1979 school year, a total compared to thirteen for the 1977-1978 school year and fifteen for the 1976-1977 school year. Eleven were elected to replace retiring or resigning teachers while the remaining eight were added as temporary replacements for teachers presently on leave of absence. Included in the total were one guidance counselor, two resource teachers, two guidance/CET chairpersons and one psychologist.

The second year of the Junior High School Summer School witnessed growth in attendance and the addition of a new course. One hundred and thirty students attended daily classes in Algebra, Typewriting, English and Review of 7th Grade Mathematics. This total represented an increase of forty-one students over the previous year. Staffed by our own teachers, the sessions ran from July 10 through August 5.

The usual functions of this office were carried out during the year. Budget preparation; project researching; curricula planning and implementation; contract negotiation; publication design and preparation; proposal writing and implementation of Federal and State laws applicable to education were among the on-going activities.

Following a comprehensive study completed by the Elementary Mathematics Committee under the leadership of Mr. Leo Tyrrell, Elementary Mathematics Coordinator, a new Kindergarten through Grade 6 mathematics series was adopted. In addition to providing improved grade-to-grade coordination, the series will help pupils to develop the skills and concepts necessary to meet the mathematical demands of everyday life, and will provide a firm base for further learning in mathematics.

Under the leadership of Mr. Von Orton, Elementary Language Arts Coordinator, the inclusion into the curriculum of a new intermediate reading series has been completed, along with a study of spelling and dictionary needs. An English series was also adopted for intermediate grade pupils. After a year long committee study of the reading needs in Grades 1 through 12, a comprehensive teacher in-service program was planned and is now in operation. Topics under examination in this proggram are reading research, reading teaching strategies and techniques of reading in the content areas.

My thanks go to the School Committee, Principals, Directors, Coordinators, Department Heads and teachers for their cooperation. I want to express a special thanks to Harry B. McCormick, with whom I worked from July, 1970 until November, 1978. I have appreciated his help, his dedication to the Milton Public School system and his untiring efforts to help provide a superior education for Milton youth.

Respectfully submitted,

John M. Haskell
Assistant Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT FOR BUSINESS AFFAIRS

With the desire for additional information in preparation of the 1979-80 Milton Public Schools budget the School Committee has implemented an accounting system referred to as P.P.B.E.S. – Planning, Programming, Budgeting Evaluation Systems which will provide greater and more detailed departmental information.

In 1971 I introduced an electronic accounting machine and an accounting system for governmental budgeting. As indicated in my 1971 Town Report, the advent of numerical accounting was "set-up with the thought of switching to a planned program budgetary accounting system whereby records would be maintained by costs of operation by departments, i.e. – science department – costs of payroll, supplies, equipment, travel, etc. Our present system is a line budget system."

Under the able leadership of our Superintendent Dr. Giuliano, who spent many hours with school personnel and in solitude at all hours of the day and night (many before he reported as Milton's Superintendent November 1st), the new system was implemented into our 1979-80 budget. His untiring efforts working with principals, directors, department heads and the staff at the central office, the budget in its new format was presented to the School Committee on December 1st. The efforts exerted in the preparation "paid off" in expediting and limiting the time devoted by the School Committee in its budget deliberations and acceptance of the Superintendent's recommendation.

Our annual painting program to maintain and preserve our school buildings included exterior painting of Cunningham Junior High and Glover Schools. Extensive interior painting at Milton High included the 2nd and 3rd floor corridors and all stairwells in the older section. All schools had some interior painting. Our continuing program of maintaining shade replacement and repairs was carried out in all schools. Energy conservation which includes drawing of shades during off school hours has resulted in more wear and tear. Also, damage to shades resulting from missiles thrown through windows contribute to this expense.

As a result of the February storm damage primarily to Cunningham and Collicot School roofs, we have received federal funds in excess of $9,000 to make necessary repairs.

Outside perimeter lighting was installed around the Pierce Schools and at the rear of Milton High School in a continuing effort to reduce vandalism damage and theft of school property.

My appreciation is extended to the Auxiliary Police and personnel of all cooperating town departments – highway, police, fire, accounting and town inspectors who have contributed to protecting our schools and making safer buildings for our students.

My appreciation and thanks to the School Committee, Superintendent, Administrative Staff, Office, Custodial and Maintenance personnel for their support and cooperation during 1978.

Respectfully submitted,

Robert F. Cooke
Assistant Superintendent for Business Affairs

REPORT OF THE PRINCIPAL OF MILTON HIGH SCHOOL

I herewith submit by eighth Annual Report as Principal of Milton High School.

In December, 1977, Mrs. Evelyn McCusker, who had been the Principal's secretary for eighteen years, retired. Mr. Norman Tardiff ended his career of thirty years as a mathematics teacher and coach when he retired in June. Mrs. Elizabeth Roland, after a long illness and seventeen years of service in Milton, retired from her position in the home economics department. Her many years of dedicated service to the Future Homemakers of America will always be remembered. I am sure that the entire town joins me in wishing all three a long and happy retirement.

The 1977-78 school year was a time of great activity on the part of many committees. Chapter 622 of the Massachusetts General Laws, requiring co-educational physical education classes, resulted in a need for a committee to revise completely the curriculum in physical education. The English Department completed a revision of its course of study begun three years ago when classes returned to traditional scheduling. This curriculum for 10th-12th grades provides a better balance of classic and current literature, updated textbooks, and greater emphasis on grammar and composition. The Mathematics Department completed revisions of all of the mathematics courses grades seven through twelve. The Social Studies Department continued work on the Western Civilization and U.S. History course revisions. After several conferences with representatives of the State Department of Education, a committee recommended the changing of many of the school record forms so that our record procedures are in complete compliance with the new State Regulations. A Standards Committee was formed to devise ways to raise academic standards. This committee made recommendations to the entire staff which were approved and forwarded to the Superintendent. Many of the recommendations have been implemented. One of these was the establishment of new and more restrictive requirements for the honor roll. A Handbook Committee composed of students, teachers, parents, administrators, and a school committee member was formed to revise and update the Student Handbook. Their efforts produced the new handbook for 1978-79.

The vote of the town to establish a vocational skill center was enthusiastically received by many of the students and parents. The program attracted more students than anticipated. We believe it will be very successful.

I offer my sincere thanks to the School Committee, the Central Administration, and the entire staff of Milton High School for their continual cooperation and support. To our retired Superintendent, Harry B. McCormick, I will be forever grateful for his counsel and support. I wish him every happiness and success in the years ahead. To our new Superintendent, Frank Giuliano, I wish every possible success and pledge my loyalty and support.

Respectfully submitted,

Roger T. Connor
Principal

REPORT OF THE PRINCIPAL OF CUNNINGHAM JUNIOR HIGH SCHOOL

The retirement of Mr. John M. Mathews, who devoted thirty-six years to the children of Milton, is acknowledged. We wish Mr. Mathews many enjoyable years of retirement endeavors.

Both the Faculty Advisory Committee and the Parent Advisory Council continue to offer suggestions and support for solving school problems. Their volunteered time and efforts are very much appreciated.

With the need to expand the secondary school reading program, a system-wide committee has been formed. Preliminary recommendations have been made to the School Committee. In order to have more faculty input, a release time program, devoted just to improvement of reading, has been approved and is now in operation. As a result, we hope to see worthwhile progress in the 1979-80 school year.

The Special Needs team approach in major subject areas has been most successful and continues to expand. The entire special needs program has become increasingly more productive.

With the predicted decline in the school population for the next few years, we hope to gain a greater degree of flexibility enabling us to do some of the things that were previously not possible.

Appreciation is expressed to the Cunningham staff for their continued efforts in support of quality education.

Respectfully submitted,

Allen G. Adams
Principal

REPORT OF THE PRINCIPAL OF PIERCE JUNIOR HIGH SCHOOL

Successful school years result from the effort and cooperation of many, and 1978 has been a banner year at Pierce Junior High School. Students, teachers, parents and the School Committee have all contributed toward continually improving the academic and social atmosphere.

The School Committee's homework policy encouraged the student's sense of responsibility and contributed toward their becoming active learners. Students have taken a positive attitude toward their assignments and as a result classes are more meaningful and productive for them.

The newly formed Parent Teachers Organization at the school must be recognized for their significant contributions and spirit of supportive cooperation. Their sponsorship of a Drama Club presentation of "Sorry, Wrong Number" was one of the highlights of the year and the Pierce dances that they organized and so ably carried out were big boosters of student morale.

Athletic programs have always been popular and the past year was no exception with large numbers of boys and girls taking part in many intramural and interscholastic activities. A high point was reached in the fall of 1978 when the Girls Field Hockey team and coach Paula Sullivan Cawley turned in a record of 9 wins, 0 ties, 0 losses.

I am thankful to the students, staff, parents, administration and the School Committee for their help in making 1978 such a productive and pleasant year at the Pierce Junior High.

Respectfully submitted,

C. J. McIntire
Principal

REPORT OF THE PRINCIPAL OF COLLICOT SCHOOL

I herewith submit my twenty-seventh Annual Report as Principal of Collicot School.

Our report for 1977 stressed the gains made in developing reading achievement over a period of twenty years. This year I would like to share an optimism for the development of the mathematics program.

The purpose of the program is to help children develop the concepts and skills needed to meet the mathematical demands of everyday life with confidence and accuracy and to provide a firm base for further learning in mathematics. To achieve this, mathematical content has been carefully selected and is presented in accordance with accepted principals of learning and is under the guidance of a Coordinator for Elementary School Mathematics.

Careful sequencing of concepts and skills developed within each unit, and from unit to unit, enables children to experience successful progress that produces confidence and motivation for further learning. This, together with means for identifying and meeting individual needs and for maintaining skills, provides a framework in which all children can achieve optimal success.

By the time children leave grade six, all children should be able to use whole numbers and fractional numbers to tell how many or how much in counting and measuring situations, they should be able to compute efficiently and accurately with these numbers, using standard numerals, fractions and decimals, and they should be able to apply these skills in solving a wide variety of problems related to everyday life.

Much emphasis is placed on the memorization of the basic facts of addition, subtraction, and multiplication and a chart of Learning Goals summarizes the tasks children should be able to perform at the end of each unit of instruction.

Most children are able to complete the average course. For less able children and those with severely limited backgrounds, concentration of instruction is placed on a core unit which focuses on vital computational and measurement skills and applications. More able children move quickly through the core units, spend a moderate amount of time on other units in the average course, and then explore the new topics introduced in the extended units.

Our appreciation is again expressed to the twenty-three parent volunteers who assisted the teachers on field trips and those parents who conducted the book fair during the November parent conferences, as well as those who conducted the youth concert program.

Presentations of Aesop's Fables and The Brothers Grimm were sponsored for the pupils in the Spring and Fall by the PTA. Concerts by the elementary school select band, Collicot School band and chorus, and the Cunningham Junior High band and chorus, and presentations by the Saunders sisters from England on flute and clarinet completed the Year's cultural programs in literature and music for the entire student body. A display of the art work from all grades was arranged and gave complete coverage of the cultural aspects of the curriculum at Collicot.

Respectfully submitted,

Chester W. Ruggles
Principal

REPORT OF THE PRINCIPAL OF GLOVER SCHOOL

I herewith submit my fifteenth Annual Report as principal of Glover School.

The Glover School Anniversary Committee, composed of parents and school personnel, finalized plans early in the year for our Silver Jubilee celebration. The committee, coordinated by P.T.A. President Thomas Murphy, met with the Board of Selectmen and a proclamation was presented declaring April 28, 1978, as 'Glover School Day' in Milton.

A series of contests was held at the school in connection with our celebration. The first was a logo designing contest conducted among fourth, fifth and sixth graders. The winner was Margaret McManus, a fifth grade pupil. Margaret's design, a drawing of the school, with a border of stars and the dates 1953-1978, was reproduced on badges for the children. The logo was also reproduced on a school flag, which was raised to open the ceremonies on April 28.

Other contests for the older children included an essay contest, dealing with "What Glover School Means to Me" and a school song contest. On the primary level, children in kindergarten through grade three participated in a coloring contest. Prizes were awarded to all winners.

The day's activities began with outdoor ceremonies consisting of flag raising and the planting of a tree by our Special Needs children. Present were Selectman James Colt, School Committee Chairman William Edwards, Assistant Superintendent of Schools John Haskell, along with parents and friends of Glover School.

Activities for the children concluded with a pageant illustrating the music, history and fashions of the last twenty-five years. During the afternoon a reception was held in the auditorium for graduates of Glover School.

In the evening a dinner dance at the Quincy Neighborhood Club culminated a most memorable and enjoyable evening for everyone.

The success of Glover School is a reflection of the dedicated people who have been part of its growth over the past twenty-five years. This achievement is personified by the outstanding teachers whose primary concern has always been the social, moral and educational development of the children entrusted to them.

It is my sincere hope that the future years of Glover will continue to produce the calibre of student of which we can all be proud – young boys and girls committed to the ideals we cherish.

Respectfully submitted,

Mary B. Schofield
Principal

REPORT OF THE PRINCIPAL OF PIERCE ELEMENTARY SCHOOL

I herewith submit my eighteenth Annual Report as principal of the Pierce Elementary School.

One of my primary goals continues to be the improvement and emphasis upon effective communication between parents and teachers. Again this year I included in my September bulletin, "Expectations of Teachers", a paragraph in which I outlined my interest in the development of this very important area.

This year, with the interest and cooperation of an active and highly-motivated PTA group, we have been able to work together to further improve our program at the Pierce Elementary School. The first PTA meeting of this year was an Open House Program in which all parents were invited to visit the school, meet the teachers and hear about the various phases of the instructional program. The second meeting featured explanations by the Elementary Language Arts Coordinator, Von Orton; the Science Coordinator, Paul Scopa; and the Math Coordinator, Leo Tyrell. The PTA has sponsored the presentation of the President's Physical Fitness Awards, presented a Christmas party for the children, including films, conducted a Poster Contest, financed several dramatic presentations for the children and financially assisted in the Camp Wing trip. In addition, this group has developed a Newsletter to Parents and has sponsored "Pierce Pride Day", the very successful campaign involving pupils, parents and teachers working together to clean up the area around the Pierce Elementary and Junior High Schools.

I am happy to announce that the recently developed Parent Council, composed of the principal and a number of highly interested parents, promises to further enhance communication and understanding through regular monthly meetings. The topics for discussion center upon school policies and procedures and a variety of broad issues which affect the Pierce Elementary School.

Special projects, performances and activities for pupils during the past year included the following:

A musical presentation by the pupils of grades three and four about the Middle Ages entitled, "The Wandering Minstrels."

Musical concerts (instrumental and choral).

Visits of Concert Bands from Randolph North Junior High School and Bayonne, New Jersey.

The Creative Arts Fair by the pupils of grade four.

The Social Studies Projects Fair by the pupils of grade six.

The Pierce Elementary School Track Meet at Milton Academy.

The annual trip to Camp Wing by the sixth graders.

Field trips by various grade levels included visits to the Science Museum, Logan Airport, the MDC skating rink, USS Constitution, Bunker Hill, Boston Edison Company, Superior Court (Boston), New England Aquarium, Hale Reservation, Drumlin Farms, Museum of Fine Arts, Plimoth Plantation, Harvard Museum, Boston Harbor, The Boston Globe, South Shore National Science Center (Norwell), and the Milton Art Fair.

I would like to thank the highly professional staff of teachers and the many dedicated non-teaching personnel for their untiring efforts on behalf of the children at the Pierce Elementary School. In addition, I would like to extend my appreciation to all of the

Pierce Elementary School parents for their continued confidence, interest and assistance in supporting our efforts to provide and maintain a quality educational program for their children.

Respectfully submitted,

Robert G. Connolly
Principal

REPORT OF THE PRINCIPAL OF TUCKER SCHOOL

I herewith submit my twenty-third Annual Report.

Emphasis continues to be placed on the basic skill areas of reading and mathematics. Our new mathematics programs under the direction of Leo Tyrrell is now K-6. Mastery of skills is essential for successful progress in all phases of elementary school.

Town-wide criterion reference testing at the fourth grade level reaffirmed our satisfaction with the science program coordinated by Paul Scopa. Recognition and acceptance of a well-balanced elementary education are needed in these days of difficult economic decisions.

Each year the entire school walks to the Milton High School gymnasium to view the Art Fair displaying the creative talents of students K-12. The teachers and pupils are to be commended for the outstanding and varied exhibits of work.

This fall we initiated Project Impact in cooperation with the Milton Youth Department. This parent program of eight workshop sessions focused on child development, discipline techniques, and academic skill areas. The program was highly successful under the leadership of Tucker kindergarten teachers Barbara Allen and Virginia Evans.

Gertrude Lucey Day was observed by the entire student body on October 10, 1978 as she ended her thirty-two year career of teaching Milton pupils. Appropriate exercises were held throughout the day in recognition and appreciation of Miss Lucey's dedication.

The retirement of Superintendent Harry B. McCormick is noted with regret. His competency and concern for individuals will be missed.

The outstanding spirit and cooperation between teachers, parents, and pupils remains at a high level. My sincere appreciation is extended to parents, faculty, and all administrative personnel who continue to extend themselves for the benefit of the students in our care. The challenges of twenty-five years of service are as rewarding as ever.

Respectfully submitted,

Eleanor C. Blaine
Principal

FUTURE THESPIANS OF GRADE 4 – Tucker School.

REPORT OF THE SUPERVISOR OF ATTENDANCE

I herewith submit my Annual Report as Supervisor of Attendance for calendar year 1978.

Home visits	452
Residency investigations	190
Children in need of services ("CHINS") petitions at Quincy Juvenile Court	3
Court appearances	10

Respectfully submitted,

Gerard R. Mattaliano
Supervisor of Attendance

In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road
In Precinct 7.	St. Agatha's School, Adams Street

on Saturday, March third next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

Three Selectmen and Surveyors of the Highways for the term of One Year.
One Town Clerk for the term of One Year.
One Assessor for the term of Three Years.
One Town Treasurer for the term of One Year.
Two Members of the School Committee for the term of Three Years.
One Member of the Regional Vocational School Committee for the term of Two Years.
One Park Commissioner for the term of Three Years.
One Member of the Board of Health for the term of Three Years.
Three Trustees of the Public Library for the term of Three Years.
One Trustee of the Public Library for the term of One Year.
One Trustee of the Cemetery for the term of Five Years.
One Member of the Housing Authority for the term of Four Years.
One Member of the Housing Authority for the term of Two Years.
One Moderator for the term of One Year.
One Member of the Planning Board for the term of Five Years.

Ninety-eight Town Meeting Members to be elected as follows:

Precinct 1.	Thirteen for Three years. One for One Year
Precinct 2.	Eleven for Three Years. One for One Year.
Precinct 3.	Eight for Three Years. Two for One Year. One for Two Years.
Precinct 4.	Eleven for Three Years. One for One Year.
Precinct 5A. and 5B.	Twenty-one for Three Years.
Precinct 6.	Seventeen for Three Years.
Precinct 7.	Eleven for Three Years.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March tenth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 51 inclusive, appearing in regular type on pages 15 through 54.

And you are directed to warn said inhabitants, qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the third day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk, on or before said third day of March, next.

Given under our hands at Milton the twenty-fifth day of January, Nineteen Hundred and Seventy-Nine.

(Signed) Walter F. Timilty
John P. Linehan
James D. Colt
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk)ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town on February 23, 1979 and leaving attested copies at the dwellings of the inhabitants.

(Signed) Dennis J. Doyle
Constable of Milton

The Warrant, including report of the Warrant Committee and recommendations on the Articles in the 1979 Warrant, was posted in the Post Offices at East Milton and at Milton Village on February 23, 1979. The Warrant was delivered to the homes of the inhabitants on February 23, 1979, and filed in the Town Clerk's Office February 23, 1979.

For these purposes, the polls were opened at each and all of the said Precincts at eight o'clock in the forenoon and were closed at eight o'clock in the evening.

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 1:30 A.M. March 4, 1979.

The Meeting adjourned at 1:30 A.M. March 4, 1979, to meet on the following Saturday, to wit, March 10, 1979, next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the fifty-one articles included in the Warrant.

The Absentee Ballot as it is used in Massachusetts, is available for all State and National Elections. It is also used at City and Town Elections.

At our Town Election, held Saturday, March 3, 1979, Milton had the following number of Absentee Ballots:

PRECINCTS	1	2	3	4	5A	5B	6	7	TOTAL
Applications Received	6	17	18	6	9	9	17	4	86
Ballots Cast	6	16	16	5	8	9	16	4	80

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
Town Clerk

ADJOURNED TOWN MEETING
MARCH 10, 1979

The Town Meeting held at the High School Auditorium was opened at 1:07 P.M. by the Moderator, Robert K. Lamere.

The Moderator read the name of the following Town Meeting Member who had died since the last Town Meeting.

WILLIAM B. ALBERS

The Town Meeting Members stood for a moment of silence.

The Town Meeting Members stood again and were sworn in by the Town Clerk, James G. Mullen, Jr.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present.

Nineteen (19) Town Meeting Members were absent as follows:

PRECINCT 1.	John J. Cummings, David F. Forsyth, Alan L. Levant, Robert F. O'Meara, Arthur L. Timmins
PRECINCT 2.	John C. Crowley, Mary Hayward Herlihy, Albert J. Kelley
PRECINCT 3.	Clifton L. Fasch
PRECINCT 4.	John W. Kenney, John B. Martinelli
PRECINCT 5.	Harry E. Carlson, Frank A. Consolati, Thomas P. McSharry, Eileen M. O'Meara
PRECINCT 6.	Myles A. Kelly, John D. MacVarish, Daniel F. Marr, Virginia A. Gaffey, Jr. (Ex-Officio)
PRECINCT 7.	ALL PRESENT

The Moderator recognized a distinguished guest, Congressman BRIAN J. DONNELLY, who addressed the members advising them that his office was available to assist them with any questions or problems that they may have.

The Moderator then recognized Warrant Committee Chairman Russell G. Simpson. In view of the proposed TAX CAP, Mr. Simpson moved and it was seconded that the membership act on the following Articles only: Articles 1, 2, 3, 4, 5, 6, 11, 12, 20, 24, 25, 28, 29, 34, 35, 37, 39, 40, 41, 42, 43, 46, 47 and 48.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect Albert W. Semer and James E. Curran, Measurers of Lumber.

UNANIMOUS VOTE

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

VOTED: The Town voted "YES" to accept the report of the Town Accountant appearing on pages 255 to 295.

UNANIMOUS VOTE

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1979, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: The Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1979, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 11. To see if the Town will vote to amend Chapter 13 of the General Bylaws known as Personnel Administration Bylaw by adding at the end of Section IV D5 the following two sentences:

"Persons who have resided in the Town for one year immediately prior to the date of the filing of the requisition to fill a position shall be granted a preference to be hired for said position ahead of persons who have not so resided. The Personnel Board may waive this requirement in any case where the appointing authority furnishes written reasons which the Board deems sufficient"; and to act on anything relating thereto.

VOTED: The Town voted "YES" on a voice vote.

ARTICLE 12. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, by

(a) striking at the end of the first paragraph of Section V.F. the words "which includes June 15th each year" and substituting in place thereof the words "for the period in which the Anniversary occurs"; and

(b) deleting from Section V.F. (1) the words "on June 30 of any year" and the words "for the succeeding year"; and

(c) striking the entire third sentence of Section V.H. and substituting in place thereof the following sentence: "Eligible employees who voluntarily retire as aforesaid shall receive payments for accumulated sick leave in the fiscal year following December 31 of the calendar year in which the employee retires; provided, however, that eligible employees who voluntarily retire as aforesaid and who give written notice to the Personnel Board no later than December 31 preceding the fiscal year in which the employee retires shall receive payments for accumulated sick leave upon retirement in said fiscal year.";

and to act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 20. To see if the Town will vote to request the Norfolk County Mosquito Control Project to limit the mosquito control program in Milton to the following:

1. Aerial spraying in the Town of Milton will be administered for the sole purpose of controlling salt marsh mosquitos.
2. Ditching efforts, treatment of catch basins, and backpack applications or larvicide will continue as in the past.
3. Larviciding and adulticiding by truck mistblowers will be limited to specific areas upon residents' requests. These requests must be directed to the Board of Health office.

VOTED: The Town voted YES on a Voice Vote.

ARTICLE 24. To see what sum of money the Town will vote to appropriate for the Step 1 Sewer Facilities Plan for the Town of Milton, said project to be performed in accordance with Federal and State construction grant requirements, and said appropriation to be reduced by the amount of any State or Federal grant made available; to see how such appropriation is to be raised; and to act on anything relating thereto.

VOTED: The sum of $20,000 be appropriated for the purposes set forth in this Article and to meet the cost of this appropriation the sum of $20,000 be transferred from the unexpended balance of the $30,000 raised under Article 49 of the 1977 Town Meeting.

ARTICLE 25. To see if the Town will vote to accept the following streets, as laid out by the Board of Selectmen, as Town Ways without the assessment of betterments:

PATRICIA DRIVE (entire length)

LYMAN ROAD (from Patricia Drive to Private Land)

and to act on anyting relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 28. To see if the Town will vote to accept the following gifts and bequests to the Milton Cemetery for the purposes stated therein.

a. A gift of $500 from Elizabeth S. Cannon;

b. A bequest of $500 from the Estate of S. Frances Marden;

c. A gift of $500 from the Estate of Annie K. Maynard;

and to act on anything relating thereto.

VOTED: The Town voted "YES".

ARTICLE 29. To see if the Town will vote to accept the provisions of General Laws, Chapter 71, Section 71E, authorizing the establishment of a separate account for Public School Adult Evening Program and Summer School Programs and to act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 34. To see if the Town will vote to authorize a school project consisting of: the construction, remodeling, rehabilitation, modernization and renovation and equipping of the Physical Education Facilities including adjacent Outdoor Facilities for the Milton High School; and the remodeling, rehabilitation, modernization and renovation and equipping of such other facilities at Milton High School as are deemed necessary and proper; all substantially in accordance with the plans prepared under the direction of the Milton High School Athletic Facilities Committee appointed pursuant to Article 39 of the 1977 March Meeting; and to see what sum of money the Town will vote to appropriate for the foregoing purposes and to determine how said appropriation shall be raised; and further to see if the Town will authorize the Moderator to appoint a Committee of five citizens to supervise said project in the name of and on behalf of the Town, and to take any other action required to carry out and complete said school project; and to act on anything relating thereto.

VOTED: The Town voted to authorize the school project referred to in this article; that the sum of $1,400,650 be appropriated to meet the cost of said project, and that to meet said appropriation the sum of $2,560.49 be transferred from the High School Industrial Arts Remodeling and Construction Account, the sum of $3,989.51 be transferred from available funds, the sum of $4,100 from the Stabilization Fund, and the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of $1,390,000 under and pursuant to the provisions of Chapter 645 of the Acts of 1948, as amended, or under the provisions of General Laws Chapter 44, Section 7, Clauses (3) and/or (3A), as amended, or under any other applicable provisions of law; and that the Moderator be authorized to appoint a Committee of five citizens to supervise the construction of said school project and to purchase equipment therefor, and in that connection to act as an awarding authority, to enter into contracts and agreements, and to take any other action required to carry out and complete said project, all in the name and on behalf of the Town.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

Town Counsel, Robert D. O'Leary, made a motion which was seconded to reconsider Article 34.

Motion to reconsider Article 34 was defeated by a Voice Vote.

ARTICLE 35. To see what sum of money the Town will vote to appropriate for the cost of issuing bonds under Article 34; and to act on anything relating thereto.

VOTED: The sum of $15,000 be appropriated.

ARTICLE 37. To see if the Town will vote to adopt the changes in its voting precincts as recommended by the Board of Selectmen in the map and statement filed with the Town Clerk; and to act on anything relating thereto.

VOTED: The Town voted to make changes in the voting precincts as recommended by the Selectmen in their statement filed with the Town Clerk as amended.

Passed by a Voice Vote.

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen in the name and on behalf of the Town to sell and convey to Joseph T. McMann a certain parcel of land located adjacent to 521 Pleasant Street bounded and described as follows:

NORTHWESTERLY	by Pleasant Street, 15.00 feet;
NORTHEASTERLY	by land of the Town of Milton School Department, 62.89 feet;
NORTHEASTERLY	by land of the Town of Milton School Department, 62.33 feet; and
SOUTHEASTERLY	by land of the Town of Milton School Department, 9.00 feet; and
SOUTHWESTERLY	by Lot 11, 125.78 feet.

Said parcel contains 1681 square feet of land, and is shown as Lot 11A on a plan entitled "Plan of Land Abutting 521 Pleasant Street" dated December 27, 1978 by Paul D. Kanter, Town Engineer, a copy of which plan is on file in the Office of the Board of Selectmen; and to act on anything relating thereto.

VOTED: The Selectmen be authorized to convey the land described in this Article for a price not less than $1,000.

ARTICLE 40. To see if the Town will vote to amend Chapter 6 of the General Bylaws by adding a new section as follows:

"SECTION 38. A police officer may arrest without a warrant anyone who violates the provisions of Sections 34 or 35 of this Chapter."

and to act on anything relating thereto.

VOTED: The Town voted "YES" on a Voice Vote.

ARTICLE 41. To see if the Town will vote to amend Chapter 6, Sections 6, 11, 13, 34 and 35 of the General Bylaws as follows:

(a) Section 6 – by striking the words "not less than one dollar nor more than ten dollars" and substituting in place thereof the words "of one hundred dollars";

(b) Section 11 – by striking the words "not less than one dollar nor more than twenty dollars" and substituting in place thereof the words "of one hundred dollars";

(c) Section 13 – by striking the words "not less than one dollar nor more than ten dollars" and substituting in place thereof the words "of one hundred dollars";

(d) Section 34 – by striking the words "not more than fifty dollars" and substituting in place thereof the words "one hundred dollars";

(e) Section 35 – by striking the words "not more than fifty dollars" and substituting in place thereof the words "one hundred dollars";

and to act on anything relating thereto.

School Committee Member Charles C. Winchester made a motion and it was seconded to amend Article 41 by deleting the words "of one hundred dollars" wherever they appear and replacing them with "not less than twenty-five dollars nor more than one hundred dollars".

The motion was passed by a Voice Vote to read as follows:

(a) Section 6 – by striking the words "not less than one dollar nor more than ten dollars" and substituting in place thereof the words "not less than twenty-five dollars nor more than one hundred dollars";

(b) Section 11 – by striking the words "not less than one dollar nor more than twenty dollars" and substituting in place thereof the words "not less than twenty-five dollars nor more than one hundred dollars";

(c) Section 13 – by striking the words "not less than one dollar nor more than ten dollars" and substituting in place thereof the words "not less than twenty-five dollars nor more than one hundred dollars";

(d) Section 34 – by striking the words "not more than fifty dollars" and substituting in place thereof the words "not less than twenty-five dollars nor more than one hundred dollars";

(e) Section 35 – by striking the words "not more than fifty dollars" and substituting in place thereof the words "not less than twenty-five dollars nor more than one hundred dollars";

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 42. To see if the Town will vote to authorize the Moderator to appoint an advisory committee of five citizens to be known as the East Milton Environs Committee, the purpose of said Committee to be the study of various conditions in the area including but not limited to parking, traffic flow, zoning, pedestrian safety as well as the environmental quality and general attractiveness of the area; said committee to make recommendations from time to time to the Board of Selectmen, the Traffic Commission, and other appropriate Boards, Committees, Commissions and other governmental bodies and to report to the Board of Selectmen by December first and at the next Annual Town Meeting; to see what sum of money the Town will vote to appropriate for the conduct of business of said committee; and to act on anything relating thereto.

VOTED: The Town voted "YES" and that $500 be appropriated for the use of said Committee.

Town Meeting Member Webster A. Collins made a motion and it was seconded to postpone ARTICLE 43 until May 14 adjourned Town Meeting.

The motion passed on a Voice Vote.

ARTICLE 46. To see if the Town will vote to authorize a 5% (per cent) reduction in the annual tax rate assessed against the property owned by citizens of the Town who are 65 years or older, providing the citizens apply for such reduction to the Board of Assessors showing proof that they are 65 years or older, that they own the property being assessed, and that they are living on a source of income derived from a fixed annual pension.

The above Article was submitted by:

Stephen M. Weld, 267 Adams Street
Joseph W. Horak, 103 Canton Avenue
Harris Goldberg, 177 Harvor View Road
Sylvester J. Flaherty, 1118 Blue Hill Avenue

VOTED: The Town voted “NO” on a Voice Vote.

ARTICLE 47. To see if the Town will vote to rescind the loan authorization voted under Article 37 of the 1977 Annual Town Meeting.

VOTED: The Town voted “YES”.

UNANIMOUS VOTE

ARTICLE 48. To see what sum of money the Town will vote to appropriate from available funds to be added to the March 11, 1978 appropriation under Article 55 of $77,212 for interest on tax anticipation notes; and to act on anything relating thereto.

VOTED: The sum of $10,000 be appropriated to be added to March 11, 1978 appropriation for the twelve month period beginning July 1, 1978 for interest on tax anticipation notes, and to meet said appropriation the sum of $10,000 be transferred from available funds.

Warrant Committee Chairman Russell G. Simpson made a motion and it was seconded to reconvene the Adjourned Town Meeting until May 14, 1979 at 7:30 P.M. The Moderator, Robert K. Lamere, adjourned the meeting at 4:43 P.M.

James G. Mullen, Jr.
Town Clerk

ADJOURNED TOWN MEETING
MAY 14, 1979

The Adjourned Town Meeting held at Milton High School Auditorium was opened at 7:30 P.M. by the Moderator, Robert K. Lamere.

The Moderator read the name of the following Town Meeting Member who had died since the last Town Meeting:

EDWARD J. FINERTY

The Town Meeting Members stood for a moment of silence.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present.

Forty (40) Town Meeting Members were absent as follows:

PRECINCT 1.	Murray D. Cole, J. David Fine, David F. Forsyth, Michael Geller, Norman E. Kingsbury, Alan L. Levant, Arthur L. Timmins, Christopher J. Tingus, Christopher J. Trakas
PRECINCT 2.	Jean M. Creedon, Edward F. Curry, William F. Green
PRECINCT 3.	Robert J. Fallon, Joseph W. Horak, Catherine L. Molloy (Ex-Officio)
PRECINCT 4.	Leo C. Desmond, Jr., John W. Kenney, Walter F. Peterson
PRECINCT 5.	George M. Bartol, Walter E. Bosworth, Susan B. Cabot, Harry E. Carlson, Richard B. Chapman, James F. Dinneen, Thomas A. Likos, Thomas P. McSharry, Edward E. Wendell
PRECINCT 6.	Charles F. Collins, Jr., John T. Day, Charles W. Duffy, Virginia A. Gaffey, Jr. (Ex-Officio), Malcolm M. Kent, Ralph L. Kent, Charles P. Manning, Jr., Francis P. McDermott, Charles L. Metrakas, Philip D. Murphy, John J. Sullivan, Jr.
PRECINCT 7.	John J. Boles, Jr., Thomas W. Kenneally

ARTICLE 7. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1979, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

Employee Benefits	**7/1/79 – 6/30/80**
Widows' Pensions	$ 30,202
Non-Contributory Pensions and Annuities	254,868
Contributory Pensions	900,117
Administration	12,547
Group Insurance	409,593
TOTAL	$1,607,327

and that to meet the appropriation for Contributory and Non-Contributory Pensions to former Water Department employees, the sum of $69,029 be transferred from the Water Surplus Account, and that the balance of $1,538,298 be raised from the tax levy of the fiscal year.

The sum of $11,387, but no more, shall be used for salaries and wages.

ARTICLE 8. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything related thereto.

VOTED. The Town voted to appropriate the sum of $35,000 for the purpose set forth in this Article; that upon receipt of notice from the Town Accountant that a claim for benefits has been made by a former employee, the head of the department in which the former employee has worked shall promptly certify to the Town Accountant and to the Treasurer that such claim for benefits is proper or the reasons why such claim is or may be improper and the Treasurer shall make no reimbursement to the Commonwealth on account of such claim for benefit unless certification that such claim is proper has been received from such department head or unless Town Counsel has certified that such reimbursement must be made; that the Treasurer shall make reimbursement payments for benefits made to former employees from the salary accounts of the respective departments for whom such employees formerly worked unless the Treasurer has received written notice from the Town Accountant that said reimbursements are to be made from funds appropriated pursuant to this Article; and that the Treasurer shall report to the Selectmen monthly the name of each former Town employee on account of whom reimbursement payments have been made to the Commonwealth and the amount of such payments.

ARTICLE 9. To see what sum of money the Town will vote to appropriate to the Special Fund for Retirement Purposes which was established in 1978, in accordance with the provisions of General Laws, Chapter 40, Section 5D, in order to offset the anticipated cost for funding the contributory retirement systems for Town employees except teachers and administrators in the school system; and to act on anything relating thereto.

VOTED: The sum of $80,000 be appropriated.

ARTICLE 10. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification – Schedule of Rates" and inserting in place thereof the two new sections as follows:

Not more than $3800 of the amount appropriated for Revaluation shall be used as temporary salary increase for the Board of Assessors.

The amount appropriated for the Student Work Study Program shall not prohibit other Departments from employing students in seasonal or part-time positions under this program and using departmental salary accounts to meet the costs of additional Student Work Study Program participants. Departments are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

Town Meeting Member C. Mitchell Draper, Jr., made a motion to segregate $30,000 under the Assessor's Budget to be labeled "Expert Witnesses".

The motion was seconded. On a Voice Vote the motion to amend passed.

Town Clerk James G. Mullen, Jr., made a motion which was seconded to add $600 to the recommended salary of the Town Clerk.

The Motion passed on a Voice Vote.

VOTED: The Town voted "YES" to appropriate the amounts shown in the preceding tabulation.

UNANIMOUS VOTE

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1979 for the operation of the several boards and committees classified as Boards and Special Committees; and for an unpaid bill of the Planning Board of prior year; and to act on anything relating thereto.

TOTAL	$8,110,233

and that to meet said appropriation, the sum of $21,424 shall be transferred from the Adjustment Account for Special Education for 1978 and shall be applied as required by law to the costs of programs provided under General Laws, Chapter 71B, and the balance of the appropriation, $8,088,809, shall be raised from the tax levy of the fiscal year.

The Department is hereby authorized to exchange or trade-in old equipment for the same or similar type equipment.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the support of the Regional Vocational Technical School.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/79 – 6/30/80
Regional-Vocational Technical School District	$148,093

ARTICLE 32. To see what sum of money the Town will vote to appropriate for the transportation of pupils within the Town and to and from the Regional Vocational School, for the period beginning July 1, 1979, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/79 – 6/30/80
School Bus Transportation	$300,000

ARTICLE 33. To see what sum of money the Town will vote to appropriate for Evening Practical Art Courses under the provisions of General Laws Chapter 74, Section 14, for the twelve month period beginning July 1, 1979; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/79 – 6/30/80
Evening Practical Art Courses	$8,209

ARTICLE 36. To see what sum of money the Town will vote to appropriate for the purpose of installing windows at Milton High School; and to act on anything relating thereto.

VOTED: The Town voted "NO".

ARTICLE 38. To see what sum of money the Town will vote to appropriate to provide a transportation program for persons of the Town sixty years of age and older; to see if the Town will vote to authorize the Board of Selectmen to seek and obtain State and Federal financial assistance; and to act on anything relating thereto.

VOTED: The Town voted "YES" and that the sum of $6,300 be appropriated for the purpose set forth in this Article. Passed on a Voice Vote.

ARTICLE 43. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaws as follows:

(a) Amend Section VI.D.1. by adding a new sentence following the existing sentence, the new sentence to read: "In a Residence D1 District no building except a one-story building or accessory use shall be erected or maintained within 40 feet of the rear lot line.";

(b) Amend Section VI.I.2(b). by adding the words "not less than" before the words twenty-nine, twenty-four, one and five;

(c) Amend Section VI.I.(3) by striking the word "side";

and to act on anything relating thereto.

VOTED: The Town voted "NO". Defeated on a Standing Vote requiring a 2/3's Vote.

YES – 111 NO – 106

ARTICLE 44. To see what sum of money the Town will vote to appropriate for the purpose of constructing a new Dog Pound, such construction to be performed substantially in accordance with the recommendations contained in the Dog Pound Study Committee's report submitted to the Board of Selectmen on December 1, 1978; to see if the Town will vote to authorize said Committee to seek firm bids and award contracts for the construction of the new Pound and to supervise the construction, equipping and furnishing of such Pound; to determine how such appropriation is to be raised; and to act on anything relating thereto.

VOTED: The Town voted "YES" and that the sum of $22,000 be appropriated for the purpose set forth in this Article, and that to meet said appropriation the sum of $5,000 be transferred from the unexpended balance of the Dog Pound Improvement Account appropriated under Article 19 of the 1978 Annual Town Meeting, and that the balance of $17,000 be raised from the tax levy of the fiscal year.

Passed on a Standing Vote.

YES – 128 NO – 71

ARTICLE 45. To see if the Town will vote to authorize the Committee appointed pursuant to Article 10 of the June 1978 Special Town Meeting to employ the services of an architect and such professional consultants as they may deem advisable to prepare detailed plans, specifications and working drawings for the construction of a Dog Pound to be located in the Town's D.P.W. Yard on Randolph Avenue, such construction to be performed substantially in accordance with the recommendations contained in the Committee's report submitted to the Selectmen on December 1, 1978; to see if the Town will vote to authorize the Committee to seek firm bids and award contracts subject to the appropriation voted under this Article for the construction thereof; to see if the Town will vote to authorize the committee to supervise the construction, equipping and furnishing of the new Dog Pound, to seek and expend federal funds on said project, and to direct the Department of Public Works to perform such services and to provide such materials as practical to reduce the expense of said construction; to see if the Town will vote to authorize the Committee to implement procedures relating to the operation of the Pound including, but not limited to, record keeping, sanitation, and hours of operation; said Committee to report to the Selectmen no later than October 1, 1979, and thereafter as requested; to appropriate a sum of money for the use of said Committee; to determine how such appropriation is to be raised; and to act on anything relating thereto.

Helen P. Horak, 103 Canton Avenue
Elsie DeNormandie, 111 Highland Street
Martha T. Curtis, 135 Gun Hill Street
Annie G. Copeland, 58 Hillside Street
Shirley C. Kaddy, 262 Granite Avenue
Svetlana Glendon, 414 Canton Avenue
James F. Dunphy, 90 Gov. Stoughton Lane
David M. Jackson, 658 Canton Avenue
Joseph Lydon, Jr., 21 Curtis Road
D. Evelyn Lydon, 21 Curtis Road

VOTED: The Town voted "NO".

ARTICLE 49. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the twelve month period beginning July 1, 1979; and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

	7/1/79 – 6/30/80
Interest	$117,139
Maturing Debt	266,667
TOTAL	$383,806

and that to meet said appropriation the sum of $10,000 be transferred from the unexpended balance of the $30,000 raised under Article 49 of the 1977 Town Meeting, and that the balance of $373,806 be raised from the tax levy of the fiscal year.

ARTICLE 50. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary and unforeseen expenditures of the twelve month period beginning July 1, 1979 and to apply from the Overlay Reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED: The sum of $100,000 be appropriated and that to meet said appropriation the sum of $93,930 be raised from the tax levy of the fiscal year and the balance of the appropriation, $6,070 be transferred from the Overlay Reserve.

ARTICLE 51. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED: The Town voted to appropriate the sum of $400,000 from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with provisions of General Laws, Chapter 59, Section 23.

The meeting was dissolved at 10:55 P.M.

James G. Mullen, Jr.
Town Clerk

SWORN-IN OFFICERS 1979

Jan.	8	Constance B. Cox	M.A.P.C. Representative
	26	Richard H. Walwood	License Building Board
Feb.	20	John H. Gutteridge	Inspector of Animals
	28	Arthur Southall	Civil Defense
		Arthur Southall	Dep. Inspector Prec. 5B
	28	Eileen F. Jello	Dep. Inspector Prec. 1
Mar.	1	Benjamin Goldstein	Dep. Inspector Prec. 1
	2	Richard F. Boyd	Dep. Inspector Prec. 5B
	5	Charles C. Winchester	School Committee
	5	Harry J. Scanlan, Jr.	Town Treasurer
	5	Hannah McCabe	Assistant Treasurer

APPOINTMENTS MADE BY THE MODERATOR IN 1979

The Moderator, Robert K. Lamere made the following appointments to the various Board and Committees in the Town of Milton. All appointments are filed with the Town Clerk, James G. Mullen, Jr. and all appointees are notified by the Town Clerk of their appointment.

April 18, 1979: The following persons authorized under Article 42 of the Warrant of the March 10, 1979 Annual Town Meeting.

EAST MILTON ENVIRONS COMMITTEE

Robert M. Fitzgerald, Chairman	575 Canton Avenue
Edward L. Duffy	35 Granite Place
Robert L. Hoy	34 Hoy Terrace
Rocco A. Mancini	49 Columbine Road
Harry J. Osborne	30 Victory Avenue

April 25, 1979: The following persons authorized under Article 6 of the Warrant of the March 10, 1979 Annual Town Meeting.

LEGISLATIVE COMMITTEE

Robert D. O'Leary, Chairman	45 Spruce Street
Walter J. Connelly	40 Clifton Road
James F. Dinneen	21 Hilltop Street
Roland Gray, III	702 Brush Hill Road
Eugene G. Panarese	53 Cushing Road

April 30, 1979: J. Barry Driscoll, 55 Ridge Road was appointed as a member of the Permanent Insurance Committee for a period of three years.

June 30, 1979: Laurence W. Pickard, 44 Howe Street was appointed as a member of the Article 38 Committee (Outdoor Physical Education Committee) to fill the vacancy caused by the resignation of Edward Guzovsky.

June 30, 1979: The following persons as members of the Warrant Committee:

WARRANT COMMITTEE

Russell G. Simpson, Chairman	76 Brook Hill Road
Natalie Q. Albers	193 School Street
William M. Cahill	45 Woodland Road
Robert W. Corson	1091 Brush Hill Road
David F. Gallery	7 McKinnon Avenue
Melvin Goober	86 Harold Street
Robert J. Hurley	121 Whittier Road
Thomas L. Kennedy	19 Westvale Road
Joseph F. Kinnealey	77 Churchills Lane
Herbert Lemelman	32 Frothingham Street
Barbara M. Mahoney	67 Sias Lane
Robert T. McAlear	5 Augusta Road
John G. McManus	65 Green Street
John J. Mulvaney	25 Rustlewood Road
Arthur T. Wallace	48 Collamore Road

June 30, 1979: The following persons as members of the Permanent Housing Committee for a period of three years.

APPOINTMENTS MADE BY THE MODERATOR

Charlotte C. Cleveland	94 Centre Street
Charles H. Keenan	65 Brook Hill Road

June 30, 1979: Edward P. McNulty, 33 Hollis Street, was appointed as a member of the Permanent Housing Committee for a period of two years to fill the vacancy caused by the resignation of Susan B. Cabot.

September 18, 1979: The following persons were appointed to the Board of Appeals:

Daniel Gans, Jr. (for a period of three years)	79 Governors Road
Roderick M. Connelly (for a period of two years)	480 Brook Road

September 18, 1979: The following persons were appointed to the Board of Appeals as Associate Members:

Charles M. Donohue (for a period of three years)	87 Indian Spring Road
Roger L. Gregg (for a period of two years)	427 Hillside Street

September 19, 1979: James D. Fitzgerald, 646 Canton Avenue was appointed as Chairman of the Personnel Board for one year.

September 19, 1979: Manuel S. Lato, 54 Landon Road was appointed as a member of the Personnel Board for a period of five years.

November 30, 1979: James F. Donovan, Jr., 59 Meagher Avenue as a member of the Article 38 Committee (Outdoor Physical Education Committee) to fill the vacancy caused by the resignation of Neil D. Keller.

November 30, 1979: The following persons to the Town Government Study Committee:

Martha M. Wiswell (for a period of three years)	43 Orchard Road
M. Natalie Fultz (for a period of three years)	61 Franklin Street
Francis F. Brooks (for a period of one year)	134 Adams Street

AMENDMENTS TO THE GENERAL BYLAWS

Amendments to the General Bylaws passed at the Annual Town Meeting held March 10, 1979 were sent to the Attorney General on March 20, 1979. The amendments to the General Bylaws voted under Articles 40 and 41 were approved by the Attorney General on May 8, 1979 and received by the Town Clerk James G. Mullen, Jr., on May 10, 1979.

These amendments to the General Bylaws with the approval of the Attorney General were posted in the following public places on May 18, 1979.

Milton Food Mart
Milton Village Post Office
Central Public Library
East Milton Post Office
Kidder Branch Public Library
Town Clerk's Office
East Milton Branch Public Library

James G. Mullen, Jr.
Town Clerk

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

The Warrant Committee is pleased to report to the Town its recommendations for action by Town Meeting Members on the 51 Articles to be considered at the 1979 Annual Town Meeting. Warrant Committee Recommendations appear after each of the Articles (except for Articles 40 and 41) and many, where appropriate, are followed by Comments. Significant tables and two plates appear at the end of this Warrant.

The various Boards and Departments of the Town are to be commended for having presented responsible and restrained budgets. Nevertheless, it has been the Warrant Committee's practice to challenge both the need for and the scope of proposed programs and expenditures. In most cases, this process resulted in agreement for further budget cuts. There are, however, a few instances where the Warrant Committee was not persuaded that an expenditure or a program had been demonstrated as necessary. In such cases, the Warrant Committee's recommendations set forth in this report are less than the amount which the particular Board or Department considered to be minimally required.

Everyone associated with government in Milton shares Governor King's basic goal of providing property tax relief. As this Warrant goes to print, Governor King has raised the possibility of a cap on tax levies and local expenditures, but he has not yet submitted any definitive proposal to the legislature. Possible proposals currently being attributed to the Governor are expected to require several months of legislative debate and may be subjected to substantial amendments before any program providing property tax relief is adopted. The Warrant Committee will follow closely the legislative progress of Governor King's tax relief program and, if necessary, consider, prior to Town Meeting, appropriate revisions of the recommendations set forth herein, or even, possibly, an adjournment to a later date.

Approximately 64% of Milton's total expenditures for 1979-80, and an even higher percentage of tax levy, represents Salaries and Wages. For the first time since the 1960's, Milton will have less than 700 employes in 1979-80. Nevertheless, aggregate salaries continue to climb dramatically as we attempt to pay our employees a living wage in the face of inflation – a problem the Federal Government has not yet confronted. Despite so-called "Home Rule", the major portion of Milton's expenditures are beyond its control, whether because of Federal or State mandated programs, compulsory binding arbitration in certain labor disputes, or the autonomy enjoyed by our two school systems. Milton's services to its residents are modest in relation to need and in comparison with other communities. This is reflected by the fact that our taxes per capita are lower than most similar towns. Thus, any tax cap in Milton will necessarily result in the termination of some employment relationships and the reduction if not cessation of programs now considered modest and necessary for the benefit of our citizens. The application of a tax cap to Milton and other communities which have operated on tight budgets will be even more difficult if the cuts must come out of those relatively few areas where the Town still has control over its own programs.

THE TAX RATE

Table 1 shows the detail of the tax rate estimate for 1979-80. The estimate is based on the recommended appropriations, which, as noted in the Warrant, may be revised by the time of Town Meeting. The estimate is also based on a number of assumptions, which are subject to change, as to assessments and reimbursements. With respect to reimbursements, we have assumed that Milton will receive during 1979-80 the same amount it received for the current year, although there has been no communication or assurances to this effect. The tax rate for next year is estimated at $197.00, an increase of $6.40 or 3.4% over the current rate of $190.60.

As indicated in Table 1, increased spending explains only part of the increased tax rate. The total increase of Appropriations and Non-Appropriation Items, in fact, is estimated at $198,000, accounting for about $2.50 of the estimated tax rate increase. The $3.90 balance of the estimated tax rate increase results from a decrease of $407,000 in estimated funds available from Non-Tax Levy Sources.

Employee wages and benefits increases (Article 7, 8, 9, 10, 15, 17, 18, 19, 26 and 30) amounting to $439,000 account for the major portion of the increase in appropriations. Other significant increases in appropriations include: $16,524 as a supplemental appropriation for general insurance premiums during the current year (Article 14); $67,524 as a supplemental appropriation for general insurance premiums during the current year (Article 14); $67,672 for general insurance next year, primarily Workmen's Compensation and the new Motor Vehicle Liability coverage (Article 15); $66,076 for Public Safety (Article 18); $10,000 as a supplemental appropriation for additional interest costs for tax anticipation notes during the current year (Article 48); and $31,594 for interest and maturing debt, primarily due to interest on the proposed High School bond issue (Article 49). In addition, Article 35 proposes an appropriation of $15,000 for the costs of issuing the bonds relating to the High School project. Appropriation increases in various budgets are significantly offset by decreases elsewhere.

In summary then, higher appropriations account for an increase of $2.50 or 1.3% and anticipated decreases in Non-Tax Levy Sources account for a further increase of $3.90 or 2.1% from the current tax rate of $190.60 to the projected rate of $197.00.

EMPLOYEE WAGES AND BENEFITS

Table 7 on page 69 provides data regarding the number of permanent full and part-time employees of the Town for the current and past five years, two earlier years, and as projected for the next year. Despite a decline in the number of employees, Salaries and Wages have been increasing steadily.

Employee wages comprise 64% of the aggregate proposed expenditures for the fiscal year commencing July 1, 1979. Increases in Employee wages and benefits of $493,000 greatly exceed the total recommended increase of $198,000 in appropriations for the next year. It should be noted that the number of full-time permanent positions is to be reduced next year by nine teachers, while only one new full-time position was created in the Treasurer/Collector's office. There will also be a net decrease of two permanent part-time positions in the School Department, while two new part-time positions have been added in the Library and Department of Public Works, respectively.

Article 10 includes requested wage adjustments for the next fiscal year for Town employees and School Department personnel. W and C classification employees in several departments including Cemetery, Park and Public Works are engaged in collective bargaining negotiations and are not included. Total requested personnel increases in Article 10 amount to $208,167.

The Warrant Committee is advised that the cost to fund a settlement on terms being proposed by Local 1395 of AFSCME, which represents the W and C classification employees, would require an increased appropriation under Article 10 of $68,000. We have urged the negotiating parties to recognize the limits of the Federal Wage and Price Guidelines as well as the tax limitations expected to be proposed by the Governor.

The collective bargaining settlement adopted for the School Department employees in the spring of 1978 resulted in an increase of $63,974 over the amount of wages appropriated for School Department employees at last year's Annual Town Meeting. That additional amount is being absorbed by the School Department budget voted at last year's Annual Town Meeting, and no supplemental appropriation will be requested this year.

The increases in Article 10 for Firefighters are based on a two-year contract negottiated for the period through June 30, 1980, which includes a 5% increase on July 1, 1979, and a further 1% increase on January 1, 1980. The increases in the same Article for Police are also based on a two-year contract negotiated for the same period which includes a 6% increase on July 1, 1979. The requested increase for other employees, not including Public Works and other W and C category employees, is 5.5%.

Included in the current Firefighters collective bargaining agreement are the following benefit changes which take effect for the fiscal year beginning July 1, 1979: an increase in the night differential from $4.20 per week to $5.60; a change in longevity pay calculations to provide annual $10.00 increases after the tenth year and through the thirtieth year rather than the existing $50.00 increases each five years after the tenth year until the twenty-fifth year; and an increase in educational incentive pay from $13.00 per course credit hour to $15.00, with the maximum increasing from $1,200 to $1,400.

The current Police collective bargaining agreement includes the following benefit changes which take effect for the fiscal year beginning July 1, 1979: night differential pay is increased $2.00 to $14.00 per week; longevity pay calculations provide annaul $10.00 increases after the tenth year and through the thirtieth year rather than the existing increases each five years after the tenth year until the twenty-fifth year; educational incentive pay is increased $2.00 per credit to $15.00 and the maximum payable per employee is increased from $1,560 to $1,800; employees with 18 years instead of 20 years become eligible for reimbursement for unused sick leave upon termination; and pay for private work detils is increased by 50¢ to $9.25 per hour. The Town gained through language changes which assured the Chief's right to schedule employees' duty assignments to best suit the needs of the Town.

Article 10 also includes a reclassification by one grade of two administrative positions in the Wire Department. Other changes are under consideration.

The Warrant Committee recommends approval of the requested wages and benefits adjustments proposed by Article 10.

A recently mandated cost of local government is unemployment compensation for municipal employees. As part of its anti-recession program, Congress expanded and initially funded unemployment compensation coverage to include state and municipal employees. However, in 1977, Congress enacted legislation requiring that the costs of this program be assumed by local governments. Pursuant to this Congressional mandate, the Massachusetts legislature acted to implement the program for the current fiscal year. Accordingly, Article 8 provides an appropriation of $35,000 which is estimated to be necessary for next year. Since this appropriation will be of benefit primarily to seasonal and temporary employees, employment practices are being reviewed and tightened to minimize the cost of this new program.

A major policy question addressed by the Town last year is whether and to what extent the Town's pension obligations should be funded. As indicated in Article 7, contributory pension costs have been increasing at a rapid rate, in major part due to the fact that the Town's liability is unfunded. Thus, the appropriation for pensions each year only pays the pension cost for employees already retired, and makes no provision for future retirements. The Town's unfunded pension liability for employees, other than teachers and school administrators who are covered by a State plan, is estimated to be $12-16,000,000, depending upon the actuarial and other assumptions made in calculating the liability.

Permissive legislation enacted in 1977 now allows towns to fund pension liabilities. At the 1978 Annual Town Meeting, the Town adopted the proposal of the Town Government Study Committee and the recommendation of the Warrant Committee to commence funding the pension liability with a modest initial contribution of $40,000. Article 9 proposes an additional funding this year of $80,000, slightly less than the $88,028 suggestion set forth in the schedule of proposed payments found in last year's Warrant. Contributions in fugure years will have to be increased. Following the recommendations of the Massachusetts Retirement Law Commission, a 40-year amortization of liability would require future payments as follows:

1980-81	$244,298
1981-82	481,111
1982-83	456,789
1983-84	437,750
1984-85	420,420
1985-86	407,409
1986-87	399,331

Whether the Town chooses to follow this exact schedule may be left for future determination.

The Warrant Committee recommends that the Town continue the policy adopted at the 1978 Annual Meeting by approving Article 9. We continue to believe that the burden of costs currently incurred should not be passed on to future generations. Further, we believe pension funding will better advise the Town as to the true costs of current employee services and may serve as a restraint against forces seeking to expand the municipal work force.

MUNICIPAL LIABILITY AND GENERAL INSURANCE

As noted in the Warrant for last year's Annual Town Meeting, the doctrine of municipal immunity has been significantly eroded. The Massachusetts Supreme Judicial Court has stated that it will no longer apply this doctrine except to the limited extent provided by the Legislature. In 1977 the Legislature abolished municipal liability in law suits involving the operation of motor vehicles by public works employees, police officers and fire fighters. Last year, the Legislature enacted the "Government Tort Claims Act" under which municipalities may be held liable for losses or injuries to others caused by a municipal employee's careless, intentional or otherwise wrongful conduct.

Given these changes, consideration has been given to purchasing Motor Vehicle and Comprehensive General Liability insurance, both approximately equal in cost, for the protection of the Town and its employees. Believing that motor vehicles constitute a greater exposure to loss and not wishing to burden the taxpayer unduly in one year, the Committee recommends the purchase of Motor Vehicle Liability for the fiscal year commencing July 1, 1979. We will continue to review the need for Comprehensive General Liability Insurance.

The cost of Workmen's Compensation Insurance continues to increase dramatically due to additional statutory benefits and the severity, with resultant high costs, of accidents suffered by town employees.

Motor Vehicle Liability and Workmen's Compensation Insurance account for most of the increased Insurance costs recommended in Article 15.

HIGH SCHOOL GYMNASIUM ADDITION AND RENOVATIONS

Article 34 relates to an addition to the High School gymnasium and the renovation of some existing High School facilities. Two years ago the Physical Education Study Committee, appointed at the 1976 Annual Town Meeting, documented the need for the addition and renovations contemplated by Article 34.

The gymnasium and locker rooms achieved their present configuration in 1955 and are now inadequate to meet the minimum state-mandated program.

Last year the Town Meeting appropriated $74,950 to enable the Committee to proceed with detailed planning for an addition to the High School gymnasium and renovation of some existing areas, and to secure bids for Town Meeting consideration. At that time, the total project cost was estimated to be $995,000. Subsequently, it has been determined that the High School must make appropriate renovations to accommodate handicapped persons, including the installation of elevators. Furthermore, serious consideration has been given to substantially reducing the energy costs associated with the heating of the High School through new windows and improved heating and temperature controls. The additional costs projected for these two programs approximate $382,000. It has been determined, however, that both programs may be included in the financing for the High School gymnasium and renovation costs, and thereby qualify for subsidy to the extent of 50% for principal costs and 20% for interest costs by the School Building Assistance Bureau. As previously noted, the High School gymnasium addition and renovation are required to retain accreditation.

The total amount for the project is now estimated to be $1,388,000, reflecting the $995,000 estimated at last year's Town Meeting plus approximately $11,000 caused by the delay of approval from last fall to this spring, and $382,000 relating to the renovations for the handicapped and improved heating and temperature controls. Deducting $74,950 appropriated at the last Town Meeting and $6,500 appropriated at the 1976 Town Meeting for use by the Physical Education Study Committee, the Warrant Committee estimates that $1,306,550 will be required to complete the program.

The Committee has reviewed with the Treasurer/Collector various methods of financing. We recommend that Article 34 be adopted, that $1,306,550 be appropriated to complete the project, and that to meet said appropriation, $2,560.49 be transferred from the High School Industrial Arts Remodeling and Construction Account, $3,989.51 be transferred from available funds, and $1,300,000 be raised through the sale of a ten-year bond issue.

We also recommend the adoption of Article 35, authorizing expenditures to be incurred in connection with the bond issues.

If Article 34 is not passed, the Warrant Committee may reconsider its recommendation as to Article 36, relating to windows and temperature controls for the high school.

The Warrant Committee's estimates of the net tax rate impact for the years indicated as a result of the issuance of ten-year bonds are set forth in the following Table. The estimates of the impact on the bonded indebtedness are based on selling a ten-year bond issue in the fall of 1979 at an interest rate of 5.75%, and assume state reimbursement of 50% of principal and 20% of interest costs, payable in equal increments. The maximum costs occur in the second year of financing (1980-81) because only $37,375, being half of the annual interest, and the costs of the financing (set forth in Article 35), but no principal payment, would be payable during 1979-80.

ESTIMATED TAX RATE IMPACT*
FOR THE FISCAL YEARS
(Rate per $1,000 of Assessed Valuation)
July 1, 1979 – June 30, 1990

Bonded Principal and Interest Payments for the Years	**Net Tax Rate Impact After Reflecting Reimbursements**
1979-80	$ .66
1980-81	1.56
1981-82	1.46
1982-83	1.37
1983-84	1.27
1984-85	1.18
1985-86	1.09
1986-87	.99
1987-88	.90
1988-89	.80
1989-90	.71

**Based upon $79,224 expenditure equalling $1 on the tax rate.*

OUTDOOR ATHLETIC FACILITIES

The Committee appointed by Article 38 of the 1977 Annual Town Meeting to develop plans for the construction of an outdoor athletic facility on the Lamb property is not prepared to submit a proposal for consideration at the 1979 Annual Town Meeting. That Committee's progress has been hindered by the delay until December 14, 1978, in the passing of title to the Lamb property which imposed a similar delay on the Committee's ability to obtain architectural plans and specification. In addition, there have been two changes in the membership of the Committee as a result of the resignation of the former Chairman and one other member. The Committee has been reconstituted and is in the process of reviewing with its architect a number of specific problems to be resolved, including the question of access to the proposed new athletic facilities. It is also continuing efforts to obtain Federal financial assistance.

MISCELLANEOUS

Articles 40 and 41 have been filed on behalf of the ad hoc committee appointed to study the Town's vandalism problems. These articles were received by the Warrant Committee the day this Warrant went to press, and consequently there was no time in which to make a recommendation based on informed judgment. The Warrant Committee will be studying these proposals closely between now and the Annual Town Meeting. We urge each Town Meeting member to consider carefully the proposals and, if possible, to attend the public hearings proposed to solicit citizen views.

The School Bus contractor, who was the low bidder, defaulted at the end of the calendar year. Although efforts have been made to continue School Bus service at the same cost, the possibility exists that the contract may have to be rebid. In that event, a substantially greater appropriation than now contemplated by Article 32 could be required. Estimates of that increase in cost vary from $30,000 to $50,000.

CONCLUSION

The various Departments, Boards and Committees of the Town have, without exception, fully cooperated and assisted the Warrant Committee. The Town is fortunate to have such a dedicated group of employees, and we appreciate their help.

The Chairman wishes to express his appreciation to the members and clerk of the Warrant Committee for the long hours they spent away from their families, careers and recreational interests in order to address the issues presented. Their dedication and commitment to the Town has been superb. The Chairman is also pleased to report to the Town of the enthusiasm and support provided to the Committee by the Executive Secretary. His continuing contributions were always of the highest professional quality, for which the Town should be truly grateful.

Respectfully submitted,

REPORT OF PERMANENT INSURANCE ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

In accordance with the provisions of Article 45 of the Town Meeting of 1958, the Permanent Insurance Committee appointed by the Moderator hereby respectfully submits its Annual Report.

We are pleased that the Town Meeting of 1979 approved the purchase of Automobile Liability Insurance for all Town owned vehicles as said action goes a long way towards protecting the Town in the area where the greatest exposure exists. Because of the significant total added expense involved, the Town decided to obtain liability protection in Annual segments and thus initiated the Automobile Liability first. We continue to recommend this planned approach be followed so as to eventually have in force a comprehensive liability insurance program which will include all exposures subject to potential litigation in the future.

During the year, we initiated and had completed a study on Self-Insurance for the Workers Compensation coverage, which has been an ever increasing premium expense during the past several years. As a result of this study, we do not recommend going the self-insurance route because it will not produce any reduction in cost as yet to the Town.

The insurance values for the buildings owned and insured by the Town were again reviewed during the past year and the coverage adjusted to reflect increases resulting from inflation.

In April of 1979, the gymnasium at Cunningham Junior High School was badly damaged from a fire attributable to arson. Fortunately, because of the solid construction of the gym and the quick, effective responsiveness by fire department personnel, as well as the Custodial-Maintenance staff of the school, the loss was greatly minimized. The claim was recovered in full, less the deductible amount, under the Town's Blanket Fire Insurance Policy.

During the coming year, attention will be focused on the uninsured liability areas of Town operations and recommendations submitted to the Board for their consideration.

Respectfully submitted,

J. BARRY DRISCOLL, Chairman
STEPHEN J. MATTALIANO, JR.
MICHAEL B. O'TOOLE

REPORT OF THE COMMITTEE ON ELDERLY AFFAIRS

To the Honorable Board of Selectmen:

The Committee on Elderly Affairs is pleased to submit its eighth report.

The Committee held seven meetings in 1979 as well as attending 19 meetings with South Shore Home Care Services. The Committee also met once with the Board of Selectmen.

The South Shore Home Care Services delivered 7161 hours of Homemaker Services, 196 hours of Chore Services and 345 transportation hours to Milton Senior Citizens during the period 10/1/78 to 9/1/79. These figures show a significant increase in service hours over the same period of one year ago.

The Committee purchased ten metal cabinets for the purpose of storing its senior citizen card files.

In September of 1979, the Committee began sponsoring a weekly news article in the Milton Record Transcript entitled "Information on Aging."

The Committee is deeply grateful and wishes to express its thanks to the Milton Cooperative Bank for its generous donation of a copy machine.

In February of 1979 the Shoppers Bus Program began operation. The program, a joint effort sponsored by the Board of Selectmen, the Milton Woman's Club and the Committee, has been very successful since its inception. Two thousand two hundred riders used the service during the year which transports Milton Senior Citizens three days per week to and from the Star Market in Lower Mills. The Milton Woman's Club provides volunteer administration for the program as well as enlising all volunteer drivers.

An average of 30 to 35 calls were received each week at the Town Office Building from residents requesting information on various programs and services available to Milton Senior Citizens. Many calls from senior citizens relating to fuel assistance were also received and processed.

The Hot Lunch Program, sponsored by South Shore Home Care Services was attended regularly by approximately six senior citizens of Milton three days per week. Transportation was provided by volunteer drivers from Milton.

As of June, 1979, there were 6408 persons 60 years of age or older listed in our files. The distributions were as follows:

60-61	811	62-64	945	65-69	1496	70-74	1185
75-79	953	80-84	615	85-89	286	90-94	94

Respectfully submitted,

Doris Davidson, *Chairman*
Alice E. Coghlan, *Member*
Charles J. Hackley, *Member*
Hilda Larocca, *Member*
Charles M. McGowan, *Member*

REPORT OF THE PERMANENT COMMITTEE ON HOUSING

December 26, 1979

To the Honorable Board of Selectmen:

The year 1979 was a productive one for housing for Milton's senior citizens. "Winter Valley" opened its doors to its first residents in the middle of December. Hopefully it will be fully occupied by the spring of 1980.

"HOME" broke ground in the fall of the year and its first units will be available for occupancy by the late winter or early spring of 1980. Optimistically, the entire group of apartments will be completed by late fall of 1980.

The Housing Authority was awarded a grant of $180,000 by the Commonwealth for the development of approximately four units of housing for low-income families under the Chapter 705 program. This is a "first" for the Authority, hopefully, a harbinger of things to come.

Mr. Richard Fitzgerald's plan to construct 55 luxury condominiums on the Lamb Estate on the south side of Canton Avenue and Unquity Road will hopefully begin construction in the spring of 1980.

In December the Committee met to discuss a proposed "Fair Housing Policy and Program" required by the Massachusetts Commission Against Discrimination if the town desires to remain eligible for State and Federal grants. The Committee unanimously agreed to support the policy, with very minor changes, outlined by Mr. Robert Rutecki, representing the Office of Selectmen.

Mr. Edward McNulty was appointed to the Committee to fill an existing vacancy. We look forward to his participation and help.

FOR THE COMMITTEE:

DAVID S. GOLDMAN, Chairman
CHARLOTTE C. CLEVELAND
CHARLES H. KEENAN
EDWARD McNULTY
JOHN WOODS

REPORT OF THE TOWN GOVERNMENT STUDY COMMITTEE

January 8, 1980

To the Honorable Board of Selectmen:

Ambrose Nangeroni resigned from the Town Government Study Committee. Francis Brooks was appointed to the Committee to fill the unexpired term.

In performance of our charter mandate to study the operation and structure of our departments and offices of Town Government and to recommend changes that would effect economies or increase efficiency, we have initiated a major study of all Town needs, as seen by the various departments and committees, and how they are being served.

A survey questionnaire sent to selected departments and committees will serve as a basic document for personal interviews with the departments and committees. The interviews will be conducted by subcommittees of the Town Government Study Committee.

Much has changed in the last few years and the current effort will, within the limits of our committee charter, allow us to evaluate the Town's response to those changes.

Respectfully submitted,

Thomas A. Norris, *Chairman*
Francis Brooks
C. Mitchell Draper, Jr.
M. Natalie Fultz
Ann Richardson
George T. Ryan
Martha Wiswell

REPORT OF THE DATA PROCESSING STUDY COMMITTEE

December 31, 1979

To the Honorable Board of Selectmen:

1979 began on a very disappointing note for this committee. Negotiations failed for the implementation of last year's recommendation for automating the Town's Water Billing operation. The committee was then faced with consideration of alternative solutions to the water billing problem.

Finally, after lengthy negotiations and many meetings necessary to finalize the system design and procedures, the records of the Water Department are currently being converted to an automated system. Beginning with the first billing cycle of 1980, the water billing and water payment posting system will be processed on the Norfolk County computer system located in the Registry of Deeds. This committee will carefully monitor the new system during its first year of operation.

Early in 1980, the committee will be meeting with other department heads to assess their needs relative to Data Processing.

We wish to express our thanks to the members of the Water Department for their enthusiastic support of our efforts during the past year and a half. Our special thanks and appreciation go to Lawrence W. DeCelle Jr. and Branch Lane for their invaluable assistance in the implementation of the new Water Billing System.

Respectfully submitted,

FRANCIS F. BROOKS
JOHN T. LUCEY
JOHN R. MITIGUY
ROBERT J. SHEFFIELD

REPORT OF THE ARTICLE 38 COMMITTEE (OUTDOOR ATHLETIC FACILITIES)

The combination practice/Little League/Softball Field adjacent to the existing Lamb Little League Field below Pierce School, was substantially completed this year. It should be turned over to the Park Department in the late Spring of 1980.

The site plan and construction estimates of the major facility to be located on a portion of the recently purchased Lamb property were completed by the Landscape Architects, Larson Associates. These facilities will consist of a regulation football and soccer field, an oval track with space for related events, a softball and baseball field, plus a fieldhouse/restroom facility. Plans and Specifications will be ready for an early 1980 bid, if we decide to proceed at that time.

Our application for reimbursement under the Federal Land and Water Conservation Act was resubmitted in July of 1980. In parallel, we continued our efforts to have our program ready for Town Meeting approval of construction funds.

During 1979 the committee regretfully accepted the resignation of Chairman Charles Burnes, and members Edward Guzovsky and Neil Keller. New appointments by the Moderator were Alexander L. Ross, Lawrence Picard, and James F. Donovan.

The Committee wishes to extend its thanks to all of the people of the Town Departments, Boards, and Committees who gave so generously of their time.

Respectfully submitted,

Leon Piatelli, *Chairman*
Maralin Manning
Alexander L. Ross
Lawrence Picard
James F. Donovan

REPORT OF THE ARTICLE 39 COMMITTEE

The 1979 Annual Town Meeting, by unanimous vote, approved substantial new construction and renovation at Milton High School. This action followed several years of study and deliberation which had defined the needs of physical education and projected the solutions.

The total cost, including prior years' planning expenditures for this project, when completed, will be about $1,480,000. The State, through the School Building Assistance Bureau, is funding 50% of the principal and about 20% of the interest. For this commitment, the Town is receiving one additional small gymnasium, new and enlarged locker room and shower facilities, an elevator, renovation of toilet rooms, stairwells, and doors (in order to conform to the Handicapped Code), and energy conservation work including new insulating glass windows and a revamped control system.

Construction began in April and proceeded at an increasing pace throughout the year. Substantial completion is expected by February 1, 1980 except for landscape work which must, by nature, be left until Spring and the elevator for which equipment availability has been a problem.

The Committee is especially grateful for the cooperation of the School Committee and Administration, who suffered substantial disruption of the normal school program with forebearance and good humor, and especially for the enthusiastic support of the Principal, Roger Conner, who expended great effort to comply with sometimes difficult requests from the Committee, its architect, and the General Contractor.

The Committee is sure that the new facilities and renovations will cure the shortcomings which hampered the indoor physical education program at the High School, will provide a needed community resource, and will obviate the need for any large capital expenditures at this building for many years to come. It should be noted, however, that the needs for additional and improved *outdoor* athletic facilities have not been addressed by this project but are being dealt with by another committee.

The Committee also wishes to thank Neil Keller, who resigned during the year, for his substantial contributions and efforts since his appointment to the original committee in 1976.

Respectfully submitted,

ARTICLE 39 COMMITTEE
Marvin A. Gordon, *Chairman*
Maralin Manning, *Secretary*
Edward Guzovsky
Leon Piatelli

REPORT OF THE AD HOC AIRPLANE NOISE COMMITTEE

January 16, 1980

To the Honorable Board of Selectmen:

On August 26, 1979, the Ad Hoc Airplane Committee was formed by the Board of Selectmen and directed to aid the Selectmen in finding a solution to the unprecedented increase in airplane traffic over Milton.

At the committee's first meeting with the selectmen on September 6, 1979, the committee raised the issue of whether our rights were being waived by the continued over flights on Alternative 5 and suggested that suit be brought. The rest of that initial meeting was directed to setting up a public hearing on September 20 to which members of the FAA and Massport were invited. The purpose of the hearing was to inform the FAA of the Town's opposition to Alternative 5. The committee received a great deal of support from both the selectmen, individual citizens and members of CAAN (Citizens Against Airplane Noise), in setting up the meeting of September 20 which was attended by about 1,000 people and which served to focus on the wide-spread opposition to the Alternative 5 over flights. On October 2, 1979, the Chairman of the Committee met with David Davis of Massport, the Regional Director of the FAA, Robert Whittington and the Secretary of Transportation, Neal Goldschmidt to express the Town's opposition to any continued over flights via Alternative 5. On October 11, the Airplane Noise Committee submitted to the selectmen a recommendation that an independent law suit be filed immediately and at that time we urged that the suit be filed no later than October 22, 1979 allowing for the Town Counsel's scheduled conference with Judge Nelson on October 15, 1979. The October 15, 1979 conference never occurred, and despite the unanimous recommendation of this committee, no suit has been filed.

As early as late October of 1979 through the efforts of Mr. Robert Rutecki, pleadings had been drafted, affidavits had been obtained and put in proper legal form and all preparations for filing suit were completed. In November in response to inquiries from members of the Warrant Committee, this Committee voted not to seek outside counsel since time was of the essence, the suit was fully prepared and Town Counsel had been ordered to file the suit. This committee has been concerned since early in September. The failure of Milton to bring any legal action to enjoin the Alternative 5 over flights would operate as a waiver of our rights to protest against those over flights.

Although the committee is extremely pleased that the FAA has commenced steps to perfect an over the ocean route, named Alternative 6, the problem of Alternative 5 becoming legitimized by inactivity by the Town of Milton remains.

At the present time, the Town of Hull and the Airlines are opposed to Alternative 6. Should there be a problem with the implementation of Alternative 6, the over the ocean departure route, then Alternative 5, the departure route over Milton which caused so much harm last summer will become the established route. It is noted with regret that the selectmen have not followed the unanimous recommendation of the committee.

Respectfully submitted,

W. PAUL NEEDHAM, Chairman
HAROLD BROWN
RICHARD HEATH
HELEN WALSH
The Ad Hoc Airplane Noise Committee

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

January 4, 1980

To the Honorable Board of Selectmen:

The East Milton Environs Committee is pleased to submit a report of its activities since it was created by Article 42 of the 1979 Annual Town Meeting.

The Committee organized on May 3, 1979 with Robert M. Fitzgerald as Chairman, Edward L. Duffy as Secretary, Robert L. Hoy, Rocco A. Mancini and Harry J. Osborne as members.

The Committee has met sixteen times and has discussed a broad range of problems in East Milton. We have solicited the advice and counsel of various parties. Among those who have addressed the Committee are: representatives from the East Milton Businessmen and Professional Association, State Representative M. Joseph Manning, Philip E. Casey, Lawrence W. DeCelle, Alexander E. Manning, Lewis Park, Robert D. O'Leary, representatives from the Metropolitan Area Planning Council, representatives from the four banks in East Milton, Chief of Police Dennis J. Doyle, Officer Donald Hunt, individual merchants and citizens.

From these meetings, the Committee believes that it has identified the causes of the major problems in the area. The solutions to these problems will require careful analysis. We are pleased that we will be receiving assistance from the Commonwealth in 1980 with two studies being conducted at not cost to the Town. The Massachusetts Department of Public Works will conduct a thorough traffic study of the area and the Metropolitan Area Planning Council will conduct a "Charrette" study which will focus on the overall appearance of East Milton Square. The results of these studies will help to shape a course of action in 1980.

The Committee continues to concentrate its attention on four major topics: parking, traffic flow (including pedestrian safety), zoning, appearance (including environmental quality).

PARKING

The proposal to deck a portion of the Southeast Expressway for parking continues to be favored by some citizens. However, previous cost benefit studies of this proposal have shown that this project would be economically unfeasible.

This past year, the Town Department of Public Works has painted new stripes on the two lots on Bassett Street that are leased by the Town. These lots are heavily utilized and we recommend that lighting be installed.

The block bounded by Adams Street, Mechanic Street and Granite Avenue has received considerable attention by the Committee. At a meeting with representatives of the three banks that have parking lots within the block, all the representatives stated that they would favor efforts to increase parking in this block.

The Committee continues to explore areas near the Square that could be utilized for employee parking. Such satellite parking would allow for more convenient customer parking.

The Committee has been presented with proposals to eliminate certain on-street parking spaces in the area to improve the flow of traffic. The south side of Adams Street from the fire station to Mechanic Street has received the most attention, however the Committee favors an increase in off-street parking before eliminating any on-street parking spaces.

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

The utilization of the Town owned parking areas on the west side of Granite Avenue adjacent to the Southeast Expressway has been studied. Although we do not recommend any change in the posted restrictions at this time, the Committee will continue to study whether these lots are being utilized efficiently.

The Committee has studied the existing parking time restrictions in the area. We realize that the posted time limits are not ideal for all merchants and customers but we believe that they serve the general needs adequately at this time.

We have reviewed vacant parcels of land on the east side of Mechanic Street as possible sites for municipal parking.

The Committee is exploring the concept of air rights over private property (especially existing private parking areas) as a possible way to provide additional parking areas.

TRAFFIC FLOW

The Committee is aware that much of the congestion and volume of traffic in the East Milton area is generated by causes that occur outside the area. This does not imply that the traffic system in the area cannot be improved. We await the results of the State traffic study to guide a course of improvements.

The implementation of the "Topics" program, which would modernize the traffic signal system in the area, is awaiting the completion of construction plans.

The Committee has spent considerable time on the patterns of traffic at the Franklin Street – Adams Street intersection and on the access – egress patterns of the bank parking lots. The banks have indicated that they are amenable to changing patterns that will improve the flow of traffic. We have recommended to the Traffic Commission that a "NO LEFT TURN" sign be posted where Franklin Street meets Adams Street. The State traffic study should offer other suggestions for improvements.

We are cognizant of difficult pedestrian patterns from the Post Office to the Adams Street bridge to the east side of Granite Avenue. We suggest study of the pedestrian-traffic light at the Post Office. We will also request that the State study consider the height of the curbing on the Adams Street bridge which can be a difficulty, especially for the elderly.

The Committee supports increased police personnel for traffic control in the area especially at periods of peak banking activity and other high-volume traffic times.

ZONING

We have reviewed the entire zoning of the area and we have considered various proposals for changes. We do not recommend zoning changes at this time. However, we will continue to consider the block bounded by Adams Street, Mechanic Street and Granite Avenue for possible rezoning as well as other areas where we believe a zoning change would alleviate the parking shortage.

APPEARANCE

The Committee has received considerable comment from citizens about the appearance of the commercial buildings in East Milton and the cleanliness of our streets and sidewalks.

The "Charrette" study scheduled for the Spring of 1980 will be an intensive review of the Square by experts drawn from several fields with participation by citizens and occupants of the area. We have requested that the emphasis be placed on the appearance of storefronts and other areas that could enhance the attractiveness of the East Milton commercial district. Related to this study will be efforts by this Committee to elicit sign standardization and to obtain incentives for landlords to improve their buildings.

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

In 1980, the Committee hopes to obtain the services of a consultant from the State Department of Public Works to study the problem of noise emanating from the Southeast Expressway.

The Committee continues to be concerned with the presence of litter in the area. We have noted that the installation of a new type of receptacle has improved the situation in certain areas. We recommend additional receptacles of this type and we also recommend that the Department of Public Works review the collection and clean-up process. The Committee believes that to maintain a standard of clean streets and sidewalks all parties must become involved: the Town Department of Public Works, all citizens (especially the young) and merchants whose products create litter.

CONCLUSION

We believe that much work remains to be done, and we request that the East Milton Environs Committee be continued so that acceptable solutions to the area's problems may be developed.

The problems facing East Milton are not unique. Most other comparable towns encounter similar situations. Motor vehicles continue to proliferate as space for them remains constant. Demands for improvements coexist with demands to curtail spending. (The East Milton Environs Committee expended $30.00 in 1979 – entirely for postage. We do not request additional funds for fiscal year 1981 but ask that the unspent portion of our $500.00 budget be encumbered to work for the Committee.)

The Committee looks forward to the task of improving East Milton so that it may become a better area in which to live, to shop and to do business. With the continued support of all Town officials and citizens, we are confident that our goals may be achieved.

The Minutes of the Committee are on file in the Selectmen's Office and may be read during regular business hours. We have endeavored to comply fully with the Open Meeting Law and we welcomed attendance by interested citizens and merchants.

Respectfully submitted,

Robert M. Fitzgerald, *Chairman*
Edward L. Duffy, *Secretary*
Robert L. Hoy
Rocco A. Mancini
Harry J. Osborne

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

December 31, 1979

To the Citizens of Milton:

The Board of Selectmen was organized following the election on March 3, 1979 with John P. Linehan as Chairman, James D. Colt as Secretary, and Walter F. Timilty as the third member of the Board.

1979 was a challenging year for municipalities. The state, at the urging of the Governor, imposed a 4% Tax Cap on municipal appropriations and tax levies. Through the cooperation of all concerned, the Town of Milton was able to live within both of these Tax Caps.

The Tax rate for 1979 increased by 1.5% to $193.40 per $1,000 of valuation. Restraint in budgets by all departments, plus a substantial increase in state aid resulted in this relatively stable tax rate in a year of high inflation.

We would like to thank Rep. M. Joseph Manning for his work in increasing Milton local aid. A senior member of the House Ways and Means Committee, he has been able to assist the Selectmen in many ways. The Town's local aid received through the cherry sheet has increased by $945,808 in the past two years and the state's assumption of court costs has reduced annual assessments against the Town by $305,644.

At year's end, the pressures of inflation, collective bargaining and energy costs all point to the great difficulty of Milton to stay within the Tax Cap limits without providing for subsequent cuts in public service.

Airplane noise caused by a modification in the takeoff procedure from Logan's Runway 22R resulted in discomfort to many Miltonians last summer. We protested this flight pattern to Massport and the Federal Aviation Administration. Further, we named an ad hoc Airplane Noise Committee to assist us. The Board sponsored a public hearing on September 20th which was attended by one thousand residents. Our request to the FAA was that they adopt an over the water route. We also instructed the Town Counsel to prepare a suit against the FAA to prohibit the interim use of the takeoff procedures over Milton. We have been assisted in this controversy by Rep. M. Joseph Manning, Sen. Joseph B. Walsh, Congressman Brian Donnelly, Sen. Paul E. Tsongas and most of the state's congressional delegation.

In late December, the FAA issued the awaited draft Environmental Impact Statement on Alternative No. 6 which is the over the water route we had been urging. As the year ends, we are working with the citizen group to urge a massive letter writing campaign by residents to endorse this route. The adoption of Alternative No. 6 will entirely eliminate takeoffs over Milton and is expected to halve landings over Milton.

The rapid escalation of fuel oil and gasoline costs, coupled with shortages in the spring raised the spector of serious problems for the winter of '79 and '80. We have taken several measures to insure that the Town can deal with the problem.

A staff person has been designated as the Fuel Crisis Intervention Coordinator. Working with the clergy of the Town and all of the Social Service Agencies, over 150 low income Milton residents were registered for the Federal and State fuel assistance programs. We have limited funds to assist those who do not qualify.

We named an ad hoc Energy Committee who worked with our staff to reduce the energy consumption in public buildings. All offices were instructed to reduce thermostats to 65°F during the heating season and compliance agreements were circulated to persons in these buildings. The Committee has recommended that Town Meeting be asked to authorize a Moderator appointed Energy Committee which would be funded to retain architects, engineers and consultants to conduct energy audits, determine the cost of energy conservation measures, the payback for those measures and to prepare specifications. The Committee, if established by Town Meeting, would report back to the Selectmen and the School Committee in time for a May or June Special Town Meeting which would be asked to fund the construction costs. Probable areas of construction would include insulation, storm windows, heating plant modifications such as zones, controls, burner guns and solar hot water system replacing the present electric system.

This year the Board formally established an Affirmative Action employment plan as required by federal and state Executive Orders. The Personnel Board is the enforcing agent and the plan applies to all departments of the Town except for Schools.

We have also signed a Fair Housing Plan which is required of municipalities by the federal and state governments. We are mandated to have these programs as a condition prerequisite to receive grants.

The Town Meeting of 1979 funded a proposal to provide transportation to the elderly. Nicknamed the "Shoppers Bus", 2,200 rides were provided. Our thanks are extended to the Milton Woman's Club and the dozens of volunteers who have made this service possible.

On land use matters, MRE's Winter Valley was completed and partially occupied on the Whitney Estate. Construction by HOME Inc. began at the Lamb Estate. The Junior League selected the Forbes mansion at 328 Adams Street for the 1979 Show House which was a huge success. The Capuchin Friary on Milton Street was closed this fall and the main house has been selected as the 1980 Show House by the Junior League. The Columban Seminary property became totally vacant in the spring. While the Board of Appeals issued a permit for a nursing home and the state has issued a certificate of need, this project appears to be stalled due to high interest rates for construction mortgages. A new office building was finally begun on the site of the old Hoover Motors garage at the corner of Squantum Street and Adams Street. We have supported this type of use for several years and believe that when completed and landscaped it will be a marked improvement to this neighborhood.

Redistricting of the Town into nine precincts, as proposed by your Board, was approved by the Town Meeting in March. State legislation originally filed by the Board was enacted which allows present Town Meeting Members to be listed as candidates for reelection even when their precincts have been changed.

This Board has submitted several articles for consideration by the 1980 Town Meeting. One is a comprehensive bylaw to regulate door-to-door soliciting and canvassing. A second proposal is to further regulate signs and billboards. A third proposal would transfer the Zoning Bylaw wetland permit responsibility from our Board to the Conservation Commission. We are asking the Town Meeting to authorize the creation of a Recycling Commission and Council on Aging. The former has been recommended by the Milton Youth Recycling Foundation and the latter by our Elderly Affairs Committee. We are continuing to consider the formation of a Human Services Department which would service the needs of the elderly, the youth and the low income families of our community.

We were deeply saddened by the death of Fire Chief John J. Grant. He had served the Town faithfully for 23 years and had worked tirelessly as Chief since his appointment in 1972.

He has been succeeded by Deputy Chief John T. O'Neill who had ably served as Acting Chief during Chief Grant's illness.

At year's end, Police Chief Dennis J. Doyle retired at the mandatory retirement age of 65. He had served as Chief for two and one half years. His many innovations and leadership contributed substantially to the high level of professionalism the Town has in its Police Department. We wish Chief Doyle well in his retirement.

A promotional examination was conducted late in the year to establish a list for the Selectmen to appoint a new Chief. Civil Service is expected to provide us with the results of that list early in 1980.

REPORT OF THE BOARD OF SELECTMEN

This has been an active and satisfying year for your Board. Several long range land use projects got under way and we are making progress in meeting the needs of the Town in other areas. Milton continues to be a beautiful Town with a solid financial foundation and a bright future.

We wish to thank all Town employees, volunteers, members of Boards, Committees, and others who have participated in one way or another during the year as part of our Town Government process. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

JOHN P. LINEHAN
JAMES D. COLT
WALTER F. TIMILTY
Board of Selectmen

James D. Colt, John P. Linehan and Walter F. Timilty, Milton Board of Selectmen, appoint John T. O'Neill Chief of the Fire Department.

REPORT OF THE EXECUTIVE SECRETARY

December 31, 1979

To the Honorable Board of Selectmen:

I am pleased to submit my twelfth Annual Report. Your assignment to assist Department Heads and Committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and directing the activities of its departments.

In February, negotiations were concluded with the "W" and "C" classification employee union who work in the Public Works, Cemetery, Park, Wire and Town Office and Library Departments. The contract covers a two year period July 1, 1979 through June 30, 1981. Wages, subject to the appropriation by Town Meeting, increased by 5½% on July 1, 1979 and a second increase of 5½% is called for on July 1, 1980. The longevity pay plan was increased to be at the same level as the Police and Fire employees as was the Sick Leave Buyback Plan.

The settlement fell within the Federal Wage and Price Guidelines in effect in the spring of 1979.

Negotiations for contract renewals with the Fire and Police Unions were initiated in December. The Union proposals for each unit were expensive and spanned many issues.

The Town's past policy of attempting to maintain employee wages and benefits close to but somewhat under the median of other comparable suburban towns is increasingly difficult to maintain. The contrary pressures of the Compulsory and Binding Arbitration Law and the 4% Tax Cap make bargaining more difficult than in the past. Efforts are being made to reach agreements prior to the 1980 Annual Town Meeting.

The following chart illustrates the energy cost for various public buildings. The focus for the 1980's will be on the reduction of BTU consumption.

TOWN BUILDINGS
ENERGY CONSUMPTION COMPARISON

	Total BTU's	Area Sq. Ft.	Annual Energy Index	FY 1979 Total Cost
Town Office Building	3,442,351	20,328	169	$14,457

REPORT OF THE EXECUTIVE SECRETARY

This fall the Selectmen jointly with the League of Women Voters sponsored a Forum on State and Federal Aid. The following is a partial tabulation of aid which the Town has received:

FISCAL YEAR 1979
STATE AND FEDERAL GRANTS & AID RECEIVED

RECEIVED FROM STATE	
Local Aid – Lottery	$197,400
Local Aid – Special Assistance	193,886
Reimbursement a/c of School Expenditures:	
Chapter 70, G. L.	995,461
Chapter 71 – 7A, 7B, G. L.	73,505
School Construction Grants	50,732
Reimbursement a/c of Free Public Libraries	10,205
Reimbursement a/c of Veterans, Widows & Blind Abatement	52,853
Elderly Tax Exempt – Ch. 967 of 1977	61,307
Chapter 90 Street Reconstruction	12,210
Highway Grant Ch. 497 of 1971 Street Maintenance	104,386
Reimbursement a/c Park Handicapped Program	2,493
Police Public Safety Grant	18,111
RECEIVED FROM UNITED STATES GOVERNMENT	
Library Grant – Learning Disability	13,600
Library Mass. Council on Arts and Humanities	1,230
Park Department – Pierce Field Lights Reimbursement	22,350
School Grant, P.L. 91-230 Title Education Low Income	37,016
School Grant, P.L. 93-380 Library & Learning Resource	11,387
School Grant, P.L. 94482 Vocational Education Coordinator	5,839
School Grant, P.L. 94482 Vocational Guidance & Counseling	1,875
Youth Grant – Counseling	4,398
Blizzard Grants & Reimbursements	23,955
CETA Library – Information for Unemployed	62,000
CETA Youth – Children's Activity Group	84,000
CETA Public Service Employment	112,572
CETA Youth Work Experience	29,193
College Student Work Study Program	28,589
Equipment Received through Civil Defense	
(2) Ambulances for Police & Auxiliary Fire	
(1) 3/4 Ton Truck for DPW	
General Revenue Sharing	432,307
FISCAL YEAR 1979 TOTAL FOR STATE AND FEDERAL	$2,642,860

FISCAL YEAR 1980
PARTIAL LISTING OF PENDING OR APPROVED GRANT APPLICATIONS

U.S.-Community Development Block Grants		
East Milton Square Revitalization	$267,871	
Elderly Transportation	27,863	
U.S.-South Shore Home Care Services, Inc. – Elderly Transp.	27,862

U.S.-LEAA-Vandalism Task Force/School Department	5,000	
U.S.-Civil Defense/Police Radios	18,000	Apprvd
Mass.-Library Grants	11,100	Apprvd
Mass.-Police		
Radar	5,847	Rec'd
Crime Analysis	20,000	Rec'd
Radio Maintenance	1,255	Apprvd

U.S./Mass.-TOPICS Improvements to Various Intersections	800,000
Mass.-Housing Authority Grant for Acquisition of 4 Units	180,000
U.S.-Sewer Facilities Study	15,000

Milton's housing market continued to display strength in 1979. Values were up substantially throughout the Town. According to the Norfolk County Transfer Directory, 423 houses were sold at an average price of $61,037. This compares with 347 sales in 1976 at an average price of $41,694. Each year the turnover rate stays close to 5 percent and this rule held again in 1979 even with two housing for the elderly projects underway.

The staffing level of departments under the jurisdiction of the Board of Selectmen was again reduced for Fiscal Year 1980. Two positions were deleted from the Public Works Department and one position, that of a Personnel Assistant, was added to the Selectmen's staff. There currently are 210 full time positions authorized under the Selectmen's jurisdiction and this compares with 233 in 1969. A reduction of 23 jobs or 10 percent, we believe, is a significant contribution to economy in government.

While the Town can manage better, and we will strive to do so, the systematic reliance on the property tax to provide state services such as the County Emphysema Hospital, the MBTA, the MDC, County Services, continues to have a crippling effect on our tax structure. The state must face up to its responsibilities for tax reform. No longer should the focus be on Tax Cap and referending Propositions aimed at limiting local government operating expenses to levels below the rise in the consumer price index or cost of living. Such efforts will threaten the public safety and economic viability of the community.

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the staff of the Selectmen's Office who have helped me to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

REPORT OF THE TOWN COUNSEL

January 7, 1980

To the Honorable Board of Selectmen:

I submit herewith my report as Town Counsel for the year 1979.

The year began on a rather inauspicious note when Metropolitan Coach Company defaulted on the school bus contract on December 29, 1978. I met with the Superintendent of Schools and members of the School Committee on the Sunday before New Year's Day in an effort to insure continued bus service. The Town has not sustained any loss as yet on this five-year bus contract which has three and one-half years to run. The Town is holding approximately $33,000 as a cash security deposit and $21,000 for unbilled bus services furnished by Metropolitan. The Internal Revenue Service and the trustee in bankruptcy have endeavored to obtain possession of these funds. As of this date, the Town continues to hold these monies.

During the year a bus contractor for the special education students also defaulted on his contract. The default gave rise to conflicting claims by the parties. A satisfactory resolution of the problem was reached.

Three suits were instituted against the Board of Appeals. Two of these were filed by abutters who contested the board's power to grant variances to applicants. One of the suits was subsequently withdrawn and in the other the board's opinion was affirmed. In the third action an applicant for a variance who was dissatisfied with conditions imposed appealed to the Superior Court. A master subsequently heard the case and upheld the board's decision.

In April the Planning Board voted to rescind on its prior approval of a subdivision on Atherton Street. This action resulted in the filing of three separate suits contesting the validity of the vote, a suit by the present property owner, a suit by the holder of a mortgage on the property and a suit by the adjoining land owner. No trial date has been set for the hearing of these cases at court.

In last year's report I made reference to an attempt by the U. S. Coast Guard to assess a civil penalty because of the discharge of oil into Gulliver's Creek. In May I was advised that the Coast Guard had closed the case against the Town and was no longer seeking to hold Milton responsible for either the civil penalty or the clean up costs of the oil spill.

During the year the noise impact resulting from airplanes overflying the Town increased significantly from what had been experienced in the past. Pursuant to your instructions I filed a motion to intervene in a lawsuit between the City of Boston and the Federal Aviation Administration. The law suit was filed because the FAA allegedly altered the departure pattern of planes leaving Logan without filing the necessary environmental impact statement and otherwise complying with the National Environmental Policy Act. Subsequent to the commencement of the suit, the FAA filed a draft impact statement and recommended that the planes leaving Logan use a route designated as Alternative 5. The planes on this route fly up the Neponset River and over the Town of Milton. As a result of protests by citizens and elected officials, the FAA last month filed a second draft impact statement and now recommends another route known as Alternative 6. This route will result in the planes departing Boston over the harbor and then turning and flying over land after the planes have gained altitude. Under this proposal, none of the departing planes using the Alternative 6 route will overfly Milton.

In July one of the younger residents of the Town led a Milton police cruiser on a high speed chase through Mattapan and Roslindale to the Dedham line. When the culprit was finally stopped by Boston and MDC police, he filed applications for criminal complaints against three policemen, including the Milton patrolman, alleging an assault and battery. The charges were dismissed against the officers after a court hearing. In August the Town and three of its police officers were sued by a citizen alleging violations of his civil rights.

It appears that the officers responded to a call for assistance from a distraught wife. The husband alleged he received injuries when the officers removed him from the house and has filed a $100,000 suit in the U. S. District Court. We are defending this action.

In both of these instances I believe our policemen acted in exemplary fashion. It certainly must be somewhat disconcerting to the members of the police department to attempt to carry out their duties in a proper manner and then find themselves as defendants in law suits. I believe the police are entitled to strong support from the Town in these circumstances.

Two other suits of potential monetary significance arose out of collisions between a fire engine with a passenger car and a second accident involving a Town snow plow and a passenger car. The trials of these two cases are scheduled for early this year.

The number of cases at the Appellate Tax Board continues to increase. In 1979 fourteen new appeals were filed. During the year two appellants were granted abatements of real estate taxes and one party received a personal property tax abatement. I am pleased to advise that during the year the long standing appeals by Boston Edison Company and Boston Gas Company were finally resolved. I doubt that many citizens are aware of the long hours the Board of Assessors devoted to these two complex cases and of the excellent results achieved at minimum cost to the Town.

During the year nineteen claims against the Town were settled for the total amount of $5,657.30. I collected twenty claims for damages to Town property in the sum of $16,497.38.

I continue to receive the fullest cooperation and assistance from the various departments in the Town for which I wish to express my appreciation.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE LEGISLATIVE COUNSEL

January 7, 1980

To the Honorable Board of Selectmen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the year 1979. The members of the Town Legislative Committee, besides myself, are attorneys Walter J. Connelly, James F. Dineen, Roland Gray, III and Eugene G. Panarese.

Over eight hundred bills enacted by the General Court during the past year were reviewed by the committee, and departments were notified of legislation that might affect the department operations.

No special acts relating to Milton were enacted during the year. However, because of the redistricting of the Town's precincts voted under Article 37 of the Warrant for the 1979 Annual Meeting, the terms of all elected town meeting members would come to an end as provided in Section 1 of the Town Charter. I therefore drafted a bill to permit incumbent town meeting members to run as candidates for re-election even though their precinct lines had been changed. The law was passed as Chapter 190 of the Acts of 1979.

As always, I was afforded the fullest cooperation by Senator Joseph Walsh and Representative M. Joseph Manning.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE MILTON PERSONNEL BOARD

February 5, 1980

To the Honorable Board of Selectmen:

The Personnel Consultant employed by the Personnel Board and the Board of Selectmen has continued his investigation of the Department of Public Works. Mr. Charles Evans has submitted a preliminary report covering the organization, clerical and engineering phases of the Department.

We believe that the consolidation of certain clerical phases of the Department of Public Works and the Water Department will be implemented on a training basis on or before October 1, 1980, with final consolidation to take place on or about January 1, 1981.

The consolidation of these Departments will result in at least one less clerical position. There will be an upgrading in skills required for the new positions and hopefully, our present employees will possess the expertise required to fill the new job categories.

The Town has been the grateful recipient of the inventiveness of our long-time employee, Paul Williams. Paul has developed a device which replaces water service pipes without disturbing walls, lawns, driveways, etc. It appears that the Water Department has been able to save a sizeable amount of money by using this device. We understand that one four-man crew replaces more pipes than two four-man crews did previously.

The Board has approved the employment of an additional Juvenile Officer. To be qualified, the candidate should have two years of college education with twelve semester hours of juvenile delinquency or related studies, and twelve additional semester hours of related social sciences or the equivalent. A number of our present Police Officers possess the required qualifications and it appears that we may be able to make this appointment from within the Department.

Written notice of a plan to retire during the fiscal year 1981 has been received from Alice Driscoll, the Principal Clerk in the Health Department, Ruth A. Dodd, Administrative Assistant in the Board of Assessors, Betty Myers, Statistical Clerk in the Board of Assessors, and Catherine E. Manning, Administrative Assistant in the Department of Public Works. The Town will miss these loyal and competent employees.

During the past year, the Board has been ably assisted by our Clerk, Josephine McAteer, and for the first time, by our Personnel Assistant, Jonathan Herlihy. Jonathan's pleasant and engaging demeanor has been of assistance not only to the Personnel Board, but also to the Office of the Board of Selectmen.

Respectfully submitted,

JAMES D. FITZGERALD, Chairman
FRANCIS P. McDERMOTT
MANUEL S. LATO
JOHN P. CONNOLLY
RICHARD B. O'MEARA

REPORT OF THE BOARD OF APPEALS

January 3, 1980

To the Citizens of Milton:

The Board of Appeals presents the following report for the year 1979.

In September of this year, Daniel Gans, Jr. was reappointed as a Member of the Board to serve for three years until 1982.

Roderick M. Connelly was appointed a Member to serve for a period of two years filling the vacancy caused by the resignation of Carroll P. Sheehan as a Member.

Two new Associate Members were appointed to fill two vacancies on the Board. Charles M. Donahue will serve for three years and Roger L. Gregg will serve for two years.

We wish to take the opportunity, at this time, to thank Mr. Sheehan who served for many years as both a Member and an Associate Member for his time and valuable service to the Board. Also, we wish to thank John C. Storey for his assistance in substituting for members of the Board who were unable to be present at various hearings.

During the past year, we held 24 hearings. Of this number, there were:

17 applications for Variances
    14 Granted
    3 Denied

4 applications for Special Permits
    3 Granted
    1 Denied

2 applications were withdrawn

1 application was rescheduled.

Respectfully submitted,

CHARLES F. BARRETT, Chairman
DANIEL GANS, JR.
RODERICK M. CONNELLY
Board of Appeals

REPORT OF THE SANITARY LANDFILL

January 2, 1980

To the Honorable Board of Selectmen:

The Landfill off of Randolph Avenue continues as the Town's immediate answer for the disposing of refuse. Operation of the landfill is by a private contractor under the supervision of the Milton Public Works Department.

Some 70 tons of refuse is landfilled per day, resulting in land production at a rate of 60 acre-feet per year. The cost to the Town to operate the Landfill the past year (including plan development and supervision) was approximately $5.50 per ton.

The Department of Public Works continues to work closely with the State Department of Environmental Quality Engineering in developing and improving a monitoring system to detect any potential harm to nearby surface and ground water. Monitoring stations have been placed at a number of locations on the landfill perimeter. Water samples are drawn from these locations periodically and sent to a testing laboratory where they are analyzed for leachate indicator content.

Accepted disposal practices of earlier years have contributed to the generation of a substantial quantity of leachate from the landfill. The Department of Public Works has supervised an extensive program of grading, sealing and planting aimed at the elimination of the leachate flow and improvement in the overall appearance of the landfill. This program is to continue in 1980. The landfill plans and report are constantly revised to reflect positive changes in the sequence of operation and the use of the land.

I still believe that the Town should consider purchasing all or part of the private land west of the Landfill and east of Randolph Avenue. Although current state policy restricts expansion of and promotes eventual phase out of all local landfills in favor of regional ones, I am convinced the landfill could safely expand westward toward Randolph Avenue somewhat if the DEQE could be similarly convinced. Even if expansion into this land is prohibited by the DEQE, the land will continue as a natural leachate attenuater or as a site for more extensive leachment treatment even after the landfill has been closed.

I also contemplate the use of this adjacent land to complement any potential public use of the landfill for needed Town facilities.

Respectfully submitted,

PAUL D. KANTER, P.E.
Town Engineer

REPORT OF THE PUBLIC WORKS DEPARTMENT

January 2, 1980

To the Honorable Board of Selectmen:

Submitted herewith is the seventh annual report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

Curbing, sidewalk and re-surfacing was completed on Pleasant Street (Edgehill Road to Reedsdale Road) under Chapter 90 Program in 1979.

The department issued 20 street numbers and 155 street opening permits.

Continued progress in preparing plans and specifications for Milton Sanitary Landfill for the Department of Environmental Quality Engineering. Re-grading has been in effect in existing landfill area, shedding surface water away from the active area. Rear slope adjacent to Gas Company access road has been loamed and seeded. Water sampling for elevation and quality is underway. Fees collected now have the full time and part time custodian salaries offset. A detail report on the landfill is to be prepared by Paul D. Kanter, Town Engineer, and recorded separately.

Long range plans for sewer, water, street and sidewalk programs are being updated and worked into the public Works budgets.

Statistics compiled and maps prepared regarding undeveloped land in the Town in preparation for potential zoning changes initiated by Milton Planning Board.

All traffic studies, counts, and sketches were done for Traffic Commission as requested.

Maps prepared to support Conservation Commission's enforcement of Wetlands Protection Act.

Engineering services were rendered to Collicot P.T.A. and Milton Dog Pound Committee for special projects.

Engineering service rendered to Building Commissioner was demanding, due to new Building Code requirements and to construction of two large condominium developments.

Department is supervising the structural maintenance inspection, recording and coding of all Town culverts and bridges as a prerequisite in seeking Federal and State assistance to repair.

Working with the consultant firm of Campe Dresser & McKee in the development of a Town wide sewer improvement plan that to date has 1) pointed to the need for the rehabilitation of six existing pumping stations, including the addition of emergency standby power facilities, 2) investigated the various alternatives for unsewered areas of Town, and 3) isolated sections of the existing sewer system for further analysis to determine the need for rehabilitation or reconstruction.

HIGHWAY

The snow and ice months were fortunately lighter than normal. The result was a savings to the Town of Milton in monies and strain on the equipment. This relief was welcomed after going through the "Blizzard of '78".

The continuing drainage improvements program resulted in the installation of 1633 linear feet of various size drains, 9 catch basins, and 6 manholes.

Permanent construction for the year 1979 included installation of 2,127 linear feet of curbing and resurfacing of several streets. A list of locations are included in a detailed Department of Public Works report on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

The engineers have prepared a list of sidewalks constructed, resurfaced or repaired. A list of locations are included in a detailed Department of Public Works Report on file in the Engineering Office.

New equipment purchased during 1979 include combination Tractor-mower, ½ ton Pickup, Platform Truck, Brush Chipper, and Steam Cleaning Machine.

Joseph T. Hannon retired after 15 years of service and Joseph E. Tuohey died after 26 years of service.

FORESTRY AND SHADE TREE MAINTENANCE

The 1979 Arbor Day program, which included the distribution of 1,000 spruce seedlings to Milton 4th and 5th grade students, was very successful. The seedlings were purchased and paid by the Milton Kiwanis Club. The cooperation of the Principals and teachers involved was appreciated.

The Forestry Division planted, in cooperation with the Collicot P.T.A., 22 trees and shrubs at the Collicot School.

78 street trees were planted in 1979 and 96 street trees were removed for various reasons.

Signs of Gypsy Moth infestation is apparent in the Blue Hills Reservation and a complete spraying program is scheduled for Spring of 1980.

Five men have received their Pesticide Application license. A continuing education and training program with the United States Department of Agriculture & County Extension Services agency is in effect.

WATER OPERATIONS

All the Metropolitan Water District Commission meetings were attended during the year.

12 service connections were made to supply new buildings. 3 services were laid from sideline of street to the buildings and 2 services were laid from main to sideline of street.

3 new hydrants were added to our system. The inspection, repairing, gating and painting of hydrants have been continued. 9 additional gates were added to the system. 75 old hydrants still are ungated but in our long range program to be gated.

126 services were relaid. 34 service cards for relays are signed up for 1980 as of this writing.

The Computer Study Committee has obtained an excellent agreement with the Norfolk County Commission for computer services for Water billing. This service is to start January 2, 1980. Our sincere thanks for the hard work and time given to us by committee members Frank Brooks, Chairman, Jack Lucey, Robert Sheffield, John Mitiguy, Norfolk County Commissioners, Registrar of Deeds Barry Hannon, and Chet Svenson of Norfolk

County Data Processing. Much of the guidance given by these people was of a technical nature, eliminating the need for outside consultants.

Joe Lane died after 23 years of service with the Water Division.

Lillian Pompeo resigned after two years with the Water Division.

Ruth McCue resigned after four years with the Water Division.

New equipment purchased in 1979 was 680 Case Backhoe Loader and a Station Wagon.

CENTRAL MAINTENANCE GARAGE

Prevention maintenance and ordinary repairs were provided for all Town vehicles. Only specialty items were sent out for services.

The increase cost of gasoline, diesel fuel, oils, lubricants are creating a hardship to operate within financial limits appropriated.

One major expense unforeseen was the necessity to replace the engine in the 1964 Maxim Ladder #2. The old engine was replaced with a Detroit Diesel Power Engine at a cost of $15,000. This will extend the useful life of this piece of apparatus, however, and should not be looked upon as a one year expenditure.

Walter Forbes, Senior Head Mechanic, resigned due to health after 15 years of service.

Douglas C. Carlson resigned after 13 years of service.

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Program.

To continue with Sewer Study & Improvement Program.

To obtain TOPICS funding.

To continue Stream Clearance Program.

To continue evaluation and priority for replacement of sub-standard bridge and culverts.

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works employees for their cooperation and assistance in completing a very productive year.

I wish to thank the Board of Selectmen, Executive Secretary, and all Town Departments for their cooperation and assistance during 1979.

Respectfully submitted,

LAWRENCE W. DeCELLE, JR.
Director of Public Works

REPORT OF THE TRUSTEES OF MILTON CEMETERY

January 7, 1980

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the year 1979.

There were 290 interments for the year. During the year 264 graves were sold. These were assigned as follows: 4 eight grave lots, 5 six grave lots, 26 four grave lots, 5 three grave lots, 39 two grave lots and 5 single graves.

Part of the newly developed area near Vinewood Road has been laid out in 2 grave lots and was opened for sale in late 1979. Also a family plot section has been opened up in the middle of the cemetery.

In September we established a Gift Fund. Our first gift was for $750.00 by an anonymous donor. This was used to purchase 40 white pine trees for screening in the Vinewood Road area.

The Gift Fund was established to receive donations for the beautification of the Cemetery by planting trees, shrubs and flowers. "Leave a living memory, plant a tree."

Respectfully submitted,

J. Joseph Donovan, *Chairman*
John H. McCue, *Secretary*
Hugo W. Sorgi
Paul F. Dolan
Albin Baronowski

REPORT OF
BOARD OF EXAMINERS, BUILDING DEPARTMENT

January 3, 1980

To the Honorable Board of Selectmen:

The following is the Annual Report of the Board of Examiners of the Building Department for the year ending December 31, 1979.

The Board was created under Section XX of Chapter 7 of the General Bylaws of the Town of Milton.

Eighty Four licenses renewed during the year.

Fees received $248.00.

The Board wishes to acknowledge the co-operation of the Building Department.

Respectfully submitted,

JOHN DELANEY, JR., Chairman
JACK VALLE, Secretary
RICHARD WALWOOD

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report of the Fire Department activities for the year ending December 31, 1979.

ALARMS

The Fire Department responded to 1792 calls in 1979; 540 Box Alarms, 1252 Still Alarms.

MONTHLY BREAKDOWN

On April 15, 1979 the Milton Fire Department was saddened by the unexpected death of Chief John J. Grant. Chief Grant will be missed not only on a professional level by the Town of Milton but also as a true friend.

The Board of Selectmen appointed Deputy Chief John T. O'Neill to the position of Fire Chief effective May 24, 1979.

Lieutenant John A. McSharry retired on an accidental disability January 15, 1979. Lt. McSharry contributed 17 years of devoted fire service.

Firefighter Gerard J. Kelly retired May 20, 1979 after 20 years of faithful fire service.

Firefighter James J. Parrell retired September 1, 1979 after 28 years of faithful fire service. James R. Donovan resigned October 2, 1979 to enter private employment.

The Milton Fire Department will miss these men but wish them the best in their new endeavors.

"IN MEMORIAM"

Chief John J. Grant – deceased April 15, 1979
Firefighter Edward E. Linehan – deceased August 3, 1979
Firefighter Joseph C. Mullen – deceased August 8, 1979
Firefighter Gerald F. Finerty – deceased October 24, 1979

Lieutenant Francis A. Pellegrino promoted Deputy Chief, July 16, 1979
Firefighter Andrew J. Staunton promoted Lieutenant, July 16, 1979
Michael J. Hanafin appointed Firefighter, May 17, 1979
John J. Devine appointed Firefighter, July 9, 1979
Richard J. Keenan appointed Firefighter, July 16, 1979
Joseph P. Angeloni, Jr. appointed Firefighter, November 19, 1979
Thomas L. Cicerone appointed Firefighter, November 19, 1979
Brian A. Doherty appointed Firefighter, November 19, 1979
Ronald G. English appointed Firefighter, November 19, 1979
Paul D. Vincent appointed Firefighter, November 19, 1979

All appointments and promotions were made in accordance with the existing rules and regulations of the Division of Personnel Administration.

A special recognition to the Milton Auxiliary Fire Department under the direction of Firefighter Paul Mason for their labors and expertise in enabling a new piece of apparatus (Lighting Plant 1) to be utilized by the Department.

To the Board of Selectmen, the officers and men of the Department and all Department Heads and employees, I wish to express my sincere thanks for your support, understanding and cooperation during the past year.

Respectfully submitted,

JOHN O'NEILL
Fire Chief

REPORT OF THE BUILDING DEPARTMENT

January 3, 1980

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Building Department for the year ending December 31, 1979:

Month	Number of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Alterations Repairs & Misc.	Valuation	Fees Received
January	16	3	3	–	10	$ 209,420.00	$ 478.00
February	13	–	–	–	13	22,890.00	95.00
March	34	–	–	1	33	80,320.00	292.00

March	44	0	44	129.00
April	28	1	27	88.50
May	28	4	24	120.50
June	33	3	30	248.75
July	30	2	28	134.50
August	41	8	33	1,605.25
September	26	1	25	89.00
October	38	0	38	125.75
November	40	0	40	138.00
December	21	5	16	181.00
	362	24	338	$2,960.50

Fees received for the above permits amounting to Two Thousand Nine Hundred Sixty Dollars and Fifty Cents ($2,960.50) have been collected and paid to the Town Treasurer.

Number of Certificates Issued	194
Total Horsepower Wired	825
Total Kilowatts Wired	2,031

FIRE AND POLICE ALARM SIGNALS

New Fire Alarm Boxes have been installed at the following locations:

2315 – Curry College – 900 Brush Hill Road
5112 – Winter Valley – 600 Canton Avenue – Group 1
5113 – Winter Valley – 600 Canton Avenue – Group 2
5114 – Winter Valley – 600 Canton Avenue – Group 3
5115 – Winter Valley – 600 Canton Avenue – Group 4
9212 – M.D.C. Ulin Skating Rink – Unquity Road

A new Recorder/Reproducer was installed in the Fire Alarm Communication Room.

New Citizen Alarm Police Boxes were installed at the following locations:

15 – Adams Street and Washington Street
24 – Randolph Avenue and Reedsdale Road

The Police Alarm Signal desk was moved from the Police Station Communications room on the first floor to the Emergency Communication room in the basement and reconnected.

REPORT OF THE WIRE DEPARTMENT

Fire Alarm Box 731 on Granite Avenue at Barney & Carey was replaced due to an accident. New electric service was installed in the Fire Alarm room due to a utility pole accident.

WIRE AND CABLE

New wire and cable was installed at the following locations:

Houston Avenue	100’	Thacher Street	600’
Briarfield Road	1300’	Lawrence Road	600’
Brook Road	250’	Houston Avenue	1700’
Windsor Road	540’	Edge Hill Road	500’
Ridge Road	1100’	Unquity Road	450’

Fire and Police Boxes were cleaned, tested and repaired as needed.

Pole transfers were completed as required.

Electrical repairs and installations were made for Town Departments as requested.

TRAFFIC SIGNALS

Traffic signal equipment was repaired or replaced at the following locations due to motor vehicle accidents and vandalism:

Accidents:

Adams Street and Squantum Street
Adams Street and Eliot Street (2)
East Milton Square
Canton Avenue & Highland Street
Randolph Avenue & Centre Street

Vandalism:

Brook Road & Pleasant Street
Reedsdale Road, Canton Avenue & Centre Street (3)
Edge Hill Road & Collicot School (7)
Brook Road & St. Mary’s School (4)
Brook Road & Centre Street
Brook Road & Standish Road
Adams Street & Boulevard Street
Andrews Field – Police Box
Gile Road at Pierce School – Police Box
Harbor View Road & Eager Road – Fire Box

All Traffic Signals were relamped and control equipment was cleaned, oiled or repaired periodically or as needed.

In conclusion let me express my thanks to the Board of Selectmen for their cooperation and assistance during the past year. May I also extend my thanks to all Town Departments for their assistance and to the members of the Wire Department for their continued fine work.

Respectfully submitted,

LEWIS E. PARK
Inspector of Wires

REPORT OF INSPECTOR OF PLUMBING AND GAS

January 3, 1980

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the year of 1979.

Month	No. of Permits	Plumbing	Gas	New .	Old	Fees Received
January	51	32	19	2	30	$187
February	44	21	23	–	28	$136
March	39	20	19	–	27	$133
April	41	21	20	–	27	$180
May	83	41	42	1	52	$259
June	38	18	20	3	26	$216
July	137	57	80	4	85	$482
August	78	24	54	4	56	$301
September	110	40	70	3	76	$400
October	123	44	79	–	88	$454
November	82	36	46	4	57	$549
December	69	26	43	–	46	$253
TOTALS	895	380	515	21	598	$3,550

Fees amounting to Three Thousand Five Hundred Fifty Dollars ($3,550) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who assisted me in 1979.

Respectfully submitted,

PAUL D. WILLIAMS
Inspector of Plumbing and Gas

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

January 4, 1980

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Weights and Measures Department for the year 1979:

Scales Sealed	11
Scales Adjusted	1
Weights Sealed – Avoirdupois	4
Weights Sealed – Apothecary	33
Weights Sealed – Metric	37
Automatic Measuring Devices Sealed	45
Automatic Measuring Devices Adjusted	3
Capacity Measures Sealed 1 gallon and under	8

During the year 1979, Two Hundred Forty Three Dollars ($243.00) in fees were collected and turned over to the Town Treasurer.

Reweighing of 318 food items was made at the various markets, number correct 312, number overweight 5 and number underweight 1.

I wish to thank your Honorable Board and all Town Departments who assisted me in 1979.

Respectfully submitted,

PAUL D. WILLIAMS
Sealer of Weights and Measures

REPORT OF THE FENCE VIEWERS

To the Honorable Board of Selectmen:

The several complaints received by us during the year 1979 were disposed of by the Building Commissioner in a satisfactory manner.

Respectfully submitted,

TERESA SHAUGHNESSY
NATHANIEL C. LORD
Fence Viewers

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

December 31, 1979

To the Citizens of Milton:

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasable.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	5,850 feet
Brush obstructing drainage cut	600 feet
Culverts cleaned and opened	9
Drainage constructed or improved by machine	550 feet

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack and mistblowers	45 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide mistblowing from trucks	7,480 acres
Catch basin application. Adulticide and larvicide	989 acres

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 70 calls from residents for information and assistance. The Milton Board of Health received 228 calls from residents.

Respectfully submitted,

ALBERT W. HEUSER
Superintendent

REPORT OF THE BOARD OF PARK COMMISSIONERS

January 9, 1980

To the Citizens of Milton:

The following is the Annual Report of the Board of Park Commissioners for the year ending 1979.

Mr. Paul P. Joyce was elected Chairman, Donal J. Fahey, Secretary and John S. Shields, Member.

Improvements to the playgrounds were as follows:

Reconditioned Lamb Little League Field, Kelly Field Softball Field, Kelly Regulation Diamond, Eliot Street Playground Little League Field and Andrews Playground Little League Field.

Rebuilt Andrews Playground Regulation Diamond.

Built a new Little League Field at Andrews Playground.

Installed safety bench enclosures for Player's Benches at Andrews Playground.

Installed chain link fences at Kelly Playground and Pierce Field.

Recreation Programs offered by the Park Department are as follows:

Basketball
Gymnastics
Street Hockey
Ballet
Acrobatic Dancing
Volleyball
Badminton
Bridge Instructions
Road Race
Square Dancing
Girls' Softball
Baton Twirling
Women's Slimnastics
Ski Instructions
Men's Softball
Women's Softball
Tennis Instructions

The attendance this year at Milton Park and Recreation Programs was once again up. The big jump in attendance at gymnastics warranted increasing the summer program from five weeks to six weeks. Attendance was up at boys' basketball, street hockey, the road race and the Senior Citizens golf tournament.

A new girls' elementary and junior high basketball program was started and proved successful. Also, an additional evening session of elementary soccer was added to the recreation programs.

Two new programs for older residents were square dancing and bridge instructions.

The Skiing Program, held on Saturday mornings at the Blue Hill Ski area, for the second consecutive year had over 400 participants.

With the assistance of several Fraternal Organizations in the Town, the Park Department held a running race along the streets of Milton. It was the largest such race on the South Shore, with over 1000 runners.

The Board hired James J. Lynch as Director of the Handicapped Program. Milton continues to be reimbursed for 50% of all costs for this program.

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The Board received $1010.72 in restitution from vandals for damages to Park Property this year.

The problem of litter and vandalism continues to plague the Department, requiring the grounds crew to spend many hours on this work when they could be performing more constructive projects.

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards and Commissions who have helped and assisted the Park Department this past year.

Respectfully submitted,

PAUL P. JOYCE, Chairman
DONAL J. FAHEY, Secretary
JOHN S. SHIELDS, Member

REPORT OF THE MILTON HOUSING AUTHORITY

To the Honorable Board of Selectmen:

The Department of Community Affairs informed the Milton Housing Authority that we would receive funding under the state chapter 705 family housing program for the purchase of four dwelling units.

We wish to thank the Board of Selectmen, their staff, and Representative M. Joseph Manning for their cooperation and support throughout the year.

Respectfully submitted,

ELIZABETH ATKINS, Chairman
BERNICE E. AHEARN
KATHERINE HAYNES DUNPHY
BERNARD J. LYNCH, III
RICHARD W. RENEHAN

On March 31st Commanding Officer Uniformed Division Joseph C. Ryan retired. Lieutenant Ryan made many contributions to the department during his 33 years of service and the department will miss his leadership. We wish him many years of happy retirement.

On January 15th Patrolman Francis J. King was granted a disability retirement. Patrolman King's contributions to the department during his 22 years of service will be missed. We wish him a long and healthy retirement.

Detective C. James Cox retired due to disability on June 5, 1979. Detective Cox served the department for 27 years in many capacities, Route Officer, in charge of Traffic, Narcotics Officer, Prosecuting Officer, Photographer, Identification Officer, Rape Investigator and Fingerprinting. We hope his retirement will be a long and healthy one.

On July 15, 1979 Detective Francis R. Kelley retired to enter private employment. Detective Kelley served the department for 20 years, much of this time as a detective. He was an accomplished and dedicated police officer and we wish him well in his new endeavors.

Patrolman Donald L. Hunt retired on September 1, 1979 after 21 years of dedicated service to the town. Officer Hunt served both as a night and day officer and for the last several years was assigned to the day route in East Milton Square. We wish Officer Hunt much success in his new position.

On September 1st two of the three vacancies in the Investigative Division were filled by the appointment of Patrolmen George Skinner and John Smyth to the rank of Detective. Both of these officers have functioned well in the uniformed branch and bring with them great maturity and experience.

The 1966 patrol wagon has been replaced by a 1979 Ford Van. Eleven cruisers purchased through the Greater Boston Police Council's central purchasing arrangement resulted in a net savings of $990.00 per cruiser.

Six moving radars permanently mounted in the cruisers were obtained through matching funds from the Governors Commission on Highway Safety.

Several recommendations of the Vandalism Task Force have been implemented.

REPORT OF THE POLICE DEPARTMENT

The Crime Analysis Program, funded by a federal grant, has been approved for a second year. During 1979, its first year in operation, much meaningful information was developed to assist in patrol distribution.

The emergency medical transportation handled by the Police Department continues to provide excellent service to the town. Ambulance calls are being limited to emergency situations and are now approaching 1,000 calls per year.

Many of the officers continue to attend schools taking courses that will increase their knowledge of police work and thus enable them to better serve the citizens of the Town of Milton.

The EMT certification and refresher programs continued during the year. The refresher courses were conducted at the police station by department EMT Coordinator Patrolman S. Leo Judge and three doctors from the Milton Hospital staff.

The Auxiliary Police Unit, under the direction of Lieutenant David E. Macdonald, has continued to volunteer many hours of service. Their nightly patrols of the schools and their assistance on other special occasions when called to duty have been very helpful to the Department.

Our communications capabilities have expanded greatly this year with the installation of a new BAPERN radio console. A changeover to a LED digital alarm display, along with a high speed video display, replacing the old teletype system to the State and NCIC computers, combined with sound paneling and other improvements, have given us a complete, modern and efficient command and control center.

To the officers and men of this department I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted,

Dennis J. Doyle
Chief of Police

REPORT OF THE TRAFFIC COMMISSION

January 3, 1980

To the Honorable Board of Selectmen:

Three meetings were held during 1979. They were all properly posted by the Town Clerk as required by law.

The residents of the Riverside Avenue area submitted a petition requesting that gates be installed at the entrance to the newly paved road at the end of Riverside Avenue. The Commission recommended the installation of these gates to control unauthorized entrance to the area.

The Commission recommended that the existing "No Parking" signs on Fullers Lane and Patricia Drive be replaced with "No Parking-Tow Zone" signs.

The Commission's opinion on the roads for the Winter Valley development was sought by MRE. The Commission advised MRE that they felt the access road to Highland Street as proposed should be used only for emergency vehicles but the road must be plowed and remain passable at all times.

The vacancy on the Traffic Commission caused by the non resident status of Gino Fiore of the School Department was discussed at the November 28th meeting. Mrs. Eileen F. Gillis, a Milton resident and teacher, was selected as the fifth member of the Commission.

"No Parking" at the gate entrance to the ball field of Milton High School was discussed and it was voted to erect a "No Parking-Emergency Entrance" sign. Recommendation was made by Chief O'Neill, and the Commission agreed, that the entire parking problem at the high school be reassessed and reevaluated upon the completion of the present construction.

Action was taken on requests made by the East Milton Environs Committee for traffic sign changes in the East Milton Square area. One request for a "No Left Turn" sign is still under study and determination will be made at our first meeting in 1980.

The following requests from various town departments and citizens were acted upon:

Nine requests regarding "No Parking" signs were considered. Three were recommended, two not recommended. One request for removal of a "No Parking" sign was not recommended because it was a requirement of TOPICS. The changing of two existing "No Parking" signs to "No Parking Here To Corner" was recommended. One new "No Parking Here To Corner" sign was recommended.

One request for a "Slow Children" sign was recommended.

One request for a "Dead End" sign was recommended.

One request for an "Angle Parking Only" sign was recommended.

One request for a "Signal Ahead" sign was recommended.

One "Dangerous Curve" sign was not recommended.

One request for the elimination of a crosswalk was recommended.

One request for a "Stop" sign was recommended.

Respectfully submitted,

DENNIS J. DOYLE, Chairman, Chief of Police
JOHN T. O'NEILL, Fire Chief
ALBERT P. ZANIBONI, Superintendent of Streets
PAUL D. KANTER, Town Engineer
EILEEN F. GILLIS, School Department

REPORT OF THE MILTON PLANNING BOARD

January 3, 1980

To the Honorable Board of Selectmen:

The Milton Planning Board is happy to report one of its busiest years in recent memory with 24 open meetings and 5 public hearings. The first hearing on January 11, 1979 was held in East Milton and involved the possible rezoning of a portion of the west side of Mechanic Street behind the Milton Savings Bank from Residence C District to Business District.

A Public Hearing on January 25, 1979 at the Town Hall was held to discuss amendments to the D-1 Zoning Bylaw and a Public Hearing was held on February 22, 1979 at the Town Hall to rescind the Atherton Street Subdivision. Another Public Hearing was held on May 24, 1979 at the request of Home, Inc. and on November 24, 1979 a Public Hearing was held at the Trailside Museum to discuss several matters under consideration, namely, AA (2 acre) zoning, five acre driveway subdivisions and the conversion of existing large homes into condominiums and/or apartments.

The response to this latter hearing was quite encouraging and a great deal of time will be spent in the next 12 months preparing and modifying the thoughts that were presented at that time.

On April 11, 1979 a special permit was granted for the development of Quisset Brook Condominiums. On June 28, 1979 the Board voted to approve the Site Plan for Home, Inc. and on September 6 the Planning Board voted to join with the Board of Selectmen and the Housing Authority in supporting the AHOP Program for Milton, for study purposes only. In addition, the Board, with the assistance of Mr. Paul Kanter, Planning Engineer, reviewed every parcel of land 6 acres or more and had an appropriate map prepared.

The Board wishes to acknowledge the assistance of Mr. Kanter and Mrs. Genevieve Byron who made the rather busy schedule of the Planning Board this year quite palatable and easily managed.

Although we do not plan to make any zoning article presentations at the March 1980 Town Meeting, we do anticipate that one year hence there will be several interesting proposals to be made.

Respectfully submitted,

J. WILLIAM DOLAN, M.D., Chairman
SUZANNE C. COLLINS, Secretary
PATRICK H. DONAHUE
JAMES G. HANNON
ROBERT J. KELLY

REPORT OF THE BOARD OF HEALTH

January 14, 1980

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its Annual Report for the year ending December 31, 1979.

ORGANIZATION

Morton Wolf, D.V.M., was elected by the voters for a three-year term on March 3, 1979. On March 6, 1979 the Board met and elected Virginia A. Gaffey, R.N., Chairman; and Morton Wolf as Secretary. The Board appointed Michael J. Sullivan, R.S., as Agent to the Board; Alice A. Driscoll, Principal Clerk; Mary A. Whitney, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of infants and children and counseling for the parents. Immunization against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio were provided and tine tests for detection of tuberculosis infection were administered.

SCHOOL HEALTH SERVICES

Physical examinations of pupils in the third, fifth, eighth and eleventh grades in parochial and private schools were provided at the individual request of a parent or guardian.

The Massachusetts Vision Test and the Pure Tone Audiometer Test for hearing were administered to all enrolled parochial school pupils.

Tine tests for evidence of tuberculosis infection were made on 225 children newly transferred into parochial and public schools.

Clinics held in public and parochial schools provided the following immunizations: Mumps-Measles-Rubella – 185; Diphtheria and Tetanus – 145; and Sabin Oral Polio – 55.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested ninety-five residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Mass. General Laws governing persons in contact with school and college-age persons. TB tests for residents and school personnel are available on a year-round basis by appointment through the Board of Health office. TB casework during the year included eight contact referrals, ten home visits, and twenty-five follow-up contacts of persons on chemotherapy or out-patient care.

Follow-up of one case of rubella, one case of meningitis, two cases of hepatitis and twelve cases of salmonellosis was carried out.

The State Law requires that children be immunized against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio before attending school. Vaccines for diphtheria, tetanus and pertussis (DTP); for measles, mumps and rubella (MMR); and for polio (Sabin) were distributed from the Board of Health office to community physicians for immunization of children. The immunization of infants and children by physicians was supplemented through the well child clinics and school clinics for booster doses. There were no reported cases of diphtheria, tetanus, pertussis, measles or polio in 1979. Thirty-five cases of chicken pox, one case of scarlet fever, six cases of positive strep throat, one case of rubella and sixty-four cases of mumps were reported during the year.

PUBLIC HEALTH CLINICS

The Board of Health conducted four influenza clinics on October 30, November 5, November 7 and November 13, 1979. 736 Milton residents took advantage of these clinics and received immunization against the three strains of flu that were expected to be most prevalent during this year's flu season.

INSPECTION OF ANIMALS

A total of seventy-four dog bites were reported to the Board of Health in 1979. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M., examined eighty-three horses, three cows, and inspected seventeen stables.

ENVIRONMENTAL HEALTH

Seventeen permits to operate food service establishments were issued in 1979. All food service establishments were inspected for compliance with the State Sanitary Code. In addition, all schools were inspected periodically. Six establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the Mass. General Laws.

Twenty-five applications for individual sewage disposal systems were submitted in 1979. Nineteen were requested for new dwellings of which ten were disapproved because the lot inspections revealed they were unsuitable for the subsurface disposal of sewage. Six applications were submitted and reviewed for the alteration and repair of existing systems.

There were eighty-seven nuisance complaints that required investigation; twenty-four lead paint analyses; twenty-seven housing inspections; twenty-seven water analyses; and fifty-four miscellaneous calls that required field investigation. Sixteen milk samples were collected and tested for butterfat, total solids, antibiotics, standard plate count and coliform count.

As the result of Town Meeting vote the mosquito control program in Milton, which was provided by the Norfolk County Mosquito Control Project, was altered from previous years. The 1979 program consisted of the following:

1. Aerial spraying in the town was limited to the salt marsh area.
2. Ditching efforts, treatment of catch basins, and backpack applications of larvicide continued as in the past.
3. Larviciding and adulticiding by truck mistblowers were limited to specific areas upon residents' requests. Two hundred and seventy-eight residents requested spraying in their area.

Monthly educational articles were published in the Milton Record-Transcript covering such topics as Diet, Mumps and Rubella Immunizations, Head Lice, Childhood Lead Poisoning, and German Measles in Adults.

Licenses to deliver milk in the town from vehicles were issued to two dealers. Fifteen licenses were issued for sale of milk in retail stores. Eight oleomargarine registrations were issued. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage and three permits for commercial stables were issued in accordance with the General Laws of the Commonwealth. Four licenses to purchase syringes, two licenses to deal in methyl alcohol, and one license to manufacture frozen desserts were issued in 1979. Three licenses to operate recreational camps were issued, two permits for public swimming pools, three permits for removal and transportation of the contents of privies, and two to remove and transport garbage and offal. Ten permits to install local sewage systems were issued. Six licenses were issued to funeral directors.

FINANCIAL SUMMARY

Income from fees for permits and licenses issued by the Board of Health during 1979 was $1,165.50, which is a substantial increase over previous years and is due to the revision in the fee schedule.

Respectfully submitted,

VIRGINIA A. GAFFEY, R.N., Chairman
MORTON WOLF, D.V.M., Secretary
JOHN S. COLDIRON, M.D., Member
Milton Board of Health

REPORT OF THE DOG CONTROL UNIT

December 31, 1979

To the Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

In compliance with the Dog Officer's Warrant we are pleased to submit our report for the period ending December 31, 1979.

Number of stray dogs picked up	182
Stray dogs sold	98
Stray dogs put to sleep	4
Pound fees collected	$ 261.00
County reimbursement	2,480.00

96 Dog Citations were issued totaling $1,440.00. The town was reimbursed by the court for their share of this revenue.

In cooperation with the "Friends of the Pound" we, throughout the year, found homes for many of our stray dogs.

A program has been set up with Dr. Morton Wolf for the Dog Officers to give all stray puppies distemper shots at the pound as they arrive.

We also had a problem with two dogs killing sheep on the Bartol estate on Canton Avenue. We managed to solve this problem and Mr. Bartol was well satisfied. Mr. Bartol was reimbursed by the county for his loss.

The Dog Officers report a decrease in stray dog complaints. All dog complaints are answered as best and quickly as possible.

The Dog Officers also see an increase in court complaints with citizens asking for appeals. We are working most successfully with Quincy District Court on most matters.

Respectfully submitted,

JOHN E. LANK
GARY D. NUNLEY

REPORT OF THE BOARD OF RETIREMENT

Milton, Massachusetts
February 4, 1980

To the Honorable Board of Selectmen:

The Financial report of the Board of Retirement for the year ending December 31, 1979 is submitted herewith.

As of December 31, 1979 we have 413 employee members and 207 pensioners and survivors receiving benefits under the Milton Contributory Retirement System.

BOARD OF RETIREMENT

REPORT OF THE BOARD OF ASSESSORS

January 10, 1980

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit the following reports:

Annual Report of Activities: January 1, 1979 - December 31, 1979.

Report of Receipts (Estimated) and Expenses for Fiscal Period: July 1, 1979 - June 30, 1980.

At the Annual Town Meeting of March 3, 1979, Thomas S. Gunning, Jr. was re-elected for a term of three years. The Board organized as follows:

Daniel E. Duggan, Jr., Chairman
M. Joseph Manning, Secretary
Thomas S. Gunning, Jr.

The major activity of the Department continues to be the development of the revaluation of all real estate and personal property. The listing and inspection of all parcels of property is about complete. The second phase of establishing values is now underway under the guidance of our Chief Appraiser Henry J. Bertolon. Mr. Bertolon replaced Philip J. Waterman on June 18, 1979. Mr. Waterman left to enter private employment.

The ratification by the Massachusetts Legislature of the amendment to the Constitution calling for classification of properties for assessment purposes is now law and will be implemented in conjunction with revaluation, a requirement under the new statute.

The Board would like to take this opportunity to express its sincere thanks to the citizens of Milton for their continued cooperation and assistance they have rendered to our Revaluation Office and its personnel.

We want to express our gratitude to the dedicated personnel for their excellent performance during the year. To the Departments and Boards that render assistance to us, we are most appreciative. The Board wishes to express its sincere thanks to Town Counsel Robert D. O'Leary for his valued assistance and counsel. His services have been most beneficial to the Town of Milton.

The detailed statement of Receipts and Expenses follows:

JULY 1, 1979 - JUNE 30, 1980
EXPENSES FOR 1980 FISCAL YEAR

ESTIMATED STATE & COUNTY ASSESSMENTS (Commissioner's Estimates)		ACTUAL AMOUNTS ASSESSED BY STATE & COUNTY

REPORT OF THE CHIEF APPRAISER – BOARD OF ASSESSORS

January 10, 1980

To the Board of Assessors:

On June 18, 1979 I accepted the appointment as Chief Appraiser for the Board of Assessors. After a period of indoctrination and review with the Board of Assessors, the listing of all properties was continued with one Lister and will be completed by March 1, 1980. The phase one of the revaluation program was approximately eighty-five per cent complete on June 30, 1979 at which time the three Listers completed their employment contracts.

All exempt properties, both private and public, is now being measured and listed for the purposes of valuation, even though exempt.

A complete study of land values is now underway in order to provide a comprehensive land assessment procedure that will be acceptable to the Department of Revenue, Commonwealth of Massachusetts. This procedure is required under the recently enacted Classification Statute, Chapter #797, Acts of 1979.

The cooperation we have received from the citizens has been most appreciated by me. The systematic data collection that has been compiled through out listing process is now being assembled for computer analysis.

I would like to thank the personnel of the Revaluation Office as well as the Board of Assessors and their staff for the assistance and cooperation that has been accorded me.

Respectfully submitted,

HENRY J. BERTOLON
Chief Appraiser

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

To the Citizens of Milton:

The year 1979 has been a year of disturbing events on both the national and international scene. Gold and silver have soared to new heights while the dollar seeks new lows. However, the Milton Public Library continues to operate at peak efficiency, giving excellent service as usual. Perhaps we will be a little cooler than other years, but we must accede to the 65° temperature settings for public buildings. Bear with us – we hope it will be only temporary.

This year we lost three valued Library Trustees, Clifton L. Fasch, Antonette M. Finizio and James M. Kickham. They were truly devoted to the Library. Clif Fasch, our Senior Trustee, retired after twenty years of service on the Board. He contributed his support in every area of library need, but especially as our photographer par excellence. We will miss his easy smile, his genial manner and above all his excellent judgment and practical solutions to our many problems. We will also miss Antonette who brought to us her deep-seated interest in the Library and her fine cultural knowledge. She gave freely of her time attending various organization meetings to increase the scope of her knowledge as a Trustee. We are sorry to lose her ready smile and easy wit. Mr. James M. Kickham was elected in 1974. We feel he was with us for all too short a time. He contributed the answers to our legal problems, our art problems and even such a homely problem as a suggestion for a popular play area in the stairwell of the Children's Room. We will miss his high quality of judgment, his keen business acumen, but above all we will miss the pleasant personality of Jim Kickham.

However, time marches on and it is with pleasure that we welcome three new members to our Board of Trustees – Mr. John Gibbons, Mrs. Eileen Gillis and Mrs. Mary Palardy. We are delighted to have them with us and we are looking forward to working with them in the years ahead.

Our staff is changing, too. Mrs. Helen Gaffey and Mrs. Mildred Malone came to us in October 1968. They both were highly competent in their positions in charge of the Children's Rooms – Mrs. Gaffey at East Milton and Mrs. Malone at Kidder. We will indeed miss them.

We are happy to report that the Milton Public Library has received the Public Relations Award from the Massachusetts Library Association for the LEAD booklist. The word LEAD is coined from the title Learning by Example and Doing. It is a feather in our cap to receive this Award.

The grants for LEAD and the Saturday Job Information Center, which proved very popular, ended in 1979. Other grants received included $62,000 from CETA for inventory and indexing the *Milton Record-Transcript*, a grant ending in 1980, and a Library Services and Construction Act grant of $6,000 for a community survey under Dr. Dante Germanotta of Curry College. We also received $1,200 from the Massachusetts Council on the Arts and Humanities to help in part to refurbish four large paintings which will be hung at Central and East Milton.

This is the second year for the Friends of the Library. Dr. Herbert Wotiz is the new President succeeding Mr. William Flavin. Mrs. Eileen Gillis is the representative from the Trustees to the Friends. They have been very active, sponsoring a book sale in the spring and a successful flea market in the fall.

We are grateful for the many gifts and kindnesses received from people interested in the Library. Gifts of money are always welcome and are used to buy something too expensive to be within our budget. The Garden Club has kept our rooms cheerful throughout the year and the Junior Woman's Club continues to run an excellent Library School for the preschool children of Milton. We wish to thank as well the exhibitors in our Gallery whose shows are a source of pleasure and beauty.

There were many activities at the Library this year including a Halloween party with prizes and goodies, a Puppet Show, films at Central and Kidder, summer outdoor films and a Spinout Reading Club. All proved very popular.

In conclusion the Trustees would like to pay tribute and express thanks to our dedicated, excellent staff, and especially to our Director, Mr. Edward Locke, for the outstanding quality of service throughout the year.

QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT

Front Row, left to right: Superintendent-Director Albert G. Chouinard, Chairman Joseph M. Connolly of Natick, Vice-Chairman Paula A. Mealy of Dedham, and Recording Clerk Mary Sparks.

Back Row, left to right: Administrative Assistant Dr. Donald R. Kaupp, Paul F. Harrington of Milton, David E. Marr of Natick, Arthur C. King, Jr., of Dedham, Treasurer Warren J. Himmelberger, Robert DiSchino of Wellesley, and Samuel Strickland of Wellesley. Member Robert Delaney of Milton was absent.

REPORT OF THE MILTON PUBLIC LIBRARY

January 1980

To the Board of Trustees of the Milton Public Library I have the honor of presenting the Annual Report for the year ending December 31, 1979. This is the one hundred and eighth Annual Report.

The year 1979 went by quickly. Noticeable, however, was a renewed interest in the library. Circulation of books and materials increased over last year. Programs were on the whole well attended. If there was nothing quite as startling as some of the innovations of the year before, there were some interesting new services nevertheless. In short, it was a year of both consolidation and accomplishment.

We continued to fill in missing and needed books, mostly in the category of "near classic" or "lesser-known classic" or "modern classic". We can actually say that the Milton Public Library now owns every major book of the western (and many of the eastern) world, and though people may differ as to what "major" means, there is anough agreement, we believe, to satisfy anyone that a liberal education can be obtained through the Milton Public Library. As one of our signs says, "Get Smart Cheap – Read."

We continually face the problem of lack of space. One way we did make room for more books was by adding more paperback revolving racks – one for varied children's paperbacks, and one with science fiction paperbacks which doubled our science fiction collection.

Sometimes patrons will notice that books have been shifted to another section. These changes are done with special benefits in mind: the largest change involved consolidating the nonfiction area to allow room for 600 more fiction volumes. In addition, another section of mystery books was added, and reference materials in microfiche increased our holdings while taking little space. There is a limit, however, on ways to add materials, and the library is "bulging" right now.

Magazine racks were added to the Reading Room, alowing for better display as well as more periodicals. An information stand and another bulletin board were placed in the lobby, for the library provides the community with space for cultural announcements. New signs and maps at Central guide the patron through the complex building. We continued to add special materials: thus, a donated microscope can now be borrowed. The door slits in both branches were enlarged to accommodate the return of phonograph records to any branch.

In order to inventory our collections, we applied for and received a CETA grant of $62,000. By April of 1980, the personnel obtained will have counted all materials and aided in many details of technical services, to enable us to have a better idea of what we own, what is missing, and how all this is reflected in the card catalog. In addition, the *Milton Record-Transcript* has been indexed from 1904-1948, and we will publish the index soon, thus making it possible for historical researchers to check significant events and personalities in Milton for those years.

Also, a $6,000 grant was received under the Library Services and Construction Act, through the Board of Library Commissioners, to survey the town and its citizens, with a view toward discerning library needs, attitudes toward the library, educational backgrounds, population shifts, etc. Dr. Dante Germanotta of Curry College is in charge of the survey.

We also received $1,200 from the Massachusetts Council on the Arts and Humanities to refurbish four paintings.

This year saw the end of two grant projects. LEAD, which aided children with learning disabilities, has left its impact, and we still own super 8mm films, books, cassettes, filmstrips, games, puzzles, cassette players, a reel-to-reel recorder, super 8mm projectors, filmstrip viewers and projector, and a speed-reading machine. All these are being used constantly by the public.

The "Saturday Job Information Center" ended, with many people aided during interviews with Mrs. Kane. We still own the materials purchased under this project. Our thanks to Max Horvet and the Youth Department for enabling us to work within their grant.

We must mention, without undue vanity, the receipt of a Public Relations Award from the Massachusetts Library Association for our LEAD booklist.

For families, the library now offers free museum passes to the China Trade, Fine Arts, Science, and Brockton Fine Arts, Museums. These are available at the East Milton branch, and many families have enjoyed a stimulating afternoon with the passes. Also, the library opened the children's rooms of both branches on Monday evenings from 7-9 p.m., so that the entire family can now be served in an evening at the branches.

Cooperation with the schools and other community organizations continues. Classes continually visit the library. In May, every public school elementary teacher was at the library for a tour and discussion of mutual concerns. Mrs. Katz has visited schools to give slide talks and story hours. When Pierce Junior High School had a Poet-in-Residence, the library was involved in the planning, and the graduation reading took place at the Kidder branch.

As for other organizations, we are grateful to the Junior Woman's Club for continuing their excellent "Library School" for preschoolers. The Milton Arts Council and Milton Woman's Club are active in our art gallery displays. Many individuals exhibit their precious wares like antique glass or toy trains. Each month a new artist shows a painting in the Reading Room. Town personnel aid us in keeping to the regulations, and patrons continually offer us suggestions on services the community might find valuable.

The Friends of the Library are personal friends. Their projects are hits. The book sale and craft fair, particularly, is hard work, but well worth it. And, I must confess, we also have fun.

One cannot in any report list everything, but some mention must be made of our special programs. These constitute an important service appreciated by young and old. A steady stream of films for adults has been shown Friday nights and repeated Saturday afternoons. These range from "I Remember Mama" to "Odd Man Out". Children's films at the Kidder branch and Central were also popular. Outdoor films in the summer was an innovation – we did everything but pass out popcorn. These feature films we showed, by the way, were from our own collection. The Family Service Association of Boston, whom we thank, did two series of parenting workshops. Craft programs for children and adults (especially Mrs. Hinds on Christmas home decoration) were well attended. We sponsored a variety of lectures on topics like Irish art, nutrition, fashions, whales, the stock market, pets – we find children attend their programs in greater numbers than adults attend theirs. Speaking of children, we not only had puppet shows and our usual splendiferous Halloween party, we have *five* regular summer programs: Monday films, Tuesday crafts, Wednesday preschool story hour, Thursday story hour, and all-summer Spinout Reading Club. Of course, our Thursday story hours continued all year.

The basic question is, what does all this mean in the lives of the people benefited? We cannot quantify these benefits – they are beyond numbers and words. Just so, we cannot adequately express the importance of those who help make our library the friendly and advanced institution it is. The Board of Trustees is always alert to improvements, and give of their time graciously. The staff is well-trained, well-meant and well-thought-of. When people retire, as did Mrs. Gaffey at the East Milton branch and Mrs. Malone at Kidder, they are very much missed. Mrs. King is reducing her hours and will aid in Reference (it was a boy!), and we welcome Miss Cohen as our Young Adult Librarian. Mrs. Katz, who came aboard at the end of last year, has brought many ideas to the library, with good results. But I refer the public to the list of trustees and staff. When the public next meets them, they should let them know they are appreciated. I take this opportunity to register my own appreciation.

Respectfully submitted,

EDWARD LOCKE
Director

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY
REPORT OF THE LIBRARY TREASURER

January 1980

To the Trustees of the Milton Public Library:

The funds in the care of the Trustees were invested as summarized in the following tables of December 31, 1979:

	BOOK VALUE	INCOME FOR 1979
Common Stock	$22,754.42	$2,865.94
U.S. Treasury Bonds	3,990.00	140.00
Savings Bank Deposits	33,088.54	1,386.65
Preferred Stock	766.26	
Corporate Bonds	1,300.00	
Total	$61,899.22	$4,392.59

The Trustees wish to express their deep gratitude to those generous-spirited citizens who made gifts to the Library during 1979. We hope to merit their continued support.

Two statements pertaining to funds in our control are appended as part of this report.

(a) A list of the various funds by name and the investments in each.

(b) A statement of the total investment income for 1979 and the disbursements from that income.

The Library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund, is in the custody of the Town Treasurer.

The Oakland Hall Fund in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. In 1979 we spent from that income as follows:

EXPENDITURES FROM N. T. KIDDER FUND 1979

Harvard Business Review (Reprints & Planning Series)	$ 49.90
Standard & Poor's Services	793.00
Moody's Investor's Service	1,240.00
West Publishing Company (General Laws Annotated & Rules of Court)	253.00
Eclipse Film Products (Super 8mm films)	841.06
Microfilming Milton Record-Transcript	63.50
National Microfilm Library (College catalog microfiche)	208.00
Barron's Educational Series, Inc. (College Profiles)	27.38
Haley & Steele (Restoration of library paintings)	2,180.00
Arnold Bernhard & Company, Inc. (Value Investment Survey Periodicals)	210.00
Forest Press (Dewey Decimal Classification and Relative Index)	181.46
	$6,047.30

EXPENDITURES FROM OAKLAND HALL FUND 1979

Books	$252.01

Safekeeping fees	103.00	
Total Disbursements		$7,450.59
Balance of Income Cash, December 31, 1979		$4,466.07

REPORT OF THE OFFICE OF CIVIL DEFENSE

January 1, 1980

To the Honorable Board of Selectmen:

AUXILIARY POLICE DIVISION

This unit contributed over 5000 hours of volunteer service to the Town of Milton this year. Their nightly patrols of the schools continue and help to allow the regular officers of the Town to concentrate on other more pressing problems. Other hours expended are taken up in monthly training sessions and in covering several special events which occur in the Town each year.

My thanks and gratitude to these men, as well as to the regular officers and the Chief of Police for their continued helpfulness to us in our efforts. The cooperation of all Town officials is deeply appreciated.

AUXILIARY FIRE DEPARTMENT

The Auxiliary Fire Department provides support service to the Milton Fire Department. It responds to all working fires in the Town and participates in parades and special activities.

This year, the Auxiliary received, through the State Office of Civil Defense, a surplus military ambulance. This four wheel drive van was obtained at no cost to the Town. The members of the Auxiliary spent most of the months of June, July and August outfitting the truck as a lighting unit and light rescue vehicle. Over 2000 man hours have gone into the renovations to date. Painting, engine work, electrical work, cabinetry, lettering and outfitting have all been performed by the Auxiliary members. The design of the truck was discussed with the officers and members of the Milton Fire Department and their suggestions and assistance were included in the construction of the lighting unit. The estimated replacement cost of this vehicle is nearly $23,000.00. The cost to the Town has been about $1,800.00.

All Auxiliary members are trained in the operation of the lighting unit and in basic firefighting techniques. The group meets bimonthly year round. The Auxiliary maintains and operates Engine #5, a JEEP and the lighting unit. Our thanks to the members of the Milton Fire Department, Fire Chief O'Neill, Executive Secretary Cronin, the Board of Selectmen, the Director of Civil Defense, Mr. DeCelle and members of the Department of Public Works whose assistance has been invaluable.

CIVIL DEFENSE AND COMMUNICATIONS

Key personnel continue their training in Civil Defense and we are striving always to improve our readiness and quick response to any great problems that might confront our community. We constantly monitor situations that may require Civil Defense action, such as the home fuel shortage, the energy crisis and other areas that seem to have the potential to adversely affect our residents.

Considerable emphasis is given to planning for such events, as best we can, and we receive invaluable help from our Area and State Civil Defense officials.

Communications remains a key to our ability to carry out our responsibilities and we are always moving to improve our systems and our general state of readiness for any emergencies that might arise.

Respectfully submitted,

ARTHUR SOUTHALL
C. D. Director

ANNUAL REPORT OF THE YOUTH DEPARTMENT

December 31, 1979

To the Honorable Board of Selectmen:

The Town's Youth Department successfully completed its first Comprehensive Employment Training Act grant and again qualified to receive a second year grant of $89,000 for 1979-1980. This years proposal provides for a Youth Employment Demonstration project to fund 10 CETA participants and three staff members. The CETA employees will work in town departments to gain job experience and will work towards attaining a high school equivalency degree by the end of the project. The three staff positions include Marian Linnehan, Project Director; Veronica McCarthy, Youth Counselor; and Donna Robertson, Career Educator.

The purpose of the demonstration project is to study and evaluate the difficulties of youth who leave school early and to determine what types of support services needed to assist them in a successful completion of employment and high school education.

COMMUNITY INVOLVEMENT

The Youth Department continued development of programs and plans to coordinate services to the parents of youth in the community. These included educational seminars, parenting courses, alcohol and drug education classes for youth and adults, and coordination of town efforts to address the difficulties of youth drinking and vandalism.

A three year effort in stimulating community and organizational involvement to determine means of resolving problems of families and youth resulted in the formation of a Task Force on Vandalism appointed by the Board of Selectmen. A grant application authored by the Youth Coordinator and Superintendent of Schools was submitted to the Law Enforcement Assistance Administration in support of the Task Force recommendations to the town. The grant was funded to develop a town vandalism prevention program and to unify many independent efforts in the community to deal with the problem.

ACTIVITIES OF THE YOUTH DEPARTMENT

The Department's strategy, in accord with the Board of Selectmen, is to design plans to provide human services for those in need and to begin working toward creative ways for the community and residents to assume responsibility to find effective solutions. Particular programs illustrating ways to meet service needs in the community are:

A Children's Health Fair for parents in conjunction with the Children's Activity Groups and CETA grant project. Purpose was to provide information and coordination of social services available.

A blood drive, held for the Red Cross, to meet emergency needs for blood .

A Family Day at Cunningham Park, coordinated by the Park and Youth Departments served 2500 people and generated a sense of Community Spirit in Milton.

The Health Center, directed by Bernie McNulty, provided summer activities, family and youth trips to beaches and amusement parks. Bernie also taught seminars to enhance self-esteem and confidence for young people. He directed the boxing program which produced three Junior Olympic New England champions trained by volunteers Dick Mullaly and Tom Allan. A Diamond Belt championship was won by Jimmy White. As well, the boxing program involved over 200 youths during the year.

Other Health Center programs not costing the town tax money were Karate, disco and tap dancing, ballet, jazzercise, art and basic drawing, and yoga.

REPORT OF THE YOUTH DEPARTMENT

BASIC PHILOSOPHY

The basic philosophy of Department Activities is to find solutions for teenagers who lack self-esteem, self-confidence or are in difficulty. If a child is in trouble, so are the parents. To this end programs are designed to inform parents of the problems and issues of peer influence, drug and alcohol experimentation, and the need for a healthy self image. Decision making and problem solving abilities are promoted to assist in the social and emotional development of young people.

COUNSELING SERVICES

Counseling services consist of short term goal orientation sessions. Issues included are family conflict, runaways, truants, pregnancy, single parent issues, and drug or alcohol problems. Information and referral resources include: Survival, South Shore Council on Alcoholism, South Shore Council for Children, South Shore Day Care, the District Attorney's Juvenile Division Program, South Shore Mental Health Mission Possible, Human Resource Institute, and private physicians. Counseling Services to CETA YETP Grant participants included Vocational Educational Counseling. Counseling sessions included: personal relationships, habits that affect work and group discussions about attitude and values.

Completed programs initiated by the Youth Department are the incorporation of the Children's Activity Group at the Milton Family and Child's Services; the incorporation of Project Impact Pre-School Parenting Course in the Schools Adult Education program, and transfer of the Milton Youth Recycling Foundation, Inc. to residents in the community.

Respectfully submitted,

FRED J. HORVET, Youth Coordinator
WILLIAM MULLEN, Chairman
VIRGINIA WELLS
PAULA GIOVANNUCCI
KATIE WALSH
JOHN GORDON
Youth Committee Members

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

During 1979, the Commission completed two projects calculated to add significantly to preservation of the Town's recorded history, and/or increase public awareness of its unique heritage.

ENLARGED REPRODUCTION OF A. K. TEELE'S MAP OF 1885

As a supplement to his History of Milton, published in 1887, Dr. A. K. Teele negotiated with E. G. Chamberlain, an Auburndale cartographer, to construct a fully updated map of the Town. The map was to take the size of a double page and fold inwardly to the center of the book. Teele's specifications called for plotting by sequential numbers all private, public and commercial buildings then extant in the Town. On pages adjacent to the map Teele compiled ownership lists, numerically cross-referenced to the plottings, showing not only each property's contemporary owner, but the succession of antecedent owners, back to the original. The result of Teele's and Chamberlain's joint labors was construction of probably the most valuable document, from the standpoint of preserving historical information, ever produced in the town.

In 1978, the Commission became aware that maps bound into the circulating copies of Teele's History in the Milton libraries were in a late stage of disintegration. They had been printed on a relatively fragile semi-transparent parchment unable to withstand the ravages of time. The invaluable information contained on the map was in danger of being irretrievably lost. The Commission decided to develop an enlarged reproduction of the map as a means of preservation.

A privately owned copy of Teele's History was located in which the map, though fragile, was intact. The Miller Blueprint Company of Quincy was engaged to produce a 40"x 40" photostatic enlargement. The pages of ownership listings were also photostated and arranged as a perimeter to the 40"x40" enlargement. The composite lay-out was then rephotographed as a single sheet in two sizes, 40"x40" and 30"x30". Project costs were jointly funded by the Commission and the Milton Historical Society.

A mounted and framed copy of the 40"x40" version was presented by the Commission to the Town Office. The 30"x30" version was offered for public sale at a nominal fee. To date about 100 copies have been purchased by citizens of the town. Citizens interested in obtaining a copy of the map should contact Mr. W. J. Loughran, 375 Adams Street, 696-4731.

SLIDE-ILLUSTRATED LECTURE ON MILTON'S HISTORIC HOMES

As a by-product of the Commission's survey, conducted in 1977-78 of about 75 Milton historic houses, the Commission has developed a 45-minute color slide-illustrated, taped lecture describing the genealogical background and historical significance of a selected list of 20 homes. This is available for showing to schools, churches, social organizations, at a nominal service fee to replace production and equipment costs and defray materials and transportation expense. Persons interested in scheduling the lecture should contact W. J. Loughran, 375 Adams Street, 696-4731.

PLANS FOR 1980

During the 1977-78 survey of historic houses, the Commission established three historic areas, Milton Hill, Brush Hill, and Scott's Woods, which have been registered officially as such by the Mass. Historical Commission. A move is now in progress to have these same areas included as historic districts in the National Register of Historic Places, published by the National Historical Commission at Washington, D.C. Successful completion of this project involves two major efforts:

1. Resurvey, and updating of reports on about 20 historic homes, omitted from the 1977-78 survey because of an earlier, somewhat superficial, survey done in the 1960s.

2. The writing of a definitive and fully comprehensive prospectus on each area, sufficient to convince the National Commission of the worthiness of these areas to be included as historic districts in the National Register.

The initial phase of this project is now in progress, involving a resurvey of five historic homes in the Scott's Woods area of Hillside Street.

Respectfully submitted,

JOSEPH C. BURLEY, Chairman
DR. ROBERT J. FALLON
MARY E. PALARDY
EDWARD S. SHATZ
THOMAS SMIGLIANI
EILEEN F. CHAMBERLAIN
WILLIAM J. LOUGHRAN, Historical Researcher

REPORT OF THE REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT

QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL COMMITTEE

Town	Member	Term Expires
Dedham	Arthur C. King, Jr.	3/80
	Paula A. Mealy, Vice-Chairman	3/81
Milton	Paul F. Harrington	3/80
	Robert Delaney	3/81
Natick	Joseph M. Connolly, Chairman	3/80
	David E. Marr	3/81
Wellesley	Robert L. DiSchino	3/80
	Samuel Strickland	3/81

The Quinobin Regional Vocation-Technical School District opened its facilities for the second year of operation on September 5, 1979, and as of the October 1 census, enrollment stood at 370, the majority of students being sophomores and juniors.

The Quinobin Regional School Committee has made a rather intensive and extensive study of population trends in preparation for new programs and expansion of facilities. Results of the studies indicate that the District should be capable of accommodating approximately 650-700 students in the near future, making possible further adjustments for the period of time from 1990 to 2000. The committee has also identified the following additional areas for training which are projected to have good to excellent employment possibilities: Machine Tool Technology, Industrial Maintenance, Graphics, Metal Fabrication, and Health Trades.

Program Advisory Committee chairmen met with the regional school committee and stressed the need for investigating alternative forms of scheduling which would allow the students more continuity of time in vocational areas. A sub-committee to study this has been formed and will be making recommendations on the matter.

We would like to express our gratitude to our area legislators, Joseph B. Walsh and M. Joseph Manning of Milton for their continuing efforts on behalf of the District in its legislative endeavors.

REPORT OF CONSERVATION COMMISSION

December 31, 1979

To the Honorable Board of Selectmen:

Joseph E. Ingoldsby was appointed a new member by the Board of Selectmen. Suzanne C. Collins resigned and the Conservation Commission extends its deep appreciation for her dedicated service and work.

The Commission continues to be concerned about open space within the Town. Most geographical sections are vulnerable and, therefore, should command the attention of all concerned.

Violations of coastal wetlands and the Wetlands Protection Act continues to be an area of concern, and the Commission strongly recommends inquiry as to the applications of the law before a violation occurs.

The complexity and continuing work involved in maintaining application and enforcement of existing laws, maximizing services offered by County, State and Federal agencies, in addition to working effectively with other Town departments has necessitated a request in our Fiscal Year 1981 budget for a part-time Conservation Commission Coordinator.

Meetings are held the first Monday of every month at 7:30 P.M. at the Town Office Building and we welcome the opportunity to review questions on problems that Town people may have.

The Conservation Commission extends its thanks to the Board of Selectmen, Executive Secretary, other Boards, Commissions, Departments, Department Heads and Town employees and friends for their continued help and cooperation.

Respectfully submitted,

PHILIP E. CASEY
ANDREW H. COX
MARTHA E. CURTIS
ROBERT E. STANHOPE
ROBERT C. OLDFIELD
ANN M. WALSH
JOSEPH E. INGOLDSBY
Conservation Commission

TOWN OF MILTON

FINANCIAL STATEMENTS

December 31, 1979

September 11, 1979

To the Honorable Board of Selectmen:

We have examined the financial statements of the various funds and account groups of the TOWN OF MILTON, MASSACHUSETTS as of June 30, 1979, and for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the Commonwealth of Massachusetts, the Town has not maintained historical cost records of its fixed assets and, accordingly, a statement of general fixed assets is not included in the accompanying financial statements.

The Town follows accounting policies prescribed by the Commonwealth of Massachusetts which vary in certain respects from generally accepted accounting principles. The most significant differences relate to the use of: (1) the cash basis method of recording pension expenses for employees and (2) the modified cash basis for recording the operations of the Town's water department. In our opinion, pension costs should be determined by actuarial methods instead of the cash or "pay-as-you-go" basis as described in Note 2 to the accompanying financial statements. Information is not available to quantify the cumulative liability for pension benefits which would be reflected in the financial statements as of June 30, 1979 had the Town followed an actuarial method of accounting for pension costs. The water department activities should be accounted for as an enterprise fund on an accrual basis.

In our opinion, except for the effect of: (1) not providing for pension costs on an actuarial basis and (2) not presenting the water department as an enterprise fund on an accrual basis, the accompanying financial statements present fairly the assets, other than fixed assets, and liabilities of the various funds and groups of accounts of the Town of Milton, Massachusetts as of June 30, 1979, and their respective changes in fund balances, and revenues and expenditures for the year ended June 30, 1979, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Arthur Andersen & Co.

September 11, 1979

To the Honorable Board of Selectmen
Town of Milton, Massachusetts:

We have examined the financial statements of the various funds and account groups of the TOWN OF MILTON, MASSACHUSETTS for the year ended June 30, 1979, and have issued our report thereon dated September, 1979, in which our opinion is qualified with respect to the effect of not providing for pension costs on an actuarial basis and not maintaining a record of general fixed assets. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as required by Sections II.C.3, and III.C.3 of the Audit Guide and Standards for Revenue Sharing Recipients ("Guide") issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form F-21 A with the unaudited records of the Town of Milton, Massachusetts as required by Section II.C.4. of the "Guide".

Based on these procedures, we noted no instance of noncompliance with the regulations and no material differences between the data on Bureau of Census Form F-21A and the records of the Town of Milton, Massachusetts for the year ended June 30, 1979.

Arthur Andersen & Co.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1979

(1) Summary of Significant Accounting Policies

Accounting policies and financial reporting practices for municipalities in Massachusetts are prescribed by the Uniform Municipal Accounting System promulgated by the Commonwealth of Massachusetts Department of Revenue. The significant accounting policies followed by the Town are as follows:

(a) Basis of Presentation

The accompanying financial statements include the financial transactions of the Town of Milton, Massachusetts, except for those transactions involving the Milton Contributory Retirement System which is independent of the Town.

(b) Fund Accounting

Financial transactions of the Town are recorded in the following funds or groups of accounts:

1. The General Fund reflects the financial transactions related to general governmental activities which are not otherwise accounted for in another fund.

   Included within the General Fund are surplus revenue, designated and restricted funds and overlay surplus.

   - Surplus revenue is the amount by which unrestricted cash, accounts receivable and other assets exceed liabilities and reserves.

   - Designated funds (also referred to as revolving funds) are used to account for financial transactions related to specific activities such as school lunch and athletic programs, adult education programs, etc. These funds are available to fund future operations as prescribed by the Town.

   - Restricted funds are used to account for gifts and grants from outside sources. Funds must be expended in accordance with the provisions of these grants.

   - Overlay surplus represents the unused portion of funds appropriated for tax abatements in prior years. Overlay surplus is available to fund extraordinary or unforeseen expenses upon vote at the Town Meeting.

2. The Special Assessment Funds are used to account for the amounts levied against individual property owners for street and sewer betterments payable over future periods through 1991.

   The General Fund balance sheet includes the current portion of special assessments due.

3. The General Long-Term Debt and Interest Group of Accounts reflects the liabilities for long-term debt and retirements thereof. The balance payable on long-term debt is offset by resources to be provided through taxation in future years for the retirement of the unmatured bonds.

   Under the terms of state law, the Town is reimbursed for a portion of the debt service requirements which was incurred to finance school construction. The state reimburses the Town over the period of the debt service. These reimbursements are included in General Fund revenue when received from the state.

4. The Trust Funds provide an accounting for money and property received and held by the Town as trustee or custodian for individuals, private organizations and other governmental agencies.

5. The Federal Revenue Fund reflects the receipt of funds by the Town under the Federal Revenue Sharing Program and the disbursements of such funds in accordance with Federal guidelines.

(c) Accounting for Revenues

1. Real estate and personal property tax levies are recorded as revenue in amounts equal to the total taxes levied for the period less a reserve for abatements.

2. Motor vehicle excise taxes are billed at various times during the year when billing information is received from the State Registry of Motor Vehicles. Revenue is recorded when cash is received.

3. Water revenue, state grants, departmental fees and charges, interest and other revenue are recognized when the related cash is collected.

4. Receipts from activities or sources such as Federal grants (except for Federal revenue sharing), school lunch, restricted state grant programs, and other restricted activities, are recorded as restricted or designated fund receipts when received and are not included in Town revenue until appropriated and expended.

(d) Accounting for Expenditures

Disbursements for material and supply inventories are considered expenditures rather than assets at the time of purchase. Prepayments are recorded as expenditures at the time of payment and are not deferred and amortized. Interest cost is recognized when due and is not accrued over time. The repayment of long-term debt principal is recorded as an expenditure of the General Fund.

(e) Investments

Investments are stated at cost, which approximates market value.

(f) Accounting for Fixed Assets

The Town does not record fixed assets in an asset account at the time of acquisition. Fixed asset acquisitions are recorded as expenditures at the time purchases are made.

(2) Pension Plans

The teachers and certain administrative and other professional employees of the Town's school department participate individually in a contributory retirement plan administered by the Massachusetts Teachers' Retirement Board. The Town does not contribute to this plan.

Substantially all of the other employees of the Town are participants in the Town of Milton Contributory Retirement System. Under the provisions of this system, employees contribute certain percentages of their pay and are eligible for retirement benefits after meeting the prescribed age and/or period of service criteria. In addition, the Town contributes to this system an annual amount determined by the Commonwealth of Massachusetts Department of Banking and Insurance primarily on the basis of projected annual benefit payments for the year ("pay-as-you-go").

Town contributions for the years ended June 30, 1979 and 1978 amounted to $850,000 and $675,000, respectfully (exclusive of $12,000 in 1979 and $8,000 in 1978, contributed for the Retirement System's administrative costs).

As of January 1, 1976, the date of the latest actuarial evaluation, the total estimated actuarial liability of the Plan was $15,750,000 and its assets were $3,285,000, leaving an unfunded actuarial liability of $12,465,000. No estimate is available on the actuarial value of vested benefits. As of June 30, 1979, the Town has funded $40,000 and appropriated additional funds of $80,000.

According to the actuarial valuation as of January 1, 1976, which is based on projected annual payroll, the Town's annual contribution to the Plan on a "pay-as-you-go" basis would be as follows:

Year	Contribution	Percentage of Payroll
1980	$ 984,765	19.5%
1981	1,075,138	20.3
1982	1,169,491	21.2
1983	1,261,713	21.9
1984	1,355,518	22.5
1985	1,448,447	23.0
1986	1,540,038	23.4

Generally accepted accounting principles require that the minimum cost charged each year for pension expense should be the normal cost (determined on an actuarial basis) plus interest on the unfunded past service cost. If the Town had recognized pension expense using this method the amount would be significantly higher.

(3) Surplus Revenue

In order to prepare the accompanying financial statements in accordance with generally accepted accounting principles, certain budgetary surpluses and deficits, which would otherwise be reflected on the balance sheet under the Massachusetts Statutory System, have been included in surplus revenue as follows:

Surplus revenue on a statutory basis	$ 936,993
Amounts included in 1980 appropriations	601,683
State and county overestimates, net	18
Abatement claims granted subsequent to June 30, 1979	(300,000)
	$1,238,694

Overestimates of state and county assessments result from an excess of appropriations over the amounts of actual expenditures by the Town during the current year for such purposes. The overestimates will be used in determining the 1980 tax levy.

(4) Loans Authorized and Unissued

Loans authorized and unissued consisted of the following:

	Year	Amount
Purchase of land for flood control purposes	1968	$70,000

(5) 1980 Budget

The Town has authorized a fiscal 1980 operating budget totaling $17,520,304 which will be financed from the following sources:

1980 Tax Levies, State Grants, Departmental Receipts, etc.	$16,798,088
Surplus Revenue	384,500
Pension Fund	69,029
Water Improvements	99,678
Chapter 90 Funds	32,976
Overlay Surplus	6,070
Restricted Funds	17,314
Designated Funds	112,649
	$17,520,304

In addition, the Town has carried forward appropriations totaling $218,876, for projects authorized by the Town Meeting but not complete as of June 30, 1979.

(6) Contingency

Under the terms of the various agreements between the Town and its employees, sick leave benefits are accumulated and the Town is required to pay unused sick leave benefits at the date of employee retirement. The agreements provide, among other things, that employees must declare their intention to have the Town pay their vested sick leave one year prior to their retirement. At June 30, 1979, accumulated vested sick leave benefits approximated $120,000. As of that date, only one employee has declared his intention to have the Town pay his vested sick leave benefit during 1980.

(7) Litigation

The Town has been named as a defendant in a number of lawsuits at June 30, 1979. Two plaintiffs are seeking individual damages of $500,000 and $100,000 in civil rights actions. Three individual claims totaling $200,000 each, relating to injuries sustained by the plaintiffs in three separate accidents in the Town are pending. Additionally a contract case is pending in which the plaintiff seeks to recover $750,000 for alledged wrongful termination of contract. In the opinion of Town counsel, the resulting losses to the Town, should the plaintiffs' positions be upheld in court, will not result in a material loss to the Town.

(8) 1978 Information

The financial information shown for 1978 in the accompanying financial statements is included to provide a basis for comparison with 1979 and presents summarized totals only.

AUDITORS' REPORT ON EXHIBITS

To the Honorable Board of Selectmen:

Our examination has been made primarily for the purpose of forming the opinion stated on page 1 of this report. The data contained in pages 26 and 27, although not considered necessary for a fair presentation of financial position, revenues and expenditures, receipts and disbursements, and changes in fund balances, are presented as supplementary information and have been subjected to the tests and other auditing procedures applied in the examination of the basic financial statements. In our opinion, these data are fairly stated in all material respects in relation to the basic financial statements, taken as a whole.

Arthur Andersen & Co.

September 11, 1979

REPORT OF THE TOWN ACCOUNTANT

January 16, 1980

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1979 arranged as follows:

1. Detailed listing of all receipts of the Town
2. Detailed listing of all expenditures of the Town
3. Summary of all departmental accounts, showing appropriations, expenditures and balances
4. Recapitulation of departmental expenditures
5. Balance Sheet as of June 30, 1979

All bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bills reported to me as unpaid:

Fire – Expenses:		
Dr. William Dolan	$ 220.00	
Lahey Clinic	162.00	
Milton Hospital	192.20	$ 574.20
Police – Expenses:		
Blue Cross/Blue Shield Reimb.	$6854.47	
Dr. John H. Allen	1884.00	
Dr. Robert W. Egan	100.00	
Milton Hospital	116.10	8,954.57
Schools – S. & W.		1,414.00
		$10,942.77

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

REPORT OF THE TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held June 30, 1979	$1,029,447.30

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Poor Fund

Amount held June 30, 1979	$5,693.60

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held June 30, 1979	$7,117.32

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of . . . ., the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held June 30, 1979	$2,626.67

Sarah G. Vose Fund

Amount held June 30, 1979	$1,170.53

E. G. Tucker Fund

Amount held June 30, 1979	$1,168.48

Herrick Fund

Amount held June 30, 1979	$8,000.00

Bannin Family Fund

Amount held June 30, 1979	$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of $500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held June 30, 1979	$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of Georgie A. Briggs are buried."

George F. Duffy Fund

Amount held June 30, 1979	$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of $1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held June 30, 1979	$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held June 30, 1979	$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of $1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held June 30, 1979	$1,000.00

Mary L. Peabody Cemetery Care Fund

Amount held June 30, 1979	$1,746.54

Ewen MacSwain Fund

Amount held June 30, 1979	$500.00

Helena B. Schayer Fund

Amount held June 30, 1979	$1,000.00

Nathaniel T. Kidder Fund

Amount held June 30, 1979	$73,291.91

The following is an extract from the Will of Nathaniel T. Kidder.

Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars ($25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

Special Retirement Fund

Amount held June 30, 1979	$40,932.59

This fund is held by the Town Treasurer in accordance with Chapter 40, Section 5D of the General Laws.

Stabilization Fund

Amount held June 30, 1979	$89.15

This fund was established by Article 55 at the 1968 Town Meeting and is held by the Treasurer in accordance with Chapter 40, Section 5B of the General Laws.

Governor Stoughton Fund

Amount held June 30, 1979	$31,763.37

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton's Will.

Helen D. McHardy Fund

Amount held June 30, 1979	$500.00

Amount held June 30, 1979	$500.00

Oakland Hall Fund

Amount held June 30, 1979 . . . . $12,719.13

The income from this Fund is paid out under the direction of the Trustees of the Public Library for the purposes of the Mattapan Branch Library.

Tuell-Hallowell Good Citizenship Prize Fund

Amount held June 30, 1979 . . . . $2,146.15

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars ($1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

June 2, 1923

Percy E. Sheldon
President, Tuell Alumni Association

For additional gifts to the fund, see report of 1947.

MILTON, MASSACHUSETTS

ANNUAL REPORT

of the

SCHOOL COMMITTEE

and the

SUPERINTENDENT OF SCHOOLS

1979

IN APPRECIATION

1979

The School Committee members of Milton express their appreciation for the dedicated service of the following teachers who retired in 1979 –

Alice J. Dwinell, Collicot School
Lottie A. Elzbut, Head of Business Department
Ellen Fahey, Cunningham Junior High School
Isabel Hachey, Collicot School
Howard H. Hall, Pierce Junior High School
Katharine Irwin, Milton High School

and the following cafeteria workers, custodians and secretaries –

Priscilla E. Ashton, Senior Account Clerk, Cafeteria
Elizabeth Haven, Cafeteria
Dorothea Lane, Cafeteria
Kathleen L. McWilliams, Senior Account Clerk, Bookkeeping
Harold Prior, Custodian
Justin A. Sullivan, Supervisor of Maintenance and Custodians

IN MEMORIAM

Richard L. Smart, Maintenance Foreman

1971 – 1979

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS – 1979

SCHOOL COMMITTEE

David Jeffries, Chairman

	Term Expires
Mary R. Fitzgerald 575 Canton Avenue	1980
David Jeffries 1268 Canton Avenue	1980
William A. Edwards 44 Holmes Lane	1981
James G. Mullen, Jr. 144 Ferncroft Road	1981
Robert C. Sweeney 65 Governors Road	1982
Charles C. Winchester 67 Whitelawn Avenue	1982

Robert C. Sweeney, Secretary

Regular meetings of the Committee usually shall be held on the first and third Tuesdays of each month, at the hour designated by the Committee. Other meetings shall be held whenever the Committee deems necessary and at times appointed by them.

Frank J. Giuliano, Jr.

ASSISTANT SUPERINTENDENT OF SCHOOLS

John M. Haskell

ASSISTANT SUPERINTENDENT FOR BUSINESS AFFAIRS

Robert F. Cooke

REPORT OF THE SCHOOL COMMITTEE

During the year just past the School Committee has continued to examine its performance in preparing students for further education, vocation and citizenship. This effort was made easier by the widespread recognition that public schools everywhere have failed to accomplish all that was expected of them. It was hindered by the fact that expensive solutions did not seem appropriate in the present climate of tax consciousness and cost inflation. Many of the other-than-unanimous decisions of the School Committee reflected the ambiguous feelings of the Milton community on the costs and benefits of school issues.

"Back to Basics" has become a popular school issue and, in some communities, an excuse for eliminating subject matter considered to be "frills." In Milton we have tried to place more emphasis on communication skills (reading, writing and speaking) and computation skills without reducing emphasis on foreign language, social science, art, music or any of the other subjects we consider to be necessary to our educational goals. Modest progress has been made to date in applying the concept that every teacher, not just those in "language arts," should help to teach communication skills and to place more emphasis on writing in tests and homework. Homework itself has become part of this greater emphasis as teachers and parents accept the idea that homework is an important part of the educational process.

Related to the concern for basic skills is a more extensive testing program begun last year. The results are already benefiting individual students by identifying specific needs that can be addressed by the teacher. Correlation of the overall results with the curricula is expected to suggest ways that the curricula can be improved.

Girls' athletics has been a continuing concern. We have strived for equality of opportunity by reallocating personnel and facilities to accommodate the increasing interest and prowess of the girls.

The continued decline in student enrollment has been a mixed blessing. On one hand it has meant that there is at least an adequate amount of space at all levels (except for physical education at the High School where an addition is being made). On the other hand the decline has made it more difficult to offer some secondary subjects because of small enrollment in those classes. This problem is particularly acute at the junior high schools where duplication of subject offerings between the two schools makes classes even smaller. As an experiment some junior high students have been allowed to take courses at the High School. Other measures which have been considered include alternating course offerings between the junior high schools and shuttling students back and forth to a single class in one of the schools.

As a result of the declining enrollment fewer teachers have been needed. Last year the number of full-time professional staff was 336, 9 less than the previous year and 21 less than the peak in 1974-1975. All reductions to date have been accommodated by attrition, supplemented by a liberal leave policy. We believe that the further reduction of 3 proposed for next year can be achieved in the same way, but we are pleased that a Reduction in Force policy has been negotiated with the Milton Educators Association and incorporated into the current teachers' contract. This agreement provides substantial job security to teachers with long service, yet affords the School Committee some opportunity to keep teachers who have demonstrated exceptional performance on the job.

On July 1, 1979 the Milton schools began to operate under a budget format designed to allocate budget and costs to programs. One benefit of the new format was apparent to the School Committee in preparing the 1980-1981 budget. Priorities are more easily assigned when the costs are attached. We believe that another benefit will be a better understanding of school costs by townspeople.

Looking backward at the year just past, we believe that we have been fortunate in the support the schools have received from townspeople, from school employees, particularly teachers, and from our Superintendent, Frank Giuliano, who has applied his wisdom and energy so liberally.

Respectfully submitted,

David Jeffries, *Chairman*
Milton School Committee

Science experiment at Tucker School.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens:

This Annual Report is my second report as Superintendent of Schools for the Town of Milton.

A number of new programs were initiated this past year to complement proven school programs. The California Achievement Tests were administered to students in grades 3, 4, 5, 6, 7 and 8 in the areas of reading, language development, mathematics, science, social studies and reference skills. The test results are encouraging with most of the scores averaging above the sixty-fifth (65) percentile. However, principals, co-ordinators and teachers have been examining the test results in detail in an effort to improve on our curriculum, teaching materials and teaching methods in order to insure that each student is challenged.

Administrators, teachers and parents are also involved in developing a testing and remediation program to address the Basic Skills Improvement Mandate of the Department of Education. Implementation of the reading and writing positions of this program will take place in the next school year.

Our gifted and talented program for grades 4 and 5 in the academic areas was expanded to include grade 6 in our LATCh program. Plans are now underway to expand the gifted and talented to include junior high school for next year, as well as art in the elementary schools. This progress has had a positive influence on developing high levels of expectancy for accelerated classes in such studies as Junior Great Books program for next year and the start of an accelerated science program at the junior high schools to complement our Advanced Placement Program at the High School. The Advanced Placement Program at Milton High School is a college freshmen level program in the areas of English, calculus, advanced biology and U.S. history whereby our students receive college credit and advanced standing when they attend college. An Advanced Placement Program in foreign language is on the drawing board.

Business courses offered in the ninth grade for the first time are the beginning of a major effort to tie the ninth grade to the High School in an academic way but keeping the ninth graders physically separated from the more mature High School students. It is also part of a program to expand the opportunities for occupational and career education. A federal grant in the area of Occupational and Career Education allowed the town to purchase the services of a supervisor in this area to help focus our program and to coordinate our efforts with Quinobin Regional Vocational School. Equal opportunities for both sexes to take part in previously segregated classes is one of the goals of our efforts.

Curriculum studies in the areas of health education, acceleration and transitional programs, as well as skills management systems have been completed. Plans for the implementation of these studies are progressing in a deliberate manner.

Enrollment decreased by one hundred and thirty-six students, grades K-12, and the staffing reflected this decrease with nine fewer teachers on the staff. Enrollment for September 1980 has been projected as the same as September 1979 reflecting home sales resulting from increased senior citizen housing. However, these fewer teachers have been budgeted for the 1980-1981 school year.

The program budgeting initiated last year has helped to keep better control of our financial resources. In a time of high inflation, the budget increased less than two per cent for FY 1980 and for FY 1981, discounting the dramatic increase in energy, the budget requests are within the Governor's four per cent cap. The work of the staff to curtail expenses in spite of a commitment to academic excellence is appreciated. Also, scarce tax resources were saved this year by the cooperation of parents and administrators by completing a limited redistricting program to balance classes without increasing staff and by meticulously complying with the School Committee Student Transportation Policy. As the 1979 year developed and the energy crisis and deficits increased, these changes become more and more significant.

To help improve the maintenance of buildings and grounds, the School Committee voted to eliminate the position of Supervisor of Custodians and Maintenance and to replace it with a more demanding position of Administrator of Buildings and Grounds. Under this new administrator, improvements have been cited in the cleanliness and maintenance of the buildings, as well as extensive steps taken to conserve energy and to safeguard our property through proper supervision and surveillance. Concentrated efforts have been made to reduce vandalism to school property. All personnel have been charged to take measures to prevent unnecessary damage to our materials and facilities.

I want to take this opportunity to thank the School Committee members for their unselfish sacrifice of their time, energy and expertise on behalf of the children of Milton. They have established a level of excellence that will properly serve our children. My gratitude also goes out to the principals and staff members for their efforts in striving to give the children of Milton the best possible education that the taxpayers can afford. Parents have also given a great deal of their time to PTO endeavors and Parent Council Organizations.

On a final note, I want to express special thanks to Assistant Superintendent John "Pete" Haskell for his many years of service as a teacher, coach and admiinistrator in the Milton Public Schools. Mr. Haskell has decided to retire as of July 1, 1980 and he will be sorely missed at Central Office.

Respectfully submitted,

Frank J. Giuliano, Jr.
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

This is my tenth and final annual report as the Assistant Superintendent of Schools.

Among the twenty-six new faculty hired for the 1979-1980 school year were five permanent teachers in the areas of English, guidance, elementary, school adjustment counseling and music. Twenty were added as temporary replacements for teachers granted leaves of absence. This total compares to nineteen new staff people employed during the previous school year.

As usual, new staff members were selected following an intensive screening and interviewing process, as we believe teacher selection to be a very important function. The teacher evaluation process continued throughout the year, along with a series of new teacher orientation sessions. This office was also involved with the selection of substitute teachers and it should be noted that finding interested and well-qualified substitute teachers continues to be difficult. We have also maintained and coordinated a student teacher placement program with area colleges and universities. Additional ongoing activities included curricula planning and implementation, budget preparation, proposal writing, carrying out Federal and state education laws and contract negotiations.

The past school year witnessed the launching of a program, under the able direction of Mrs. Carol Carroll, for academically talented children in the fourth, fifth and sixth grades. The program is housed in the Pierce Elementary School and students participate one day per week. The curriculum for LATCh (Learning for Academically Talented Children) will offer in-depth experiences in language arts, mathematics, science and social studies. The children will also become familiar with library, laboratory and field research methods. Our elementary coordinators will participate in the program by offering mini-courses in their disciplines, and individuals and organizations within the community will become resources for the program. At the present moment there are twenty fourth-grade students, twenty fifth-grade students and twenty-five sixth-grade students enrolled in this program.

Our summer school has experienced a considerable expansion with a program including students ranging in age from pre-kindergarten to the college sophomore level. Under the leadership of Director Paul Scopa, a total of seven hundred thirteen students participated in twenty-one different courses and this represents an increase of one hundred fifty-four students over the 1978 total.

Under a Federal grant awarded to the Milton Public School system, we have appointed Mr. John Wojciechowski as the Occupational/Career Education Coordinator. Along with his responsibility to oversee the education of students attending the Quinobin Regional School, he will design a program to provide opportunities for students to develop skills and an understanding of those skills in order to obtain meaningful employment. The Career Education branch of the program will allow students to explore, understand and help them select the correct career. Both of these programs are offered for all students and we see this adjunct to our offerings as an extremely meaningful addition.

The release time program continued and provided a vehicle for teacher interest and training. An innovation was the scheduling of a full-day teachers' workshop on November 9 which provided an offering of thirty-five programs and so offered our teachers a variety of choices.

Having announced my retirement from the Milton Public School system in June 1980, I look back on my ten years here as a time of progress. My thanks go to Mr. Harry McCormick, Dr. Frank Giuliano, School Committee members, faculty and administrative personnel and the many Milton citizens who gave generously of their time as we worked for the betterment of our youth.

Respectfully submitted,

John M. Haskell
Assistant Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT FOR BUSINESS AFFAIRS

Energy conservation was of prime concern during the past year, with measures and efforts to conserve fuel and electricity implemented throughout all schools. Guidelines established by Federal authorities on thermostat settings were put into practice as were other conservation measures such as lowering thermostat settings at the conclusion of regular school programs, drawing shades and curtains, not scheduling evening school during the months of January and February, promoting electricity conservation by reducing lighting wherever possible, and seeking everyone's cooperation in this effort.

A major contribution to fuel conservation has been the installation of thermopane windows in the older section of Milton High School, and individual room heating controls, by the building committee in conjunction with building extension and renovation for physical education – athletic activities. This same committee is providing an elevator, new fire doors, lavatories, etc., which will provide needed facilities for handicapped students.

A fire by vandals at the Cunningham Junior High Gym restricted use of the gym for a number of months during this past year. The damaged floor has been returned to its original condition and additional improvements made to provide early warning in the event of future fires and fire walls to prevent the spread of fire from one section of the building to another.

The painting program was continued with the Pierce Elementary School as the major outside project. Program of inside painting in all schools was continued in those areas that had top priority and greatest need. A large section of the main floor of the high school was retiled.

At Cunningham the boys' locker-room will be equipped with 150 new individualized locker units. Additional units will be requested in the 1981 budget to complete this installation. The high school received its final shipment of folding cafeteria tables concluding a program of replacement during the past four years. Pierce School is in a similar program with conclusion of this program scheduled for next year.

During this past year, we have initiated security patrols at problem areas, during evening hours, on weekends, and at other times as needs demand. This has put a curb on vandalism and theft from school buildings.

With the retirement of Justin Sullivan, as Supervisor of Custodians and Maintenance, in July we welcomed William V. Vacca aboard as Administrator of Buildings and Grounds. Mr. Vacca's experience in building management will be a great asset to the Town of Milton.

I extend a word of appreciation and thanks to the Auxiliary Police and personnel of the Town Departments – highway, police, fire and town inspectors who have cooperated with school personnel to make our schools safer and better for our Milton students.

To the School Committee, Administrative office staff, custodial and maintenance force I wish to express my gratitude for their assistance and cooperation.

Respectfully submitted,

Robert F. Cooke
Assistant Superintendent for Business Affairs

REPORT OF THE PRINCIPAL OF MILTION HIGH SCHOOL

I herewith submit my ninth Annual Report as Principal of Milton High School.

Three longtime teachers, whose sincerity, dedication, and skills will be missed, retired. Miss Lottie Elzbut ended a career of 28 years as a teacher and department head of Business Education. Miss Elzbut's pleasant manner and her cooperative spirit cannot be replaced. Also in June, Miss Katharine Irwin, a French teacher for 13 years retired. We will miss her and her vibrant personality. Mr. Paul Shute, Mechanical Drawing teacher for 29 years, retired on December 31, 1979. The hundreds of students who received outstanding instruction from this man will always remember his friendly approach and his kind understanding. I am sure that the entire town joins me in wishing all three a long and happy retirement.

Some firsts: The first year of the Skill Center in Dover was very successful. The first "Flower Day" message service, sponsored by the National Honor Scoiety, greatly enhanced "School Spirit." The first "Sports Award Banquet," sponsored by the Boosters, was an outstanding program which students, parents, and teachers will long remember. The first "Special Olympics" sponsored by Milton High School for the Special Class students in our school and in several neighboring districts demonstrated the concern our students have for these special youngsters. The first Milton High School/Milton Academy student exchange program, planned and implemented by the Student Council, proved an enthusiastic encounter for both schools.

Some reinstatements: Mid-year and Final Examinations returned, adding strength to all of the courses. Latin, returned to the curriculum by request, has proven to be very popular with parents and students.

Some continuations: Two very successful student sponsored Bloodmobiles were held at the High School. The annual food drive for the needy provided the students with an opportunity to share. The list of guests who visited for special events, to offer career options, to give insight into timely topics, and as college representatives, continues to expand. The Arts and Crafts Fair became bigger and better. The Student-Faculty Variety Show was again a major production. The Drama Club presented "Up the Down Staircase" and "Annie Get Your Gun". The musical programs, the athletic teams, and the other extra-curricula activities gave the students many opportunities to use their special talents.

Brian Delaney, presently a senior, brought sepcial honor to Milton High School as a national winner in the writing contest sponsored by the National Council Teachers of English. Brian is the second winner Milton has had within the last four years.

In the spring construction of the new gym, locker rooms, and the upgrading of the building for the handicapped began. It has created some problems with no locker rooms for gym classes and the inevitable dust and confusion produced by having construction going on during the regular school day. The cooperation of the students and teachers has been excellent. They are very aware of the inadequacies that are being corrected and have been most tolerant of the inconveniences that must be borne in order to accomplish that end.

I offer my sincere thanks to the School Committee, the Central Administration, and the entire staff of Milton High School for their continued cooperation and support.

Respectfully submitted,

Roger T. Connor, *Principal*
Milton High School

CUNNINGHAM JUNIOR HIGH SCHOOL ANNUAL REPORT 1979 CALENDAR YEAR

The 1979 calendar year reflected a decrease in enrollment, particularly in grade seven, to the point where, for the first time in many years, there were smaller class sizes and more flexibility for scheduling. This trend of declining enrollment should continue for one more year and then level off.

Our adademic and extra curricular programs continue to provide the students with a well-balanced education. As a result of federal grant money obtained through the CHARMSS Collaborative, we will be able to expand our reading program with the addition of a part-time specialist. The music, art and drama programs reflected the many fine talents of the students, encouraged by the hard work of the teaching staff. Athletically, Cunningham had one of its better years in recent times. This was highlighted by an undefeated season by the boys' basketball team. The Student Government has been a very important school function providing service to the school and the community.

The junior high school testing program was expanded last spring to include achievement tests in mathematics, reading, language arts, science and social studies, as well as an intelligence test. The test results, which were sent to parents, provided the home and the school with most helpful information.

The team approach in the special needs program continues to function very successfully.

The unfortunate fire in the gymnasium in April created some hardship to the physical education program. The instructors and the students are to be commended for adjusting to a difficult situation.

Miss Ellen Fahey retired after devoting twenty-eight years to teaching English to the children of Milton. We wish her many rewarding and enjoyable years of retirement.

The continued hard work, cooperation and support of the Cunningham staff is most gratifying. In addition, the support of the entire educational community of Milton, including that of the parents, is very much appreciated.

Respectfully submitted,

Allen G. Adams, *Principal*
Cunningham Junior High School

ANNUAL REPORT
PIERCE JUNIOR HIGH SCHOOL

One highlight among the many activities that took place at the Pierce Junior High during 1979 was the Poet-In-Residence Program. In April, Mr. Stephen Perrin, an active poet worked with several classes for eleven days. Students found that they were able to develop writing talents that they were not aware they had.

Students in Mrs. Marilu Swett's class did art work to give visual interpretations to some of the Poetry.

Mrs. Swett wrote the plan for a grant from the Artists' Foundation which was matched in funding through the cooperation of the Student Council, the Parent Teachers Organization, and the School. Everyone involved in the program felt they were enriched by it.

In May, the testing program was expanded to include the California Achievement Test and the Short Form Test of Academic Achievement with the encouragement of Dr. Giuliano. The results of the test were gratifying and useful. They have enabled us to add emphasis to areas of relative weakness and to capitalize on the strengths shown by individual students.

A reduced enrollment made space available so that an elective course on Introduction to Business was offered to ninth graders. Hopefully the offerings in the business or skills area can be expanded so that a typing course can be added next year.

I am grateful to all those whose cooperation has made this such a successful school year, the students, the staff, the administration and the School Committee. A special thank you goes to Mrs. Margaret Welch, the school secretary who is retiring. Her presence has made a significant contribution to the pleasant atmosphere in the school for the last 15 years.

Respectfully submitted,

C. J. McIntire, *Principal*
Pierce Junior High School

REPORT OF THE PRINCIPAL OF COLLICOT SCHOOL

I herewith submit my twenty-eighth Annual Report as Principal of Collicot School. Our reports for 1978 and 1979 emphasized the purpose and gains in developing achievement in reading and mathematics respectively. At this time, I take the opportunity to point out that our optimism proved to be justified. The standardized testing completed in May 1979 showed our median achievement in grades three through six to be in the 70-75th percentile in both reading and mathematics. Tests of ability showed our pupils to have an academic median ability in the 75th percentile.

Thirty percent of our pupils in grades three through six scored in the 90-99th percentile in the test of academic ability while thirty-five percent scored in that top range in reading and math achievement. This gives us reason to believe that our more able pupils are being challenged and some are overachieving.

Our teachers are constantly aware that the higher achieving pupils must have demands made of them that require effort for achievement commensurate with their ability. Those demands must require the faster learning student to develop study habits and responsibility for themselves and others not expected of the entire grade level. We are fortunate to have the numbers of able students so as to provide the group learning environment of peer pressure as well as responsibility for self-development and "learning for the sake of learning".

In essence, our teaching of this upper third of our students invovles nine areas of developmental learning:

1. Development of a demonstratable degree of mastery of subject matter.
2. Development of self-initiative, active curiorsity, and self-direction of learning.
3. Attainment of a higher level of abstraction.
4. Ability to make observations, inferences and value judgments.
5. Understanding and skill in use of various sources of information.
6. Ability to distinguish between facts and hypotheses.
7. Ability to analyze their own hypotheses.
8. Skill in selecting personal learning goals.
9. Attainment of social responsiblity which includes problem solving and decision making as individuals and groups.

The Collicot School PTA sponsored the production of "The Pied Piper of Hamelin", and also arranged a class visitation by Milton Hospital in the presentation of "Michael Goes to the Hospital", a hands-on presentation designed to reduce a youngster's fear of hospitals.

The American Humane Society and The Electric Company also put on classroom and assembly presentations for our pupils.

The PTA in conjunction with the Public Works Department and School Department established a well-equipped primary play area and an asphalt topped basketball area for the intermediate grades. This enables us to conduct our noon hour activities without the use of the Cunningham Park facilities.

The PTA also provided a considerable number of balls, jump ropes, etc. for the use of each classroom during their recess periods. The cooperative effort of the parents and town departments is evidence of our youngsters benefiting from obvious dedication of our Town to support and enhance the education of its young citizens. This positive supportive action is of inestimable value in maintaining the excellence of education for which we strive.

Respectfully submitted,

Chester W. Ruggles, *Principal*
Collicot School

REPORT OF THE PRINCIPAL OF GLOVER SCHOOL

I herewith submit my sixteenth annual report as principal of Glover School.

This year we have implemented a Parent Advisory Council which is an extension of our Parent Teacher Association. This group consists of a parent representative from each grade level along with officers of the P.T.A. who meet with the school administration for one hour each month. The purpose of these meetings is to enhance communication between home and school by discussing mutual concerns pertaining to the operation of Glover School. These discussions have proved most worthwhile and I am grateful to the parents who have given of their time to take part in these meetings.

In order to equalize pupil-teacher ratio in all elementary classrooms, a redistricting plan was implemented that moved approximately forty children from all grade levels into Glover School. My most sincere appreciation to the parents and administrators who served on this committee throughout the school year.

Once again, our sixth grade children were afforded the opportunity to take part in an outdoor education program at Camp Wing in Duxbury. During this week, the children attended outdoor classes under the competent instruction of the sixth grade Glover teachers along with our specialists in physical education and art. We look upon this trip as a total educational experience for children and adults. We look upon this trip as a total educational experience for children and adults. This trip is financed each year by the Parent Teacher Association and the sixth grade parents.

In conclusion, I would like to make note of the outstanding spirit of cooperation among parents, teachers and students at Glover. The concerted efforts of all continue to serve as an inspiration to those of us dedicated to provide the finest education possible for our children.

Respectfully submitted,

Mary B. Schofield, *Principal*
Glover School

ANNUAL REPORT OF THE PRINCIPAL OF PIERCE ELEMENTARY SCHOOL

I herewith submit my nineteenth Annual Report as principal of the Pierce Elementary School.

Again this year, with the continued interest and cooperation of the very hard working and involved PTA and Parent Council groups, we have continued to communicate and work together for the benefit of the Pierce Elementary School children. The PTA activities during the past year included the following: Several fund raisers for the Camp Wing trip which included Fun and Fashions of Yesteryear, the New England Theatre Guild presentation of the Pied Piper, the purchase of a variety of supplementary materials for classroom use including books on the dangers of smoking, the purchase of trophies for the Presidential Physical Fitness program, the Open House program, the Annual Field Day and a teacher-student basketball game. We continue to advocate community interest and sharing in the Pierce Elementary School through the PTA and the Parent Council which meet monthly to discuss broad issues which affect the school.

Special projects, performances and activities for pupils during the past year included a variety of interesting field trips, plays, assembly programs, illustrations of pupil work at various grade levels, project fairs in the areas of Social Studies and Science, the observance of United Nations Day, the Gymnastics Meet and the Track Meet at Milton Academy. Mrs. Coveney's second grade class won the "Name the Otter" contest conducted by the Trailside Museum for the names Slide and Glide from among more than 200 contest entries. Our extra curricular activities are varied, well attended and carefully guided by skilled staff members.

In the two major academic areas of Reading and Mathematics under the direction of Coordinators Von Orton and Leo Tyrrell, respectively, continued evaluation of the instructional program takes place and changes are made after careful study and consideration of pupil needs. At the present time the Open Court Reading program is used in our two first grades, one second grade and one third; the Holt and Benziger Reading Series are being used for basic reading instruction in Grades four, five, and six. Both primary and intermediate reading programs are supplemented with a variety of appropriate reading materials. In the area of Mathematics we currently use the MacMillan Series in all grades, kindergarten through grade six. The purpose of this series is to help children develop the concepts and skills needed to meet the mathematical demands of everyday life with confidence and accuracy and to provide a firm base for further learning in mathematics.

In the Pierce Elementary Physical Education program, Mr. Donahue continues to utilize the very innovative Movement Education Curriculum with children in kindergarten, grade one and grade two.

The LATCh Program (Learning for Academically Talented Children) under the direction of Mrs. Carol Caroll is housed in the Pierce Elementary School in a classroom adjoining the library on the ground floor. Students of grades four, five and six come to Pierce from Collicot, Glover, Pierce Elementary and Tucker, one day a week.

The curriculum for the LATCh Program is academically oriented and offers in-depth experiences in language arts, mathematics, science and social studies. In addition, library, laboratory and field research methods are utilized. The elementary coordinators of Language Arts, Mathematics and Science offer mini-courses in their disciplines. Individuals and organizations within the community have become resources for the program. In addition to her responsibilities as the LATCh teacher, Mrs. Carroll serves as the Pierce Elementary Librarian two days a week. The Collicot, Glover and Tucker Librarians supervise and teach the Pierce Library program on the other three days of the week.

The children at Pierce Elementary have a variety of opportunities to use the library this year as follows:

Each morning when individual children arrive at school they may return and sign out books in the library.

Approximately one hour each day is 'open library time' when teachers may send individuals or small groups to use the library with the assistance of the librarian on duty.

Other open times may be reserved by classroom teachers to bring their classes for special projects under teacher supervision for research reports and book reports.

Book clubs for students who are interested in sharing good books with others have been organized with supervision by a citizen volunteer.

One half hour per week is scheduled for each reading group to have an instructional period with the librarian.

An after school library aide program has been formed. Fifth and sixth grade library aides assist with the processing of new books, shelving of returned books, typing new sign-out cards and catalog cards, keeping shelves in Dewey Decimal order and creating special collections. Students learn new skill while providing much needed help to the librarian.

I thank the highly professional staff of teachers, the many dedicated non-teaching personnel and the parents for their untiring efforts on behalf of the children at the Pierce Elementary School.

Respectfully submitted,

Robert G. Connolly, *Principal*
Pierce Elementary School

Tucker School
A successful fourth grade science experiment.

REPORT OF THE PRINCIPAL OF THE TUCKER SCHOOL

I herewith submit my twenty-fourth Annual Report.

Effective communication is an essential component in establishing excellent cooperation between the home and school. The following information supports this statement and assists us in maintaining educational excellence.

Twenty library volunteers contributed 759 hours. They stamped, slipped and reshelved 12,421 books. Major repairs were made to 178 books. Overdue slips were written for 1,368 books. Book processing was completed for 226 books and 156 pieces of AV software were marked. They have compiled an outstanding record.

Parent-teacher conferences were scheduled in the fall at the conclusion of the first marking period. The response of 98% of the membership is indicative of parental concern and reflects a positive attitude.

Our Parent Advisory Council meets on a regular basis to develop a better understanding of how our school is run and to share concerns. Representatives meet regularly with Superintendent Giuliano's Council.

The Parent Teacher Association continues its strong support with an informative newsletter issued quarterly, interesting meetings, successful fund raising activities which enable us to provide an outstanding Camp Wing program for our sixth grade pupils and enrichment materials for all pupils. The enjoyable fall dance serves to welcome new parents and renew friendships.

Among the highlights of the academic year was the introduction of a gifted and talented program for pupils in grades 4-6. Librarians, guidance personnel, mathematics, science and language arts coordinators were involved one morning per week at the building level. This fall the program was extended to include a full day under the leadership of Mrs. Carol Carroll. It is now known as LATCh and is housed at the Pierce School. I foresee exciting educational accomplishments in the years ahead.

System-wide testing was conducted during May to assess basic skills and to assist in preparing competency requirements. Test results are utilized to improve educational instruction. Excellent gains motivate everyone toward higher degrees of success.

We are involved in a reading motivation program known as *Reading Is Fundamental.* The program is designed to help children maintain an interest in reading by giving them the opportunity to choose and own paperback books. The books are purchased with money from the P.T.A. along with matching funds provided by congressional legislation. Thirty-six students are participating in grades 4-6.

Appreciation is extended to all staff members and parents who share a mutual concern for maintaining high standards of excellence despite our economic climate.

Respectfully submitted,

Eleanor C. Blaine, *Principal*

MILTON TOWN RECORDS IN MUNICIPAL YEAR 1980

1980 MARCH MEETING WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	St. Mary of the Hills School Hall, Brook Road,
In Precinct 3.	Milton-Hoosic Clubhouse, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road,
In Precinct 5.	Gymnasium, Pierce Junior High School, Gile Road
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's School, Adams Street,
In Precinct 8.	Kindergarten Room, Collicot School, Edge Hill Road,
In Precinct 9.	Gymnasium, Pierce Junior High School, Gile Road,

on Saturday, March first next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

Three Selectmen and Surveyors of the Highway for the term of One Year.
One Town Clerk for the term of One Year.
One Assessor for the term of Three Years.
One Town Treasurer for the term of One Year.
One Member of the Regional Vocational School Committee for the term of Two Years.
Two Members of the School Committee for the term of Three Years.
One Member of the School Committee for the term of One Year.

One Moderator for the term of One Year.
One Member of the Planning Board for the term of Five Years.

Two Hundred and Sixty-two Town Meeting Members to be elected as follows:

Precinct 1.	Thirty-two
Precinct 2.	Thirty-three
Precinct 3.	Thirty-three
Precinct 4.	Nine for Three Years
Precinct 5.	Twenty-nine
Precinct 6.	Thirty-two
Precinct 7.	Thirty
Precinct 8.	Thirty-five
Precinct 9.	Twenty-seven

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March eighth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles to wit:

Articles 1 through 49 inclusive, appearing in regular type on pages 11 through 50.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the first day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of the Warrant with your doings thereon to the Town Clerk, on or before said first day of March, next.

Given under our hands at Milton the seventh day of February, Nineteen Hundred and Eighty.

(Signed) John P. Linehan
James D. Colt
Walter F. Timilty
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town on February 22, 1980 and leaving attested copies at the dwelling of the inhabitants.

(Signed) Bernard J. Lynch, III
Constable of Milton

The Warrant, including report of the Warrant Committee and recommendations on the Articles in the 1980 Warrant, was posted in the Post Offices at East Milton and at Milton Village on February 22, 1980. The Warrant was delivered to the homes of the inhabitants on February 22, 1980 and filed in the Town Clerk's Office February 22, 1980.

For these purposes, the polls were opened at each and all of the said Precincts at eight o'clock in the forenoon and were closed at eight o'clock in the evening.

Ballots Cast	13	22	35	15	10	11	15	19	17	157

Of the total ballots cast, 112 were cast in person by the Voter in the Town Clerk's Office and 45 were cast by mail.

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and were counted with the Ballots cast in the Precincts.

The Meeting adjourned at 5:20 A.M., March 2, 1980, to meet on the following Saturday, to wit, March 8, 1980 next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the forty-nine articles included in the Warrant.

1980 MARCH PRIMARIES

WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway
In Precinct 2.	St. Mary of the Hills School Hall, Brook Road
In Precinct 3.	Milton-Hoosic Clubhouse, Central Avenue
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road
In Precinct 5.	Gymnasium, Pierce Junior High School, Gile Road
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road
In Precinct 7.	St. Agatha's School, Adams Street
In Precinct 8.	Kindergarten Room, Collicot School, Edge Hill Road
In Precinct 9.	Gymnasium, Pierce Junior High School, Gile Road

on Tuesday, March 4 next, at eight o'clock in the forenoon, then and there to bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

PRESIDENTIAL PREFERENCE

DISTRICT MEMBERS OF STATE COMMITTEE (one man and one woman) for each Political Party for the 2nd. Suffolk and Norfolk Senatorial district.

35 Members of the Democratic Town Committee.

35 Members of the Republican Town Committee.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the Post Offices of said Town seven days at least before said fourth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before said fourth day of March next.

Given under our hands at Milton this Fourteenth day of February, Nineteen Hundred and Eighty.

(Signed) John P. Linehan
James D. Colt
Walter F. Timilty
Board of Selectmen

Commonwealth of Massachusetts) ss
County of Norfolk)

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town on February 22, 1980 and leaving attested copies at the dwelling of the inhabitants.

(Signed) Bernard J. Lynch, III
Constable of Milton

See the following pages for the results of the election by precincts.

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 3:05 A.M. March 5, 1980.

ADJOURNED TOWN MEETING
MARCH 8, 1980

The Town Meeting held at the High School Auditorium was opened at 1:04 P.M. by the Moderator, Robert K. Lamere.

The Town Clerk James G. Mullen, Jr., informed the Moderator that a quorum was present.

The Moderator introduced Reverend Robert B. Appleyard, Jr. of Saint Michael's Episcopal Church who delivered the invocation.

The Town Meeting Members remained standing and were sworn in by Town Clerk James G. Mullen, Jr.

The Moderator informed the Town Meeting Members that no members had died since the May 14, 1979 Town Meeting.

The following fourteen Town Meeting Members were absent:

PRECINCT 1. Colette E. Knight, Robert P. Reed

PRECINCT 2. David F. Forsyth, Joseph K. Walsh

PRECINCT 3. Robert J. Fallon, Catherine L. Molloy (Ex-Officio)

PRECINCT 4. ALL PRESENT

PRECINCT 5. Walter E. Bosworth

PRECINCT 6. Edward J. Flaherty, Daniel F. Marr, Joseph G. Sullivan

PRECINCT 7. Thomas W. Kenneally, Joseph J. Mullen

PRECINCT 8. John E. Driscoll

PRECINCT 9. Thomas P. McSharry

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect Albert W. Semer and James E. Curran, Measurers of Lumber.

UNANIMOUS VOTE

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

VOTED: The Town voted "YES" to accept the report of the Town Accountant appearing on Pages 159 to 201.

UNANIMOUS VOTE

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1980, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: The Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1980 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interest of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

** ARTICLE 7. To see what sums of money the Town will vote to appropriate to provide supplementary funds to defray the cost of fuel and electricity for fiscal year 1980; and to act on anything relating thereto.

VOTED: The Town voted to appropriate from available funds the amounts shown in the following tabulation, to be added to the expense appropriations for fiscal year 1980 of the departments listed.

Fire	$ 10,228
Police	35,500
Street Lighting	47,894
Traffic Lights	3,397
Public Works	
Water Operations	7,700
Vehicle Maintenance	8,730
Library	7,285
School	18,000
TOTAL	$138,734

and, in addition, to transfer the following amounts from these appropriation accounts to 1980 School – Expense Account:

	Group Insurance	$ 8,000	
	Fire – Salaries & Wages	35,000	
**	Assessors – Expert Witnesses	30,000	
**	Public Works General (Snow)	30,000	
	Veterans Benefits	1,500	
	Development, Maintenance and Protection Trout Brook	3,000	
	Data Processing Committee	5,000	
	Cost of Bonds	7,500	
	TOTAL	$120,000	
**	GRAND TOTAL		$258,734

UNANIMOUS VOTE

** Article 7 was revised at the Meeting held on April 12, 1980 Town Meeting Member Ralph L. Kent made a motion which was seconded to reconsider Article 2 – the report of the Town Accountant.

The Motion was defeated on a Voice Vote.

ARTICLE 8. Town Meeting Member Richard B. DeWolfe made a motion which was seconded to add the following: "six citizens one of who is to be a member of the Planning Board to study the need of conservation of energy throughout the community and following the 1980 session of the legislature employ the services of an architect".

The Motion was defeated on a Voice Vote.

Town Meeting Member Joseph T. Barrett, Jr., made a motion to substitute $3,000 for $12,000.

The Motion was defeated on a Voice Vote.

ARTICLE 8. To see if the Town will vote to authorize the Moderator to appoint a Committee of five citizens, one of which shall be a School Committee Member, to be known as the Energy Committee, to study the need for improvements to the various public buildings and schools, including the installation of insulation, storm windows, energy efficient burners and boilers, and other energy conservation measures, to propose solutions therefor, to employ the services of an architect, engineer or such professional consultants as it deems necessary, to prepare energy audits, plans, specifications and cost estimates for the construction and implementation of the energy recommendations; said Committee to report its recommendations to the Board of Selectmen and to the School Committee; and to see what sum of money will be appropriated for the use of said Committee and to determine how said appropriation shall be raised; and to act on anything relating thereto.

VOTED: The Town voted "YES" and the sum of $12,000 be appropriated for the purposes set forth in the article.

UNANIMOUS VOTE

ARTICLE 9. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1980, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

EMPLOYEE BENEFITS	7/1/80 - 6/30/81
Widows' Pensions	$ 31,632
Non-contributory Pensions & Annuities	258,399
Contributory Pensions	1,100,181
Administration	8,552
Group Insurance	456,100
TOTAL	$1,854,864

and that of the appropriations for Contributory and Non-contributory Pensions and for Group Insurance, the total sum of $82,895 represents costs of Water employee benefits.

The sum of $11,931, but no more, shall be used for salaries and wages.

ARTICLE 10. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything related thereto.

VOTED: The Town voted to appropriate the sum of $25,000 for the purpose set forth in this Article; that upon receipt of notice from the Town Accountant that a claim for benefits has been made by a former employee, the head of the department in which the former employee has worked shall promptly certify to the Town Accountant and to the Treasurer that such claim for benefits is proper or the reasons why such claim is or may be improper and the Treasurer shall make no reimbursement to the Commonwealth on account of such claim for benefit unless certification that such claim is proper has been received from such department head or unless Town Counsel has certified that such reimbursement must be made; that the Treasurer shall make reimbursement payments for benefits made to former employees from the salary accounts of the respective departments for whom such employees formerly worked unless the Treasurer has received written notice from the Town Accountant that said reimbursements are to be made from funds appropriated pursuant to this Article; and that the Treasurer shall report to the Selectmen monthly the name of each former Town employee on account of whom reimbursement payments have been made to the Commonwealth and the amount of such payments.

UNANIMOUS VOTE

Town Meeting Member Robert J. Kaler made a motion which was seconded to appropriate $120,000 for the purpose set forth in Article 11.

The Motion passed on a Standing Vote.

YES 171 NO 89

ARTICLE 11. To see what sum of money the Town will vote to appropriate to the Special Fund for Retirement Purposes which was established in 1978, in accordance with the provisions of General Laws, Chapter 40, Section 5D, in order to offset the anticipated cost for funding the contributory retirement systems for Town employees except teachers and administrators of the school system; and to act on anything relating thereto.

VOTED. The Town appropriated $120,000 for the purposes set forth in this Article on a Standing Vote.

YES 167 NO 86

Town Meeting Member Virginia F. Wells made a motion which was seconded to postpone Article 12 until after Article 22.

The motion passed on a Voice Vote.

ARTICLE 13. To see what sum of money the Town will vote to appropriate to the Board of Selectmen for the purpose of conducting a municipal audit for the fiscal year ending June 30, 1980, and further to see if the Town will vote to authorize the Committee appointed pursuant to Article 14 of the 1978 Annual March Meeting (the Town Audit Committee) to make recommendations to the Selectmen relative to the employment of a Certified Public Accountant for the foregoing purpose; and to act on anything relating thereto.

VOTED: The Town voted to appropriate the sum of $8,500 for the purpose set forth in this Article.

UNANIMOUS VOTE

Town Meeting Member William E. McGuire made a motion which was seconded to delete all out of state travel in Article 14.

The Motion was defeated on a Voice Vote.

ARTICLE 14. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1980 for the operation of the Town departments classified as General Government, and for the Student Work Study Program, and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

		7/1/80 - 6/30/81

ARTICLE 17. To see what sum of money the Town will vote to appropriate for Health and Sanitation for the twelve month period beginning July 1, 1980; and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

	7/1/80- 6/30/81
HEALTH	
1. Health-General	
Salaries & Wages	$ 42,775
Expenses	2,055
Physical Exams	575
TOTAL	$ 45,405
2. Inspector of Animals	$ 600
3. Mandatory Hospitalization	–
4. Rodent Control	$ 500
5. Well Child Conference	$ 550
6. Mosquito Control	$ 500
7. Collection of Garbage & Refuse	$178,000
8. South Shore Mental Health	$ 2,400
GRAND TOTAL	$227,955

and that to meet said appropriation for Collection of Garbage and Refuse the sum of $178,000 shall be transferred from the Local Government Fiscal Assistance Fund received or to be received pursuant to the provisions of Public Law 92-512 and that the balance of said appropriation, $49,955 be raised from the tax levy of the fiscal year.

The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

ARTICLE 18. To see what sum of money the Town will vote to appropriate for the Public Library for the twelve month period beginning July 1, 1980; and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown in the following tabulation:

	7/1/80- 6/30/81
Salaries & Wages	$265,603
Expenses (reduced at June 23, 1980 meeting)	47,452
Equipment	625
Out-of-State Travel	500
Books & Periodicals	52,650
TOTAL	$366,830

and that to meet said appropriation, the sum of $354,880 be raised from the tax levy of the fiscal year and the balance of the appropriation, $11,950 be transferred from available funds as follows:

State Aid for Libraries Account	$ 10,205
Dog License Fund	1,745

The Department is hereby authorized to sell or exchange old equipment and books to furnish additional funds for new equipment and books.

ARTICLE 19. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1980 for the operation, maintenance and improvement of Public Works; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

**PUBLIC WORKS DEPARTMENT (see June 23, 1980 meeting for reductions)		7/1/80- 6/30/81
Public Works – General	**	$ 780,830
Water Operations & Improvements		756,949
Vehicle Maintenance & Operations		163,561
Sanitary Landfill Contract		95,000
Out-of-State Travel – Water		300
TOTAL	**	$1,796,640

The Public Works Department is authorized to spend from the aggregate amounts appropriated the sum of $971,348 but not more, for salaries and wages and $74,000 but not more, for new equipment.

To meet the appropriation for Water operations and improvements, the sum of $50,510 is to be transferred from the Water Surplus as of June 30, 1979 and the balance of $706,439 is to be raised from the tax levy of the current fiscal year. Included in the appropriation is the Metropolitan Water assessment.

To meet the appropriation of the Sanitary Landfill Contract, the sum of $95,000 shall be transferred from Local Government Fiscal Assistance Fund received or to be received pursuant to the provisions of Public Law 92-512.

The Public Works Department is hereby authorized to sell at private or public sale, with the approval of the Board of Selectmen, equipment which is no longer required by the

Department; exchange or trade-in old equipment for the same or similar type of equipment, and to sell junk, metal, cast iron and similar materials and discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purchase or replacement items.

To meet the appropriation $1,651,130 is to be raised from the tax levy, with the balance being funded by the transfer of $50,510 from the Water Surplus Account and $95,000 from the Local Government Fiscal Assistance Fund.

** Article 19 was revised at the Meeting held on April 26, 1980.

ARTICLE 20. To see what sum of money the Town will vote to appropriate for engineering and design services to rehabilitate the Granite Avenue, Capen Street, Libby Road, Truman Parkway, Randolph Avenue II Pumping Stations and to authorize the Board of Selectmen, on behalf of the Town, to apply for and use federal and state funds for rehabilitation of the above mentioned pump stations, and to act on anything relating thereto.

VOTED: The sum or $20,600 was appropriated for the purpose set forth in this Article.

ARTICLE 21. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State for this purpose; and to act on anything relating thereto.

VOTED: The sum of $35,182 is appropriated from available funds to meet the State's share of the cost of said work, the reimbursements from the State to be restored upon their receipt to the treasury.

Town Meeting Member Virginia F. Wells made a motion which was seconded that the title "Youth/Human Services Department" remain as the "Youth Department" in Article 22.

The motion passed on a Voice Vote.

ARTICLE 22. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1980 for the operation of the several categories classified as Observances of Holidays, Parks, Recreation and Youth Program; and to act on anything relating thereto.

VOTED: The Town appropriated the amounts shown on the following tabulation:

	7/1/80- 6/30/81
1. Observances of Holidays to be Administered by the Board of Selectmen	
Expenses	$ 1,500

	** $129,025

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the maintenance and improvements of the Cemetery for the year beginning July 1, 1980; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

CEMETERY	
Salaries & Wages	$147,994
Overtime	8,500
Expenses	63,945
Equipment	6,584
Out-of-State Travel	275
Trees and Tree Work	2,000
TOTAL	$229,298

and that to meet said appropriation, the sum of $144,604 be raised from the tax levy of the fiscal year and the balance of the appropriation be transferred from available funds as of June 30, 1980 as follows:

Proceeds from the sale of burial rights	$ 13,685
Income in cemetery Perpetual Care Fund	$ 71,009

The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

ARTICLE 24. To see if the Town will vote to accept a bequest to the Milton Cemetery for the purposes stated therein from the Estate of Genevieve S. Dickey.

VOTED: The Town voted to accept the gift of $1000 from the estate of Genevieve S. Dickey.

UNANIMOUS VOTE

ARTICLE 25. To see if the Town will vote to appropriate from available funds to be added to the March 11, 1978 appropriation under Article 29 for School Department Salaries and Wages for the ten-month period beginning September 1, 1978 the following amounts:

William J. Stefaney, Assistant Principal at Pierce Junior High School	$404.00
Paul B. Dorsey, Assistant Principal at Cunningham Junior High School	$404.00

Thomas Brennan, Assistant to the Principal at the Milton High School	$606.00

and to act on anything relating thereto.

** Article 12 line item Police was revised at the Meeting held April 12, 1980.

VOTED: The sum of $1,414 be appropriated from available funds to be added to the March 11, 1978 appropriation under Article 29 for School Department Salaries and Wages for the ten-month period beginning September 1, 1978.

UNANIMOUS VOTE

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the support of Schools for the twelve-month period beginning July 1, 1980; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

** SCHOOLS	7/1/80- 6/30/81
Salaries & Wages	$7,045,761
General Expenses	847,402

Town Meeting Member Paul F. Harrington made a motion which was seconded to reconsider Article 27.

The motion passed on a Voice Vote.

ARTICLE 27. To see if the Town will vote to amend the Agreement between the Quinobin Regional Vocational School District and the Towns of Dedham, Milton, Natick and Wellesley, so that the third sentence of Section III will read: "Students will attend the regional district school in a morning or afternoon session, or equivalent thereof, such as alternating days or weeks".

Mr. Harrington made a motion which was seconded to amend the agreement between the Quinobin Regional Vocational School and the Town of Milton as follows:

VOTED: To amend the Agreement between the Quinobin Regional Vocational School District and the Town of Milton so that the third sentence of Section III will read "Students will attend the regional district school in a morning or afternoon session, or equivalent thereof, such as alternating days or weeks, but no change in the scheduling of the students of a member town will be made without the approval of both the School Committee of that town and of the Quinobin Regional Vocational School Committee."

UNANIMOUS VOTE

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the support of the Regional Vocational Technical School.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/80- 6/30/81
Quinobin Regional Vocational-Technical School	$119,496

UNANIMOUS VOTE

* ARTICLE 29. To see what sum of money the Town will vote to appropriate for the transportation of pupils within the Town and to and from the Regional Vocational School for the twelve-month period beginning July 1, 1980, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/80- 6/30/81
* School Bus Transportation	$300,000

UNANIMOUS VOTE

ARTICLE 30. To see what sum of money the Town will vote to appropriate for Evening Practical Art courses under the provisions of General Laws Chapter 74, Section 14, for the twelve month period beginning July 1, 1980; and to act on anything relating thereto.

VOTED: The Town appropriated the amount shown in the following tabulation:

	7/1/80- 6/30/81
Evening Practical Art Courses	$1,919

UNANIMOUS VOTE

ARTICLE 31. To see if the Town will vote:

A. To petition the General Court to enact legislation in substantially the following form:

* Article 29 increased by $17,000 at the June 23, 1980 Meeting.

1. All School Traffic Supervisor positions as defined by Chapter 6A of the General Bylaws of the Town of Milton shall be exempt from the provisions of the Civil Service Law and Rules.

2. No incumbent who enjoys permanent Civil Service status in any of the aforesaid positions on the effective date of this act shall lose any rating, seniority, retirement or pension rights or any other rights or privileges under any provisions of Civil Service Law.

3. This act shall take effect upon its passage.

B. To amend the Personnel Bylaw to include the above-named employees in Section VII Grievance Procedure. This Bylaw shall take effect upon the enactment of the aforementioned legislation, and to act on anything relating thereto.

The above Article submitted by the following:

Gertrude L. Danehy, 21 Wood Street
Agnes J. Gaul, 299 Granite Avenue
Ann M. Cherry, 29 Harold Street
Patricia A. McLaughlin, 64 Antwerp Street
Caroline B. Maglio, 29 Cedar Terrace Street
Katherine A. Interland, 108 Squantum Street
Carol A. O'Donnell, 26 Eaton Street
Marguerite P. Driscoll, 69 St. Agatha Road
Lorraine E. Hanley, 635 Pleasant Street
Patricia A. King, 12 Pine Grove Street

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 32. To see if the Town will vote to petition the General Court to enact legislation in substantially the following form: The position of Supervisor of Custodians and Maintenance in the Milton School Department shall be exempt from the provisions of the Civil Service Law and Rules; and to act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 33. To see if the Town will vote to authorize the Committee authorized under Article 38 of the 1977 Town Meeting to award the contract for the construction of a recreational complex facility on a portion of land recently acquired by the Town, consisting of approximately 15 acres and lying in the northerly portion of what is known as the Lamb Property, and as shown on drawings on file at the office of the Town Engineer; to see if the Town will authorize the Committee to employ professional consultants as it shall deem necessary and advisable; to see if the Town will authorize said Committee to supervise said project in the name and behalf of the Town and take any other action required to carry out and complete said project; to see if the Town will authorize said Committee to seek and expend State and/or Federal funds on said project, and to see what sum of money the Town will vote to appropriate for the foregoing purposes; and to act on anything relating thereto.

VOTED: The Town voted to appropriate the sum of $5,000 to enable the Committee to employ professional consultants for the foregoing purposes on a Standing Vote.

YES 165 NO 42

ARTICLE 34. To see if the Town will vote to transfer the care, custody, management and control of a certain parcel of land situated off Hillside Street from the School Committee to the Board of Selectmen, said parcel of land being no longer needed for school use. Said parcel contains approximately 23.6 acres and is shown on a plan entitled "Plan of Land in Milton, Massachusetts", by Alexander E. Manning, Town Engineer, dated January 1959, and recorded at the Norfolk Registry of Deeds, Dedham in Book 3723, Page 408; and to act on anything relating thereto.

Town Meeting Member Joseph C. Mahoney made a motion which was seconded and voted as follows.

VOTED: The Town voted "YES" and "that the Board of Selectmen arrange for the presentment at the next Town Meeting an article providing for the sale of this land".

The Motion passed on a Voice Vote.

ARTICLE 35. To see if the Town will vote to amend Chapter 10, Section III A 7 of the General Bylaws known as the Zoning Bylaws by deleting sub-paragraph (k) and adding:

(j) The parking of school buses on Town owned land.

The above Article was submitted by:

Aldo Feroli, 7 Horton Road
Albert L. Lewis, 100 Valley Road
Walter S. McBurnie, 51 Elton Road
Nicholas R. Martin, 30 Otis Street
Francis X. McWilliams, 16 Hudson Street
John E. Daly, 70 Nancy Road
Joseph H. Hennessey, 170 Brush Hill Road
William C. Murdock, 8 Vinewood Road
Joseph A. Downey, 80 Huntington Road
Albert M. Mitchell, 61 Hoy Terrace

VOTED: The Town voted "YES".

ARTICLE 36. To see if the Town will vote to amend the General Bylaws by adding thereto a new chapter as follows:

Chapter 14 – Council on Aging

Section 1. Council on Aging is hereby established for the purposes and with the rights and duties provided by General Laws Chapter 40, Section 8B.

Section 2. Said Council shall consist of five members appointed by the Selectmen for terms of three years except that initial appointments shall be one member for one year, two members for two years, and two members for three years.

and act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

Town Meeting Member Anne E. Coghlan made a motion which was seconded to reconsider Article 15.

The Motion passed on a Standing Vote requiring a 2/3rds vote.

YES 162 NO 42

Town Meeting Member Anne E. Coghlan then made a motion which was seconded to change the title "Elderly Affairs Committee" in Article 15 to "Council on Aging" and to provide a line item titled:

Cost of Elderly Affairs Co-ordinator	$ 8,000

VOTED: The Town voted "YES" as follows:

ARTICLE 15.

4. Council on Aging	
Expenses	$ 650
Transportation for Elderly	6,300
So. Shore Home Care	900
Cost of Elderly Affairs Co-ordinator	8,000
$15,850	

UNANIMOUS VOTE

ARTICLE 37. To see if the Town will vote to amend the General Bylaws by adding a new Chapter as follows:

CHAPTER 15
CANVASSERS AND SOLICITORS

Section 1. Registration required.

No person, except as provided herein, shall canvass, solicit, or call from door to door or place to place in the Town without first registering with the Board of Selectmen.

Section 2. Use of terms.

A "canvasser" or "solicitor" shall include itinerant vendors of merchandise who shall go from door to door in this town selling, causing to be sold, offering for sale or taking orders for present or future delivery of merchandise of any description whatever. "Merchandise", within the terms of this chapter, shall include magazines, periodicals, books, and order or contracts for a service, home improvement or alterations. For the purpose of this chapter a "canvasser" or "solicitor" shall also be deemed to be one who is not in the business of selling goods but who makes surveys for research purposes, analyses, opinion polls, rating data and any such similar work which of its nature involves a door-to-door or place-to-place activity, and shall include persons going from door-to-door or place-to-place for the purpose of contributions, donations or alms for any persons or organization.

Section 3. Purpose.

The purpose of this chapter is to prevent fraud, crime and unethical and dishonest business practices and for the general protection, health and welfare of the residents of the Town of Milton.

Section 4. Information required with application; license fee.

A. Each registrant shall, at the time of registering, file with the Board of Selectmen an application in writing which shall give the following information:

(1) Name, age and physical description of applicant.

(2) Complete permanent home and local address of applicant.

(3) Name and address of the organization or person for whom solicitation is being made.

(4) Description of the nature of the business and the goods, services, or wares to be sold, and sufficient information to determine whether or not the business he is to transact is interstate or intrastate commerce.

(5) Two (2) photographs of the applicant, which shall be approximately two and one-half by two and one-half (2½ x 2½) inches in size, showing the head and shoulders of the applicant in a clear and distinguishing manner.

(6) The days, dates and route of his business in the Town of Milton (which shall be between the hours of 9:00 a.m. and 5:00 p.m.).

(7) A statement as to whether or not the applicant has been convicted of a crime, misdemeanor or disorderly conduct offense, and where and when so convicted, the nature of the offense and the penalty, if any.

(8) The make, model, year, color and license plate number of automobiles used by the applicant during the period of solicitation with the town, and the number of his driver's license and the state of issuance.

B. Fees for licenses under this chapter shall accompany the application and shall be calculated as follows:

(1) For ten days or any part thereof, ten dollars.

(2) For one (1) year or any part thereof, twenty-five dollars.

Section 5. Separate registration for each person.

A separate registration must be made for every solicitor, agent or employee soliciting within the town limits.

Section 6. Registration certificate.

Each registrant, upon being so registered, shall be issued forthwith a registration certificate by the Board of Selectmen, upon which shall be affixed one (1) photograph of the applicant over which shall be impressed the Official Seal of the Town of Milton.

Section 7. Display of registration certificate; return.

Each registrant shall carry the registration certificate at all times when in the town and shall exhibit it to any citizen or town official upon request. At the conclusion of the period for which registration certificate was issued, said registration certificate shall be deposited with the Board of Selectmen.

Section 8.

The Board of Selectmen may deny a permit for a license under this chapter if it finds that the applicant has

A. been convicted of a crime involving moral turpitude; or

B. committed prior violations of peddling or soliciting ordinances in Milton or any other city or town; or

C. engaged in previous fraudulent conduct; or

D. has committed a breach of the contracts solicited; or

E. conducted himself in a manner such that granting a permit would, in the judgment of the Board, be detrimental to the health, safety or welfare of the Town.

Section 9. Appeal from denial of application.

In the event an application for canvassing or soliciting is disapproved by the Board of Selectmen for any reason, the applicant may appeal to the District Court of East Norfolk.

Section 10. Rules and regulations.

Every person to whom a registration certificate is issued under the terms of this chapter shall be governed by the following rules and regulations:

A. All circulars, samples or other matter shall be handed to an occupant of the property or left in a secure place on the premises.

B. No person subject to the provisions of this chapter shall canvass, solicit or distribute circulars or other matter except between the hours of 9:00 A.M. and 5:00 P.M. Monday through Saturday.

C. No person subject to the terms of this chapter shall enter or attempt to enter the house or apartment of any resident in the Town of Milton without an express invitation from the occupant of the house or apartment.

D. No person subject to the terms of this chapter shall conduct himself in such a manner as to become objectionable to or to annoy any person while soliciting within the town limits.

E. No person subject to this chapter shall make any solicitations within the town limits where solicitors are notified by sign that soliciting is prohibited.

Section 11. Charitable solicitation.

A. Any person, organization, society or association of a charitable, religious, patriotic, philanthropic or community nature and having its residence or principal place of business in the town, desiring to solicit or have solicited in its name money, property or financial assistance for which no merchandise, wares or services are required, may be exempt from Section 4 of this chapter, provided there is filed with the Board of Selectmen an application in writing giving the following information:

(1) The purpose or cause for which solicitation is being made.

(2) Names and addresses of the officers of the organization.

B. If an exempt status is rejected by the Board of Selectmen, the applicant may, at his option, file an application under Section 4 hereof or appeal to the District Court of East Norfolk.

Section 12. Violations and penalties.

Any person violating the terms of this chapter, whether as an individual, principal or agent or employee of another, shall, upon conviction, be subject to a fine not to exceed one hundred dollars ($100).

VOTED: The Town voted "NO" on a Standing Vote.

YES 55 NO 145

ARTICLE 38. To see if the Town will vote to amend Chapter 10, Section III, Clauses C. 3, and 5, (a) eliminating the word "four" and inserting in place thereof the word "two"; and to act on anything relating thereto.

VOTED: The Town voted "NO" on a Voice Vote.

ARTICLE 39. To see if the Town will vote to amend Chapter 9 of the General By-laws by striking out the present chapter in its entirety and inserting a new chapter as follows:

CHAPTER 9
SIGNS

Section 1. No person or corporation shall erect a billboard sign or similar outdoor advertising device in the Town of Milton and to act on anything relating thereto.

VOTED: The Town voted "NO" on a Voice Vote.

ARTICLE 40. To see if the Town will vote to amend Chapter 10 of the General Bylaws as follows:

1. By striking out the words "Board of Selectmen" in Section IV. B.2 and inserting in place thereof the words "Conservation Commission".

2. By striking out the last paragraph of Section IV. B.2 reading "Notice of such hearing shall be given pursuant to the provisions of Section XIII of this Chapter" and inserting in place thereof the words: "Notice of such hearing shall be given pursuant to the provisions of General Laws, Chapter 40A., Section 17." and to act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 41. To see if the Town will vote to appropriate a sum of money for the purpose of supplying bus transportation in the area formerly serviced by the Parkway West route operated by the Brush Hill Transportation Co.; and to act on anything relating thereto.

VOTED: That the Moderator be authorized and directed to appoint a committee of five citizens to study the transportation needs of that area of the town serviced by the Parkway West Bus, and to report to the Board of Selectmen no later than May 1, 1980.

UNANIMOUS VOTE

ARTICLE 42. To see if the Town will vote to accept Section 8H of Chapter 40 of the General Laws which authorizes the establishment of a Recycling Commission; and to act on anything relating thereto.

VOTED: The Town voted "YES", that there be and hereby is established under the provisions of General Laws Chapter 40, Section 8H. the Milton Recycling Commission for the purposes and with the rights and duties provided by law, to be composed of five members appointed by the selectmen for terms of three years except that initial appointments shall be one member for one year, two members for two years, and two members for three years.

UNANIMOUS VOTE

ARTICLE 43. To see if the Town should petition the General Court to provide that, notwithstanding the provisions of Section 137, 139, and 147 of Chapter 140 of the General Laws or any other applicable statute, the Town of Milton be permitted to levy a $2.00 surcharge on each class of dog license in addition to that otherwise provided, except that no fee or surcharge shall be charged for a dog specially trained to serve a handicapped person, and to permit such surcharge to be returned to the operating expenses of the town's Dog Pound; and that such $2.00 surcharge be charged on all dog licenses issued for licensing years commencing April 1, 1981.

The above Article was submitted by:

Marvin A. Gordon, 163 Gun Hill Street
Thomas G. Joseph, 1066 Hillside Street
William F. Naughton, 127 Allerton Road
Martha T. Curtis, 135 Gun Hill Street
James F. Dunphy, 90 Gov. Stoughton Lane
Hugh D. Gardner, 83 Clifton Road
Morton Wolf, 22 Hollingsworth Road

Webster A. Collins, 76 Old Farm Road
Francis X. Desmond, 25 Murray Avenue
Michael F. Farrington, 211 Hinckley Road

VOTED: The Town voted "YES" on a Voice Vote.

ARTICLE 44. To see if the Town will vote to accept the designation of the below listed streets in the Town as scenic roads in accordance with the provisions of General Laws, Chapter 40, Section 15C, so that no repair, maintenance, reconstruction or paving done thereto shall involve or include the cutting or removal of trees, or the tearing down or destruction of stone walls, or portions thereof, without the prior written consent of the Planning Board after a public hearing and further that the Planning Board in conjunction with the administration of this bylaw shall adopt design policies and guidelines covering the design of scenic roads giving due consideration to the preservation of natural resources, environmental and historical values, scenic and aesthetic characteristics as well as sound planning principles and public safety.

Town Meeting Member James D. Colt made a motion which was seconded to reconsider Article 19.

The Town voted “YES”.

UNANIMOUS VOTE

Mr. Colt then moved to reduce the line item "Public Works-General" by $16,337 making the new figures $764,493 and the total for the Article $1,780,303 and $959,511 but not more for salaries and wages.

The Town voted "YES".

UNANIMOUS VOTE

Article 19 now reads as follows:

**PUBLIC WORKS DEPARTMENT:

Public Works-General	$ 764,493
Water Operations & Improvements	756,949
Vehicle Maintenance & Operations	163,561
Sanitary Landfill Contract	95,000
Out-of-State Travel – Water	300
	$1,780,303

and that to meet said appropriation $1,634,793 to be raised from the tax levy, with the balance being funded by the transfer of $50,510 from the Water Surplus Account as of June 30, 1979. To meet the appropriation for the Sanitary Landfill Contract, the sum of $95,000 shall be transferred from Local Government Fiscal Assistance Fund recieved or to be received pursuant to the provisions of Public Law 92-512. The Department is authorized to spend the sum of $959,511 but not more, for salaries and wages and $74,000 but not more, for new equipment.

The Town voted "YES".

UNANIMOUS VOTE

Town Meeting Member Colt then made a motion which was seconded to reconsider Article 16 – Public Safety.

The Town voted "YES".

UNANIMOUS VOTE

Mr. Colt then moved to reduce the line item Number three (3) Fire-Salaries & Wages by $5,500. making the new figure for Fire-Salaries & Wages $1,256,492., and to reduce line item Number five (5) Police-Salaries & Wages by $23,200. making the new figure for Police-Salaries & Wages $1,369,114.

He also moved to increase line item Number five (5) Police-New Equipment by $8,500. for the purchase of a motorcycle making the figure for Police-New Equipment $53,856. These changes would make the total Fire appropriation $1,343,332. and the total Police appropriation $1,633,737. These increases and decreases would make the Grand Total for Article 16 $3,453,348.

The Town voted "YES".

UNANIMOUS VOTE

**	GRAND TOTAL	$3,453,348

The Town voted "YES".

UNANIMOUS VOTE

TAX CAP VOTE

Town Meeting Member Russell G. Simpson made a motion which was seconded that the Town increase the appropriations' limit established by Chapter 151 of the Acts of 1979 by $173,388 so that the appropriations' limit as so increased will be $16,293,936.

The Town voted "YES".

UNANIMOUS VOTE

Town Meeting Member Patricia V. Hurley made a motion and it was seconded to reconsider the previous vote which passed Unanimously.

The Town voted "NO" on a Voice Vote.

Town Meeting Member Russell G. Simpson then made a motion which was seconded that the town increase the levy limit established by Chapter 151 of the Acts of 1979, by not more than $450,000 so that the levy limit as so increased will not be more than $17,075,000.

The Town voted "YES" on a Standing Vote.

YES 173 NO 7

The meeting was dissolved at 1:57 P.M.

James G. Mullen, Jr.
Town Clerk

RECOUNT MARCH 25, 1980

On Thursday, March 6, 1980, Town Meeting Member Joanne P. Stanley of 500 Brook Road filed a petition for a recount of ballots cast for Town Meeting Member in Precinct Three.

On Monday, March 10, 1980, David J. Lyons filed a petition for a recount of ballots cast for Town Meeting Member in Precinct Six.

Notices of the recount were hand delivered by members of the Milton Police Department to all of the candidates for Town Meeting Member in Precincts Three and Six. Signatures of the candidates acknowledging receipt of notice were obtained when possible.

The Recounts were held at the Town Office Building on March 25, 1980 at 1:00 P.M. and 3:00 P.M. respectively.

Margaret Recanzone
A. Frances Semer
Loyola D. Sylvan
John L. Woods (Pt. 3 only)

The Recount was supervised by the four Members of the Board of Registrars.

Francis W. Manning
Charles R. Parsons
Harriett O. Nelson
James G. Mullen, Jr.

RECOUNT

The Recounts of votes cast for Town Meeting Member in PRECINCTS THREE and SIX resulted in a tie, therefore, acting under the Milton Town Charter Section 1 an election to determine who will serve until the 1981 Town election was held April 2, 1980, among the elected Town Meeting Members of each precinct at the Town Office Building.

The polls were opened as follows:

PRECINCT THREE	7:30 P.M. to 8:00 P.M.
PRECINCT SIX	8:00 P.M. to 8:30 P.M.

In PRECINCT THREE 32 Town Meeting Members were eligible to vote:

6 Town Meeting Members cast an absentee ballot
24 Town Meeting Members cast ballots in person
2 Town Meeting Members did not cast a ballot

The results of the election in PRECINCT THREE were as follows:

Joanne P. Stanley	3
George M. Thompson, Jr.	27

George M. Thompson, Jr., will represent PRECINCT THREE until the 1981 Annual Town Election.

In PRECINCT SIX 31 Town Meeting Members were eligible to vote:

5 Town Meeting Members cast an absentee ballot
20 Town Meeting Members cast ballots in person
6 Town Meeting Members did not cast a ballot

The results of the election in PRECINCT SIX were as follows:

Joseph G. Sullivan	7
David J. Lyons	18

David J. Lyons will represent PRECINCT SIX until the 1981 Annual Town Election.

The results of the Recount changed the terms of office for two of the candidates elected in PRECINCT THREE and two of the candidates elected in PRECINCT SIX at the Annual Town Election, March, 1, 1980.

In PRECINCT THREE Peter J. Keenan received 354 votes in the Election and 354 votes in the Recount. Catherine E. Swift received 355 votes in the Election and 353 votes in the Recount.

Peter J. Keenan will, therefore, serve until the Annual Town Election in 1983 and Catherine E. Swift will serve until the Annual Town Election in 1982.

in PRECINCT SIX John W. Healy received 334 votes in the Election and 338 votes in the Recount. Peter F. Merrigan received 338 votes in the Election and 336 votes in the Recount.

John W. Healy will, therefore, serve until the Annual Town Election in 1982 and Peter F. Merrigan will serve until the Annual Town Election in 1981.

James G. Mullen, Jr.
Town Clerk

SPECIAL TOWN MEETING JUNE 23, 1980

The Special Town Meeting held at Milton High School Auditorium was opened at 7:35 P.M. by the Moderator, Robert K. Lamere.

SPECIAL TOWN MEETING

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen in the name and on behalf of the Town to sell and convey, upon such terms as the Selectmen may determine, a parcel of land situated generally between Randolph Avenue and Ford Ranch Road on the northwesterly side of Hillside Street. Said parcel contains approximately 23.6 acres of land and is shown on a plan entitled "Plan of Town Owned Land on Hillside Street" by Paul D. Kanter, P.E., Town Engineer, dated May 9, 1980, which plan is on file at the Office of the Town Engineer; and to act on anything relating thereto.

Town Meeting Member Philip E. Casey made a motion which was seconded to sell the parcel for One Dollar ($1.00) to the Conservation Commission.

The Motion was defeated on a Voice Vote.

Town Meeting Member Joseph C. Mahoney made a motion which was seconded to sell the parcel for not less than $175,000.00.

The Motion was defeated on a Voice Vote.

VOTED: The Town voted NO on the article as it was originally submitted.

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen in the name and on behalf of the Town to sell and convey, upon such terms as the Selectmen may determine, the land with the building thereon numbered 10 Walnut Street and more particularly bounded and described as follows:

SOUTHEASTERLY	by Walnut Street, two hundred twenty-eight (228) feet;
SOUTHWESTERLY	by Clapp Street, three hundred ninety-three and 61/100 (393.61) feet;
NORTHWESTERLY	by private land, two hundred nineteen (219) feet;
NORTHEASTERLY	by private land, one hundred eighty and 06/100 (180.06) feet;
SOUTHEASTERLY	by private land, eleven and 50/100 (11.50) feet;
NORTHEASTERLY	by private land, two hundred eight (208) feet to point of beginning.

Said land contains 87,473 square feet more or less; and to act on anything relating thereto.

Town Meeting Member James D. Colt made a motion which was seconded to authorize the Selectmen to sell the property referred to in Article 2 for not less than $75,000.

VOTED: The Town voted NO on a Voice Vote.

ARTICLE 3. To see if the town will vote to authorize the Selectmen to sell the barn presently located at 480 Blue Hills Parkway, (former Lamb Estate) and shown on the Town Assessor's Plan as Section D, Block 65 for the price of one dollar provided the purchaser will remove said barn within a period of one year; to determine the minimum sale price; and to act on anything relating thereto.

VOTED: The Town authorized the Board of Selectmen to sell the barn presently located at 480 Blue Hills Parkway, (former Lamb Estate) and shown on the Town Assessor's Plan as Section D, Block 65, pursuant to an invitation for bids and such other terms as the Selectmen may determine.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen to sell or transfer to other Town Departments miscellaneous recreational equipment owned by the Youth Department, the proceeds from said sales to be deposited in the general fund of the Town; and to act on anything relating thereto.

VOTED: The Town voted "YES".

UNANIMOUS VOTE

ARTICLE 5. To see what sum of money the Town will vote to appropriate for the installation of pedestrian actuated traffic control lights at the corner of Canton Avenue and Gile Road; and to act on anything related thereto.

VOTED: The Town voted to appropriate the sum of $25,000 for the purpose set forth in this Article.

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the committee appointed by the Moderator under the provisions of Article 8 of the March, 1980 Town Meeting and known as the "Energy Committee" to retain the services of an architect and/or engineer, to prepare detailed specifications, to secure bids, and to contract for improvements to school and other Town buildings for the primary purpose of energy conservation, and incidentally for the repair of leaky roofs, to seek Federal and State grants for such purposes, and if any such grant should be received, to use it to defray the cost of such measures; to see what appropriation of money shall be made for the use of said Energy Committee, and how such appropriation shall be raised; and to act on anything relating thereto.

VOTED: The Town voted to authorize the projects referred to in this Article; that the sum of $604,875 be appropriated to meet the costs of these projects and that to meet said appropriation the sum of $4,875 shall be raised in the tax levy and the Town Treasurer with the approval of the Board of Selectmen be authorized to borrow the sum of $600,000 under and pursuant to the provisions of General Law, Chapter 44, Section 7, Clause 3B as amended and under any other applicable provisions of law; that said Energy Committee be authorized to act as an awarding authority, to enter into contracts and agreements and to take any other action required to carry out and complete said projects, all in the name and on behalf of the Town.

ARTICLE 7. To see if the Town will vote to reduce the following departmental appropriations made at the 1980 Annual Town Meeting to reflect the projected economies resulting from the energy conservation measures authorized under Article 6; and to act on anything relating thereto.

VOTED: The Town voted to reduce the following departmental appropriations made at the 1980 Annual Town Meeting in the amounts set forth below:

School – Energy, Heat and Power	$103,432
Public Works	
General	6,031
Vehicle Maintenance & Operations	1,006
Public Library – Expenses	2,094
Police – Expenses	1,416
Town Office & Library Buildings – Expenses	1,146
TOTAL	$115,125

UNANIMOUS VOTE

ARTICLE 8. To see if the Town will vote to authorize the School Committee to purchase buses or lease-purchase buses for the transportation of pupils to and from school in the Town and to and from Quinobin Regional-Vocational School and for other school related activities; to appropriate a sum of money therefore and to determine whether such appropriations shall be raised by transfer or available funds, by borrowing or otherwise; and if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provisions of the law; and to act on anything relating thereto.

VOTED: The Town voted "NO".

UNANIMOUS VOTE

ARTICLE 9. To see what sum of money the Town will vote to appropriate for the construction of a parking facility and related improvements for school buses on Town owned land; and to act on anything relating thereto.

VOTED: The Town voted to appropriate the sum of $20,000 for the construction of a parking facility at the Town Disposal area provided that no expenditure of this sum be made except upon approval by the Board of Selectmen and the School Committee of a lease for such facility.

UNANIMOUS VOTE

ARTICLE 10. To see whether the Town will vote to increase or decrease the appropriation for costs relating to the transportation of pupils for the fiscal year beginning July 1, 1980, pursuant to the vote on Article 29 – School Bus Transportation – at the 1980 Annual Town Meeting; and to see what sum of money the Town will vote to appropriate therefor; and to act on anything relating thereto.

VOTED: The Town voted to increase by $17,000, to a total of $317,000, the appropriation voted pursuant to Article 29 at the 1980 Annual Town Meeting for the transportation of pupils.

UNANIMOUS VOTE

ARTICLE 11. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaws, by striking out the section "Position Classification-Schedule of Rates" for Fire and inserting in place thereof a new section, and to see what sum of money the Town will vote to appropriate to the Fire Department for the twelve month period beginning July 1, 1980 for these changes; and to act on anything relating thereto.

VOTED: The Town voted to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, by striking out the section "Position Classification-Schedule of Rates" for Fire and inserting in place thereof a new section, as follows:

Effective July 1, 1980

Grade	Step 1	Step 2	Step 3	Step 4	Step 5
F-1	235.86	261.14	285.21	308.06	330.93
F-2					391.10
F-3					511.44

Effective January 1, 1981

Grade	Step 1	Step 2	Step 3	Step 4	Step 5
F-1	238.22	263.75	288.06	311.14	334.24
F-2					395.01
F-3					516.55

and that the Town appropriate the sum of $109,901, said sum to be added to the Fire Salaries and Wages appropriation voted under Article 16 of the Warrant for the 1980 Annual Town Meeting.

UNANIMOUS VOTE

ARTICLE 12. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or take by eminent domain for conservation and other municipal purposes including uses by the Milton Housing Authority a parcel of land containing 2 acres, more or less, shown on a plan entitled "Plan of Land 1980 Land Acquisition near East Milton Square" which plan is on file at the office of the Town Engineer, or such lesser portion of said parcel as the Town may determine; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and, if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provisions of law; and to act on anything relating thereto.

Town Meeting Member James D. Colt made a motion which was seconded to authorize the Board of Selectmen to acquire in the name and on behalf of the Town by purchase or take by eminent domain for conservation and other municipal purposes, the entire parcel of land referred to in this Article; that the sum of $300,000 be appropriated to meet the cost of acquiring said parcel of land; that to meet said appropriation, the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow up to the sum of $300,000 under and pursuant to the provisions of General Laws, Chapter 44, Section 7, Clause 3 as amended or under any other applicable provisions of Law.

The Motion was defeated by a Standing Vote, as it lacked a 2/3rds vote.

VOTED: The Town voted NO on a Roll Call Vote failing a 2/3rds vote.

YES 144 NO 80

ARTICLE 13. To see if the Town will vote to amend Article 42 of the 1979 Town Meeting to allow the Moderator to increase to seven citizens the Advisory Committee known as the East Milton Environs Committee, one of which shall be a Planning Board member and one of which shall be a member of the Traffic Commission, and to see what sum of money the Town will vote to appropriate for the conduct of business of said Committee; and to act on anything relating thereto.

Town Meeting Member Thomas W. O'Connor made a motion which was seconded to appropriate $20,000 for the conduct of business of said Committee.

The motion passed on a Voice Vote.

VOTED: The Town voted to appropriate $20,000.00 for the purpose set forth in the Article.

ARTICLE 14. To see what sum of money the Town will vote to appropriate for the cost of issuing bonds under Articles 6, 8, and 12; and to act on anything relating thereto.

VOTED: The sum of $9,250 be appropriated for the purposes of this Article.

UNANIMOUS VOTE

ARTICLE 15. To see what sum of money the Town will vote to appropriate for interest and maturing debt on the obligations authorized by the Town under Article 6, 8 and 12; and to act on anything relating thereto.

VOTED: The Town voted to appropriate the following amount:

INTEREST $21,450

and said sum to be raised from the tax levy of the fiscal year and be added to the appropriation voted under Article 49 of the Warrant for the 1980 Annual Town Meeting.

The Moderator, Robert K. Lamere, adjourned the meeting at 12:15 A.M.

James G. Mullen, Jr.
Town Clerk

SWORN-IN OFFICERS 1979-1980

July	5	David B. Wahlgren	Special Police
	31	John A. Bernasconi	Inspector Prec. 2
	31	Douglas L. Nickerson	Auxiliary Police Officer
	31	Francis H. Palardy	Warden Prec. 2
	31	John A. Cunningham	Auxiliary Police Officer
	31	Frank W. Page	Warden Prec. 7
Aug.	1	John J. Goodfellow	Dep. Warden Prec. 3
	1	Martha E. Nye	Clerk Prec. 3
	2	Margaret L. Manning	Inspector Prec. 9
	2	John J. Coughlin, Jr.	Warden Prec. 8
	6	Catherine M. Shaughnessy	Dep. Clerk Prec. 1
	13	Russell G. Simpson	Warrant Comm.
	13	Mary Louise Darling	Inspector Prec. 9
	13	William C. Murdock	Dep. Warden (Withdrew 2-26-80)
	15	Martha R. Murdock	Dep. Inspector Prec. 8
	15	John J. Boles	Inspector Prec. 2
	23	Michael J. McDonough	Inspector Prec. 5
	31	Mary T. Chevalier	Dep. Clerk Prec. 4
Sept.	4	Arthur Southall	Dep. Inspector Prec. 5
	4	Richard B. Heath	Airplane Noise Committee
	5	Mildred F. Cunningham	Dep. Clerk Prec. 3
	6	W. Paul Needham	Chrm. Airplane Noise Committee
	7	Harold E. Brown	Airplane Noise Committee
	7	Donald L. Hunt	Spec. Police Officer
	10	Frederick T. Linnehan	Inspector Prec. 7
	10	Katherine M. Linnehan	Dep. Warden Prec. 7
	17	John J. Smith	Clerk Prec. 5
	20	Thomas F. Cadigan	Inspector Prec. 4
	26	John J. Moynihan	Dep. Inspector Prec. 9
	28	Patrick McDonough	Dep. Inspector Prec. 2
Oct.	2	William J. Loughran	Milton Historical Comm.
	5	Francis H. Kemp	Dep. Clerk Prec. 7
	9	Thomas L. Kennedy	Warrant Committee
	16	Egilda Imperato	Special Police Officer
	17	Katherine Interland	Special Police Officer
	17	Lorraine Hanley	Special Police Officer
	17	Ann Marie Cherry	Special Police Officer
	17	H. Patricia Crowley	Special Police Officer
	17	Gertrude Danehy	Special Police Officer
	17	Virginia Donahue	Special Police Officer
	17	Marguerite Driscoll	Special Police Officer
	17	Agnes Gaul	Special Police Officer
	17	Mary M. Hynes	Special Police Officer
	17	Patricia Ann King	Special Police Officer
	17	Caroline Maglio	Special Police Officer
	17	Patricia McLaughlin	Special Police Officer
	17	Carol O'Donnell	Special Police Officer
	17	Lorraine Reilly	Special Police Officer

	27	Charles C. Bartoloni	Cable TV Committee

APPOINTMENTS MADE BY THE MODERATOR IN 1979-1980

The Moderator, Robert K. Lamere made the following appointments to the various Boards and Committees in the Town of Milton during the year from July 1, 1979 to June 30, 1980. All appointments are filed with the Town Clerk, James G. Mullen, Jr.

September 18, 1979: The following were appointed to the Board of Appeals for a period of three years until their successors are duly appointed and qualified:

Daniel Gans, Jr., Member	79 Governors Road
Charles M. Donohue, Assoc. Member	87 Indian Spring Road

September 18, 1979: The following were appointed to the Board of Appeals for a period of two years until their successor is duly appointed and qualified:

Roderick M. Connelly, Member	480 Brook Road
Roger L. Gregg, Assoc. Member	427 Hillside Street

September 19, 1979: James D. Fitzgerald, 646 Canton Avenue, as Chairman of the Personnel Board to serve for a period of one year and until his successor is duly appointed and qualified.

September 19, 1979: Manuel S. Lato, 54 Landon Road as a Member of the Personnel Board for a period of five years until a successor is duly appointed and qualified.

November 30, 1979: The following were appointed to the Town Government Study Committee for a period of three years until their successors are duly appointed and qualified:

Martha M. Wiswell, Member	43 Orchard Road
M. Natalie Fultz, Member	61 Franklin Street

November 30, 1979: Francis F. Brooks, 134 Adams Street, as a Member of the Town Government Study Committee for a period of one year until his successor is duly appointed and qualified.

November 30, 1979: James F. Donovan, Jr., 59 Meagher Avenue, as a Member of the Outdoor Physical Education Committee until his successor is duly appointed and qualified.

March 17, 1980: The following persons as members of the Energy Needs Committee authorized under Article 8 of the Warrant of the March 1980 Annual Town Meeting:

ENERGY NEEDS COMMITTEE

David Jeffries, Chairman	1268 Canton Avenue
Samuel Drevitch	160 Ferncroft Road
William A. Edwards	44 Holmes Lane
Joseph P. McEttrick	10 Crown Street
C. Jerry Ragosa	42 Marilyn Road

March 25, 1980: The following persons as Members of the Parkway Bus Committee authorized under Article 41 of the Warrant of the March 1980 Annual Town Meeting:

PARKWAY BUS COMMITTEE

Harley Laing, Chairman	987 Canton Avenue
Rocco A. Mancini	49 Columbine Road
William E. Maguire	21 Annapolis Road
William J. Mee	44 Pagoda Circle
Thomas J. Smigliani	341 Blue Hill Avenue

APPOINTMENTS MADE BY THE MODERATOR 1979-1980

June 26, 1980: The following persons authorized under Article 5 of the Warrant of the March 1980 Annual Town Meeting:

LEGISLATIVE COMMITTEE

Robert D. O'Leary, Chairman	45 Spruce Street
Walter J. Connelly	40 Clifton Road
James F. Dinneen	21 Hilltop Street
Roland Gray, III	702 Brush Hill Road
Eugene G. Panarese	53 Cushing Road

June 26, 1980: Stephen J. Mattaliano, Jr., 76 Lyman Road, as a member of the Permanent Insurance Committee for a period of three years until his successor is duly appointed and qualified:

June 26, 1980: David S. Goldman, 93 Wendell Park, as Chairman of the Permanent Housing Committee for a period of three years until his successor is duly appointed and qualified:

June 26, 1980: The following were appointed to the Board of Appeals for a period of three years until their successors are duly appointed and qualified:

Charles F. Barrett, Chairman	203 School Street
John C. Storey, Assoc. Member	1383 Brush Hill Road

June 26, 1980: James D. Fitzgerald, 646 Canton Avenue, as Chairman of the Personnel Board to serve for a period of one year and until his successor is duly appointed and qualified:

June 26, 1980: John P. Connolly, 24 Hinckley Road, as a member of the Personnel Board to serve for a period of five years and until his successor is duly appointed and qualified:

June 26, 1980: The following persons as members of the Town Government Study Committee for a period of three years until their successors are duly appointed and qualified:

Thomas A. Norris, Chairman	587 Canton Avenue
C. Mitchell Draper, Jr.	621 Harland Street
Francis F. Brooks	134 Adams Street

June 30, 1980: The Moderator appointed the following persons to the Warrant Committee of the Town of Milton for the term of one year:

WARRANT COMMITTEE

Herbert Lemelman, Chairman	32 Frothingham Street
Natalie Q. Albers	193 School Street
William M. Cahill	45 Woodland Road
Robert W. Corson	1091 Brush Hill Road
Joan Estelle Evans	40 Canton Avenue
David F. Gallery	7 McKinnon Avenue
Melvin Goober	86 Harold Street
Matthew J. Harvey	36 Eliot Street
Robert J. Hurley	121 Whittier Road
Thomas L. Kennedy	19 Westvale Road
Joseph F. Kinnealey	77 Churchill's Lane
Barbara M. Mahoney	67 Sias Lane
Robert T. McAlear	4 Augusta Road
Alice E. McCarthy	69 Gulliver Street
J. Gilbride McManus	65 Green Street

AMENDMENTS TO THE GENERAL BYLAWS

Amendments to the General and Zoning Bylaws adopted at the Annual Town Meeting held March 8, 10 and 12, 1980, and April 12 & 26, 1980, were sent to the Attorney General on May 1, 1980.

The amendment to the General Bylaw adopted under Articel 36 and the amendments to the Zoning Bylaws under Articles 35 and 40 were approved by the Attorney General on July 30, 1980 and received by Town Clerk, James G. Mullen, Jr. on August 1, 1980.

These amendments to the General and Zoning Bylaws with the approval of the Attorney General were posted in the following public places on August 4, 1980:

Kidder Branch Library
Milton Food Mart
Milton Village Post Office
Town Clerk's Office
Milton Dog Pound
East Milton Branch Library
East Milton Post Office
Cunningham Community Center
Central Library

James G. Mullen, Jr.
Town Clerk

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

The Warrant Committee is pleased to report to the Town its recommendations on the 49 Articles to be considered at the 1980 Annual Town Meeting. Warrant Committee Recommendations appear after each of the Articles and many, where appropriate, are followed by Comments. Significant tables and one plate appear at the end of this Warrant.

The additional costs for energy and the expected increases in salary and wages for Town employees will cause a substantial increase in the tax rate for 1980-81. The School Committee budget, primarily because of energy costs, and the aggregate of the non-school budgets, primarily because of energy costs and expected salary increases, clearly exceed the 4% tax cap legislation. Accordingly, the requisite two-thirds votes of the Town Meeting will be required to approve the recommendations in the Warrant.

Article 8 proposes a Committee to identify ways in which the Town may reduce its use of energy. In an effort to lose no time in addressing this issue, and in anticipation of the adoption of Article 8, the prospective members of the Committee are already meeting on an ad hoc basis. The School Committee has commenced a similar survey. With this recognition of urgency, it is hoped that specific energy conservation proposals might be developed in time to be considered by a Special Town Meeting in the Spring.

Employee wage and benefit costs are escalating rapidly. Without reflecting the proposed salary and wage increases referred to in the Comment to Article 12 on page 14, salary and wages will constitute more than 60% of our total expenditures for 1980-81, and will continue to climb dramatically as we attempt to pay our employees a living wage in the face of double-digit inflation. Pension and other benefit costs are beyond the Town's control, as indicated later under the caption Employee Wages and Benefits, and will continue to rise sharply for the forseeable future.

Despite so-called "Home-Rule", the major portion of Milton's expenditures are beyond its control, whether because of Federal or State mandated programs, compulsory binding arbitration in certain labor disputes, or the autonomy enjoyed by our two school systems. Milton's services to its residents are modest in relation to need and in comparison with other communities, as reflected by our per capita taxes being lower than most similar towns. Strict compliance with the tax cap in Milton would necessarily result in the termination of some employment relationships and the reduction if not cessation of programs now considered minimal and necessary for the benefit of our citizens. The application of a tax cap to Milton and other communities which have operated on tight budgets will be even more difficult if the cuts must come out of those relatively few areas where the Town still has control over its programs.

Nevertheless, the Warrant Committee is deeply concerned about the size of the projected tax increase. We believe the Town will be faced with sizable tax increases on an annual basis during the 1980's because of rising energy expenses, spiraling wage and employee benefit costs and other inflation items, unless some services are reduced. The Warrant Committee is studying all of the services which are within the control of the Town, and may have recommendations as to certain reductions at Town Meeting. These services which are within the control of the Town include recreation, elderly programs, youth service, library hours, rubbish collection, fire and police protection, public works, cemetery, preventive maintenance, and equipment replacement.

THE TAX RATE

Table 1 shows the detail of the tax rate estimate for 1980-81. The estimate is based on the recommended appropriations, which, as noted in the Warrant, may be revised by the time of Town Meeting. The estimate is also based on a number of assumptions, which are subject to change, as to assessments and reimbursements. With respect to reimbursements, we have assumed that Milton will receive during 1980-81 the same amount it received for the current year, although there has been no official assurance to this effect. The tax rate for next year is estimated at $218.00, an increase of $24.60 or 12.7% over the current rate of $193.40. This could be increased by as much as another $10.81 upon the completion of the Union negotiations and the adjustment of the salaries of non-union employees. Please see Comment to Article 12 on page 14.

ENERGY

Article 7 recommends a Supplemental Appropriation of $360,583 to fund a substantial portion but not all of the increased energy costs for the current year. Additional increased energy costs for the current year have been funded internally by several of the Boards and Departments, including the School Department, sometimes through reduction of other programs. The funds for Article 7 come from Available Funds which would otherwise have been applied to reduce the tax rate for 1980-81.

A Committee, with representatives from both the Selectmen and Warrant Committee, met on a number of occasions during November, December and January for the purpose of analyzing and applying consistent standards to the budget requests for energy costs of the various Boards and Departments. This Committee established standard average costs for 1980-81 of $1.30 for both fuel and diesel oil, $1.35 per gallon for regular gasoline, and $1.43 for unleaded gasoline. These standards were set low, purposely, in an effort to encourage all town employees to extend their existing conservation efforts and in view of the possibility that a Special Town Meeting in the Spring may approve a conservation program, some of which could be implemented during the summer of 1980.

EMPLOYEE WAGES AND BENEFITS

Tables 7 and 8 on pages 56 & 57 provide data regarding the number of permanent and part-time employees of the Town for the fiscal years ended on June 30 in each of 1971, 1975, 1979 and 1980, and as projected for 1981. Milton will continue to have less than 700 employees during the coming year.

Even before the anticipated increases referred to in the Comment to Article 12, employee wages comprise 60% of the aggregate proposed expenditures for the fiscal year commencing July 1, 1980. It should be noted that the number of full-time permanent positions is to be reduced next year by three school teachers, two laborers in the Public Works Department and one position in the Library Department, while a full-time juvenile officer and a human services position have been added to the Police Department and the Selectmen's Office respectively. The addition of four part-time teaching aides has been offset by the reduction of four part-time cafeteria workers in the School Department. Three part-time employees have been added to the Library Department and one part-time employee to the Board of Appeals.

Article 12 sets forth the current year's wage scale for Town employees other than School Department personnel. Fire and Police employees are engaged in collective bargaining negotiations and are not included. The Warrant Committee is advised that the cost to fund a settlement on terms being proposed by the Fire and Police employee union would require an increased appropriation under Article 12 of $472,693. We have urged the negotiating parties to recognize the intent of the Tax Cap legislation. A comparable wage increase for non-union employees would be $166,846 in wages and $146,970 in increased benefits.

Article 12 will be amended at Town Meeting to reflect adjustments for non-Union employees of the Town, hopefully after the negotiations with Fire and Police have been completed. The General Government budget (Article 14) may also be amended to reflect adjustments in the compensation of employees not covered by the Personnel Bylaw, however, at costs not expected to exceed $10,000.

The collective bargaining settlement adopted for the W and C employees in the spring of 1979 resulted in an increase of $62,490 for Cemetery, Park and Public Works Department employees at last year's Annual Town Meeting.

The increase in Article 12 for W and C employees is based on a two-year contract negotiated for the period through June 30, 1981, which included a 5½% increase on July 1, 1979, and 5½% on July 1, 1980.

Attention is called to the rapidly escalating cost of Employee Benefits (Article 9). As noted later, our pension benefits are unfunded. The number of retired employees entitled to benefits can be expected to continue to increase. The Pension programs, which include disability and superannuation coverage, are regularly adjusted for cost of living increases. In addition, soaring medical and hospitalization costs have caused significant increases in Health Insurance costs. These expenses and appropriations mentioned later for Employee Benefits (Article 9) and Special Retirement Fund (Article 11) have increased by 50%, or at a compound rate of 15% per year for the last three years. This trend, which is more than three times the rate of growth for the aggregate of all other Town expenses, seems likely to continue and will make it more difficult to contain the tax rate.

A recently mandated cost of local government is unemployment compensation for municipal employees. As part of its anti-recession program Congress expanded and initially funded unemployment compensation coverage to include state and municipal employees. However, in 1977, Congress enacted legislation requiring that the costs of this program be assumed by local governments. Pursuant to this Congressional mandate, the Massachusetts legislature acted to implement the program for the current fiscal year. Accordingly, Article 10 provides an appropriation of $25,000 which is estimated to be necessary for next year. This appropriation will be of benefit primarily to seasonal and temporary employees.

A major policy question addressed by the Town in 1978 was whether and to what extent the Town's pension obligations should be funded. As indicated in Article 9, contributory pension costs have been increasing at a rapid rate, primarily because the Town's liability is unfunded. Thus, the appropriation each year only pays the pension costs for employees already retired, and makes no provision for future retirements. The Town's unfunded liability for employees, other than teachers and school administrators who are covered by a State plan, is estimated to be $12-16,000,000, depending upon the actuarial and other assumptions made in calculating the liability.

Permissive legislation enacted in 1977 now allows towns to fund pension liabilities. At the 1978 Annual Town Meeting, the Town adopted the proposal of the Town Government Study Committee and the recommendation of the Warrant Committee to commence funding the pension liability with a modest initial contribution of $40,000. In 1979, the Town voted additional funding of $80,000, slightly less than the $88,028 suggestion set forth in the schedule of proposed payments initially recommended by the Town Government Study Committee. Article 11 recommends an appropriation of $120,000, significantly less than the $244,298 initially suggested for 1980-81 by the Town Government Study Committee. Following the recommendations of the Massachusetts Retirement Law Commission, a 40-year amortization of liability would require future payments as follows:

1981-82	$481,111
1982-83	456,789
1983-84	437,750
1984-85	420,420
1985-86	407,409
1986-87	399,331

Whether the Town chooses to continue this program or to follow this exact schedule may be left for future determination.

The Warrant Committee believes that a policy of funding the Town's estimated past service obligation is sound. The burden of costs currently incurred should not be passed on to future generations. Further, pension funding will better advise the Town as to the true costs of current employee services and may serve as a restraint against forces seeking to expand the municipal work force. However, the current rate of inflation, escalating Town expenditures, a nominal rate of return on funds appropriated to date and a State law which severely restricts investment opportunities indicates a need for additional study as to the best method to accomplish this objective.

MUNICIPAL LIABILITY AND GENERAL INSURANCE

As noted previously, the doctrine of municipal immunity has been abolished in law suits involving the operation of motor vehicles by public works employees, police officers and fire fighters. In addition, municipalities may be held liable for losses or injuries to others caused by a municipal employee's careless, intentional or otherwise wrongful conduct. Consideration was given last year to purchasing Motor Vehicle and Comprehensive General Liability insurance, both approximately equal in cost, for the protection of the Town and its employees. Believing that motor vehicles consitute a greater exposure to loss and not wishing to burden the taxpayer unduly, the Committee recommends the purchase of Motor Vehicle Liability. The Permanent Insurance Committee continues to review the need for Comprehensive General Liability Insurance.

The cost of Workmen's Compensation insurance continues to increase dramatically due to additional statutory benefits and the severity, with resultant high costs, of accidents suffered by town employees.

OUTDOOR ATHLETIC FACILITIES

The Committee appointed by Article 38 of the 1977 Annual Town Meeting to develop plans for the construction of an outdoor athletic facility on the Lamb property is not prepared to submit a proposal for consideration at the 1980 Annual Town Meeting. The Committee is continuing its efforts to obtain Federal financial assistance.

CONCLUSION

The various Departments, Boards and Committees of the Town have, without exception, fully cooperated and assisted the Warrant Committee. The Town is fortunate to have such a dedicated group of employees, and we appreciate their help.

The Chairman wishes to express his appreciation to the members and the clerk of the Warrant Committee for the long hours they spent away from their families, careers and recreational interests in order to address the issues presented. Their dedication and commitment to the Town has been superb. The Chairman is also pleased to report to the Town of the enthusiasm and support provided to the Committee by the Executive Secretary. His continuing contributions were always of the highest professional quality, for which the Town should be truly grateful.

Respectfully submitted,

Russell G. Simpson, Chairman

REPORT OF THE WARRANT COMMITTEE

The Warrant Committee is pleased to report to the Town its recommendations on the 15 Articles to be considered at the Special Town Meeting on June 23, 1980. Recommendations and explanations, some of which are extensive, appear after each article.

The principal purpose for holding this Special Town Meeting is to consider energy conservation projects as contemplated by Article 6 and to adjust budgets for fiscal 1981 as previously adopted in order to reflect savings resulting from conservation efforts as contemplated by Article 7. The Warrant Committee has met on three occasions with the Energy Committee appointed pursuant to Article 8 of the Annual Meeting in connection with that Committee's proposal under Article 6 and the related savings proposed by Article 7. A significant effort has been and is continuing to be made to identify reasonable amounts by which the budgets of the School and other Departments adopted at the Annual Meeting should be reduced as a result of the implementation of the conservation programs contemplated by Article 6. Those savings, of course, depend upon accurately projecting a completion date for accomplishing the conservation construction work intended. Both the Energy Conservation Committee, which has worked hard during the few weeks of its existence, and the Warrant Committee are continuing to study this difficult question in order to make an appropriate recommendation for budget reductions. The Warrant Committee is not prepared to make any recommendations with respect to Article 6 until the amounts by which the budgets should be reduced can be ascertained.

The bankruptcy of the school busing contractor has required the School Committee to make new arrangements for the busing of school students during the next school year and thereafter. The School Committee had just received bids, as this Warrant went to press, contemplating several different methods of meeting this requirement. These included the possibility of purchasing buses outright or acquiring buses through a lease-purchase arrangement. Under either proposal, the Town would be responsible for the operation and maintenance of the buses and would have to provide suitable parking arrangements. Another approach would be for the Town to contract for the busing service as it has done in the past, with the contractor providing the parking, while a fourth approach would have the Town provide the parking for the private contractor. The School Committee is now in the process of analyzing all bids received and will meet with the Warrant Committee before the Special Town Meeting on this matter. Articles 8, 9, and 10 deal with school busing requirements.

Concerns regarding proposed development in the East Milton area arose while the Warrant Committee was addressing the complex issues relating to energy conservation and school busing needs and resulted in the Selectmen filing Articles 12 and 13. Because of a potential conflict of interest, the Chairman of the Warrant Committee excused himself from participation in the Committee's debate and formulation of recommendations with respect to both articles.

As indicated by Articles 14 and 15, the Warrant Committee contemplates that as many as three bond issues may be required for the programs contemplated by Articles 6, 8 and 12.

It is impossible to predict what the impact of action to be taken at the Special Town Meeting may have on the tax rate until conclusions can be reached regarding energy conservation savings, a program to meet the school busing requirements, and the acquisition of the Carleton Food property in East Milton.

It is, however, clear that a new appropriations tax cap override resolution must be adopted if any of the appropriations articles adopted at the Special Town Meeting are to become effective. Since April 26, the tax cap legislation has again been changed by exempting from the operation thereof most incremental energy costs. However, no interpretive releases or regulations have yet been issued to clarify the terms of, and facilitate necessary computations under, this new legislation.

In addition a tax cap override resolution with respect to the tax levy was adopted on April 26. Whether or not this resolution is sufficient depends upon the impact on the tax levy of the action to be taken on June 23. This, of course, cannot be projected until some of the decisions with respect to energy conservation, school busing, and East Milton have been made.

The Annual Meeting required five sessions, including three Saturdays, to complete its business. The Special Town Meeting will, of course, require at least one session. The issues confronting the Town this year have been most complex, both in terms of substance and as a result of the confusing provisions of the tax cap law. The patience and dedication to working under these increased burdens demonstrated by the various Town departments, Town employees, and Town Meeting Members has been superb. The generous assistance of the Executive Secretary and his extensive knowledge willingly shared has been invaluable.

The Town's business this year has resulted in an unusually large demand on the time, thoughtfulness, energy and emotion of each Member of the Warrant Committee. The Chairman wishes to express his personal appreciation to the Clerk and each Member of the Committee for maintaining the highest level of professionalism and objectivity, and even some humor, throughout a most challenging year.

Respectfully submitted,

REPORT OF THE PERMANENT INSURANCE ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

The Permanent Insurance Committee appointed by the Moderator hereby respectfully submits its Annual Report for 1980.

In our opinion, with some exceptions, the Insurance Program now in force adequately protects the Town's assets and liabilities at competitive costs. There are some liabilities coverages not in force such as Umbrella, Public Officials and E.M.T. Liability the Town should have, so we will work with the Town Insurance Agent in developing up-to-date costs and submit our recommendations this year to the Selectmen for their consideration.

During the Christmas 1980 holiday weekend, a pipe froze and burst at the High School resulting in water damage to the floor, rugs and chairs in the auditorium. This loss is covered by the Property insurance policy in force at this time.

The budgets for fiscal year 1981 and 1982 have been reviewed very carefully and where reductions could be made because of changes in conditions we so recommended. This reexamination was initiated by the Selectmen and the Warrant Committee as a result of the immediate financial impact of Proposition 2½.

Respectfully submitted,

J. BARRY DRISCOLL, Chairman
STEPHEN J. MATTALANO, JR.
MICHAEL B. O'TOOLE

REPORT OF THE MILTON HOUSING AUTHORITY

To the Honorable Board of Selectmen:

The Milton Housing Authority applied for funding for the acquisition of existing housing units under the state's Chapter 705 family housing program. The Executive Office of Communities and Development awarded the Milton Housing Authority $180,000 for this purpose. As of June 30, 1980 one two-family dwelling had been purchased and minor rehabilitation of this property undertaken.

Respectfully submitted,

ELIZABETH ATKINS, Chairman
BERNICE AHEARN
KATHERINE HAYNES DUNPHY
BERNARD LYNCH, III
RICHARD RENEHAN

REPORT OF THE ELDERLY AFFAIRS COMMITTEE
JULY 1979 - JUNE 1980

The Elderly Affairs Committee submits its 9th Annual Report. The committee held thirteen meetings throughout the year and was represented at seventeen meetings of the Board of Directors and sub-committees of the South Shore Home Care, Inc.

The SSHC provided Homemaking services totaling 8,380 hours, plus 507 hours of Chore services to Milton Senior Citizens. During this same period, 618 hours of transportation service has been provided to out-of-town hospitals. A total of 281 Milton Senior Citizens share in these services.

The Shoppers Bus Program sponsored by the Board of Selectmen and the Elderly Affairs Committee is functioning successfully. Milton Senior Citizens who do not have transportation within their household are driven portal-to-portal to Star Market complex. The Milton Womens Club, its spouses and friens, proving the drivers for this program. This Club also provides very efficient administration of this program, for an average of 65 persons per week. The Elderly Affairs Committee expresses its thanks (as do the participants) to this organization.

An average of twelve persons per week are transported to the Randolph Hot Meal program, sponsored by SSHC. Transportation for this is provided through the efforts of the Knights of Columbus #2749. Our appreciation is extended to these gentlemen.

The Elderly Affairs Committee, by vote of the Town Meeting of April 1980 is now superceded by the Council on Aging.

Submitted,

Doris Davidson, Chairman
Alice Coghlan
Charles J. Hackley
Hilda Larocca
Charles M. McGowan

REPORT OF THE DATA PROCESSING STUDY COMMITTEE

September 24, 1980

To the Honorable Board of Selectmen:

Thanks to the action and cooperation of the staff of the Water Department and the Data Processing Department of Norfolk County, the Town has an automated Water Billing System. From all accounts and observations, the system has been both successful and well received.

As would be expected with a new system, there have been several suggestions for improvements in the system, which this committee will be reviewing with the Water Department over the next few months.

Many kudos to Branch Lane and his staff for their outstanding contribution to this effort.

Having met with several other departments over the past year, it is the combined opinion of the committee that the next area in which we may be of some significant assistance is in the Assessor's Office. However, both the committee and the Assessors feel that it would be wise to wait for the completion and implementation of the revaluation project before making any recommendations or attempting any improvements in this area.

Once again, the committee wishes to express its thanks to all members of Town Government for their continued assistance and cooperation.

Respectfully submitted,

FRANCIS F. BROOKS
JOHN T. LUCEY
JOHN R. MITIGUY
ROBERT J. SHEFFIELD

REPORT OF HISTORICAL COMMISSION

Concurrently with most Massachusetts towns, Milton formed its historical commission by vote of Town Meeting in 1973 to carry out provisions of the Commonwealth's statute. Under supervision of the Mass. Historical Commission, the Milton Commission's duties are: (1) to inventory, survey and document the town's historic buildings, structures and monuments; (2) subsequently to assist in their preservation; (3) to publicize and bring to public awareness facets and aspects of the Town's history.

During fiscal 1980, the Commission reached 75% of an objective fixed in October, 1977, of inventorying and surveying about 80 known historic dwellings, structures and monuments. As a criterion of historic age, the year 1830 was used as an arbitrary line of demarcation. Generally, only dwellings built before 1830 were considered for historic significance.

A factor retarding the progress of the 1980 project was the resignation of Miss Kathleen Fitzgerald of the Harvard Graduate School, the Commission's architectural consultant, to accept a California job offer. After some months of delay, the Commission succeeded in engaging the services of Miss Sally Zimmerman of the B. U. Graduate School of Architecture as a replacement.

The project's historical and genealogical research was carried on by William J. Loughran, the Commission Researcher.

Photographs of individual properties were taken by Joseph C. Burley, Chairman.

In April, 1979, the Commission awarded to each historic dwelling surveyed a wooden plaque, showing the house's historic name and date of origin. The plaques were designed and hand-fashioned by Joseph A. Loughran of the Town.

The Commission continued sales of the 30' x 30' enlarged reproduction, developed in January, 1979, of A. K. Teele's 1885 map of Milton. The map, priced at $18.50, plots by sequential number all Milton properties extant in 1885, cross-referenced to a perimeter listing, showing the contemporary owner and all antecedent owners back to the original. Phone W. J. Loughran, 696-4731, for copies.

During this period, Mr. Loughran completed a slide-illustrated lecture providing historical and genealogical information on 20 of the antique dwellings included in the survey. In several public showings this has been favorably received.

As the survey progressed, historical data uncovered has been compiled in manuscript form with the hope of eventually publishing a volume of reference material available to the public.

By June 20, 1980 separate reports, covering historical, genealogical and architectural reviews of 80 properties were filed with the Mass. Historical Commission. All were approved and accepted with the proviso that 20 reports lacking architectural reviews would be completed in the next fiscal period.

The Commission would like to stress that its work is an on-going program. To meet its objectives, continuing funds are needed for expenses involved in documenting additional historic properties, furthering recognition of particularly significant properties and areas, and taking measures to promote public awareness of the historical significance of the Town. The project, in progress to date, has uncovered a great mass of solidly documented material throwing much light on the Town's early culture and social structures. Unless means are provided to bring this material to public awareness, a considerable expenditure of time, money, effort and expertise will have fallen well short of a successful conclusion.

REPORT OF THE QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT FOR THE PERIOD JULY 1, 1979 THROUGH JUNE 30, 1980

QUINOBIN SCHOOL COMMITTEE AS OF APRIL 1979

Town	Member	Term Expires
Dedham	Arthur C. King, Jr.	4/80
	Paula A. Mealy, Vice Chairperson	4/81
Milton	Paul F. Harrington	4/80
	Robert Delaney	4/81
Natick	Joseph M. Connolly, Chairperson	4/80
	David E. Marr	4/81
Wellesley	Robert L. DiSchino	4/80
	Samuel P. Strickland	4/81

During the past year Quinobin has continued to mature as a fine regional vocational school, offering to the young people of Dedham, Milton, Natick and Wellesley the opportunity to become certified in any one of eleven programs. The committee believes these programs will provide our students, upon successful completion, an opportunity for immediate employment at higher than minimum pay. The programs consist of the following:

1) Cabinetmaking
2) Carpentry
3) Commercial Art
4) Computer Science
5) Culinary Arts
6) Electrical
7) Electronics
8) HVAC
9) Horticulture
10) Masonry
11) Painting & Wallpapering

There has been a continuing thrust under the able leadership of our Superintendent-Director, Albert Chouinard, to utilize all resources to conduct a sound, efficient educational program. In the process, students and instructors have been involved in a real hands-on learning experience, remodeling two buildings for educational use at a tremendous savings to the district towns.

Additional projects being considered are the rehabilitation of the Carriage House and an addition on to the Potting Shed. Both projects will be done by the students under the guidance of their instructors with the plans and specifications being professionally prepared by the architectural firm of Korslund, LeNormand & Quann of Norwood. Funding will come from a return of leasing funds paid to the Massachusetts State College System, trustees of the property, and will eliminate the need of raising funds from the district towns.

Since the committee and administration felt that much time, money and energy was being wasted by students going back and forth to Quinobin for half-day programming, it was decided to ask the four communities to amend the District Agreement so that students could be scheduled on a day-about or week-about basis, providing the school committees of the sending towns concurred. We are pleased to report that this was agreed to by the four communities.

REPORT OF THE REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT

In April of 1980, Mrs. Paula A. Mealy of Dedham was elected Chairperson, and Robert DiSchino of Wellesley was elected Vice Chairperson. Kevin Donahue of Milton replaced Mr. Harrington.

Again, as in previous years, we wish to thank our area legislators who have supported us.

Dedham:	Senator Arthur J. Lewis Representative Deborah R. Cochran
Milton:	Senator Joseph B. Walsh Representative M. Joseph Manning
Natick:	Senator Edward L. Burke Representative Louis R. Nickinello
Wellesley:	Senator David H. Locke Representative Royall H. Switzler

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

June 30, 1980

To the Citizens of Milton:

This Town Report marks the first which is based upon the Fiscal Year rather than the Calendar Year. The 1979 Calendar Town Report covers the first six months of Fiscal Year 1980. This report covers the last six month period, January 1 through June 30, 1980.

The Board of Selectmen was organized following the election on March 4, 1980 with James D. Colt as Chairman, Walter F. Timilty as Secretary and John P. Linehan as the Third Member of the Board.

Again in Fiscal Year 1980, as in Fiscal Year 1979, the Town was required by the State to live with the 4% Tax Cap. To do so required the abolition of several positions and the layoff of four full time Town employees. Numerous programs were cut and previously scheduled projects were deferred. The escalation of fuel costs and rampant inflation made this task extraordinarily difficult. Only with the exclusion of increased energy costs was the Town able to live within the 4% Tax Cap mandate.

Pressure exerted by the citizens of Milton, the Board of Selectmen and the ad hoc Airplane Noise Committee resulted in a dramatic lessening of airplane noise pollution affecting the Town of Milton. The implementation of Alternative 6 by the FAA resulted in "over the ocean" departures from Logan Runway 22R and eliminated the noise problem which had been the result of "over the land" flight departures that had plagued residents in 1979 and early 1980.

However, aircraft which are to land on Runway 4R and L are flying over Milton with an increasing frequency. This is creating a disturbing problem for many sections of our community. We have asked one citizen who was an active member of the ad hoc Airplane Noise Committee to assist us with this aircraft landing noise problem. Harold Brown of Dean Road is an engineer and a regular participant in Massport's Community Advisory Committee. With his support we are proposing several remedial solutions to the FAA and Massport. We will diligently pursue this problem.

Winter Valley Residences, the new federally financed housing for the elderly and handicapped, which is located on the former Whitney property at 600 Canton Avenue, arrived at a 100% occupancy rate for its 128 one and two bedroom apartments, 28 of which are non-subsidized. At the present time, the waiting list of applicants hoping to rent is well over 500; this can be translated into a minimum 3½ year wait for these applicants. A full 66% of the current Winter Valley population is made up of former Milton residents.

Residents of the Blue Hills Parkway area continued to receive local bus service when the MBTA took over the Brush Hill Bus Company operation this past spring. Initially service was provided on a limited basis and was subsequently complemented by a substantially improved schedule. Not only was the quantity of service increased from eight to fourteen trips, but also the quality of service was improved so that now a Parkway bus user can travel uninterrupted to Quincy Square for a single fare. The MBTA takeover has resulted in increased ridership and more efficient service.

On February 26, 1980, the Board of Selectmen appointed Gerard R. Mattaliano as Police Chief. Chief Mattaliano was chosen from a pool of highly skilled and qualified candidates. We were extremely pleased to have had such a fine group of candidates compete for this appointment. Chief Mattaliano has served on the force for 27 years, serving the past three as Lieutenant. The best wishes of all the people of Milton are extended to the new Chief.

Chief Mattaliano succeeded Chief Dennis J. Doyle who retired in January following 33 years of distinguished service. His last 2½ years were spent as Chief, during which time the superior performance of the Milton Police Department was continually recognized. We would like to take this opportunity to extend our heartfelt thanks to retired Chief Doyle for his many years of conscientious and dedicated service.

The 1980 March Town Meeting voted to establish a Council on Aging to replace the Elderly Affairs Committee. The Council, which is responsible for developing programs for the elderly in the areas of health, housing, education, income, social welfare, legislation and community service, is eligible for State and Federal Grants and consists of five members who were appointed by the Board of Selectmen – Doris M. Davidson, Chairman, and Members Marguerite Moynihan, Mary W. Hill, Charles Slack and Frank A. Consolati. The 23% of our population who are over the age of sixty-five will clearly benefit from the concern and expertise offered by the Council.

When Carleton Ford announced that it was closing this spring, this Board included an Article in the June 23 Special Town Meeting Warrant to acquire the back two acres for municipal purposes. We saw this as an opportunity for the Town to acquire an off-street parking area contiguous to the East Milton business district. It was also a chance to preserve the wooded section of the property as a conservation area. Thirdly, the Housing Authority informed us that they may at some time in the future wish to use a small part of the land for a two-story housing for the elderly.

Subsequently the John Corcoran Company came forward with a proposal to acquire essentially the same parcel for subsidized housing six stories in height with 126 units. Just prior to Town Meeting, they modified the proposal to four stories and 90 units.

The Town Meeting on June 23, 1980 voted in favor of the Selectmen's Article to purchase or take the property by eminent domain. However, the motion was defeated as it narrowly failed to obtain the two-thirds vote required for eminent domain takings.

The 1980 Town Meeting Warrant authorized the creation of a new Recycling Commission which consists of five members appointed by the Board of Selectmen – Lawrence W. DeCelle, Jr., Chairman and Members Natalie Q. Albers, Charles L. Copeland, Loyola D. Sylvan and James R. Jones. The Commission is responsible for promoting the recycling of paper, glass, aluminum and the so-called "white metals". In an era when natural resource scarcity is becoming a stark reality, it is recognized that the need for recycling these natural resources is essential if we are to continue to enjoy our present standard of living.

Due to the interest in Cable Television, the Board of Selectmen was pleased to appoint a Cable T.V. Advisory Committee. The Chairman is Gordon B. Hurd, and the Members are Joseph G. Graziani, Jr., Edward M. Lintz, Margaret Recanzone and Charles C. Bartoloni. The Committee will study the State regulations pertaining to Cable T.V. and will review all competitive bids, with the ultimate intention of endorsing one of these bids before the Board of Selectmen. In light of the fact that several firms have already expressed an interest, we feel that the relative affluence and density of the Town should attract many competitive proposals. The entire process is expected to take about one year.

We were pleased this year to obtain a grant to purchase a Police Motorcycle through the Governor's Highway Safety Bureau Program. It is felt that the motorcycle can be of significant benefit when used for the purpose of crowd control at parades and other Town functions, and in the control and apprehension of traffic violators.

This has been an active and satisfying year for your Board. Several long-range land use projects got underway and we are making progress in meeting the needs of the Town in other areas. Milton continues to be a beautiful Town with a solid financial foundation and a bright future.

REPORT OF THE BOARD OF SELECTMEN

We wish to thank all Town employees, volunteers, members of Boards, Committees and others who have participated in one way or another during the year as part of our Town Government process. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

JAMES D. COLT
WALTER F. TIMILTY
JOHN P. LINEHAN
Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

June 30, 1980

To the Honorable Board of Selectmen:

I am pleased to submit my thirteenth Annual Report. Your assignment to assist Department Heads and Committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and directing the activities of its departments.

In the spring of 1980, negotiations with the Fire and Police employee unions were concluded. The resulting two year contracts were made possible only through the intervention of the State Joint Labor Management Committee. Over the past few years, the Town has found it increasingly difficult to arrive at contractual agreements with the representative public employee unions. Negotiations have become lengthy and expensive. However, it is nonetheless satisfying to have concluded, on a negotiated basis, contract agreements with these two important groups of public employees.

Again this year the Board of Selectmen reduced the staffing level of personnel under their jurisdiction. The Public Works Department eliminated five laborer positions. The Town Office and Library Buildings Department had the custodial staff reduced by one employee. With the decision to close the Youth Center, the Center's Director position was eliminated.

This seven position reduction brings the total number of full time employees under the jurisdiction of the Board of Selectmen down to 205. As the chart which follows indicates, the Board has worked diligently to reduce this work force by a total of 13% over the past 12 years. Conscientious and well-planned reductions have allowed these cuts while reducing the services rendered to the community only moderately.

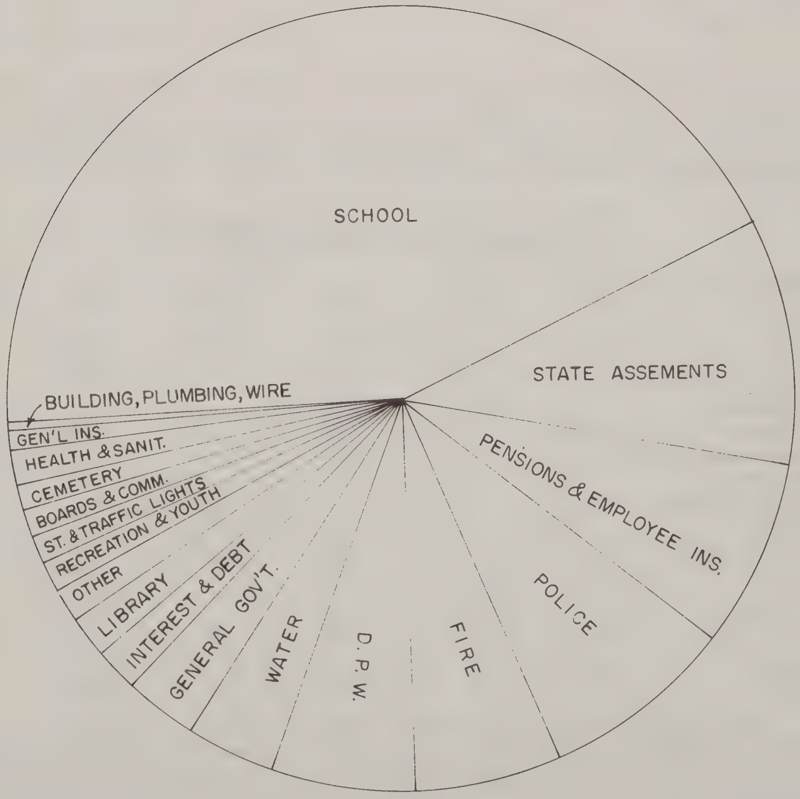
PERMANENT FULL-TIME EMPLOYEES UNDER SELECTMEN'S JURISDICTION

FISCAL YEAR	1969	1970	1971	1979	1980	1981
Police	56	57	57	64	64	64
Fire	71	71	71	65	65	65
Accountant & Retirement	4	4	4	5	5	5
Selectmen's Clerical	7	6	6	4	5	5
Executive Secretary	1	1	1	1	1	1
Town Office & Library Buildings	6	5	4	3	3	2
Building	2	2	2	2	2	2
Plumbing & Gas	1	1	1	P.T.	P.T.	P.T.
Wire	5	5	4	3	3	3
Youth				2	2	1
Public Works	80	76	70	62	62	57
TOTAL	233	228	220	211	212	205

Much has been made of the escalating Property Tax Rate over the last few years. While it is certainly unfortunate that our community has been forced to raise the Tax Rate due to uncontrollable economic conditions, the Town has made great efforts to keep these increases to a minimum. As the subsequent chart well illustrates, the Tax Rate increases have been well below the accompanying rate of inflation. This rate is provided by the Bureau of Labor Statistics in the form of the Consumer Price Index.

YEAR	TAX RATE	% INCREASE FROM PREVIOUS YEAR	C.P.I.	% INCREASE FROM PREVIOUS YEAR
1976	$163.00	.62	162.3	9.66
1977	172.80	6.01	171.1	5.42
1978	184.00	6.48	182.6	6.72
1979	190.60	3.59	196.7	7.72
1980	193.40	1.47	219.4	11.5
1981	207.00	7.03	248.0	13.04
TOTAL		25.20		54.06

The "Recapitulation of Departmental Expenditures" prepared by the Town Accountant and printed in the Annual Report reveals that the Town's total expenditures in FY 1981 amounted to. They were divided in the following manner.



Milton's housing market continued to display strength during the first six months of calendar year 1980. Property values rose substantially during this period, buttressing Milton's strong position in the real estate market. According to the Norfolk County Transfer Directory, 131 homes were sold, representing a turnover of only 1.8%. The average selling price for these homes was $73,179, a 17% increase over the average selling price of the previous calendar year. Fifteen homes sold for $100,000 or more.

Extensive reliance on the property tax to fund local government operating expenses continues to threaten the economic viability of the community. Tax reform is a critical issue which must be faced head on by the State Legislature in the immediate future. State authorities must realize that during these inflationary times property owners can no longer be expected to provide a disproportionate share of local revenue. Such an expectation not only places an undue burden upon property owners, but also has a depressant effect upon the real estate market.

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the staff of the Selectmen's Office who have helped me to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

REPORT OF TOWN COUNSEL

To the Honorable Board of Selectmen:

I submit herewith my report as Town Counsel for the period January 1, 1980 to June 30, 1980.

During the first six months of 1980 the Town Counsel was called upon to handle a variety of legal matters for the Town and its various departments.

As the year began, the Federal Aviation Administration was testing a new departure route for planes leaving Logan Airport. The route finally selected took the departing planes over Boston Harbor and away from the Town of Milton. In April the Town of Hull filed a suit in the U.S. District Court in an attempt to enjoin the planes from flying this "over the water" route, but the application for an injunction was denied by the court in May. The new departure route has resulted in a significant decrease in the noise impact on our town.

For the second successive year the school bus contractor defaulted on the contract. Once again I was requested to work with the Superintendent of Schools and other school department personnel to ensure that there would be no interruption of service. The school department operated the buses for a two-month period in June at a considerable saving of money.

The number of abatement cases filed at the Appellate Tax Board has not decreased. During the six-months' period, fourteen cases were entered against the Board of Assessors. Three of these cases have been tried. In one, the appellant received a small personal property abatement. One case is pending at this time, and in the third case, the decision in favor of the Town is being appealed to the Supreme Judicial Court by the property owner.

Two suits were brought against the Board of Appeals and terminated during this period. In one, a property owner was dissatisfied with conditions contained in a variance granted him by the board. In the second, an abutter was contesting the power of the board to grant him a variance. In both cases, the court sustained the decision of the Board of Appeals.

Two suits were filed by school department custodians who allege that their employment was improperly terminated. A superior court judgment has been entered that the two plaintiffs must be restored with back pay. These judgments will be appealed to the Appeals Court.

Two appeals were filed at the Contributory Retirement Appeal Board by employees dissatisfied with decisions of the Milton Board of Retirement. In one case, the Board of Retirement denied an application for disability retirement to an injured applicant when the medical panel refused to certify that the disability arose out of an injury sustained on the job. In the second case, an injured employee applied for a disability retirement allowance which was allowed. He then entered into a lump-sum agreement at the Industrial Accident whereby fifty percent of the settlement was paid to his wife. When the Milton Retirement Board, on advice of town counsel, proceeded to offset this amount from the settlement allowance, the employee appealed to the state board. No decision has been rendered in either of these cases at this writing.

One case arising out of a collision between a fire engine and a passenger vehicle in which substantial damages were being sought was settled during the trial for $1500.00. Three minor claims against the town were settled for a total sum of $187.25. Eight claims arising because of damages sustained to town property were settled for amounts totaling $6455.97.

A substantial increase was noted in the number of claims for unemployment compensation filed by workers whose employment by the town came to an end. The Town Accountant and Mr. Jonathan Herlihy of your office have been extremely helpful in these matters to enable me to carry out the duties prescribed in the vote on Article 10 of the warrant for the 1980 Annual Town Meeting.

In closing, I should like to publicly thank the Board of Selectmen for the steadfast support you have extended me during the past year. It seems that as each year passes, there is a constant augmentation in the number of demands made on the elected officials by individuals or groups of individuals. Frequently the individual or group is not too interested in a discussion of the legal niceties which might impede the attainment of the end being sought. I sincerely appreciate your unfailing backing on those occasions when difficult and at times unpopular decisions had to be made.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE LEGISLATIVE COUNSEL

To the Honorable Board of Selectmen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the period January 1, 1980 to June 30, 1980. The members of the Town Legislative Committee, appointed by the Moderator in accordance with the vote on Article 6 of the Warrant for the 1980 Annual Town Meeting, are Walter J. Connelly, James F. Dineen, Eugene G. Panarese, Roland Gray, III and myself. These four lawyers will assist me in reviewing the legislative acts enacted after July 1, 1980 which will affect the interests of the Town.

As a result of votes taken at the last annual town meeting, I filed three bills with the General Court as Home Rule Petitions.

1. A bill to remove the position of supervisor of custodians and maintenance in the Milton School Department from the civil service laws.
2. A bill to remove the position of school traffic supervisor from the civil service laws.
3. A bill to permit the Town to levy a $2.00 surcharge on dog licenses.

The first bill was enacted into law as Chapter 404 of the Acts of 1980 and became effective on July 8, 1980. The second bill received an adverse report from the Committee on Public Service because of the fact that the civil service law presently covers women crossing guards but does not cover male crossing guards. The Committee expressed a desire to study the entire matter. The third bill also failed to pass because of a legislative desire to further study the subject.

In February, I appeared before the Committee on State Administration to favor a bill to permit state or county employees to hold elective or appointive office in a city or town. The bill was enacted as Chapter 10 of the Acts of 1980. In March, I appeared before the Judiciary Committee to support a bill which would authorize the arrest without warrant of persons loitering in the town in willful violation of a bylaw. The bill was not passed.

Senator Joseph B. Walsh and Representative M. Joseph Manning were most co-operative with me during this period. I particularly wish to thank Representative Manning for his assistance in filing the home rule petitions.

Respectfully submitted,

ROBERT D. O'LEARY
Legislative Counsel

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

The Town of Milton signed collective bargaining contracts this year with both the Police and Fire Unions for a duration of two years. The negotiations were settled in a timely fashion by the Board of Selectmen and the Executive Secretary. The increases were approved at the Annual Town Meeting.

The Personnel Consulting firm employed by the Personnel Board and the Board of Selectmen submitted its final report relative to the Management Study of the Department of Public Works. This Board believes that if the recommendations are implemented, the organization, operations and public services rendered will be improved.

As a result of the Governor's State Tax Cap, the Warrant Committee requested the Personnel Board to review personnel in all Departments for possible reductions. The Board of Selectmen reduced the "W" and "C" classification group by six employees. Four of these positions were eliminated by attrition or vacancies. However, two employees had to be laid off.

The Personnel Board recommended to the Warrant Committee the consolidation of the Health and Building Departments Principal Clerk positions. As a result of the approval of this consolidation at Town Meeting, the clerical staff will consist of one full time Principal Clerk to serve the public and the Department Heads involved.

At this year's Annual Town Meeting, a new position was created to handle the needs of the elderly. This position will come under the jurisdiction of the Council on Aging and the Board of Selectmen. The recommendation for an additional Juvenile Officer was defeated at Town Meeting.

Retirements during Fiscal 1980 were Peter Spoon and John Barry from the Public Works Department; Ernestine Metzler from the Building Department; Robert McDonald from the Cemetery Department; and Acting Police Chief Dennis J. Doyle. The Town will miss these employees and we wish them well during their retirement.

The Personnel Board would like to thank all of the Department Heads, Boards, Committees and employees for their assistance.

Respectfully submitted,

JAMES D. FITZGERALD, Chairman
FRANCIS P. McDERMOTT
MANUEL S. LATO
JOHN P. CONNOLLY
RICHARD B. O'MEARA

REPORT OF THE SANITARY LANDFILL

September 23, 1980

To the Honorable Board of Selectmen:

The Landfill off of Randolph Avenue continues as the Town's immediate answer for the disposing of refuse. Operation of the landfill is by a private contractor under the supervision of the Milton Public Works Department.

Some 70 tons of refuse is landfilled per day, resulting in land production at a rate of 60 acre-feet per year. The cost to the Town to operate the Landfill the past year (including plan development and supervision) was approximately $5.50 per ton.

The operation of the landfill this past year has followed the guidelines set forth in a plan and report prepared by the Milton Engineering Department and reviewed by the State Department of Environmental Quality Engineering.

A second plan and report is now being prepared by the Milton Engineering Department to guide the operation of the landfill during the next two years.

The monitoring system instituted last year by the Town to detect potential harm to nearby surface and ground water continues in effect. Monitoring stations have been placed at five locations on the landfill perimeter. Water samples are drawn from these locations quarterly. Corrective measures would be taken by the Town if the samples indicate a build up of contaminants.

The Town continues as a planning member of the 128 West Resource Recovery Council which is examining proposals fqr a regional waste disposal system.

Controversy over the site location has slowed the progress of the council. The preferred site location for the Regional system is now in the Town of Plainville as support for a Stoughton site has vanished.

The cost to operate our Landfill continues well below the tipping fee and transportation costs associated with other disposal operations if we were to contemplate sending our refuse out of Town.

Respectfully submitted,

PAUL D. KANTER, P.E.
Town Engineer

REPORT OF THE PUBLIC WORKS DEPARTMENT

To the Honorable Board of Selectmen:

Submitted herewith is the eighth annual report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

Plans and specifications for roadway improvements on Randolph Avenue (Canton Avenue to Brook Road) Chapter 90 Program have been completed with contract estimated to be awarded in September 1980.

The department issued 17 street numbers and 50 street opening permits.

Master plans for sewer, drainage, water, street and sidewalk programs are continuously being updated and scheduled into annual Public Works budgets.

Engineering services rendered to the Milton Planning Board included traverse calculation of all plans submitted, inspection of all construction completed.

All traffic studies, counts and sketches were done for the Traffic Commission, Board of Appeals and Board of Selectmen as requested.

Maps were updated to support the Conservation Commission enforcement of the Wetlands Protection Act. Maps were prepared for the Conservation Commission's studies and proposed projects.

Engineering services were rendered to the Milton Dog Pound Committee special project.

Prepared and submitted grant applications for Technical Assistance related to energy conservation in Town buildings.

Engineering services rendered to the Building Commissioner continue to be very demanding.

A report and plans were prepared and submitted to the State Department of Environmental Quality for the continued operation of the Town Sanitary Landfill.

HIGHWAY

The snow and ice months were lighter than normal. This allowed the Department of Public Works labor force to extend well beyond their normal limits the cleaning of drains, sewers and culverts. The DPW transferred the sum of $30,000.00 from the snow and ice account to the 1980 School-Expense Account as voted under Article 7 of the 1980 Annual Town Meeting.

Drainage improvements program continued with the installation of 1,176 l.f. of various size drains, 3 catch basins and 4 manholes. There is a great deal of additional drainage work to be completed as outlined on the Master Drainage Plan on file in the Engineering Office.

Permanent construction for the fiscal year 1980 included 247 l.f. of curbing and resurfacing of several streets. A list of locations are on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

The engineers have prepared a list of sidewalks constructed, resurfaced or repaired. A list of locations is on file in the Engineering Office.

New equipment purchased during 1980 included a combination tractor-mower, ½ ton pickup truck, platform truck, brush chipper and steam cleaning machine.

FORESTRY AND SHADE TREE MAINTENANCE

46 Street trees were planted during 1980 and 40 street trees were removed for various reasons.

Gypsy Moth infestation was apparent with heaviest concentration in the Blue Hill Reservation.

Pruning and lifting of street trees is an ongoing program.

Several private trees fell onto public ways requiring emergency responses by the Milton Department of Public Works.

Two Public Works Department employees retired. Irvin (Red) Loud, Arborest, Tree Surgeon, retired after 34 years of service, and John Barry of the Highway Department retired after 27 years of service. We wish both of these men the best of everything.

Annual street tree spraying was done to all Town street trees.

Poison Ivy was sprayed as requested.

WATER OPERATIONS

All the Metropolitan Water Distrct Commission meetings were attended during the year.

11 Service connections were made to supply new buildings, 0 services were laid from sideline of street to the buildings and 1 service was laid from main to sideline of street.

11 New hydrants were added to our system, 10 of which are located at elderly residences at Winter Valley and H.O.M.E. Inc. The inspections, repairing, gating and painting of hydrants have been continued. 2 Additional gates were added to the system. 75 Old hydrants still are ungated but are scheduled in part under Fiscal 1981 program.

30 Services were relaid. 55 Service cards for relays are signed up as of this writing.

The Water Division completed the first cycle of water billing under the new computer program developed by the Town Computer Study Committee and Norfolk County Registry of Deeds. The billing run was completed with no major problems and many economies will be realized by use of this new computer system.

There has been one source of concern for Department of Public Works management relating to the water system and that is due to the recent increase in the difference between the amount of water purchased from the Town supplier, the M.D.C., and the amount of water sold to our consumers. This difference referred to as "lost water" has been increasing steadily and efforts are being made to pinpoint reasons for the high loss figures. The lost water figure creates an expense for the Town with no benefit but more important is the impact of lost water as supplies continue to dwindle and more water conservation efforts become necessary in order for all water users throughout the state to receive enough water to meet our basic needs.

Several large expenditures will be necessary such as replacement of old large meters. Dual meters are to be installed at source of water supply as well as a complete water leak detection program. These items will reflect in the next budget request.

CENTRAL MAINTENANCE GARAGE

Preventative maintenance and ordinary repairs were provided for all Town vehicles. Only specialty items were sent out for services.

Conservation methods have been initiated. Exhaust tests and adjustments have been done on most vehicles.

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Program.

To continue with Sewer Study & Improvement Program.

To obtain TOPICS funding.

To continue Stream Clearance Program.

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works employees for their cooperation and assistance in completing a very productive year.

I wish to thank the Board of Selectmen, Executive Secretary, and all Town Departments for their cooperation and assistance during 1980.

Respectfully submitted,

LAWRENCE W. DeCELLE, JR.
Director of Public Works

REPORT OF THE BOARD OF APPEALS

October 3, 1980

To the Citizens of Milton:

The Board of Appeals presents the following report for the year 1980.

We wish to take the opportunity, at this time, to thank Messrs. John C. Storey, Charles M. Donohue and Roger L. Gregg for their valuable service in substituting for members of the Board who were unable to be present at various hearings.

During the past year, we held 24 hearings. Of this number, there were:

24 Applications for Variances and Special Permits

4 DENIED
17 GRANTED
3 WITHDRAWN WITHOUT PREJUDICE

Respectfully submitted,

CHARLES F. BARRETT, Chairman
DANIEL GANS, JR.
RODERICK M. CONNELLY
Board of Appeals

ANNUAL REPORT OF THE MILTON CEMETERY

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the fiscal year 1981 (July 1, 1979 through June 30, 1980).

The first annual report based on the fiscal year creates an overlap with the last annual report based on the calendar year. Therefore the following statistics are broken down into two segments, those previously reported for the last half of 1979 and the new ones for the first half of 1980.

ITEM	July 1, 1979 to December 31, 1979	January 1, 1980 to June 30, 1980	TOTALS	
Number of Interments	145	175	320	
Number of Lots & Graves Sold			Lots	Graves
8 grave lots	2	3	5	40
6 grave lots	3	5	8	48
4 grave lots	10	6	16	64
3 grave lots	3	5	8	24
2 grave lots	19	20	39	78
1 grave lot	1	5	6	6

Total graves sold in Fiscal Year 1980 – 260

Part of the newly developed area near Vinewood Road was laid out in two grave lots and was opened for sale in late 1979.

The Cemetery Gift Fund, which was established in 1978 to receive donations for the beautification of the Cemetery, has received donations totaling $840.00 to date. These gifts have been used to purchase trees, shrubs and flowers which have been planted throughout the Cemetery. They are a most welcome improvement to the Cemetery.

The Trustees have made many new investments and re-investments of portions of the Perpetual Care Fund. The increased income derived therefrom will help considerably to offset the present rate of inflation.

Respectfully submitted,

MILTON CEMETERY

JOHN H. McCUE, Chairman
PAUL F. DOLAN
HUGO W. SORGI
J. JOSEPH DONOVAN
ALBRIN BARANOWSKI
Board of Trustees

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission is responsible for protecting and preserving the natural resources of Milton, including our freshwater and coastal wetlands, our floodplains and our open space network. To carry out our responsibilities, the Commission acquires land through gifts or purchase, negotiates Conservation easements, enforces the Wetlands Protection Act and the Inlands Wetlands Act and coordinates it's efforts with other town agencies to protect our natural resources for generations to come.

In Milton, certain basic measures are essential to a successful open space conservation and recreation program: 1) the preservation, protection and management of wetlands, ponds, streams and watersheds; 2) the control and protection of regional resources divided by town boundaries; 3) the provision of a diversity of recreation opportunities; 4) the provision of natural areas within easy reach of everyone; 5) the coordination of natural areas with educational facilities; 6) the development of an interconnected open space system; 7) the preservation of wildlife areas; 8) the protection of scenic areas and roadways, vistas and historic areas; and 9) the beautification of central areas and neighborhoods.

To accomplish these goals and objectives in the past year, the Conservation Commission has reviewed a number of proposals to fill or build within wetland areas; has worked on legislation to protect the Blue Hills and Neponset River Reservations; has reviewed proposals to construct an open space recreation pathway to link our schools and recreation areas via an off-street route; investigated conservation restrictions on a number of key properties; continued our planting program on open space land throughout the Town and sponsored Milton's Scenic Roads Bylaw, passed by Town Meeting, which preserves Milton's colonial New England image by protecting our country lanes from despoilment.

The Conservation Commission holds public hearings in accordance with the Wetlands Protection Act, MA. General Laws Chapter 131, Section 40. This law requires anyone intending to do work which effects the wetlands in any way to contact the Commission for a determination as to whether or not a public hearing is necessary and under which conditions the work may proceed.

REPORT OF THE COUNCIL ON AGING
JUNE 30, 1980

By vote of the Town Meeting, April 1980, the Council on Aging was established with rights and duties provided by General Laws, Chapter 40, Section 8B.

The Board of Selectmen on May 15, 1980 appointed five persons to serve on the Council. An organization meeting was held June 23, 1980, duties assigned, and plans formulated to carry on the programs instigated by the former Elderly Affairs Committee and to plan for the future services to the Milton Senior Citizens.

Submitted,

Doris M. Davidson, Chairman
Marguerite Moynihan

Lieutenant Francis J. Shields retired on accidental disability May 31, 1980, after 31 years of faithful service.

Firefighter John P. Foley promoted to Lieutenant June 1, 1980. Appointment made in accordance with existing rules and regulations of Division of Personnel Administration.

A special recognition to the Board of Selectmen, Executive Secretary, and Warrant Committee for their concern and understanding.

To the officials, officers and men of the Department and all Town Department heads and employees, I wish to express my sincere thanks for their support and cooperation.

Respectfully submitted,

JOHN O'NEILL
Fire Chief

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Building Department for the six month period from January 1, 1980 to June 30, 1980:

Month	Number of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Alterations Repairs & Misc.	Valuation	Fees Received
January	18	2	2	–	14	$ 209,800.00	$ 486.00
February	16	1	1	1	13	94,400.00	246.00
March	36	2	2	2	30	288,030.00	728.00

	217	24	15	19	159	$1,742,446.00	$4,320.00

Fees for the above permits amounting to Four Thousand Three Hundred Twenty Dollars ($4,320.00) have been collected and paid to the Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their cooperation. May I also express my appreciation to all Town Officials, Boards and Committees for their assistance.

Respectfully submitted,

ALBERT W. SEMER
Building Commissioner

REPORT OF THE WIRE DEPARTMENT

September 22, 1980

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Wire Department for the six month period from January 1, 1980 to June 30, 1980:

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
January	34	15	19	$ 451.50
February	23	11	12	289.00
March	19	1	18	102.50
April	32	9	23	239.50
May	28	––	28	118.50
June	38	4	34	170.50
	174	40	134	$1,371.50

Fees received for the above permits amounting to One Thousand Three Hundred Seventy One and Fifty Cents ($1,371.50) have been collected and paid to the Town Treasurer.

Number of Certificates Issued	92
Total Horsepower Wired	435
Total Kilowatts Wired	1397

FIRE AND POLICE ALARM SIGNALS

Fire Alarm Boxes were repaired or replaced due to accidents at the following locations:

Box 5121 – Whittier Road
Box 73 – Granite Avenue and Courtland Circle

New remote controls were installed in the communication room at the Police Station to utilize some of the functions from the Police Signal desk that was moved to the Emergency Communications Room in the basement.

Fire and Police Boxes were tested and repaired as necessary.

Signal lines and equipment have been transferred from old to new poles where required.

Electrical repairs and installations have been done for Town Departments as requested.

WIRE AND CABLE

2000 feet of 25 conductor cable was replaced on Randolph Avenue with new cable between Hutchinson Street and 500 feet beyond School Street.

TRAFFIC LIGHTS

Traffic Signal equipment was repaired and replaced at the following locations due to accidents:

Adams Street and Brook Road (2)
Canton Avenue and Highland Street
Edgehill Road at Collicot School
Adams Street and Eliot Street

VANDALISM

Repairs or replacement was necessary at the following locations due to damage by vandalism:

Adams Street and Bryant Avenue – Traffic Lights
Brush Hill Road and Milton Street – Police Box Stolen
Canton Avenue and Dollar Lane – Police Box Stolen
Brook Road and St. Mary's School – Traffic lights (5)
Brook Road and Centre Street – Traffic lights (3)
Edgehill Road at Collicot School – Traffic lights (4)
Columbine Road – Fire Box #462
Randolph Avenue and Lodge Street – Cable Box

All Traffic Signals were relamped and cleaned and all controllers were cleaned, oiled and repaired as needed.

I wish to thank the Board of Selectmen and all the Town Departments for their cooperation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted,

LEWIS E. PARK
Inspector of Wires

REPORT OF THE FENCE VIEWERS

To the Honorable Board of Selectmen:

The several complaints received by us during the Fiscal Year period of July 1, 1979 through June 30, 1980 were disposed of by the Building Commissioner in a satisfactory manner.

Respectfully submitted,

TERESA SHAUGHNESSY
NATHANIEL C. LORD
Fence Viewers

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

June 30, 1980

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	4,100 feet
Brush obstructing drainage cut	125 feet
Culverts cleaned and opened	15
Drainage constructed or improved by machine	2,000 feet

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Aerial applied larvicide	180 acres
Larvicide by backpack and mistblowers	155 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide mistblowing from trucks	7,260 acres
Catch basin application. Adulticide and larvicide.	989

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 357 calls from residents for information and assistance.

Respectfully submitted,

ALBERT W. HEUSER, Superintendent

REPORT OF THE PARK DEPARTMENT

To the Citizens of Milton:

The following is the Annual Report of the Board of Park Commissioners for the Fiscal Year 1980.

Mr. Donal J. Fahey was elected Chairman, John S. Shields, Secretary and Paul P. Joyce, Member.

Improvement to the playgrounds were as follows:

Reconditioned Lamb Little League Field, Eliot Street Playground Little League Field, Kelly Softball Field, Kelly Field Regulation Diamond, and Pierce Field near the Basketball Courts.

Reconstructed Regulation Baseball Diamond at Andrews Field.

Installed new Merry-Go-Round at the Kelly Field play area.

Recreation Programs offered by the Park Department are as follows:

Basketball
Gymnastics
Street Hockey
Ballet
Acrobatic Dancing
Volleyball
Badminton
Bridge Instructions
Soccer
Square Dancing
Girls' Softball
Baton Twirling
Women's Slimnastics
Ski Instructions
Men's Softball
Women's Softball
Tennis Instructions

The attendance this year at Milton Park and Recreation Programs was once again up, with a large attendance at the summer and winter gymnastic program. Attendance was up at boys' basketball, street hockey and the Senior Citizens golf tournament.

The new girls' elementary and junior high basketball program proved very successful.

The new programs for older residents, square dancing and bridge instructions were well attended.

The Skiing Program, held on Saturday mornings at the Blue Hill Ski area, had over 300 participants.

The Park Department participated, for the second year, in the "Family Day", held at Cunningham Park in August.

The Board hired Mary Kaler as Director of the Summer Handicapped Program. Milton continues to be reimbursed for 50% of all costs for this program.

Mr. Richard C. Cadigan was hired by the Board as Playground Supervisor for the summer playground recreation programs. This program is held for eight weeks at all the Park Playgrounds.

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The problems of litter and vandalism continue to plague the Department, requiring the grounds crew to spend many hours on this work when they could be performing more constructive projects.

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards, and Commissions who have helped and assisted the Park Department this past year.

Respectfully submitted,

Donal J. Fahey, Chairman
John S. Shields, Secretary
Paul P. Joyce, Member

REPORT OF INSPECTOR OF PLUMBING AND GAS

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the six month period from January 1, 1980 to June 30, 1980:

Month	Number of Permits	Plumbing	Gas	New	Old	Fees Received
January	65	26	39	7	41	$ 275.00
February	43	17	26	–	33	136.00
March	61	33	28	3	37	299.00
April	52	26	26	2	31	155.00
May	61	30	31	2	39	233.00
June	58	27	31	5	36	496.00
Totals	340	159	181	19	217	$1,594.00

Fees amounting to One Thousand Five Hundred Ninety Four Dollars ($1,594.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who assisted me in 1980.

Respectfully submitted,

PAUL D. WILLIAMS
Inspector of Plumbing and Gas

Several promotions were made during the year. I was appointed Chief of Police on February 22nd. Lieutenants John D. Crowley and Thomas F. Murphy were promoted from Sergeant on May 3rd. Lieutenant Crowley has been assigned as Platoon Commander on the night shift and Lieutenant Murphy has assumed the duties of Commanding Officer, Uniformed Division. On May 10th three patrolmen were promoted to the rank of Sergeant: Warren J. Brown, Robert J. Delaney and Robert M. Galvin.

Chief Dennis J. Doyle, a member of the department since 1942 and Acting Chief of Police since July, 1977, retired on December 31, 1979. Chief Doyle served the town with distinction throughout his career and is to be commended for the loyalty and dedication which he displayed.

Thomas J. Callahan, a dedicated member of the department from 1923 to 1954, died on July 9, 1980.

School Traffic Supervisor Lorraine Reilly, appointed May 1, 1973, resigned on June 30th.

Mary M. Hynes and Mary Ann Francis were appointed as substitute Traffic Supervisors.

On March 21st the department was notified by the Governor's Highway Safety Bureau of the approval of our request for funding assistance (100% reimbursement) for the purchase of a motorcycle, radar and portable radio. Our request for $8,500.00 to purchase this equipment was subsequently approved by Town Meeting. Preliminary plans are to use the motorcycle on traffic duty, on at least two shifts, throughout the town.

To the officers and men and clerical personnel of this department I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted,

GERARD R. MATTALIANO
Chief of Police

REPORT OF THE DOG CONTROL UNIT

June 30, 1980

To the Honorable Board of Selectmen:

In compliance with the Dog Officer's Warrant we are pleased to submit our report for the period July 1, 1979 through June 30, 1980:

Number of stray dogs picked up	240
Stray dogs sold	176
Stray dogs put to sleep	1
Pound fees collected	$ 265.00
County reimbursement	$1,300.00

60 Dog Citations were issued totaling $900.00. The town was reimbursed by the court for their share of this revenue.

With the assistance of the "Friends of the Pound" we, throughout the year, found homes for many of our stray dogs.

When our next report is submitted, hopefully, we will be working out of the new Dog Pound.

Respectfully submitted,

JOHN E. LANK
GARY D. NUNLEY

REPORT OF THE TRAFFIC COMMISSION

Three meetings were held between January 1 and June 30, 1980.

New guidelines were received from the State DPW regarding "Right Turn on Red" signs. The Commission met on March 13th, surveyed the 15 traffic lights in the town and recommended to the Board of Selectmen that right turns on red be allowed at some of the intersections.

Recommendation was made that the two existing "One Hour Parking" signs on Granite Avenue from Adams Street to Bassett Street be changed to "15 Minute Parking" for a trial period. It is hoped that this change will help eliminate the double parking in the area. The merchants in the area were surveyed and all but one were very much in favor of the change.

The installation of two hospital "H" signs, one in each direction, were recommended at the intersection of Randolph Avenue and Reedsdale Road.

A petition was received from residents in the area of Milton Academy's proposed housing units off Brook Road. The residents were concerned with traffic hazards that might be created by the new entrance and exit onto Brook Road. Safety Officer Rau reported to the commission on his observations of traffic conditions in the area and recommendation was made to the Board of Selectmen that three "30 M.P.H." signs be installed on Brook Road as follows: (1) heading easterly opposite 690 Brook Road and (2) heading westerly just west of Dudley Lane and on the southerly side just easterly of Churchills Lane.

The commission voted unanimously to recommend to the Board of Selectmen that the "No Parking Zone" in front of St. Mary of the Hills Church be rescinded.

To restrict traffic seeking to turn left onto Adams Street from Franklin Street, it was recommended, for a six month trial period, that a "No Left Turn between 8 A.M. and 8 P.M." sign be installed on the westerly sideline of Franklin Street at its intersection with Adams Street. At a later meeting the recommendation was made to change the sign to read "Stop No Left Turn between 8 A.M. and 8 P.M.".

The installation of a large arrow direction sign was recommended for the southerly side of Brush Hill Road opposite and facing Fairmount Avenue as this sign can easily be picked up by car lights. The DPW will continue to negotiate for a round corner taking which, if successful, will greatly improve safety in the area.

Parking problems in the area of the Milton Art Cinema were discussed and recommendation was made that the DPW repaint the lines and change the existing "No Parking" sign to "No Parking Fire Lane". Also, the MBTA will be contacted and requested to repaint the markings for the bus stop.

In addition to the above, the following requests from various town departments and citizens were acted upon:

One "No Parking Any Time" sign was recommended.

One "Parking By Permit Only" sign was recommended.

Two "Sharp Curve" signs were recommended.

One "Stop" sign was recommended.

Two requests for "One-Way" streets were not recommended.

One request for a "One-Way Do Not Enter" sign was not recommended.

One request for a "Blind Drive" sign was not recommended.

One request for a "Watch Children" sign was not recommended.

One request for a "No Parking" sign was not recommended.

One request for a "Do Not Block Driveway" sign was not recommended.

Respectfully submitted,

GERARD R. MATTALIANO, Chairman, Chief of Police
JOHN T. O'NEILL, Fire Chief
ALBERT P. ZANIBONI, Superintendent of Streets
PAUL D. KANTER, Town Engineer
EILEEN F. GILLIS, School Department

REPORT OF THE MILTON PLANNING BOARD

September 24, 1980

To the Honorable Board of Selectmen:

During the past six months the Planning Board reviewed eight plans to subdivide land in the Town. In addition, construction of the residential developments of Winter Valley and Home, Inc. were inspected to insure compliance with the site plans that the Board had approved. Also, at the request of Milton Academy, a site plan for Faculty Housing was approved.

Member James Hannon was designated by the Board to serve on the Fair Housing Committee.

The Board has continued to study the following areas for possible zoning amendments:

1. Conversion of existing large homes into condominiums or apartments.
2. Height Restrictions on all buildings.
3. Large lot subdivisions on roadways of diminished capacity to reflect the reduction in density.
4. AA (Two Acre) Zoning.
5. Accessory apartments.

Public hearings will be held in the fall to elicit response to early drafts of proposed amendments.

Respectfully submitted,

SUZANNE C. COLLINS, Chairperson
PATRICK H. DONAHUE, Secretary
J. WILLIAM DOLAN, M.D.
JAMES G. HANNON
ROBERT J. KELLY

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its report for the period January 1 through June 30, 1980.

ORGANIZATION

Virginia A. Gaffey, R.N., was elected by the voters for a three-year term on March 1, 1980. On March 5, 1980 the Board met and elected John S. Coldiron, M.D., Chairman; and Morton Wolf, D.V.M., Secretary. The Board appointed Michael J. Sullivan, R.S., as Agent to the Board; Alice A. Driscoll, Principal Clerk; Mary A. Whitney, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of infants and children and counseling for the parents. Immunization against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio were provided and tine tests for detection of tuberculosis infection were administered.

SCHOOL HEALTH SERVICES

Vision and hearing testing were administered to all enrolled parochial school pupils.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested forty-seven residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Mass. General Laws governing persons in contact with school and college-age persons. TB tests for residents and school personnel are available on a year-round basis by appointment through the Board of Health office. TB casework included two contact referrals and ten follow-up contacts of persons on chemotherapy or out-patient care.

Follow-up of one case of meningitis and seven cases of salmonellosis was carried out.

The State Law requires that children be immunized against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio before attending school. Vaccines for diphtheria, tetanus and pertussis (DTP); for measles, mumps and rubella (MMR); and for polio (Sabin) were distributed from the Board of Health office to community physicians for immunization of children. 890 doses of MMR vaccine, 2,230 Polio, 2,100 DTP, and 525 doses of T&D were dispenses during this period. The immunization of infants and children by physicians was supplemented through the well child clinics and through school clinics for booster doses. There were no reported cases of diphtheria, tetanus, pertussis, measles or polio. Twenty-six cases of chicken pox, one case of scarlet fever, two cases of positive strep throat and two cases of mumps were reported.

INSPECTION OF ANIMALS

A total of thirty-one dog bites were reported to the Board of Health in this six-months period.

ENVIRONMENTAL HEALTH

Fourteen permits to operate food service establishments were issued. All food service establishments were inspected for compliance with the State Sanitary Code. In addition, all schools were inspected periodically. Six establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the Mass. General Laws.

Eight applications for individual sewage disposal systems were submitted from January to June, 1980. Three were requested for new dwellings, of which two were disapproved because the lot inspection revealed they were unsuitable for the subsurface disposal of sewage. Five applications were submitted and reviewed for the alteration and repair of existing systems. Thirty-eight inspections of subsurface disposal systems were conducted. Twenty of the inspections were for new systems and eighteen were for repairs to existing systems.

There were forty nuisance complaints that required investigation; six lead paint analyses; twenty-six housing inspections; eleven water analyses; and sixty-six miscellaneous calls that required field investigation. Thirteen milk samples were collected and tested for butterfat, total solids, antibiotics, standard plate count and coliform count.

The following licenses and permits were issued: fifteen milk (store); one milk (vehicle); six oleomargarine; one to manufacture frozen desserts; one to manufacture carbonated non-alcoholic beverages; three commercial stables; three recreational camps; three public swimming pools; two to remove and transport garbage and offal; one for construction of a local sewage system, three to install local sewage systems in the Town; one to purchase syringes; and five to funeral directors.

FINANCIAL SUMMARY

Income from fees for permits and licenses issued by the Board of Health during the period January 1 through June 30, 1980 amounted to $555.50.

Respectfully submitted,

MILTON BOARD OF HEALTH
JOHN S. COLDIRON, M.D., Chairman
MORTON WOLF, D.V.M., Secretary
VIRGINIA A. GAFFEY, R.N., Member

REPORT OF THE BOARD OF ASSESSORS

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit a report of activities for the period July 1, 1979 - June 30, 1980.

At the Annual Town Meeting on March 1, 1980, Daniel E. Duggan, Jr., was re-elected for a term of three years. The Board organized as follows:

M. Joseph Manning, Chairman
Thomas S. Gunning, Jr., Secretary
Daniel E. Duggan, Jr.

The major activity of the Department continues to be the revaluation of all real estate and personal property. The listing of all properties has been completed. Valuation factors are now underway and it is expected that the program will be implemented for Fiscal Year 1982.

The Board would again express its appreciation to the citizens of Milton for their cooperation to its employees during the listing process of all properties throughout the town.

Our appreciation and gratitude goes to our dedicated staff for their excellent performance during the year. To the Departments and Boards that render assistance to us, we are most grateful.

The Board wishes to thank Town Counsel Robert D. O'Leary for his advice and counsel during the year. His services have been most beneficial to the Town of Milton.

The detailed statement of Receipts and Expenses follows:

JULY 1, 1979 – JUNE 30, 1980
EXPENSES FOR 1980 FISCAL YEAR

ESTIMATED STATE & COUNTY ASSESSMENTS (Commissioner's Estimates)		ACTUAL AMOUNTS ASSESSED BY STATE & COUNTY
County Tax	$ 304,026.53	$ 301,286.26

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

July 1980

For the past six months the Milton Public Library has continued to serve the people of Milton with the same quality of service that has always been associated with our Library. We are proud of this record. We will make every effort to serve you well.

Our CETA project has been completed. The extra help provided by the CETA people has furnished us with a much-needed inventory of the library. This was indeed an accomplishment because otherwise it would have been necessary to close the library for perhaps a week – which we had opted not to do. Now it is done and no one has been inconvenienced. CETA also indexed the *Record-Transcript* from 1904-1948. This, too, is something extra and vital to the library that would have gone undone. We are very thankful for this program.

The Friends of the Library, now in their third year, and under the able direction of Dr. Herbert Wotiz as President, are very good to the Library. On April 13th they held their first auction, which proved very successful, thereby contributing a goodly sum to the library. Then they conducted a book sale on June 14th which was another successful project. They are a fine group of people. Mrs. Eileen Gillis is the representative from the Trustees to the Friends.

We continue to offer interesting programs for our patrons of all ages: A yo-yo demonstration and a live theatre puppet show which entertained the school children. After the show, cookies, punch and ice cream were served. A talk on Bermuda and films on Japan were offered for adults as well as film specials. These programs have all proved very popular.

We are grateful for the many gifts and kindnesses of people interested in the library. We appreciate the many generous money gifts as well as the gift of the Milton Garden Club in continuing its faithful service of brightening our rooms with colorful arrangements. Another much appreciated kindness is the popular pre-school story hour conducted by the Milton Junior Woman's Club. We extend our thanks also to exhibitors who continue to have interesting and colorful art exhibits in our gallery.

In conclusion, the Trustees wish to extend their thanks and appreciation to our loyal and devoted staff, and especially to our Director Edward Locke for continuing and maintaining the tradition of excellence and high standards associated with the Milton Public Library.

REPORT OF THE MILTON PUBLIC LIBRARY

July 1980

To the Board of Trustees of the Milton Public Library I have the honor of presenting the Annual Report for the year ending June 30, 1980. This is the one hundred and ninth Annual Report. The changeover to fiscal year reports means that this report includes only six months of activity, from January 1, 1980 - June 30, 1980. (The *Library Statistics – 1980* covers, however, the year July 1, 1979 - June 30, 1980. This will enable the library to compare yearly statistics in the future.) The following summary of activities would only be repetitive if it included any of 1979.

We entered the calendar year with a concern about the 1980-81 budget. This concern became very real when, after we kept the budget to a minimum, the budget was cut further. Our book budget not only has not kept up with inflation, it has been reduced. The position of Library Custodian, not reflected in our budget, but a condition of efficiency, was eliminated. These and other cuts do create worries about quality library service in Milton.

Meantime, we continue with our innovative programs, our search for ways to "produce" space, and the providing of books, periodicals, films, museum passes, filmstrips, cassettes, art prints, records, puzzles, microforms, etc. The library is heavily used, as our statistics show. Questions continue to pour in at the rate of about 8,000 per year – some are telephoned in, but most are asked in person. Many queries require not one minute of help but fifteen minutes or half an hour. Students are still looking for criticisms of famous authors and books. Businessmen still inquire about the health and size of businesses in the area. People still want to know more about a painting they own.

The first six months of 1980 saw the closing of a special program. Our CETA grant ended, and we thanked our CETA staff with a "Well done." The $60,000 project, paid for entirely by CETA, had been extended for three months to a total of fifteen. At the end, the two primary objectives had been accomplished:

1. The inventory had been completed.
2. An index to the *Milton Record-Transcript* has been published, as promised, covering the years 1904-1948.

Many other small projects were completed, such as checking book indexes, withdrawing cards from the catalog, checking lists of books, etc. We are grateful to Claire Davis, Joan Mormino, Roberta Nardella, Pauline Yovino, and Robert Doherty. But a word must be said about this last CETA worker. It was he who indexed the *Milton Record-Transcript* and typed it. His special abilities, his diligence and his caring for his work resulted in a reference book, the index, which all researchers of Milton history will treasure for ages to come. We have already used the index to answer many local history questions. Our only regret is that we ran out of money and could not go beyond 1948.

The library continued its feature film programs, with excellent movies like "Citizen Kane" and "A Streetcar Named Desire." We thank the Milton Junior Woman's Club for giving their Library School – this is a wonderful service for the community. The library sponsored its Story Hour, as usual. Also, as usual, Joel Krensky of Colpitts Travel provided a travelog in February (on Bermuda). His talks are always well-attended. We could go on with listing programs – yo-yo demonstration, puppet shows, Norfolk Extension Service speaker Paul Lopes with his gardening lectures, needlecraft workshop by Mary Lelievre, tax workshop by Murray Hoy, talks by authors Alan Burke and Sig Lavine – but we must go on to other items, stopping, nevertheless, long enough to thank our contributors, who were all appreciated by their audiences.

The Community Analysis project, being carried out by Dr. Germanotta of Curry College, got into full swing during our January-June reporting periods. The library had obtained a grant for this purpose, and cooperated with Dr. Germanotta in drawing up guidelines for the research, providing statistics, and even doing its own study of Senior Citizens and their needs.

The Friends of the Library sponsored a book auction in April and a book sale in June. Their hard work is appreciated, and though they have fun doing these projects, it is still hard work and many hours. Our hats are off to them.

We continue to "produce" space. An area on the third floor of Central was cleared of documents, which were transferred to the basement. The third floor now contains space for 1,500 more books than in 1979.

The phonograph record collection was divided into two areas, to enable the Central children's room to offer records to children. This involved a great deal of cataloging work, but it is worth it when you see how happy the children are to borrow records by themselves. The Kidder branch continues to expand its new record collection.

Our new Young Adult Librarian, Miss Cohen, has begun a program of close cooperation with the schools and Milton Youth Department. The staff has many ideas about other services, but it all takes time and money and people. Yet just because these services are not in existence now does not mean they are unimportant. There are many needs of the community, and what the library offers now is only a partial response. We are still hopeful for the future.

Ready to respond to these community interests is the future-oriented Board of Trustees, whom I thank for their friendly approach. An excellent staff is a staff with ideas and carefulness, and we have that. The Board and staff together make a dedicated team.

Respectfully submitted,

Edward Locke
Director

REPORT OF THE LIBRARY TREASURER

July 1980

To the Trustees of the Milton Public Library:

The funds in care of the Trustees were invested as summarized in the following tables of June 30, 1980:

	Book Value	Income for January 1, 1980 to June 30, 1980
Common Stock	22,754.42	1,528.52
U.S. Treasury Bonds	3,990.00	70.00
Savings Bank Deposits	33,688.54	1,994.02
Preferred Stock	766.26	
Corporate Bonds	100.00	
Total	$61,299.22	$3,592.54

Two statements pertaining to funds in our control are appended as part of this report.

(a) A list of the various funds by name and the investments in each.

(b) A statement of the total investment income for January, 1980 to June 30, 1980 and the disbursements from that income.

The Library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund is in the custody of the Town Treasurer.

The Oakland Hall Fund is in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. Between January 1, 1980 and June 30, 1980 we spent from that income as follows:

EXPENDITURES FROM N. T. KIDDER FUND – JANUARY - JUNE 1980

Graphic Microfilm (Microfilming Milton Transcript)	$ 71.42

Safekeeping fees	20.00	
Total Disbursements		3,307.76
Balance of income cash, June 30, 1980		6,540.60

ANNUAL REPORT OF THE MILTON YOUTH DEPARTMENT

In January the Youth Department, guided by the Youth Committee, took steps to develop delinquency prevention programs to address youth problems in the community. The Youth Committee mandated continued efforts in developing alcohol and drug education in the school system and parenting education programs. Although a special curriculum committee to develop alcohol and drug education submitted a plan to the School Committee, to date this is not a full K-12 program.

The School Department received a grant from the Law Enforcement Administration Assistance program to develop a Community Vandalism Prevention project. The Youth Coordinator co-authored the proposal and is acting as a project facilitator of the grant. Components of the proposal include establishing a Community School After Hours Activity program; In-service training in coping with parents and understanding the psychology of adolescent behavior was developed for the police department. A peer influence, Friend to Friend, project is being designed with high school students to help junior high students make the transition from grade school and into high school. A vandalism curriculum prevention course was designed by the school for seventh grade students.

As a result of work with the Milton Police Association the Police Department is to implement a Juvenile Citation System. Lt. Wells, Officers Kevin Sorgi, John Morarity, Charlotte Berkowitz and Jim Sgroi (Crime Analyst) were directly responsible for the development of the program with Youth Department staff. The Citation system is designed to help youth at a young age (10-15) and prevent delinquent behavior by avoiding court or an arrest record. It provides consequences for misbehavior and 24 hour follow-up to parents of youthful offenders.

With the closing of the Youth Center and changing the position of Center Director to a three quarter time youth counselor, the Youth Department began a new direction. The Youth Coordinator and Youth Counselor will work on a case work management system in crises intervention for youth and families in trouble. The department discontinued the Rent-A-Kid program for want of staff. The Youth Employment Project funded by CETA/ Quincy will terminate by September 30th. Six of ten participants received their high school equivalency degree through the project.

Donna Robertson, Vicki McCarthy, and Marion Linnehan did an excellent job in helping youth who left school early and Milton was cited for its excellence in managment and results by implementing the grant.

Respectfully submitted,

MAX HORVET, Youth Coordinator
WILLIAM MULLEN, Chairman
Members:
VIRGINIA WELLS
PAULA GIOVANNUCCI

TOWN OF MILTON

FINANCIAL STATEMENTS

December 31, 1980

REPORT OF THE TOWN ACCOUNTANT

December 12, 1980

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1980 arranged as follows:

1. Detailed listing of all receipts of the Town.
2. Detailed listing of all expenditures of the Town.
3. Summary of all departmental accounts, showing appropriations, expenditures and balances.
4. Recapitulation of departmental expenditures.
5. Balance Sheet as of June 30, 1980.

All bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bills reported to me as unpaid:

Fire – Medical Expenses:		
Boston Neurosurgical Services, P.C.	$ 44.00	
Hill Anesthesia Associates, Inc.	342.00	
Milton Orthopaedic Associates	65.00	
New England Baptist Hospital	6,000.20	$6,451.20
Police – Medical Expense:		
Milton Radiologists, Inc.		36.00
		$6,487.20

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held June 30, 1980. . . . . $1,067,467.18

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Poor Fund

Amount held June 30, 1980. . . . .$5,692.32

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held June 30, 1980. . . . .$7,474.15

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of............................., the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held June 30, 1980	$2,626.67

Sarah G. Vose Fund

Amount held June 30, 1980	$1,170.53

E. G. Tucker Fund

Amount held June 30, 1980	$1,168.48

Herrick Fund

Amount held June 30, 1980	$8,000.19

Bannin Family Fund

Amount held June 30, 1980	$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of $500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held June 30, 1980	$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of George A. Briggs are buried."

George F. Duffy Fund

Amount held June 30, 1980	$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of $1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held June 30, 1980 . . . .$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Tuell-Hallowell Good Citizenship Prize Fund

Amount held June 30, 1980. . . . . $2,157.54

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars ($1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

Percy E. Sheldon
June 2, 1923 President, Tuell Alumni Association

For additional gifts to the fund, see report of 1947.

PUBLIC SCHOOLS

MILTON, MASSACHUSETTS

ANNUAL REPORT

of the

SCHOOL COMMITTEE

and the

SUPERINTENDENT OF SCHOOLS

1980

REPORT OF THE SCHOOL COMMITTEE

To the Honorable Board of Selectmen:

The School Committee is pleased to submit its Annual Report for 1979-1980.

The year 1979-1980 was marked by a number of events of significance.

In the area of personnel, Mr. John M. (Pete) Haskell announced his retirement as Assistant Superintendent of Schools, effective June 30, 1979. Mr. Haskell will be missed for the dedicated service, wise counsel and warmth which he brought to the school administration. The School Committee wishes him well in his future endeavors.

Following an extensive search, review of applications and interviews with a number of candidates, the School Committee was delighted to accept the recommendation of the Superintendent to appoint Miss Eleanor C. Blaine to succeed Mr. Haskell as Assistant Superintendent. Miss Blaine is well-known and widely respected for her superior work as Principal of the Tucker School. The Committee looks forward to working with her as Assistant Superintendent.

As for Miss Blaine's successor as Principal of the Tucker School, the school Committee was fortunate to obtain the services of Mr. Frank Guarino, Jr. Mr. Guarino has served as principal of elementary schools in Wayland for a number of years and is well-known in the field of primary education having recently served as President of the Massachusetts Elementary School Principals Association.

During the year the results of standardized testing in grades three-eight, conducted in May 1979, became available. The test scores were above National averages in most areas of testing. In areas where the testing demonstrated weaknesses curriculum has been the subject of analysis and revision. Thus, the testing, which was repeated in May 1980, is serving a useful diagnostic purpose which we are hopeful will be reflected in improved education.

College board scores which have fallen Nationally as well as in Milton are the subject of concern and review as well. We are hopeful that past curriculum revisions as well as those presently being undertaken will eventually reverse the trend. In any event, an independent review of college board scores is being undertaken with a view to taking any necessary corrective action. It should be noted in this connection that in excess of thirty per cent of the student population attends private schools. This is somewhat unique among suburban communities in the Boston area. Of the students attending private schools at the high school level many are academically talented. Thus, the numbers of academically talented children attending our public schools is reduced, having an adverse impact on average college board scores when compared with communities in which ninety per cent or more of the students attend public schools.

During the year the new gymnasium addition at the High School was completed. The School Committee is grateful to the Building Committee which spent so many hours to accomplish the completion of this project.

Early in the year it became apparent that escalating fuel costs, if left unchecked, would exceed budgeted expenditures by a wide margin. Through the efforts of the Superintendent and the Administrator of Buildings and Grounds, Mr. William V. Vacca, stringent conservation meastures were instituted, which together with a mild winter, reduced fuel consumption significantly. Recognizing that fuel costs will present a continuing problem in the future, the School Committee retained consultants to conduct an engineering survey of the school buildings to determine what capital expenditures might be needed to reduce fuel consumption. With cooperation from the Selectmen, the Warrant Committee and the Town Moderator, a committee was established to supervise the survey and to make recommendations. The committee was formally organized following the Annual Town Meeting and made its report to the June Special Town Meeting, at which expenditures for schools and other town buildings were authorized. We are optimistic that the net results of this endeavor will show significant cost savings to the Town.

The School Committee, during the year, also had to deal with a default by the school bus contractor. With cooperation from many, including Selectmen, the Public Works Department, abutters of the Town Yard and the school bus drivers, together with the able assistance of Mr. John G. Wojciechowski, the School Department was able to operate the school buses without interruption for the remainder of the school year.

In summary, 1979-1980 was an eventful year, marked by cooperative efforts with the Board of Selectmen, the Warrant Committee, other Town officials and numerous citizens who assisted in search committees or who in other ways helped to benefit the school system and the Town. The School Committee extends its sincere appreciation to all and especially to the Superintendent and the staff of the Milton Public Schools.

Respectfully submitted,

CHARLES C. WINCHESTER, Chairman
MARY R. FITZGERALD, Secretary
WILLIAM A. EDWARDS
MICHAEL F. FARRINGTON
MARVIN A. GORDON
ROBERT C. SWEENEY

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my third Annual Report as Superintendent of Schools for the Town of Milton. As these reports changed from calendar year reports to fiscal year reports, the previously separate reports of Assistant Superintendents and Principals will be combined into this one report for the period July 1, 1979 to June 30, 1980.

The school year opened smoothly with one hundred and thirty-six (136) fewer students and nine (9) fewer teachers. The renovations of the physical education facilities at the High School were incomplete, therefore a great deal of co-operation was necessary on the part of all concerned to open on time. The new gymnasium was dedicated to retired Superintendent of Schools Harry B. McCormick and the renovations were dedicated to former Athletic Director Aaron "Biff" Yeaton.

Repairs to the fire damage at the Cunningham Junior High School were completed during the first few weeks of school restoring that facility to full use. Other schools have benefited from the declining enrollment allowing marginal teaching spaces to return to normal use.

The self-evaluation portion of the ten year accreditation procedure of the New England Association of Schools and Colleges was begun early in the school year with the visiting committee of educators from throughout New England scheduled to arrive for a four day visit in April of 1981.

The newly instituted California Achievement Tests were studied by administrators, teachers and parents to ascertain the strengths and weaknesses of the curriculum as well as to help teachers diagnose the achievement of each child. The tests given again in May of 1980 were encouraging and will be the basis for further study by principals, co-ordinators and teachers in an effort to improve our curriculum, teaching materials and teaching methods in order to insure that each child is challenged.

The Committee on Improvement of Basic Skills headed by Mr. Michael McLaughlin won the endorsement of the School Committee in its plans to test for a minimum competency level. The State Department of Education has approved our methods of evaluation and the program for reading, writing and mathematics will be initiated in May of 1981.

A great deal of effort has been expended to upgrade our academic programs, especially reading, writing and mathematics. In addition, our gifted and talented program in the elementary grades for art has been developed. Also, a plan to expand the academic gifted and talented pilot program to the junior high schools was developed with implementation scheduled for the 1980-1981 school year.

Business courses offered in the ninth grade have been expanded. The accelerated science program at the junior high schools progressed well and curriculum studies in the areas of health education, transitional programs and skills management systems were completed and ready for implementation for September 1980.

The Music and Art Departments worked very hard in organizing and producing musical programs and art displays involving our childrens' talents. Expertly and professionally handled, these programs brought out the skills and creativity of our students.

At the end of June Mr. John M. Haskell retired as Assistant Superintendent of Schools and was replaced by Miss Eleanor C. Blaine, long-time principal of the Tucker School. "Pete's" dedication to the education of Milton's children is greatly appreciated. We look forward to working with Miss Blaine in this important position.

The program budgeting initiated last year has helped to keep better control of our financial resources. In a time of high inflation, the budget increased less than two (2) per cent for FY 1980 and stayed within the Governor's four (4) per cent guidelines for FY 1981. The work of the staff to curtail expenses is greatly appreciated, especially in the area of energy conservation. Providing quality education at a cost level within the community's ability to pay is a challenge, especially in these years of high inflation. Mr. Robert F. Cooke, Assistant Superintendent for Business Affairs, worked hard to keep expenditures under control. Mr. Cooke retired at the end of the 1979-1980 school year after ten years of service. Mr. John D. Sheehan was elected Assistant Superintendent for Business Affairs in the fall of 1980.

The condition of our school buildings has been a focal point of this administration. Concerted effort to provide the needed leadership in this area was supported by the Town Meeting and General Court by exempting the position of Administrator of Buildings and Grounds from the Civil Service system. Also, problems associated with delayed maintenance are being addressed as well as the cleanliness of our buildings. Mr. Albert J. Sexton was elected to fill the capable shoes of our first Administrator of Buildings and Grounds, Mr. William V. Vacca.

Co-operation with the Town's Energy Committee on energy conservation projects is ongoing. Personal thanks are in order for Mr. David Jeffries of the Energy Committee for his foresight and leadership on energy conservation measures for our school buildings.

The School Committee members deserve thanks for their efforts on behalf of the children of Milton. I am also grateful to the administrators and staff members for working to provide excellent educational programs in the public schools of Milton. The parents are very supportive of our school programs and they have participated in PTO and Parent Council activities.

Finally, I want to express my gratitude to the staff members who retired during the past year. They are:

Richard C. Bailey	Industrial Arts Teacher/Department Head
Gerald T. Campbell, Jr.	Science Teacher/Department Head
Robert F. Cooke	Assistant Superintendent for Business Affairs
Helen Ellis	Elementary Teacher
Gertrude V. Hamm	Elementary Teacher
John M. Haskell	Assistant Superintendent of Schools
William E. Mullin, Jr.	Teacher, Coach, Vice-Principal
Alice R. Murray	English Teacher
Ruth Nardone	Cafeteria Manager
Helen O'Connell	Librarian
Helene V. Prall	Secretary
Harold F. Prior	Custodian
Irma Resnick	Guidance Counselor
Paul J. Shute	Industrial Arts Teacher
Mildred Smith	Cafeteria
Margaret M. Welch	Secretary

In Memoriam – Frank D. Schulz – Custodian

Respectfully submitted,

FRANK J. GIULIANO, JR.
Superintendent of Schools
